LIFE SCIENCE LEASING UPDATE

During the third quarter 2024 and through October 24, 2024, Healthpeak executed lab lease agreements totaling 733,000 square feet.

- During the third quarter 2024, Healthpeak executed 465,000 square feet of lease agreements.
- From October 1 to October 24, 2024, Healthpeak executed an additional 268,000 square feet of lease agreements.

Year-to-date through October 24, 2024, Healthpeak has executed 1.7 million square feet of lab leases with an additional 575,000 square feet under signed LOIs.

Highlights of recent leasing activity at marquee projects includes:

- **Portside (South San Francisco):** In October, signed a 12.5-year, 205,000 square foot new lease with a private life science company.

The tenant will relocate from its current space within Healthpeak's portfolio to two full buildings on the Portside campus:

- **1100 Veterans Boulevard:** Tenant improvements on the 112,500 square foot building will commence in late 2024 with occupancy expected in the third quarter of 2025.
- **1120 Veterans Boulevard:** Tenant improvements on the 92,500 square foot building will commence in mid-2025 with the phase-in of approximately 31,000 square feet of occupancy in each of 2026, 2027, and 2028.

Since 2021, Healthpeak has signed or commenced 854,000 square feet of leases at Portside bringing the campus to approximately 90% leased. The only remaining availabilities on the 960,000 square foot campus are the 73,000 square foot 1140 Veterans building currently in redevelopment and a 33,000 square foot suite at 331 Oyster Point Boulevard.

Healthpeak is also under construction to refresh and modernize Portside's landscaping, entrances, and signage with improvements to pedestrian connectivity to Healthpeak's adjacent Cove campus and amenities center. Combined, The Cove and Portside campuses create a nearly 2 million square foot contiguous campus at the doorstep of South San Francisco's prestigious biotech market.

- **Vantage (South San Francisco):** In October, signed an 8-year, 63,000 square foot lease with a private biotech company.

The tenant will relocate from its current space within Healthpeak's portfolio after tenant improvements are completed in late 2025. The two-floor lease brings the 346,000 square foot first phase of Vantage to approximately 70% leased.

Additionally, in September, Healthpeak held the grand opening for The Hangar, a 40,000 square foot market-leading tenant amenity center on the Vantage campus. The Hangar features four unique quick-service restaurants, an artisanal coffee bar, a full-service restaurant, a bar and lounge, a fitness center, and a state-of-the-art conference and meeting space.

- **Gateway (Sorrento Mesa):** In July, signed an 8-year, 37,000 square foot lease with a private biotech company. The lease is expected to commence in the third quarter of 2025. Additionally, in October, Healthpeak signed an LOI for 33,000 square feet with a mid-cap public biotech. Both tenants are new to the Healthpeak portfolio.

The recent leasing activity brings the Gateway development to 42% leased or committed.
