The obligation of the Registrant to pay the amounts outstanding under the Loan Agreement may be accelerated upon the occurrence of an “Event of Default” as defined in the Loan Agreement. Such Events of Default include among others:

(b) any representation or warranty made or deemed made by or on behalf of the Registrant in the Agreement or which is contained in any written instrument, including any certificate, documents, or financial or other statement furnished by or on behalf of Registrant at any time under or in connection with any Loan Documents shall prove to have been false or misleading in any material respect on or as of the date made or deemed made;

(c) Default by the Registrant in its obligations under Section 5.01 (maintenance of corporate existence), Section 5.04 (duly pay and discharge all taxes or other claims which might result in a Lien upon any of its properties), Section 5.09 (reporting requirements), Section 5.13 (financial covenants) or Section 6 (negative covenants, including: dissolution, incurrence of additional debt, liens or other encumbrances; capital expenditures in excess of \$500,000 per each fiscal year; payment of dividends; merger; change in the nature of the business) of the Loan Agreement;

(d) The Registrant commences a bankruptcy or similar proceeding or such a proceeding is commenced against them and remains undismissed for a period of sixty (60) days or more;

(e) Any judgment, Federal, state or municipal tax lien entered exceeding \$10,000.00 against Registrant, or any attachment, levy or execution exceeding \$10,000.00 against any of their respective properties for any amount shall remain unpaid, unstayed on appeal, undischarged, unbonded or undismissed for a period of sixty (60) days or more; or

(f) There is a material adverse change in the business, properties or financial condition of the Registrant.

WHEREAS, the Bank is willing to make the Loan on the terms and conditions set forth herein.

NOW, THEREFORE, IT IS HEREBY AGREED by the parties hereto in consideration of the terms, covenants and conditions hereinafter set forth as follows:

ARTICLE I
DEFINITIONS AND ACCOUNTING TERMS

Section 1.01. Defined Terms. As used in this Agreement, all capitalized terms shall have the meanings set forth herein (except where the context otherwise requires, terms defined in the singular to have the same meaning when used in the plural and vice versa).

“Note” or “Revolving Credit Note” shall mean the Revolving Line of Credit Note of even date herewith in the principal amount of Two Million and 00/100 (\$2,000,000.00) Dollars, made by Borrower in favor of the Bank.

“Indebtedness” shall mean collectively all of Borrower’s obligation(s) to pay any amount(s) due, and to perform and observe every provision of and under this Agreement, the Note or any other Loan Documents of even date herewith executed by Borrower in favor of the Bank.

The terms “Borrower’s Liabilities” as used herein and in the Revolving Line of Credit Note and Loan Documents shall mean duties, debts, liabilities and obligations of the Borrower (or its successors, assigns or legal representatives) to the Bank, present or future, whether now or hereafter existing, contingent or absolute, which are arising or incurred or evidenced under this Agreement, the Revolving Line of Credit Note, the Revolving Credit Security Agreement, and/or any and all other documents executed and delivered to the Bank in furtherance of this Revolving Credit Loan.

“Collateral” shall mean the assets of the Borrower pledged in favor of the Bank as described with more particularity herein and in the Revolving Credit Security Agreement of even date herewith.

“Loan Documents” as used herein shall mean this Revolving Credit Agreement, the [Revolving Line of Credit] Note, the Revolving Credit Security Agreement (defined herein), the Pledge Agreement(s) and any and all other documents executed and delivered in connection herewith.

Section 1.02. Accounting Terms. All accounting terms not specifically defined herein shall be construed in accordance with GAAP consistent with that applied in the preparation of the financial statements referred to herein, and all financial data submitted pursuant to this Agreement shall be prepared in accordance with such principles.

ARTICLE II
AMOUNT AND TERMS OF THE REVOLVING CREDIT LOAN

Section 2.01. Revolving Loan. The Bank agrees, on the terms and conditions hereinafter set forth and those set forth in the Note, to make certain revolving loans to Borrower (each an "Advance" or, collectively, the "Advances") up to the aggregate total principal amount of Two Million and 00/100 (\$2,000,000.00) Dollars (at times, the "Commitment Amount") (the "Loan").

Subject to the terms and conditions hereof, the Bank will make Advances to the Borrower from time to time until the close of business on May 31, 2010, the "Revolving Credit Termination Date", in such sums as the Borrower may request, provided that the aggregate principal amount of all Advances at any one time outstanding hereunder shall not exceed the Commitment Amount. The Borrower may borrow, repay pursuant to Article II and reborrow, from the date of this Agreement until the Revolving Credit Termination Date, the full amount of the Commitment Amount or any lesser sum that is at least \$20,000.00 and in integral multiples of \$10,000.00. All Advances must be repaid with interest as set forth herein by the Maturity Date.

Section 2.02. Notice and Manner of Borrowing. (1) The sums to be advanced under the Note shall be advanced from time to time by the Bank upon its receipt of a requisition from Borrower, in such form and with such supporting documentation as may be required by the Bank. Whenever the Borrower desires to obtain an Advance hereunder, it shall notify the Bank (which notice shall be irrevocable) in writing in substantially the form of Exhibit B hereto by facsimile or other writing received no later than 12:00 p.m.(eastern standard time) on the business day prior to the day on which the requested Advance is to be made. Such notice shall specify the effective date (which must be a business day in the State of New York) and amount of each requested Advance subject to the limitations set forth herein and the interest rate choice applicable thereto. In addition, and pursuant to this Section 2.02, any such request for an Advance shall be accompanied by the notices and documents specified herein. Each such notification (a "Notice of Advance") shall be evidenced by a written confirmation thereof by the Borrower in substantially the form of Exhibit B hereto, provided, that if such written confirmation differs in any material respect from the action taken by the Bank, the records of the Bank shall control absent manifest error.

(2) Additional Conditions. In addition to the conditions herein specified with respect to Advances, the Bank's obligations to make Advances shall be subject to the fulfillment of the following conditions:

(a) No Defaults. No event shall have occurred which constitutes or, which with the giving of notice or the passage of time, or both, would constitute an Event of Default hereunder. The Bank shall not be obligated to make any advance hereunder if a default shall have occurred hereunder, under the Revolving Credit Note or Revolving Credit Security Agreement or under any other monetary obligation of the Borrower to the Bank.

(b) No Adverse Conditions. Neither the condition, business or prospects of the Borrower shall have been materially and/or adversely affected in any way as the result of force majeure, any legislative or regulatory change, revocation of license or right to do business or otherwise.

Section 2.03 The Note.

(a) The Loan shall be evidenced by a Revolving Line of Credit [Promissory] Note dated the date hereof in the amount of Two Million and 00/100 (\$2,000,000.00) Dollars, made by the Borrower and payable to the order of the Bank and having a final maturity of June 1, 2010.

(b) The Bank shall, and is hereby irrevocably authorized by the Borrower to, enter on the schedule forming a part of the Note or otherwise in its records appropriate notations evidencing the date and the amount of each Advance and the date and amount of each payment of principal made by the Borrower with respect thereto; and in the absence of manifest error, such notations shall constitute conclusive evidence thereof. The Bank is hereby irrevocably authorized by the Borrower to attach to and make a part of the Note a continuation of any such schedule as and when required. No failure on the part of the Bank to make any notation as provided in this subsection (b) shall in any way affect any advance or the rights or obligations of the Bank or the Borrower with respect thereto.

THE NOTE SHALL MATURE ON JUNE 1, 2010 WITH ALL SUMS OF OUTSTANDING PRINCIPAL, ACCRUED INTEREST AND RELATED CHARGES DUE AND OWING ON SUCH DATE.

Section 2.04. Interest Rates. Changes in Interest Rate and Payments of Interest.

(a) Each Advance, whether a Libor Advance or Prime Advance as each term is defined in the Note, shall bear interest on the outstanding principal amount thereof pursuant to the terms and conditions set forth in the Note.

(b) Such interest shall be payable by Borrower to the Bank in accordance with the terms and conditions set forth in the Note.

(c) Interest shall be calculated on the basis of a year of three hundred sixty (360) days and actual number of days elapsed, and shall be paid in immediately available funds monthly in arrears on the first (1st) day of each month at the offices of the Bank shown above. Any principal or interest amount not paid within ten (10) days of when due (at maturity, by acceleration, or otherwise) shall bear interest at a rate which shall be five percent (5%) above the Rate which would otherwise be applicable whether or not the Bank has declared a default (but in no event higher than the maximum legal interest rate) and shall be payable on demand. Such interest rate shall be in effect until paid.

Increases in the interest rate will result in higher payments; decreases in the interest rate will result in lower payments.

(d) The Loan and the Note shall mature on June 1, 2010 with all sums due hereunder and under the Note due and owing on that said date.

(e) The monthly payment shall be applied first to the payment of interest on the unpaid balance from the last date to which interest has been paid, to the date of payment, with the remainder, if any, being applied against principal.

Section 2.05. Prepayments. The Note may be prepaid in whole or in part pursuant to the terms specified therein.

Section 2.06. Method of Payment. All payments due hereunder shall be made by automatic debit from a non-interest bearing account maintained by the Borrower for such purpose at the Bank in which the Borrower shall maintain balances sufficient to pay each monthly payment due to the Bank. Each monthly payment of interest shall be automatically deducted from North Fork Bank account No. _____ in connection with this Agreement and the Note on the due date thereof (at times, the "due date"), and the undersigned agrees to maintain sufficient funds in said account to cover these payments. The Borrower further agrees that should there be insufficient funds in said account on the monthly payment due date, and within three (3) business days thereafter, an overdraft charge will be incurred and the account will not be charged for the monthly payment. However, if this occurs, the Borrower will remain responsible for the interest payment, plus any late charges, and the Borrower will be in default under this Note. In the event that the money maintained in such account is insufficient for any payment due under this Agreement and the Note, the Bank may charge any account of the Borrower for any payment due to the Bank under this Agreement and the Note.

Section 2.07. Use of Proceeds. The proceeds of the Loan hereunder shall be used by the Borrower for its business purposes. The Borrower will not, directly or indirectly, use any part of such proceeds for the purpose of purchasing or carrying any margin stock within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or to extend credit to any Person for the purpose of purchasing or carrying any such margin stock.

Section 2.08. Late Fee. The Borrower shall pay to the Bank a late fee of four (4%) percent of the amount of any payment which is not made within ten (10) days of its respective due date, or, which cannot be debited from its account due to insufficient balance therein on the due date or within three (3) business days thereafter.

Section 2.09. Unused Line Fee. The Borrower agrees to pay to the Bank from the date hereof, on the first day of each calendar year quarter, an unused line fee at the annual rate per annum of 25/100 (0.25%) percent computed on the basis of the actual number of days elapsed over 360 days on the average daily unused amount of the Commitment Amount. The said fee will be calculated on a quarterly basis in arrears and will be due and payable by Borrower on the first day of quarter during the term of this facility.

Section 2.10. Cancellation. The Revolving Line of Credit evidenced by this Agreement and the Note may be cancelled by the Borrower at any time provided all sums due hereunder and under the Note are paid in full by the Borrower and further subject to the prepayment provisions set forth in the said Note.

ARTICLE III

and

(c) timely receipt by the Bank of the Notice of Borrowing as provided in Section 2.02; and

conducted by the Borrower and in compliance with the requirements of the Loan Documents. There exists no state of facts, and no event has occurred, which might reasonably (i) form the basis for any claim against the Borrower not fully covered by insurance for liability, or (ii) result in any material increase in insurance premiums. Each policy or policies shall name the Bank as lienholder and shall remain continuously in effect throughout the term of the Loan.

Section 4.12. The Security Documents. The provisions of the Revolving Credit Security Agreement, when duly executed by the Borrower and UCC-1 financing statements are filed with the Secretary of State of the State of New York are effective to create in favor of the Bank, a legal, valid, perfected and enforceable first position security interest in all right, title, and interest of the Borrower in the Collateral described thereon. No person or entity has on the date hereof or will have subsequent to the date hereof any lien or security interest in or to the Collateral which is, or shall be prior, paramount, superior or equal to the security interest of the Bank unless otherwise provided herein in a separate schedule to be attached to this Agreement and initialed by Borrower and Bank, or as otherwise consented to in writing by Bank.

In accordance with Article 9 of the Uniform Commercial Code and Revised Article 9 thereof, the Borrower hereby authorizes the Bank to file such financing statements or amendments thereof as may be necessary in the form provided in Article 9 of the Uniform Commercial Code and Revised Article 9, and Forms MV 900 with the Department of Motor Vehicles of the State of New York, to perfect the security interests created herein and in the Security Agreement in the collateral described herein and in the Security Agreement. There is no fact known to the Borrower which the Borrower have not disclosed to the Bank in writing prior to the date of this Agreement, with respect to the transactions contemplated by the Loan Documents, which materially and adversely affects the condition, financial or otherwise, results of operations, businesses, properties, assets or prospects of the Borrower.

The Borrower is solvent, is able to pay its debts as they become due and has capital sufficient to carry on its business and all businesses in which it is about to engage, and now own property having a value both at fair valuation and at present fair salable value greater than the amount required to pay its debts. The Borrower will not be rendered insolvent by the execution and delivery of this Agreement or any of the Loan Documents or by the transactions contemplated hereunder or thereunder.

Section 4.16. No Defaults. No Event of Default or default exists or would exist after giving effect to the transactions contemplated by this Agreement and the other Loan Documents. The Borrower is not and, after giving effect to such transactions, will not be, in default under any indenture, agreement or other contractual provision.

Section 5.03. Maintenance of Properties. ARTICLE IX

MISCELLANEOUS

Section 9.01. Entire Agreement; Amendments, etc. This Agreement and the other Loan Documents constitute the entire agreement among the parties hereto and thereto as to the subject matter hereof and thereof and supersede any previous agreement, oral or written, as to such subject matter. No amendment, modification, termination, or waiver of any loan document, nor shall in any event be effective unless the same shall be in writing and signed by the Bank, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

Section 9.02. Notices, etc. All notices and other communications provided for under this Agreement and under the other Loan Documents shall be in writing (including telefax communication) and mailed, telegraphed, telefaxed or sent by recognized overnight delivery service, to the address set forth above, or, at such other address as shall be designated by such party in a written notice to the other party complying as to deliver with the terms of this Section. All such notices and communications shall, if telefaxed or delivered by hand, be effective when received, or if mailed, three days after deposited in the mails addressed as aforesaid; provided, however that notices to the Bank shall not be effective until received by the Bank.

Section 9.03. No Waiver; Remedies. No failure on the part of the Bank to exercise, no delay in exercising any right, power, or remedy under any right shall operate as a waiver thereof. The remedies provided in the Loan Documents are cumulative of each other and not exclusive of any remedies provided by law. No modification or waiver of any provision of this Agreement, or of the Revolving Credit Note, nor consent to departure by the Borrower from any provisions hereof or thereof, shall be effective unless the same shall be given in writing from the Bank and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it is given. No notice to the Borrower shall entitle the Borrower to any other or further notice in other or similar circumstances unless expressly provided for herein. No course of dealing between the Borrower and the Bank shall operate as a waiver of any of the rights of the Bank under this Agreement.

Section 9.04. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Borrower and the Bank and their respective successors and assigns, except that the Borrower may not assign or transfer any rights under any loan document without the prior written consent of the Bank. The Bank reserves the right to sell participations in or to sell and assign the Revolving Credit Note and Agreements and all other Loan Documents to such Banks, lending institutions or other parties as it may choose without the consent of Borrower.

Section 9.05. Costs, Expenses, and Taxes. The Borrower agrees to pay on demand all reasonable costs and expenses in connection with the preparation, execution, delivery, filing, recording, and administration of any of the Loan Documents, including, without limitation, the reasonable fees and out-of-pocket expenses of counsel for the Bank and all costs and expenses, if any, in connection with the enforcement of any of the Loan Documents. In addition, the Borrower shall pay any and all stamp and other taxes and fees payable or determined to be payable in connection with the execution, delivery, filing and

recording of any of the Loan Documents and other documents to be delivered under any such Loan Documents, and shall save the Bank harmless from and against any and all liabilities with respect to or resulting from any delay in paying or the omission to pay such taxes and fees.

Section 9.06. Regulatory Changes; Additional Fees. If any Regulatory Change shall either (i) impose, modify or deem applicable or result in the application of, any reserve, special deposit, capital maintenance, capital ratio or similar requirement against loans or loan commitments made by the Bank or against any other extensions of credit or commitments to extend credit or other assets of or any deposits or other liabilities taken or entered into by the Bank or (ii) impose on the Bank any other condition regarding this Agreement or the Bank's Commitment, and the result of any event referred to in clause (i) and (ii) above shall be to increase the cost to the Bank of making or maintaining, or to impose upon the Bank or increasing any capital requirement applicable as a result of the making or maintenance of, the Bank's Commitment or the obligation of the Borrower hereunder to reduce the amounts receivable by the Bank hereunder (which increase in cost or increase in (or imposition of) capital requirements or reduction in amounts receivable may be determined by the Bank's reasonable allocation of the aggregate of such cost increases, capital increases or impositions or reductions in amounts receivable resulting from such events) then, upon demand by the Bank, the Borrower shall within five (5) business days after notice pay to the Bank from the time as specified by the Bank, additional fees which shall be sufficient to compensate the Bank for such increased costs or increase in (imposition of) capital requirements or reduction in amounts receivable by the Bank from the date of such change, together with interest on each such amount from the date demanded until payment in full thereof at the rate provided in this Agreement.

Upon the occurrence of any event referred to in clause (i) or (ii) above, a certificate setting forth in reasonable detail the increased cost, reduction in amounts receivable or amounts necessary to compensate the Bank as a result of an increase in (or imposition of) capital requirements shall be submitted by such Bank to the Borrower. Determinations by the Bank for purposes of this Section 9.06 of the effect of any Regulatory Change on its costs of making or maintaining loans hereunder or on amounts receivable by it in respect of loans hereunder, and of the additional amounts required to compensate such Bank in respect of any additional costs, shall be deemed presumptive evidence of all such amounts absent manifest error.

Section 9.07. Right of Setoff. Upon the occurrence and during the continuance of any Event of Default, the Bank is hereby authorized at any time and from time to time, to set off and apply any and all deposits (general or special, time or demand, provisional or final) monies, securities or other properties of Borrower, and the proceeds thereof, now or hereafter held or received by or in transmit to the Bank from or for Borrower, whether for safekeeping, custody, pledge, transmission, collection or otherwise, and other indebtedness at any time owing by the Bank to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement or the Bank's Revolving Credit Note or any other loan document, irrespective of whether or not the Bank shall have made any demand under this Agreement or the Revolving Credit Note or such other loan document and although such obligations may be unmatured. This provision is in addition to and not in limitation of any right of the Bank by statute or common law.

Section 9.08. Choice of Law; Construction. The Loan Documents (other than those containing a contrary express choice of law provision) shall be construed in accordance with the internal laws (and not the law of conflicts) of the State of New York. If any provision of the Loan Documents shall be or become unenforceable or illegal under any law, the other provisions shall remain in full force and effect.

Section 9.09. Consent to Jurisdiction.

(2) The Borrower irrevocably and unconditionally consents to the service of process in any such action or proceeding in any of the aforesaid courts by service effectuated in accordance with applicable law.

Section 9.10. WAIVER OF JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE BORROWER HEREBY WAIVES TRIAL BY JURY IN ANY ACTION OR PROCEEDING INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH ANY LOAN DOCUMENT OR THE RELATIONSHIP ESTABLISHED THEREUNDER.

Section 9.11. Limited Role of Bank. The relationship between the Borrower and the Bank shall be solely that of Borrower and Bank, respectively. The Bank shall not have any fiduciary responsibilities to the Borrower and no joint venture exists between the Borrower and the Bank. The Borrower and the Bank hereby severally acknowledge that there are no representations, warranties, covenants, undertakings or agreements by the parties hereto as to the Loan Documents, except as specifically provided herein and therein.

Section 9.12. Severability of Provisions. Any provision of any loan document which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of such loan document or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 9.13. Interest. Anything in this Agreement or in the Revolving Credit Note to the contrary notwithstanding, the Bank shall not charge, take or receive, and the Borrower shall not be obligated to pay, interest in excess of the maximum rate from time to time permitted by applicable law.

Section 9.14. Custodian. Upon the occurrence of any Event of Default, the Bank may at any time and from time to time, employ and maintain a custodian selected by the Bank, who shall have authority to enter upon the premises of the Borrower for the purposes

of protecting the Bank's interest in the collateral and who shall have authority to take such steps as the Bank deems necessary to protect the collateral, at the cost of the Borrower.

Section 9.15. Attorney's Fees. Borrower shall pay all costs and expenses of the Bank in connection with the enforcement of this Agreement or the collection of any amounts due to Bank hereunder or under the Loan Documents, including but not limited to the Bank's attorney's fees. Borrower shall pay such amounts regardless of whether an action is commenced and whether or not in the court of original jurisdiction, appellate court, bankruptcy court or otherwise.

Section 9.16. Headings. Article and Section headings in the Loan Documents are included in such Loan Documents for convenience and reference only and shall not constitute a part of the applicable Loan Documents for any other purpose.

Section 9.17. Release. Borrower acknowledges that it has no claims or causes of action against the Bank and hereby releases the Bank from any and all claims or causes of action which may exist as of the date hereof.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first above written.
