INTRODUCTION

At a meeting of the Board of the Fund held on October 26, 2001, the Directors unanimously approved the appointment of Bradford & Marzec, Inc. ("Bradford") as the investment subadviser to the Fund, on an interim basis subject to the approval of Fund shareholders. In determining to appoint Bradford as subadviser, the Board considered Bradford's breadth and depth of experience in the fixed income securities market and in managing fixed income assets, as well as the high quality of Bradford's personnel, operations, methodologies and performance. In addition, the Board considered Bradford's proposed changes in investment strategies for the Fund including the use of futures and options strategies and leverage as methods to increase the total return of the Fund while preserving the current high quality and liquidity characteristics of the Fund. Futures and options strategies may be implemented by Bradford to increase the total return of the Fund or to protect the Fund from adverse interest rate movements. Leverage strategies may be used by Bradford particularly in situations when interest rates are rising for the purpose of protecting Fund share value.

Bradford's proposed new strategies would not be used during the period when Bradford serves as interim subadviser, but will only be employed upon shareholder approval of Bradford as subadviser. The Board determined that appointing Bradford as subadviser would bring fixed income management expertise to the Fund and that Bradford's proposed investment strategies would benefit the Fund without materially increasing the risk profile of the Fund. Accordingly, the Board determined that appointing Bradford as subadviser was in the best interests of the Fund and its shareholders.

As subadviser to the Fund, Bradford is responsible for making investment decisions and placing orders for the purchase and sale of the Fund's investments directly with the issuers or with brokers or dealers selected by it in its discretion. Money Management Associates, L.P. ("MMA" or "Adviser"), the Fund's current investment adviser, continues to serve as investment adviser to the Fund, retains ultimate responsibility for the management of the Fund, and provides investment oversight and supervision. The appointment of Bradford as subadviser does not change the advisory fee or the total operating expenses of the Fund.

In order to appoint Bradford as interim subadviser to the Fund and implement Bradford's new investment strategies for the Fund, the Board took several actions at the October 26 Board meeting. First, the Board terminated the then-current advisory agreement between the Fund and MMA (the "Old Advisory Agreement"), and second, approved an interim advisory agreement between the Fund and MMA (the "Interim Advisory Agreement") that allows MMA to hire a subadviser to manage the assets of the Portfolios. The Interim Advisory Agreement was approved by the Board pursuant to Rule 15a-4 under the Investment Company Act of 1940, as amended (the "1940 Act"). Rule 15a-4 under the 1940 Act provides that a person may act as an investment adviser for a fund for a period not greater than 150 days under an interim advisory agreement not approved by fund shareholders after the termination of a previous advisory agreement, provided the compensation under the interim agreement is no greater than the compensation received under the previous agreement and the fund's board of directors approve the interim agreement. The third action that the Board took at the October 26 Board meeting was to approve an interim subadvisory agreement between Bradford and MMA delegating the management of the Fund's assets to Bradford. The Board also voted to amend the Fund's investment objective to reflect its focus on achieving a high total return, and the Board voted to amend the Fund's fundamental investment policy with respect to borrowing to allow the Fund to employ reverse repurchase agreements as a mechanism to borrow funds for investment purposes. In addition, the Board voted to delete the Fund's non-fundamental investment policy prohibiting the purchase and sale of options by the Fund because, as described herein, Bradford would employ the use of futures contracts and options on futures in managing the Fund. Finally, the Board also voted to delete the Fund's non-fundamental investment policy prohibiting short sales because the use of short sales would be part of Bradford's leveraging strategy for the Fund as described herein.

Shareholders of the Fund will vote at the Meeting to approve the appointment of Bradford as subadviser to the Fund on a permanent basis. Section 15(a) of the 1940 Act requires that any agreement to serve or act as investment adviser of a fund be approved by the vote of a majority of the outstanding voting securities of such fund. Accordingly, Fund shareholders will vote to approve a permanent advisory agreement between the Fund and MMA (the "Permanent Advisory Agreement") that allows MMA to hire a subadviser to manage the assets of the Fund.

The Interim Advisory Agreement will automatically terminate upon approval of the Permanent Advisory Agreement. Fund shareholders will also vote to approve a permanent subadvisory agreement between Bradford and MMA (the “Permanent Subadvisory Agreement”). The Interim Subadvisory Agreement will automatically terminate upon approval of the Permanent Subadvisory Agreement. The Interim Advisory Agreement and Permanent Advisory Agreement are described more fully below under “Proposal I” and the Interim Subadvisory Agreement and the Permanent Subadvisory Agreement are described more fully below under “Proposal II”.

Fund shareholders will also vote at the Meeting to approve an amendment of the Fund’s investment objective to reflect the Fund’s focus on achieving a high total return. This change in the Fund’s investment objective is described more fully below under “Proposal III”. In addition, shareholders of the Fund will vote at the Meeting to approve an amendment of the Fund’s fundamental investment policy with respect to borrowing. This change of policy would allow the Fund to employ reverse repurchase agreements as a mechanism to borrow funds for investment purposes and allow the Fund to borrow up to the regulatory maximum limit of 33 1/3% of the Fund’s total assets. This change in the Fund’s fundamental investment policy is described more fully below under “Proposal IV”.

PROPOSAL I. APPROVAL OF A NEW ADVISORY AGREEMENT

FBR Investment Services, Inc. (“FBRIS”), a Delaware corporation located at 1001 Nineteenth Street North, Arlington, Virginia 22209, serves as the Fund’s distributor pursuant to a distribution agreement between FBRIS and the Fund dated September 4, 2001.

MMA, FBR Bank and FBRIS are all wholly owned subsidiaries of Friedman, Billings, Ramsey Group, Inc. FBR Bancorp, Inc., a Delaware corporation also located at 1001 Nineteenth Street North, Arlington, Virginia 22209. FBR Bancorp, Inc. is a wholly owned subsidiary of FBR Group. Webb C. Hayes, IV serves as Director of MMA and Chairman, President and Director of the Fund. David H. Ellison serves as President of MMA. Winsor H. Aylesworth and W. Bart Sanders III each serve as Vice Presidents of MMA.

On April 1, 2001, FBR Group acquired all of the outstanding general partnership interests in MMA from Mr. Daniel L. O'Connor, the prior sole general partner of MMA, and all of the outstanding limited partnership interests in MMA from the then-current limited partners of MMA. Mr. O'Connor served as Chairman of the Board and Director of the Fund until October 26, 2001. FBR Group purchased the general and limited partnership interests in MMA for a total consideration of \$17.5 million and an installment note unconditionally guaranteed by FBR Group in the amount of \$9.7 million. Mr. O'Connor will receive approximately \$11,038,000 for the sale of his partnership interests in MMA.

The Advisory Agreements. *Interim Advisory Agreement.* MMA has served as investment adviser to the Fund since the Fund's commencement of investment operations. The Interim Advisory Agreement was approved by the Board at a meeting called for such purpose on October 26, 2001 pursuant to Rule 15a-4 under the 1940 Act which allows an advisory agreement to be in force with Board approval but without shareholder approval for a period of up to 150 days. The Interim Advisory Agreement is substantially identical to the Old Advisory Agreement between the Fund and MMA which was approved by shareholders of the Fund at a meeting held on June 1, 2000. The Old Advisory Agreement was terminated by the Board at the October 26 Board meeting. The only differences between the Interim Advisory Agreement and the Old Advisory Agreement are that the Interim Advisory Agreement permits MMA to hire an investment subadviser to manage the assets of the Fund, and the term of the Interim Advisory Agreement is for a maximum of 150 days. In addition, the Interim Advisory Agreement provides that it will terminate automatically upon shareholder approval of the Permanent Advisory Agreement.

Permanent Advisory Agreement. The Permanent Advisory Agreement is substantially identical to the Interim Advisory Agreement with the exception that the Permanent Advisory Agreement will be in effect for an initial term of two years and may be renewed annually thereafter. Under the terms of the Permanent Advisory Agreement, MMA retains ultimate responsibility for the management of the Fund and provides investment oversight and supervision to the Fund. MMA is permitted to delegate responsibility for making investment decisions and placing orders for the purchase and sale of Fund assets to an investment subadviser. MMA is also required to furnish to the Board periodic reports on the investment performance of the Fund. Consistent with the requirements of the 1940 Act, the Permanent Advisory Agreement provides that MMA generally is not liable to the Fund for any mistake in judgment, or otherwise, except by reason of willful misfeasance, bad faith or gross negligence in the performance of MMA's duties or by reason of its reckless disregard of its obligations under the Permanent Advisory Agreement.

The Permanent Advisory Agreement may be terminated by the Fund without penalty upon 60 days' notice by the Board or by a vote of the holders of a majority of the Fund's outstanding voting securities, or upon 60 days' notice by MMA. The Permanent Advisory

Agreement will also terminate automatically in the event of its assignment, as defined in the 1940 Act.

Under the Permanent Advisory Agreement, MMA receives an investment advisory fee at an annual rate based on 0.50% of the average daily net assets of the Fund. This is the same fee schedule as pursuant to the Old Advisory Agreement and the Interim Advisory Agreement. For the fiscal year ended August 31, 2001, the Fund paid \$61,106 in investment advisory fees to MMA pursuant to the Old Advisory Agreement. **This advisory fee, and total Fund operating expenses, will not change as a result of shareholders approving Proposal I.**

The Permanent Advisory Agreement will remain in effect for two years from its effective date, and, unless terminated earlier, will continue from year-to-year thereafter, provided that each such continuance is approved annually (i) by the Board or by the vote of a majority of the outstanding voting securities of the Fund and, in either case, (ii) by a majority of the Directors who are not parties to the agreement or “interested persons” (as defined in the 1940 Act) of any such party (the “Independent Directors”).

Evaluation by the Board of Directors. At the October 26, 2001 meeting of the Board, the Permanent Advisory Agreement was approved unanimously by the Directors, including a majority of Independent Directors. The Board, advised by counsel, has determined that in approving the Permanent Advisory Agreement on behalf of the Fund, the Fund can best assure itself that the same level of services currently provided to the Fund by MMA, and its officers and employees, will continue without interruption. The Board believes that under the Permanent Advisory Agreement, the Fund will continue to receive high quality services at a cost that is appropriate, reasonable, and in the best interests of the Fund and its shareholders.

In determining whether or not it was appropriate to approve the Permanent Advisory Agreement and to recommend approval to shareholders, the Board, including the Independent Directors, considered various materials and representations provided by MMA and Bradford. In particular, the Directors considered the following information: (1) that the investment advisory fees paid by the Fund and total Fund operating expenses will not differ from that applicable under the Old Advisory Agreement; (2) the financial condition of MMA and Bradford, and the expertise of their personnel; (3) the nature and quality of the services currently rendered by MMA, as well as the nature and quality of services expected to be rendered by Bradford; (4) the fairness of the compensation payable to MMA; and (5) the high quality of the operations, financial condition, investment management capabilities, methodologies, and performance of MMA and Bradford.

Based upon its review, the Board determined that approving the Permanent Advisory Agreement is in the best interests of the Fund and its shareholders. Accordingly, after consideration of the above factors, and such other factors and information it considered relevant, the Board unanimously approved the Permanent Advisory Agreement and voted to recommend its approval by the Fund's shareholders.

THE BOARD, INCLUDING THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE “FOR” APPROVAL OF THE ADVISORY AGREEMENT AS PROVIDED UNDER PROPOSAL I. UNMARKED

PROXIES WILL BE SO VOTED.

PROPOSAL II. APPROVAL OF A NEW SUBADVISORY AGREEMENT

Subadviser. Bradford & Marzec, Inc., located at 333 South Hope Street, Suite 4050, Los Angeles, California 90071, is an investment adviser registered with the Securities and Exchange Commission (“SEC”) under the Investment Advisers Act of 1940, as amended. Bradford began operations in 1984 and manages approximately \$8 billion in assets for foundations and endowments, institutional pension funds, and Taft-Hartley accounts. Bradford specializes in the management of domestic and foreign fixed income portfolios. Edward T. Bradford and Zelda Marzec are the Principals and Senior Portfolio Managers of Bradford. Mr. Bradford and Patrice Milton-Blue, Vice President of Bradford, will serve as the portfolio managers of the Fund.

The Subadvisory Agreements. *Interim Subadvisory Agreement.* Under the Interim Subadvisory Agreement, Bradford is responsible for making investment decisions and placing orders for the purchase and sale of the Fund’s investments directly with the issuers or with brokers or dealers selected by it in its discretion. Bradford is responsible for ensuring that it carries out its subadvisory responsibilities in a manner consistent with the investment objectives, policies and restrictions of the Fund as set forth in the Fund’s prospectus and statement of additional information, the Fund’s articles of incorporation and bylaws, applicable laws, and such other investment policies, procedures and/or limitations as may be adopted by the Fund. The term of the Interim Subadvisory Agreement is for a maximum of 150 days. The Interim Subadvisory Agreement provides that it will terminate automatically upon shareholder approval of the Permanent Subadvisory Agreement.

Permanent Subadvisory Agreement. The Permanent Subadvisory Agreement is substantially identical to the Interim Subadvisory Agreement with the exception that the Permanent Subadvisory Agreement will be in effect for an initial term of two years and may be renewed annually thereafter. Bradford shall also furnish such reports, evaluations, information or analyses to MMA, the Fund and the Board in connection with Bradford’s responsibilities under the Permanent Subadvisory Agreement as MMA, the Fund and the Board may request from time to time. Consistent with the requirements of applicable law, the Permanent Subadvisory Agreement provides that Bradford generally is not liable to MMA, the Fund, or to any shareholder of the Fund for any error in judgment or mistake of law or for any act or omission in the course of, or connected with, rendering services under the Permanent Subadvisory Agreement, or otherwise, except by reason of willful misfeasance, bad faith or negligence, or reckless disregard of its obligations and duties under the Permanent Subadvisory Agreement.

The Permanent Subadvisory Agreement may be terminated by MMA or Bradford, without penalty, upon 30 days’ prior written notice. In addition, the Permanent Subadvisory Agreement may be terminated by the Board or by a majority vote of the Fund’s shareholders, without penalty, upon 30 days’ prior written notice. The Permanent Subadvisory Agreement terminates automatically in the event of its assignment, as defined in the 1940 Act.

For Bradford's services as investment subadviser, under the terms of the Permanent Subadvisory Agreement, MMA will pay Bradford a fee at an annual rate based on the average daily net assets of the Fund of 0.20%. Under the Permanent Advisory Agreement, MMA will receive an investment advisory fee at an annual rate based on 0.50% of the average daily net assets of the Fund. **This advisory fee, and total Fund operating expenses, will not change as a result of shareholders approving Proposal II.** MMA will continue to serve as investment adviser to the Fund, retain ultimate responsibility for the management of the Fund, and provide investment oversight and supervision. Neither the Board nor MMA anticipates that approval of the Permanent Subadvisory Agreement will cause any reduction in the quality or types of services now provided to the Fund.

The Permanent Subadvisory Agreement will remain in effect for two years from its effective date, and, unless earlier terminated, will continue from year-to-year thereafter, provided that each such continuance is approved annually (i) by the Board or by the vote of a majority of the outstanding voting securities of the Fund and, in either case, (ii) by a majority of the Independent Directors.

Evaluation by the Board of Directors. At the October 26, 2001 meeting of the Board, the Directors, including a majority of the Independent Directors, approved unanimously the Permanent Subadvisory Agreement and voted to recommend approval of the Permanent Subadvisory Agreement to shareholders. The Board, advised by counsel, determined that in approving the Permanent Subadvisory Agreement, the Fund will continue to receive high quality services at a cost that is appropriate, reasonable, and in the best interests of the Fund and its shareholders. The Board considered Bradford's breadth and depth of experience in the fixed income securities market and in managing fixed income assets, as well as the high quality of Bradford's personnel, operations, methodologies and performance. The Board also considered Bradford's proposed changes in investment strategies for the Fund including the use of leverage and futures and options strategies as methods to increase the total return of the Fund while preserving the current high quality and liquidity characteristics of the Fund. The Board determined that appointing Bradford as subadviser would bring fixed income management expertise to the Fund and that Bradford's proposed investment strategies would benefit the Fund without materially increasing the risk profile of the Fund. Accordingly, the Board determined that appointing Bradford as subadviser was in the best interests of the Fund and its shareholders.

In determining whether or not it was appropriate to approve the Permanent Subadvisory Agreement and to recommend approval of the Permanent Subadvisory Agreement to shareholders, the Board, including the Independent Directors, considered various materials and representations provided by MMA and Bradford. In particular, the Directors considered the following information: (1) that the investment advisory fees paid by the Fund and total Fund operating expenses will not be affected by implementation of the Permanent Subadvisory Agreement; (2) the financial condition of MMA and Bradford, and the expertise of their personnel; (3) the nature and quality of the services currently rendered by MMA, as well as the nature and quality of services expected to be rendered by Bradford under the Permanent Subadvisory Agreement; (4) the fairness of the compensation payable to MMA and Bradford; and (5) the high quality of the operations, financial condition, investment management capabilities, methodologies, and performance of MMA and Bradford.

Based upon its review, the Board determined that approving the Permanent Subadvisory Agreement is in the best interests of the Fund and its shareholders. Accordingly, after consideration of the above factors, and such other factors and information it considered relevant, the Board unanimously approved the Permanent Subadvisory Agreement and voted to recommend its approval by the Fund's shareholders.

THE BOARD, INCLUDING THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE “FOR” APPROVAL OF THE SUBADVISORY AGREEMENT AS PROVIDED UNDER PROPOSAL II. UNMARKED PROXIES WILL BE SO VOTED.

**PROPOSAL III.
APPROVAL OF AMENDMENT OF
FUND’S INVESTMENT OBJECTIVE**

Proposed Amendment. Bradford’s proposed new investment strategies to manage the Fund include the use of futures and options strategies and leverage as methods to increase the total return of the Fund while preserving the current high quality and liquidity characteristics of the Fund. Futures and options strategies may be implemented by Bradford to increase the total return of the Fund or to protect the Fund from adverse interest rate movements. Leverage strategies may be used by Bradford particularly in situations when interest rates are rising for the purpose of protecting Fund share value. Bradford’s proposed use of futures and options on futures required the Board to delete the Fund’s non-fundamental investment policy prohibiting the purchase and sale of options. Under Bradford’s proposed leverage strategy, Bradford would employ reverse repurchase agreements, requiring amendment of the Fund’s fundamental investment policy regarding borrowing as described in Proposal IV below, and short sales that required the Board to delete the Fund’s non-fundamental investment policy prohibiting short sales.

Bradford’s proposed new investment strategies would not be used during the period when Bradford serves as interim subadviser, but will only be employed upon shareholder approval of Bradford as subadviser. The Board determined that appointing Bradford as subadviser would bring fixed income management expertise to the Fund and that Bradford’s proposed investment strategies would benefit the Fund without materially increasing the risk profile of the Fund.

The Fund’s current investment objective states that “[t]he objective of the Fund is to provide investors with current income to the extent that such investment is consistent with safety of principal.” Bradford’s new investment strategies in managing the Fund would focus instead on maximizing the total return of the Fund. Accordingly, it is proposed that the investment objective of the Fund be amended to state:

The objective of the Fund is to achieve a high total return consistent with investment in U.S. government securities.

Pursuant to the 1940 Act, the Fund’s investment objective may not be changed without the approval of a majority of the Fund’s outstanding shares. Accordingly, Fund shareholders will be asked to approve an amendment of the Fund’s investment objective to state that the

objective of the Fund is to achieve a high total return consistent with investment in U.S. government securities.

Evaluation by the Board of Directors. At the October 26, 2001 meeting of the Board, the Directors, including a majority of the Independent Directors, approved unanimously the Fund's amended investment objective and voted to recommend approval of such amended investment objective to shareholders. The Board, advised by counsel, determined that the Fund's amended investment objective more accurately reflects the Fund's new investment strategies as managed by Bradford. The Board considered various materials and representations provided by Bradford including Bradford's expertise and experience in managing fixed income assets generally as well as Bradford's use of the investment strategies proposed for the Fund with other clients and accounts. The Board also considered the high quality of Bradford's personnel, operations, methodologies and performance. Based on its review, the Board determined that approving the amended investment objective was in the best interests of the Fund and its shareholders. Accordingly, after consideration of the above factors, and such other factors and information it considered relevant, the Board unanimously approved the amended investment objective and voted to recommend its approval by the Fund's shareholders.

THE BOARD, INCLUDING THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" APPROVAL OF THE AMENDED INVESTMENT OBJECTIVE AS PROVIDED UNDER PROPOSAL III. UNMARKED PROXIES WILL BE SO VOTED.

**PROPOSAL IV.
APPROVAL OF AMENDMENT IN FUND'S FUNDAMENTAL
INVESTMENT POLICY REGARDING BORROWING**

Proposed Amendment. Bradford's proposed investment strategy to manage the Fund includes the use of reverse repurchase agreements as a method for the Fund to borrow funds for investment purposes or, in other words, use leverage as an investment strategy. This strategy is meant to provide protection for the Fund in adverse market environments such as periods when interest rates are rising. Under reverse repurchase agreements, the Fund would sell portfolio securities to financial institutions such as banks and broker-dealers, and agree to repurchase the securities at a mutually agreed-upon date and price. This is essentially a short sale. The Fund's share value would be protected using this strategy in an environment of rising interest rates, for example, because the Fund would offset certain losses in the price of bonds the Fund owned long by participating in the price decline of the bonds the Fund sold short. In addition, the Fund would earn income on the cash it receives for the sale of securities under the reverse repurchase agreements.

Reverse repurchase agreements involve the risk that the market value of the securities sold by the Fund may decline below the price at which the Fund is obligated to repurchase the securities. The risks associated with these transactions are similar to that of any U.S. Government security; that is, market or interest rate risk may adversely effect the value of the securities sold by the Fund. As required by the 1940 Act, any reverse repurchase agreement by the Fund would be 100% "covered" either by the Fund being long in the security sold (i.e., owning or having the right to acquire the security), or segregating or earmarking liquid securities

or cash in an amount equal to the repurchase price. This cover should mitigate the leverage risk of employing the reverse repurchase agreement.

Reverse repurchase agreements are considered to be borrowings by a fund under the 1940 Act. In order to employ reverse repurchase agreements, the Fund's investment policy with respect to borrowing would need to be amended. The Fund's current investment policy regarding borrowing states that the Fund may not:

borrow money except as a temporary measure to facilitate redemptions. Such borrowing may be in an amount not to exceed 30% of the Fund's total assets, taken at current value, before such borrowing. The Fund may not purchase an investment security if a borrowing by the Fund is outstanding.

It is proposed that the Fund's investment policy with respect to borrowing be amended to allow the Fund to borrow up to the limit permitted under the 1940 Act and employ reverse repurchase agreements to borrow for investment purposes. The 1940 Act provides that a fund may borrow provided that the total amount of such borrowing does not exceed 33 1/3% of the fund's total assets as compared to the Fund's current policy of limiting borrowing to 30% of total assets.

Pursuant to Section 13(a) of the 1940 Act, a fund's investment policy with respect to borrowing is deemed a fundamental policy of the fund that may not be changed without the prior approval of a majority of the fund's outstanding shares. Accordingly, Fund shareholders are asked to approve an amendment to the Fund's fundamental investment policy with respect to borrowing stating that the Fund may not:

borrow money except that (1) the Fund may enter into reverse repurchase agreements, and (2) the Fund may borrow money for temporary or emergency purposes to facilitate redemptions, provided that, in both instances, the total amount of any such borrowing does not exceed 33 1/3% of the Fund's total assets.

Evaluation by the Board of Directors. At the October 26, 2001 meeting of the Board, the Directors, including a majority of the Independent Directors, approved unanimously the amended fundamental investment policy regarding borrowing and voted to recommend approval of such amended policy to shareholders. The Board, advised by counsel, determined that in approving the amended fundamental investment policy regarding borrowing, the use of reverse repurchase agreements was an acceptable method to employ leverage in the Fund in order to help protect the Fund's share value during adverse interest rate environments and would not materially increase the risk profile of the Fund. The Board considered various materials and representations provided by Bradford including Bradford's expertise and experience in managing fixed income assets generally and Bradford's use specifically of this leveraging strategy with other clients and accounts, as well the high quality of Bradford's personnel, operations, methodologies and performance. Based on its review, the Board determined that approving the amended fundamental investment policy regarding borrowing was in the best interests of the Fund and its shareholders. Accordingly, after consideration of the above factors, and such other factors and information it considered relevant, the Board unanimously approved the amended

fundamental investment policy with respect to borrowing and voted to recommend its approval by the Fund's shareholders.

THE BOARD, INCLUDING THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE “FOR” APPROVAL OF THE AMENDED FUNDAMENTAL INVESTMENT POLICY AS PROVIDED UNDER PROPOSAL IV. UNMARKED PROXIES WILL BE SO VOTED.

VOTING INFORMATION

Proxy Solicitation. The costs of the Meeting, including the solicitation of proxies, will be paid by MMA. The principal solicitation will be by mail, but proxies also may be solicited by telephone, telegraph, the Internet or personal interview by officers or agents of the Fund. The Fund will forward to record owners proxy materials for any beneficial owners that such record owners may represent.

Shareholder Voting. Shareholders of record at the close of business on October 30, 2001 (the “Record Date”) are entitled to notice of, and to vote at, the Meeting. Each shareholder is entitled to one vote for each full share and an appropriate fraction of a vote for each fractional share held.

As of the Record Date, 1,147,756.853 shares of the Fund, representing the corresponding number of votes, were outstanding. As of the Record Date, the persons owning of record or beneficially 5% or more of the Fund’s shares are set forth in Appendix C.

Timely, properly executed proxies will be voted as instructed by shareholders. A shareholder may revoke his or her proxy at any time prior to its exercise by written notice addressed to the Secretary of the Fund at 4922 Fairmont Avenue, Bethesda, Maryland 20814, or by voting in person at the Meeting. However, attendance in person at the Meeting, by itself, will not revoke a previously tendered proxy.

The presence in person or by proxy of a majority of the outstanding shares of the Fund is required to constitute the necessary quorum at the Meeting. Shares held by shareholders present in person or represented by proxy at the Meeting will be counted both for the purposes of determining the presence of a quorum and for calculating the votes cast on the issues before the Meeting.

Proxies that reflect abstentions or broker “non-votes” (that is, shares held by brokers or nominees as to which (a) such persons have not received instructions from the beneficial owner or other persons entitled to vote and (b) the brokers or nominees do not have discretionary voting power on a particular matter) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Assuming the presence of a quorum,

abstentions and non-votes have the effect of a negative vote on each Proposal. Pursuant to the rules and policies of the New York Stock Exchange (the “Exchange”), members of the Exchange may vote on each Proposal without instructions from the beneficial owners of the Fund’s shares.

In the event that a quorum is present at the Meeting but sufficient votes to approve each Proposal are not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies or to obtain the vote required for approval of the Proposals. Any such adjournment will require the affirmative vote of a majority of those shares represented at the Meeting in person or by proxy. If a quorum is present, the persons named as proxies will vote those proxies which they are entitled to vote “**FOR**” the proposal in favor of such an adjournment and will vote those proxies required to be voted “**AGAINST**” the proposal against any such adjournment. A shareholder vote may be taken prior to any adjournment of the Meeting on any proposal for which there are sufficient votes for approval, even though the Meeting is adjourned as to other proposals.

Required Vote. Shareholders will vote separately with respect to each Proposal. Approval of each Proposal requires the vote of a “majority of the outstanding voting securities” entitled to vote on the proposal, as defined in the 1940 Act, which means that the vote of 67% or more of the voting securities entitled to vote on the proposal that are present at the Meeting, if the holders of more than 50% of the outstanding shares are present or represented by proxy, or the vote of more than 50% of the outstanding voting securities entitled to vote on the proposal, whichever is less.

SHAREHOLDER PROPOSALS

The Fund does not hold regular shareholders’ meetings. Shareholders wishing to submit proposals for inclusion in a proxy statement for a subsequent shareholders’ meeting should send their written proposals to the Secretary of the Fund at the address set forth on the cover of this proxy statement.

Proposals must be received a reasonable time prior to the date of a meeting of shareholders to be considered for inclusion in the proxy materials for a meeting. Timely submission of a proposal does not, however, necessarily mean that the proposal will be included. Persons named as proxies for any subsequent shareholders’ meeting will vote in their discretion with respect to proposals submitted on an untimely basis.

To ensure the presence of a quorum at the Meeting, prompt execution and return of the enclosed proxy is requested. A self-addressed, postage-paid envelope is enclosed for your convenience.

5. Subadvisory Services.

- a. **General.** The Subadviser hereby agrees to provide day-to-day portfolio advisory services to the Fund. The Subadviser shall regularly provide investment advice to the Fund, or to the assets of the Fund allocated to the Subadviser by the Adviser, and shall continuously supervise the investment and reinvestment of cash, securities and other property composing the assets of the Fund and, in furtherance thereof, shall, in accordance with the 1940 Act, in a manner consistent with the investment objective and policies of the Fund as set forth in the Fund's then-current Prospectus and Statement of Additional Information:
 - (i) furnish a continuous investment program for the Fund;
 - (ii) obtain and evaluate pertinent economic, statistical and financial data, as well as other significant events and developments, which affect the economy generally, investment programs of the Fund, and the issuers of securities included in the Fund's portfolio and the industries in which the Fund engages, or which may relate to securities or other investments which the Subadviser may deem desirable for inclusion in the Fund's portfolio;
 - (iii) determine which securities shall be included in the portfolio of the Fund;

- (iv) in its discretion and without prior consultation with the Adviser, buy, sell, lend and otherwise trade any securities and investment instruments on behalf of the Fund; and
 - (v) take, on behalf of the Fund, all actions the Subadviser may deem necessary or appropriate in order to carry into effect such investment program and the Subadviser's functions as set forth above.
- b. **Covenants.** The Subadviser shall carry out its investment advisory and supervisory responsibilities in a manner consistent with the investment objectives, policies, and restrictions provided in: (i) the Fund's Prospectus and Statement of Additional Information as revised and in effect from time to time; (ii) the Fund's Articles of Incorporation, Bylaws or other governing instruments, as amended from time to time; (iii) the 1940 Act; (iv) the Advisers Act; (v) other applicable laws; and (vi) such other investment policies, procedures and/or limitations as may be adopted by the Fund and provided to the Subadviser in writing by the Adviser or the Fund. The Subadviser agrees to use reasonable efforts to manage the Fund so that it will qualify, and continue to qualify, as a regulated investment company under Subchapter M of the Internal Revenue Code of 1986, as amended, and regulations issued thereunder (the "Code"), except as may be authorized to the contrary by the Fund's Board. The management of the Fund by the Subadviser shall at all times be subject to the supervision and review of the Adviser and the Fund's Board.
- c. **Books and Records.** The Subadviser agrees that all records which it maintains for the Fund are the property of the Fund and agrees to promptly surrender any of such records to the Fund upon the Fund's or the Adviser's request. The Subadviser further agrees to preserve for the periods prescribed by Rule 31a-2 under the 1940 Act any such records of the Fund required to be preserved by such Rule and to keep all records required to be preserved by the Advisers Act.
- d. **Reports, Evaluations and other Services.** The Subadviser shall furnish reports, evaluations, information or analyses to the Adviser or the Fund in connection with the Subadviser's services hereunder as the Adviser or the Fund's Board may request from time to time or as the Subadviser may otherwise deem to be necessary or appropriate, including but not limited to (i) a monthly due diligence checklist as provided to Subadviser by Adviser; and (ii) reports of any material changes regarding Subadviser that could reasonably affect management of the Fund such as any change in personnel involved in management of the Fund. The Subadviser shall make recommendations to the Adviser or the Fund's Board with respect to Fund policies, and shall carry out all policies that are adopted by the Fund's Board. The Subadviser shall, subject to review by the Adviser and the Fund's Board, furnish such other services as the Subadviser shall from time to time determine to be necessary or appropriate to perform its obligations under this Agreement. The Subadviser shall cooperate fully with the Fund's independent auditors and counsel and with the Adviser in connection with any annual audit,

the preparation of filings with the Commission, and in connection with any examination of the Fund or the Adviser by the Commission.

- e. **Portfolio Transactions.** With respect to the securities and other investments to be purchased or sold for the Fund, the Subadviser shall place orders with or through such persons, brokers or dealers selected by the Subadviser, provided, however, that such orders shall (i) be consistent with the brokerage policy set forth in the Prospectus and Statement of Additional Information applicable to the Fund, or approved by the Fund's Board, (ii) conform with federal securities laws, and (iii) be consistent with securing the most favorable price and efficient execution. Within the framework of this policy, the Subadviser may consider the research, investment information and other services provided by, and the financial responsibility of, brokers or dealers who may effect, or be a party to, any such transaction or other transactions to which the Subadviser's other clients may be a party.
- f. **Aggregation of Securities Transactions.** In executing portfolio transactions for the Fund, the Subadviser may, to the extent permitted by applicable laws and regulations, but shall not be obligated to, aggregate the securities to be sold or purchased with those of other funds or accounts advised by the Subadviser. The Subadviser will aggregate trades if, in the Subadviser's reasonable judgment, such aggregation (i) will result in an overall economic benefit to the Fund, taking into consideration the advantageous selling or purchase price, brokerage commission and other expenses, and trading requirements, and (ii) is not inconsistent with the policies set forth in the Fund's registration statement and the Fund's Prospectus and Statement of Additional Information.

In the event that the Subadviser aggregates any securities transactions as provided for above, the Subadviser will allocate the securities so purchased or sold, and the expenses incurred in the transaction, in an equitable manner, consistent with its fiduciary obligations to the Fund and such other funds or accounts advised by the Subadviser.

- g. **Meetings.** The Subadviser will meet with the Adviser and the Board on a periodic basis, as reasonably requested by the Adviser and the Board, to review the responsibilities of each party and discuss any operational issues.

6. Use of Performance Information. With respect to the Fund, the Subadviser shall permit the Adviser and the Fund to include in the Fund's Prospectus and/or Statement of Additional Information performance figures relating to any private accounts and/or registered investment companies that have substantially similar investment objectives and policies to the Fund, provided that the inclusion of any such prior performance satisfies all applicable rules, regulations, and interpretive positions of the Commission.

The Subadviser or any of its principals may use the name of the Fund or the Adviser in a biographical description of the Subadviser or its principals and may use the performance of the Fund (to the extent permissible under the U.S. federal and state securities laws and regulations)

in sales literature, advertising material or other communications of the Subadviser that describes the composite performance record of the Subadviser or its principals provided that (i) the Subadviser submit for prior written approval any advertising or promotional material using the name of the Fund or the Adviser, or (ii) advertising and promotional materials have been approved in substantially the same form by the Fund or the Adviser.

13. Effective Date; Modifications; Termination. This Agreement shall continue in force for an initial term of two years from the date first set forth above. Thereafter, this Agreement may be renewed for successive annual periods, provided that the Agreement is approved by the Fund's Board, including a majority of Independent Directors.

This Agreement may be modified or amended only in writing signed by both parties or their authorized representatives.

Notwithstanding the foregoing provisions, either party hereto may terminate this Agreement at any time on thirty (30) days' prior written notice to the other, without payment of any penalty. In addition, this Agreement may be terminated (i) by the Fund's Board, or (ii) by a majority vote of the Fund's shareholders, without penalty, upon thirty (30) days' prior written notice. Neither party hereto shall use the registered trademarks, service marks, logos, names, or any other proprietary designations of the other party, or of the Fund, without such party's prior written approval. Each party hereto shall submit to the other party for prior written approval any advertising or promotional material using the other party's name or any name associated with an affiliate of the other party, or such trademarks of the other party; provided, however, that a party hereto may use advertising or promotional materials which was previously approved in substantially the same form without obtaining approval of the other party.

The covenants, agreements and obligations of each party under this Paragraph 14 shall survive the expiration or termination of this Agreement for a period of three (3) years thereafter.

15. Certain Definitions. The terms "assignment," and "interested persons," when used herein, shall have the respective meanings specified in the 1940 Act. References in this Agreement to the 1940 Act and the Advisers Act shall be construed as references to such laws as now in effect or as hereafter amended, and shall be understood as inclusive of any applicable rules, interpretations and/or orders adopted or issued thereunder by the Commission.

16. Independent Contractor. The Subadviser shall for all purposes herein be deemed to be an independent contractor and shall, unless otherwise expressly provided herein or authorized by the Fund's Board or the Adviser from time to time, have no authority to act for or represent the Fund in any way or otherwise be deemed an agent of the Fund or of the Adviser.

17. Governing Law and Dispute Resolution. This Agreement shall be governed by the laws of the State of Maryland, without regard to its choice of law rules, provided that nothing herein shall be construed in a manner inconsistent with the 1940 Act or the Advisers Act. Any controversy or dispute which may arise between the parties hereto concerning any transaction or the construction, performance or breach of this Agreement shall be settled by binding arbitration. The award rendered may be entered into any court having jurisdiction. Each of the Adviser and Subadviser waives all right to trial by jury in any action, proceeding, claim or counterclaim (whether based on contract, tort or otherwise) related to or arising out of this Agreement.

18. Waivers. Neither of the parties hereto shall be deemed to have waived any of its rights, powers or remedies hereunder unless such waiver is granted in writing by the waiving party. No failure or delay by either party in exercising any right, power or remedy with respect to any of the provisions of this Agreement will operate as a waiver of such provisions with respect to subsequent occurrences.

19. Severability. If any provision of this Agreement shall be held or made invalid by a court decision, statute, rule or otherwise, the remainder of this Agreement shall not be affected thereby and, to this extent, the provisions of this Agreement shall be deemed to be severable.
