Dear Mr. Donovan:

In some of our comments, we may ask you to provide us information so we may better understand your disclosure. After reviewing this information, we may or may not raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Form 10-K

Financial Statements and Notes

Note 1 – Significant Accounting Policies, page 66

Inventory, page 69

1. We note that homesites and VOIs reacquired through foreclosure or deedback in lieu of foreclosure are recorded at the lower of fair value, net of costs to dispose. Tell us how you considered SFAS 144 as it provides specific criteria for a long-lived asset (group), or a foreclosed asset that is newly acquired, that is classified

as held for sale to be recognized at the lower of its carrying value or fair value less cost to sell.

Exhibits 31.1 and 31.2

2. Reference is also being made to the company's Form 10-K/A filed April 6, 2006 and April 7, 2006 and Form 10-Q for the periods ended March 31, 2006, June 30, 2006, and September 30, 2006. We note that the identification of the certifying individual at the beginning of the certification required by Exchange Act Rule 13a-14(a) also includes the title of the certifying individual. In future filings, the identification of the certifying individual at the beginning of the certification should be revised so as not to include the individual's title.
3. Reference is being also being made to the company's Form 10-K/A filed April 6, 2006 and April 7, 2006 and Form 10-Q for the periods ended March 31, 2006, June 30, 2006, and September 30, 2006. Please revise the certifications filed as Exhibits 31.1 and 31.2 to conform exactly to the language set forth in Item 601(b)(31) of Regulation S-B. Specifically, we noted that you make reference to the "annual report" or "quarterly report" in the certifications. In future filings, remove all references to "annual report" and "quarterly report," other than in paragraph one, and replace with "report" to conform exactly to the language set forth in Item 601(b)(31)(i) of Regulation S-K.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filings;
