Report of Independent Registered Public Accounting Firm

The Board of Directors
First Horizon Advisors, Inc.:

We have reviewed management's statements, included in the accompanying First Horizon Advisors, Inc. Exemption Report (the Exemption Report), in which First Horizon Advisors, Inc. (the Company) identified the following provisions of 17 C.F.R. § 240.15c3-3(k)(2) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3(k)(2)(ii), and is filing the exemption report pursuant to footnote 74 of SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company's other business activities are limited to (1) effecting securities transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; (2) receiving compensation for non-customer activities related to consulting services and investment advisory services; and the Company (1) did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, (other than funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company); (2) did not carry accounts of or for customers; and (3) did not carry PAB accounts (as defined in Rule 15c3-3) (together, the exemption provisions). We have also reviewed management's statements, included in the Exemption Report, in which the Company stated that it met the identified exemption provisions throughout the year ended December 31, 2020 except as described in its Exemption Report. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934 and pursuant to footnote 74 of SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5.
