M&T SECURITIES, INC.
Notes to Financial Statements
December 31, 2022

1. Organization and operations

M&T Securities, Inc. (“the Company”) is a wholly owned subsidiary of M&T Bank Corporation (“M&T”) and is a registered introducing broker-dealer with the Securities and Exchange Commission (“SEC”). The Company provides securities brokerage and underwriting services. On October 1 2022, M&T acquired the Company from Manufacturers and Traders Trust Company (“M&T Bank”), a wholly owned subsidiary of M&T, with a purchase price equal to book value. The Company's assets and liabilities are generally short-term in nature and were determined to have a fair value approximating their book value at the acquisition date.

The Company provides services as an institutional broker-dealer focused on supporting corporate clients through such offerings as institutional brokerage and securities underwriting services. The Company has an agreement with a clearing broker under which customer account records are maintained and individual securities transactions are executed.

The Company participates in corporate underwriting as a joint book runner or co-manager. Revenues associated with these activities are included in fee revenues in the statement of income.

The Company is subject to applicable federal and state securities laws and regulations and the rules of the Financial Industry Regulatory Authority (“FINRA”) and a member of the Securities Investor Protection Corporation (“SIPC”).

2. Summary of significant accounting policies

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles (“GAAP”). The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and to disclose contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

A summary of significant accounting policies used in the preparation of the financial statements follows:

Statement of cash flows

For purposes of the statement of cash flows, cash and cash equivalents consist of cash on deposit with M&T Bank.

M&T SECURITIES, INC.
Notes to Financial Statements, continued

2. Summary of significant accounting policies, continued

Commissions and fees

Brokerage commissions include commissions the Company earns from buying or selling securities on behalf of customers and are recorded on a trade date basis.

Underwriting income includes fees earned by the Company for activity performed from corporate security issuances.

All other fees and expenses are recognized as incurred.

Stock-based compensation

Employees of the Company have been granted stock awards, comprised of restricted stock and restricted stock units of M&T under incentive compensation plans of M&T. In addition, a stock purchase plan provides eligible employees of M&T and its subsidiaries the right to purchase shares of M&T common stock at a discount through accumulated payroll deductions. Information regarding the incentive compensation plans of M&T is included in M&T's Annual Report (Form 10-K) as filed with the SEC.

The Company recognizes expense for stock-based compensation using the fair value method of accounting. Stock-based compensation expense is included in employee compensation and benefits expenses in the statement of income. As of December 31, 2022, unvested restricted stock awards granted to the Company's employees totaled 2,426 restricted stock units. The unrecognized compensation expense associated with restricted stock awards was \$24,000 as of December 31, 2022, which will be recognized over a weighted-average period of approximately one year.

Furniture and equipment

Furniture and equipment are stated at cost less accumulated depreciation and are included in other assets in the statement of financial condition. Depreciation expense is computed using the straight-line method over the estimated useful lives of the assets, which are from three to ten years.

Income taxes

The Company is included in the consolidated federal and various combined state and local income tax returns of M&T. Pursuant to an intercompany tax sharing agreement with M&T, the Company remits tax payments to M&T Bank as if it filed a separate return and receives benefits for losses recognized in consolidation. The Company also files separate income tax returns in other state and local jurisdictions.

Deferred tax assets and liabilities are recognized for the future tax effects attributable to differences between the financial statement value of existing assets and liabilities and their respective tax bases and carry-forwards. Deferred tax assets and liabilities are measured using enacted tax rates and laws.

2. Summary of significant accounting policies, continued

Measurement of credit losses on financial instruments

The Company's financial assets are mainly comprised of a receivable from a clearing organization. Based on portfolio composition, then current economic conditions, and reasonable and supportable forecasts of future conditions the expected credit losses on financial assets were immaterial to the Company's statement of financial condition at December 31, 2022.

3. Revenue from contracts with customers

The Company recognizes revenue from contracts with customers when the performance obligations related to the services under the terms of a contract are satisfied. The Company's contracts generally do not contain terms that require significant judgement to determine the amount of revenue to recognize. The following table summarizes sources of the Company's revenue from contracts with customers during 2022.

	Commissionable Revenues	Underwriting Revenue	Miscellaneous Revenue	Total
		(In thousands)		
Commissions	\$ 2,420	—	—	\$ 2,420
Fees	—	3,073	10	3,083
Other	—	—	472	472
	<u>\$ 2,420</u>	<u>3,073</u>	<u>482</u>	<u>\$ 5,975</u>

Commissionable revenue includes revenues from the execution of equity shares from trade orders received. Commissionable revenues are recognized when the performance obligation is satisfied, which is at the time of transaction execution.

Underwriting revenue includes revenues from corporate security issuances. Underwriting revenue from corporate security issuances is recorded when performance obligations are satisfied.

Miscellaneous revenue predominantly includes revenues generated from third-party providers of identity theft, privacy guard and life insurance services to targeted customer accounts through direct mailing initiatives and is recognized as earned.

M&T SECURITIES, INC.
Notes to Financial Statements, continued

4. Fair value measurements

GAAP permits an entity to choose to measure eligible financial instruments and other items at fair value. The Company has not made any fair value elections at December 31, 2022.

Pursuant to GAAP, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A three-level hierarchy exists in GAAP for fair value measurements based upon the inputs to the valuation of an asset or liability.

- Level 1 — Valuation is based on quoted prices in active markets for identical assets and liabilities.
- Level 2 — Valuation is determined from quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar instruments in markets that are not active or by model-based techniques in which all significant inputs are observable in the market.
- Level 3 — Valuation is derived from model-based and other techniques in which at least one significant input is unobservable and which may be based on the Company's own estimates about the assumptions that market participants would use to value the asset or liability.

The Company's financial instruments, such as cash, receivables from or payables to broker and other third parties, and amounts due to/from M&T not measured at fair value in the statement of financial condition are carried at amounts that the Company believes approximate fair value. Those financial instruments are classified as Level 2 because all significant inputs are observable, except for cash which is classified as Level 1.

5. Pension plans and other postretirement benefits

The Company participates in M&T Bank's noncontributory defined benefit and defined contribution pension plans covering substantially all full-time employees. Pension benefits accrue to participants based on their level of compensation and number of years of service. M&T Bank makes contributions to its funded qualified defined benefit pension plan as required by government regulation or as deemed appropriate by management after considering factors such as the fair value of plan assets, expected returns on such assets, and the present value of benefit obligations of the plan. The Company recognized a net periodic pension benefit in 2022 related to the defined benefit plan of \$113,000. The amounts recorded in employee compensation and benefits expense and other expenses in the statement of income in 2022 were \$28,000 and (\$141,000), respectively.

Expense recorded by the Company in 2022 related to the defined contribution plan was \$56,000 and is included in employee compensation and benefits expense.

The Company also participates in M&T Bank's defined benefit postretirement health care and life insurance plans, which provide benefits for qualified retired employees who reached the age of 55 while working for M&T Bank or its subsidiaries or affiliates. Substantially all salaried employees are eligible to select coverage in the plans. The Company's expense with respect to those postretirement benefits was not material in 2022.

Additionally, the Company participates in M&T Bank's retirement savings plan that is a defined contribution plan in which eligible employees may defer up to 50% of qualified compensation via contributions to the plan. The Company makes an employer matching contribution in an amount equal to 100% of an employee's contribution, up to 5% of the employee's qualified compensation. Employee benefits expense resulting from the Company's contributions to the retirement savings plan totaled \$57,000 in 2022.

Those affiliates included M&T, M&T Bank, Wilmington Funds Management Corporation, Wilmington Trust National Association ("WTNA") and Wilmington Trust Company. In August 2022, the Company renewed its borrowing arrangement with M&T Bank in the amount of a \$50 million line of credit agreement to be secured by corporate bonds underwritten by the Company for sale, for which WTNA will act as collateral custodian. The borrowing arrangement bears a variable rate of interest equal to 158 bps above the greater of either daily simple Secured Overnight Financing Rate ("SOFR") or one percent. Advances drawn on the line of credit are generally repayable in full within 30 days of such advances. The line of credit matures and any outstanding obligations are repayable in full on August 11, 2023. The line of credit was not utilized during 2022. The Company remitted fees related to the line of credit of \$95,000 in 2022.

M&T SECURITIES, INC.
Notes to Financial Statements, continued

8. Net capital requirements

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital shall not exceed 15 to 1. The Company's net capital calculated in accordance with SEC Rule 15c3-1 (see Schedule I) was \$47,309,000 at December 31, 2022, which was \$47,059,000 in excess of the minimum required net capital. The Company's ratio of aggregate indebtedness to net capital was .01 to 1 at December 31, 2022.

9. Contingent liabilities

In the normal course of business, the Company executes transactions on behalf of customers. If such transactions do not settle because of failure to perform by a party to the transaction the Company may be required to discharge the obligation of the nonperforming party and, as a result, may incur a loss if the market value of the securities is different from the contract amount of the transaction. The Company has not incurred any material losses as a result of this type of nonperformance.

The Company clears certain of its securities transactions through a clearing broker on a fully disclosed basis. Pursuant to the terms of the agreements between the Company and the clearing broker, the clearing broker has the right to charge the Company for losses that result from a counterparty's failure to fulfill its contractual obligations. As the right to charge the Company has no maximum amount and applies to all trades executed through the clearing broker, the Company believes there is no maximum amount assignable to this right. The Company has not incurred any material losses as a result of these guarantees.

The Company has the right to pursue collection or performance from the counterparties who do not perform under their contractual obligations. The Company monitors the credit standing of the clearing broker with which it conducts business.

The Company is subject, in the normal course of business, to various pending and threatened legal proceedings in which claims for monetary damages are asserted. Management, after consultation with legal counsel, does not anticipate that the aggregate ultimate liability, if any, arising out of litigation pending and threatened against the Company will be material to the Company's financial position, but at the present time is not in a position to determine whether such litigation will have a material adverse effect on the Company's results of operations in any future reporting period.

To the Board and Management of M&T Securities, Inc.

We have reviewed M&T Securities Inc.'s assertions, included in the accompanying M&T Securities, Inc.'s Exemption Report, in which:

(1) The Company identified 17 C.F.R. § 240.15c3-3(k)(ii) as the provision under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3 (the "exemption provision").

(2) The Company stated that it met the identified exemption provision throughout the year ended December 31, 2022 without exception.

(3) The Company stated that it is also filing its Exemption Report because the Company's other business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 are limited to (1) receiving transaction-based compensation for referring securities transactions to other broker-dealers; and (2) participating in distributions of securities (other than firm commitment underwritings) in accordance with the requirements of paragraphs (a) or (b)(2) of Rule 15c2-4, and the Company (1) did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, (other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company); (2) did not carry accounts of or for customers; and (3) did not carry PAB accounts (as defined in Rule 15c3-3) throughout the year ended December 31, 2022 without exception.

The Company's management is responsible for the assertions and for compliance with the identified exemption provision and the provisions of Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 throughout the year ended December 31, 2022.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provision and the provisions of Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's assertions referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(ii) of 17 C.F.R. § 240.15c3-3 and the provisions of Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5.

We are providing this letter in connection with your audit of the financial statements of M&T Securities, Inc. (the "Company") as of December 31, 2022 and for the year then ended for the purpose of expressing an opinion as to whether such financial statements present fairly, in all material respects, the financial condition, results of operations, and cash flows of M&T Securities, Inc. in conformity with accounting principles generally accepted in the United States of America. We acknowledge and confirm that we have fulfilled our responsibility, as set out in our engagement letter of December 31, 2022, for the preparation and fair presentation in the financial statements of financial condition, results of operations, and of cash flows in conformity with generally accepted accounting principles, including the appropriate selection and application of accounting policies.

We are also providing this letter in connection with your review of the Company's assertions under SEC Rule 17a-5 with respect to:

- (1) the exemption provision of 17 C.F.R. § 240.15c3-3(k)(2) under which the Company claims exemption,
- (2) whether or not the Company has met the identified exemption provision in 17 C.F.R. § 240.15c3-3(k) throughout the year ended December 31, 2022, and
- (3) the Company also filing an Exemption Report for the Company's other business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 and whether or not the Company has met the provisions of Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 throughout the year ended December 31, 2022.

for the purpose of expressing moderate assurance that there are no material modifications that should be made to the Company's assertions referred to above for them to be fairly stated, in all material respects, based on the provision set forth in paragraph (k)(2)(ii) of 17 C.F.R. § 240.15c3-3 and the provisions of Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5.

Certain representations in this letter are described as being limited to those matters that are material. Materiality is entity specific. The omission or misstatement of an item in a financial report is material, regardless of size, if in light of surrounding circumstances, the magnitude of the item is such that it is probable that the judgment of a reasonable person relying upon the report would have been changed or influenced by the inclusion or correction of the item. Materiality used for purposes of these representations is \$175,000.

We confirm, to the best of our knowledge and belief, as of February 24, 2023, the date of your reports, the following representations made to you during your audit and examination:

1. The financial statements referred to above are fairly presented in conformity with accounting principles generally accepted in the United States of America (GAAP), and include all disclosures necessary for such fair presentation and disclosures otherwise required to be included therein by the laws and regulations to which the Company is subject. We have prepared the Company's

financial statements on the basis that the Company is able to continue as a going concern. There are no conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date these financial statements are issued.

2. We have made available to you:
 - a. All financial records and related data, including the names of all related parties and all relationships and transactions with related parties.
 - b. Support for any assertion that a transaction with a related party was conducted on terms equivalent to those prevailing in an arm's-length transaction.
 - c. Unconditional access to persons within the entity from whom you have requested audit evidence.
 - d. All minutes of the meetings of the Board of Directors. The most recent meeting held was the Board of Directors of M&T Securities, Inc. on October 25, 2022.
 - e. All changes or expected changes to the Company's affiliates/beneficial owners, as defined in Rule 2-01 of Regulation S-X, during the period ended December 31, 2022. We understand that such changes could have come about, for example, as a result of mergers, acquisitions, investments or establishment of new entities. Changes were communicated prior to the date for which independence was required with respect to the affiliate/beneficial owner (e.g., in coordination with the letter of intent or the commitment date of the transaction). The independence rules encompass not only the Company, but also its affiliates and beneficial owners, as defined in Rule 2-01 of Regulation S-X.
3. We have appropriately reconciled our books and records (e.g., general ledger accounts) underlying the financial statements to their related supporting information (e.g., sub ledger or third-party data). All related reconciling items considered to be material were identified and included on the reconciliations and were appropriately adjusted in the financial statements, as necessary. There were no material unreconciled differences or material general ledger suspense account items that should have been adjusted or reclassified to another account balance. There were no material general ledger suspense account items written off to a balance sheet account, which should have been written off to an income statement account and vice versa. All intra-**entity** accounts have been eliminated or appropriately measured and considered for disclosure in the financial statements.
4. There have been no communications from regulatory agencies concerning non-compliance with or deficiencies in financial reporting practices.
5. There are no material transactions, agreements or accounts that have not been properly recorded in the accounting records underlying the financial statements.
6. We acknowledge and confirm that we have fulfilled our responsibility, as set out in our engagement letter of January 3, 2023, for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error and we have disclosed to you all deficiencies in the design or operation of internal control over financial reporting of which we are aware.
7. We acknowledge our responsibility for the design and implementation of programs and controls to provide reasonable assurance that fraud is prevented and detected.
8. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud and we have no knowledge of any fraud or suspected fraud affecting the Company involving:

- a. Management,
 - b. Employees who have significant roles in internal control over financial reporting, or
 - c. Others where the fraud could have a material effect on the financial statements.
9. We have no knowledge of any allegations of fraud or suspected fraud affecting the Company received in communications from employees, former employees, analysts, regulators, short sellers, or others.

(As to items 7, 8 and 9, we understand the term "fraud" to mean those matters described in PCAOB AS 2401 (PCAOB AU 316).)

10. There are no side agreements or other arrangements (either written or oral) that have not been disclosed to you.
11. There have been no violations or possible violations of laws or regulations whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
12. The Company has no plans or intentions that may materially affect the carrying value of assets and liabilities.
13. The following, if material, have been properly recorded or disclosed in the financial statements:
- a. Relationships and transactions with related-parties, as described in Accounting Standards Codification (ASC) 850, *Related Party Disclosures*, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties.
14. There are no:
- a. Guarantees, whether written or oral, under which the Company is contingently liable.
 - b. Significant estimates and material concentrations known to management that are required to be disclosed in accordance with ASC 275, *Risks and Uncertainties*, 275-10-50. (Significant estimates are estimates at the balance sheet date that could change materially within the next year. Concentrations refer to volumes of business, revenues, available sources of supply, or markets or geographic areas for which events could occur that would significantly disrupt normal finances within the next year.)
15. The Company has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral, except as disclosed in the financial statements.
16. The Company has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of non-compliance.
17. All receivables have been appropriately reduced to their estimated net realizable value. We have considered all reasonably available information about past events, current conditions, and reasonable and supportable forecasts of future events and economic conditions and where applicable, we have recognized an appropriate loss allowance.
18. All liabilities of the Company of which we are aware are included in the financial statements at the balance sheet dates. There are no other liabilities or gain or loss contingencies that are required to be accrued or disclosed by ASC 450, *Contingencies*, and no unasserted claims or assessments that our legal counsel has advised us are probable of assertion and required to be disclosed in accordance with that Topic.

19. We are responsible for all significant estimates and judgments affecting the financial statements. The methods, underlying data, and significant assumptions used in developing accounting estimates and the related disclosures are reasonable and appropriate to achieve recognition, measurement, or disclosure in the financial statements in accordance with accounting principles generally accepted in the United States of America. The methods used in developing accounting estimates have been consistently applied in the periods presented and the data used in developing accounting estimates is accurate and complete. Accounting estimates and judgments appropriately reflect management's intent and ability to carry out specific courses of action, where relevant. There have been no subsequent events that would require the adjustment of any significant estimates and related disclosures.
20. The Company does not have outstanding a past-due share of its accounting support fees collectible by the Public Company Accounting Oversight Board.
21. We acknowledge our responsibility for the fair presentation of the supplemental information required by SEC Rule 17a-5 and the form and content of that information, in conformity with SEC Rule 17a-5. We believe such information, including its form and content, is fairly stated, in all material respects. The methods of measurement or presentation have not changed from those used in the prior period. There are no significant assumptions or interpretations underlying the measurement or presentation of the information. The information complies, in all material respects, with SEC Rule 17a-5.
22. Net capital computations, prepared by the Company during the period from January 1, 2022 through February 24, 2023, indicated that the Company was in compliance with the requirements of 17 C.F.R. §§ 240.15c3-1 (the "net capital rule") (and applicable exchange and self-regulatory organization requirements) at all times during the period.
23. We have had no 17a-11 communications with regulators.

The Company's assertions that it claimed exemption under the provision set forth in paragraph (k)(2)(ii) of 17 C.F.R. § 240.15c3-3, that it met the identified exemption provision in 17 C.F.R. § 240.15c3-3(k) throughout the year ended December 31, 2022 without exception and that the Company is also filing this Exemption Report because the Company's other business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 are limited to (1) receiving transaction-based compensation for referring securities transactions to other broker-dealers; and (2) participating in distributions of securities (other than firm commitment underwritings) in accordance with the requirements of paragraphs (a) or (b)(2) of Rule 15c2-4, and the Company (1) did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; (2) did not carry accounts of or for customers; and (3) did not carry PAB accounts (as defined in Rule 15c3-3) throughout the year ended December 31, 2022 without exception is the responsibility of management.
32. We have made available to you all records and other information relevant to the Company's assertions, including all communications from regulatory agencies, internal auditors, others who

perform an equivalent function, compliance functions, and other auditors concerning possible exceptions to the exemption provision in 17 C.F.R. § 240.15c3-3(k) or the provisions of Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. §240.17a-5, received through the date of your report.

To the best of our knowledge and belief, no events have occurred subsequent to the balance sheet date and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements.
