PORTLAND GENERAL ELECTRIC COMPANY
SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN

ARTICLE I

PURPOSE

1.1 Purpose

The principal objectives of this Supplemental Executive Retirement Plan are to provide key executives with competitive retirement benefits, protect against reductions in retirement benefits due to tax law limitations on qualified plans and to facilitate early retirement. The Plan is designed to provide a benefit which, when added to other retirement income of the executive, will meet this objective.

1.2 Effective Date

Prior to March 12, 2003, the Portland General Electric Company (the "Company") was a participating employer in the Portland General Holdings, Inc. Supplemental Executive Retirement Plan ("PGH SERP"). The Company's liabilities under the PGH SERP consisted solely of liabilities attributable to benefits accrued during the time that participants in the PGH SERP were employed by and reported on the payroll of the Company or World Trade Center Northwest Corporation ("PGE Liabilities"). The Plan is hereby established by the Company effective March 12, 2003, as a successor plan with respect to all of the PGE Liabilities; on March 12, 2003, all of the PGE Liabilities as of the close of business on March 11, 2003, were transferred to the Plan, so that the Company had no remaining liability for the payment of any benefits under the PGH SERP, and all of the PGE Liabilities became the obligation of the Company under the Plan. Further, neither the Plan nor the Company assumes or has any liability for the payment of any benefits owed by any other participating employers in the PGH SERP, whether by reason of the Plan's establishment, its sponsorship by the Company, the transfer of the PGE Liabilities to the Plan, or otherwise.

ARTICLE II

DEFINITIONS

2.1 Actuarially Equivalent

"Actuarially Equivalent" shall mean the equivalence in value between two or more forms and/or times of payment based upon a determination by an actuary chosen by the Administrative Committee using sound actuarial assumptions at the time of such determination and applied on a uniform and consistent basis for all Participants.

- (a) less any Basic Plan Offset;
- (b) less any Other Retirement Income.

4.2-2 An additional benefit ("Temporary Social Security Supplement") shall be payable to a Participant who commences benefits on an Early Retirement Date which is prior to the earliest date the Participant is eligible for retirement benefits under the Social Security Act. Such Temporary Social Security Supplement shall not be payable during any period when the Participant is eligible to collect Social Security disability benefits. Such Temporary Social Security Supplement

shall equal the Social Security benefit payable at such earliest date based on calculation procedures in the Basic Plan. Such amount shall be payable until the earlier of:

- (a) the earliest date the Participant is eligible for Social Security retirement benefits; or
- (b) the Participant's date of death.

4.3 Separation from Service Benefit

The annual benefit payable at a date of separation from service other than as a result of Retirement or Disability shall equal:

4.5 Retention of Accrued Benefit

In the event a Participant is transferred to an employer who is not a Participating Employer, the benefit payable at Retirement Date shall be calculated based on Credit Service and Final Average Earnings with all Participating Employers and as of the last date of Employment with a Participating Employer. In the event a Participant is transferred to a position other than that of Senior Officer, the benefit payable at Retirement Date shall be calculated based on Credited Service and Final Average Earnings as a Senior Officer as of the last day such Senior Officer status was held with all Participating Employers.

0

4.6 Reduction of Benefits

In the event that a benefit calculated under Sections 4.2 or 4.3 is to commence prior to the Unreduced Benefit Date such benefit shall be reduced by seven-twelfths of one percent (7/12%) for each month by which the date of benefit commencement precedes the Unreduced Benefit Date.

4.7 Unreduced Benefit Date

"Unreduced Benefit Date" shall mean the earlier of:

4.7-1 The first of the month following the date the Participant attains age sixty-two (62), or

4.7-2 The earliest date when the sum of the Participant's age and Credited Service would total eighty-five (85) years.

4.8 Commencement of Benefits

Benefits payable in accordance with Sections 4.1, 4.2 and 4.4 shall commence on the first day of the month following the Participant's Retirement and shall continue to be paid on the first day of each succeeding month until the first day of the month following the later of the death of the Participant or the death of the Participant's Spouse.

4.10 Nonduplication of Benefits

No benefits shall be earned under this Plan with respect to Credited Service and Earnings taken into account in determining benefits under the PGH SERP. The PGE Liabilities shall be payable under this Plan, but no benefits shall be earned under this Plan which duplicate benefits earned under the PGH SERP.

ARTICLE V

PRE-RETIREMENT SURVIVOR BENEFITS

5.1 Survivor Benefit

If a Participant should die before actual Retirement, the Spouse will receive a benefit equal to:

5.1-1 Fifty percent (50%) of the amount of the Participant's Annual Supplemental Benefit determined in accordance with Section 4.1, based on the Final Average Earnings at death but assuming Credited Service continued to accrue until Normal Retirement Date;

5.1-2 Less any benefits to such Spouse actually payable from the Basic Plan.

5.2 Benefit Payment

Spouse benefits will be payable monthly, and will commence on the first day of the month following the month in which the Participant dies. The last payment will be on the first day of the month in which the Spouse dies, or such other date pursuant to the provisions of Section 5.4. Payments may commence to eligible Dependents pursuant to Section 5.3.

5.3 Dependent Benefit

If no eligible Spouse survives the Participant, or if the surviving Spouse who was eligible for payment under this Section dies with eligible Dependents remaining, the benefit determined in Section 5.1 above shall be payable to any eligible Dependents in equal shares. Such monthly benefit shall be paid each Dependent until such person fails to qualify as a Dependent.

5.4 Cessation of Benefit Upon Remarriage

In the event a Spouse receiving benefits under this Plan remarries, such Spouse will stop receiving, as of the date of remarriage, any further monthly benefits from this Plan (including future benefits to any Dependents). However, in lieu of any further monthly benefits from this Plan, a Spouse will receive six (6) months of benefits in a lump sum within forty-five (45) days after the Administrative Committee is notified of such remarriage.

ARTICLE VI

DISABILITY BENEFITS

6.1 Disability Retirement

In the event a Participant suffers a Disability after completing two (2) years of Employment, the Participant shall be entitled to Retire on a Disability Retirement Date.

6.2 Disability Benefit

The annual Disability benefit shall be equal to the benefit determined in accordance with Section 4.1, based on projected years of Credit Service to Normal Retirement and based on Final Average Earnings determined as of the last day of Employment with Participating Employer before commencement of Disability.

6.3 Form and Commencement of Benefits

Disability benefits will be payable monthly and will commence on the Participant's Disability Retirement Date. The last Disability payment will be as of the first day of the month during which a disabled Participant either recovers, dies or retires under the Basic Plan. In the case of a disabled Participant, recovery will be determined by the Administrative Committee. If the Participant retires under the Basic Plan, retirement benefits shall be payable pursuant to Sections 4.1, 4.2 or 4.4 of this Plan based on years of Credited Service at Retirement date and Final Average Earnings assuming no change in Earnings at his Disability Retirement Date.

6.4 Survivor and Dependent Benefits

In the event a disabled Participant dies, the Participant's Spouse and Dependents shall be eligible for Pre-Retirement Survivor Benefits as set out in ARTICLE V.

6.5 Evidence of Continued Disability

The Administrative Committee may require, no more frequently than once per calendar year, that a disabled Participant submit medical evidence of continued Disability satisfactory to the Administrative Committee. The Disability benefit may be discontinued based on a consideration of such evidence or lack thereof.

ARTICLE VII

ADMINISTRATION

7.1 Administrative Committee; Duties

This Plan shall be administered by the Administrative Committee appointed by the Board. Members of the Administrative Committee may be Participants under the Plan. The Administrative Committee shall have the authority to make, amend, interpret, and enforce all appropriate rules and regulations for the administration of the Plan and decide or resolve any and all questions, including interpretations of the Plan, as may arise in connection with the Plan. The Administrative Committee shall report to the Compensation Committee on an annual basis regarding Plan activity and at such other times as may be requested by the Compensation Committee.

7.2 Agents

In the administration of this Plan, the Administrative Committee may, from time to time, employ agents and delegate to such agents, including employees of any Participating Employer, such administrative duties as he sees fit, and may from time to time consult with counsel who may be counsel to any Participating employer.

7.3 Binding Effect of Decisions

The decision or action of the Administrative Committee with respect to any question arising out of or in connection with the administration, interpretation and application of the Plan and the rules and regulations promulgated hereunder shall be final, conclusive and binding upon all persons having any interest in the Plan.

7.4 Indemnity of Administrative Committee; Compensation Committee

Each Participating Employer shall indemnify and hold harmless the Administrative Committee, the Compensation Committee, and their individual members against any and all claims, loss, damage, expense or liability arising from any action or failure to act with respect to this Plan, except in the case of gross negligence or willful misconduct.

7.5 Availability of Plan Documents

Each Participant shall receive a copy of this Plan, and the Administrative Committee shall make available for inspection by any Participant a copy of the rules and regulations used in administering the Plan.

7.6 Cost of Plan Administration

The Company shall bear all expenses of administration of this Plan. However, a ratable portion of the expense shall be charged back to each Participating Employer.

ARTICLE VIII

CLAIMS PROCEDURE

8.1 Claim

Any person claiming a benefit, requesting an interpretation or ruling under the Plan or requesting information under the Plan shall present the request in writing to the Administrative Committee or his delegatee who shall respond in writing as soon as practicable.

8.2 Denial of Claim

If the claim or request is denied, the written notice of denial shall state:

8.2-1 The reasons for denial, with specific reference to the Plan provisions on which the denial is based.

8.2-2 A description of any additional material or information required and an explanation of why it is necessary.

8.2-3 An explanation of the Plan's claim review procedure.

8.3 Review of Claim

Any person whose claim or request is denied or who has not received a response within thirty (30) days may request review by notice given in writing to the Administrative Committee. The claim or request shall be reviewed by the Administrative Committee, who may, but shall not be required to, grant the claimant a hearing. On review, the claimant may have representation, examine pertinent documents and submit issues and comments in writing.

8.4 Final Decision

The decision by the Administrative Committee on review shall normally be made within sixty (60) days. If an extension of time is required for a hearing or other special circumstances, the claimant shall be notified and the time limit shall be one hundred twenty (120) days. The decision

shall be in writing and shall state the reasons and relevant plan provisions. All decisions on review shall be final and bind all parties concerned.

ARTICLE IX

TERMINATION OR AMENDMENT

9.1 Amendment

The Administrative Committee may amend the Plan from time to time as may be necessary for administrative purposes and legal compliance of the Plan, provided, however, that no such amendment shall affect the benefit rights of Participants or Beneficiaries in the Plan. The Compensation Committee may amend the Plan at any time, provided, however, that no amendment shall be effective to decrease or restrict the rights of Participants and Beneficiaries to the benefit accrued at the time of the amendment.

9.2 Termination

The board of directors of each Participating Employer may at any time, in its sole discretion, terminate or suspend the Plan in whole or in part for that Participating Employer. However, no such termination or suspension shall adversely affect the benefits of Participants which have accrued prior to such action, the benefits of any Participant who has previously retired, the benefits of any Beneficiary of a Participant who has previously died, or already accrued Plan liabilities between Participating employers.

ARTICLE X

MISCELLANEOUS

10.1 Unfunded Plan

This Plan is intended to be an unfunded plan maintained primarily to provide deferred compensation benefits for a select group of "management or highly-compensated employees" within the meaning of Sections 201, 301, and 401 of the Employee Retirement Income Security Act of 1974, as amended (ERISA), and therefore to be exempt from the provisions of Parts 2, 3, and 4 of Title I of ERISA. Accordingly, the Board may terminate the Plan, subject to Section 9.2 of this Plan, or remove certain employees as Participants if it is determined by the United States Department of Labor or a court of competent jurisdiction that the Plan constitutes an employee pension benefit plan within the meaning of Section 3(2) of ERISA (as currently in effect or hereafter amended) which is not so exempt.

10.2 Liability

10.2-1 Liability for Benefits. Except as otherwise provided in this section, liability for the payment of a Participant's benefit pursuant to this Plan shall be borne solely by the Participating Employer that employs the Participant and reports the Participant as being on its payroll during the accrual or increase of the Plan benefit, and no liability for the payment of any Plan benefit shall be incurred by reason of Plan sponsorship or participation except for the Plan benefits of a Participating Employer's own employees. Provided, however, that each Participating Employer, by accepting the Board's designation as a Participating Employer under the Plan and formally adopting the Plan, agrees to assume secondary liability for the payment of any benefit accrued or increased while a Participant is employed and on the payroll of a Participating Employer that is a Direct Subsidiary or Indirect Subsidiary of the Participating Employer at the time such benefit is accrued or increased. Such liability shall survive any revocation of designation as a Participating Employer with respect to any liabilities as accrued at the time of such revocation. Nothing in this section shall be interpreted as prohibiting any Participating Employer or any other person from expressly agreeing to assumption of liability for a Plan Participant's payment of any benefits under the Plan.

10.2-2 Unsecured General Creditor. Participants and their Beneficiaries, heirs, successors, and assigns shall have no secured legal or equitable rights, interest or claims in any property or assets of Participating Employer, nor shall they be Beneficiaries of, or have any rights, claims or interests in any life insurance policies, annuity contracts or the proceeds therefrom owned or which may be acquired by Participating Employer. Except as provided in Section 10.3, such policies, annuity contracts or other assets of Participating Employer shall not be held under any trust for the benefit of Participants, their Beneficiaries, heirs, successors or assigns, or held in any way as collateral security for the fulfilling of the obligations of Participating Employer under this Plan. Any and all of Participating Employer's assets and policies shall be, and remain, the general, unpledged, unrestricted assets of Participating Employer. Participating Employer's obligation under the Plan shall be that of an unfunded and unsecured promise to pay money in the future.

10.3 Trust Fund

At its discretion, each Participating Employer, jointly or severally, may establish one or more trusts, with such trustees as the Board may approve, for the purpose of providing for the payment of such benefits. Such trust or trusts may be irrevocable, but the assets thereof shall be subject to the claims of Participating Employer's creditors. To the extent any benefits provided under the Plan are actually paid from any such trust, Participating Employer shall have no further obligation with respect thereto, but to the extent not so paid, such benefits shall remain the obligation of, and shall be paid by a Participating Employer.

10.4 Nonassignability

Neither a Participant nor any other person shall have any right to sell, assign, transfer, pledge, anticipate, mortgage or otherwise encumber, hypothecate or convey in advance of actual receipt the amounts, if any payable hereunder, or any part thereof, which are, and all rights to which are, expressly declared to be nonassignable and nontransferable. No part of the amount payable shall, prior to actual payment, be subject to seizure or sequestration for the payment of any debts, judgements, alimony or separate maintenance owed by a Participant or any other person, nor be transferable by operation of law in the event of a Participant's or any other person's bankruptcy or insolvency.

10.5 Payment to Guardian

If a Plan benefit is payable to a minor or a person declared incompetent or to a person incapable of handling the disposition of property, the Administrative Committee may direct payment of such Plan benefit to the guardian, legal representative or person having the care and custody of such minor or incompetent person. The Administrative Committee may direct payment of such Plan benefit to the guardian, legal representative or person having the care and custody of such minor or incompetent person. The Administrative Committee may require proof of incompetency, minority, incapacity or guardianship as it may deem appropriate prior to distribution of the Plan benefit. Such distribution shall completely discharge the Administrative Committee, the Participating Employer and the Company from all liability with respect to such benefit.

10.6 Not a Contract of Employment

The terms and conditions of this Plan shall not be deemed to constitute a contract of employment between Participating Employer and the Participant, and the Participant (or the Participant's Beneficiary) shall have no rights against Participating Employer except as may otherwise be specifically provided herein.
