PORTLAND GENERAL ELECTRIC COMPANY
OUTSIDE DIRECTORS' LIFE INSURANCE BENEFIT PLAN

ARTICLE I

PURPOSE

1.1 Purpose

This Plan has been established to provide Outside Directors of Portland General Corporation and Participating Companies with supplemental life insurance protection for their families in the event of death under a split dollar arrangement.

1.2 Effective Date

Prior to March 12, 2003, the Portland General Electric Company (the "Company") was a participating employer in the Portland General Holdings, Inc. Outside Directors' Life Insurance Benefit Plan ("PGH Plan"). The Company's liabilities under the PGH Plan consisted solely of liabilities attributable to benefits accrued during the time that participants in the PGH Plan were serving as directors of the Company prior to March 29, 1986 ("PGE Liabilities"). The Plan is hereby established by the Company effective March 12, 2003, as a successor plan with respect to all of the PGE Liabilities; on March 12, 2003, all of the PGE Liabilities as of the close of business on March 11, 2003, were transferred to the Plan, so that the Company had no remaining liability for the payment of any benefits under the PGH Plan, and all of the PGE Liabilities became the obligation of the Company under the Plan. Further, neither the Plan nor the Company assumes or has any liability for the payment of any benefits owed by any other participating employers in the PGH Plan, whether by reason of the Plan's establishment, its sponsorship by the Company, the transfer of the PGE Liabilities to the Plan, or otherwise.

The economic benefit shall be equal to the lesser of the Insurer's one-year term cost or the PS-58 rate.

ARTICLE VI

PARTICIPATING COMPANY'S INTEREST IN THE POLICY

6.1 Collateral Assignment

Each Participant shall assign the Policy to the Participating Company as collateral, under the form of collateral assignment attached as Exhibit A or one substantially similar thereto. The assignment gives the Participating Company the limited power to enforce its right to recover the Participating Company's Share of Premium on the Policy and on a portion of the death benefit thereof. Assignments of Policies made by participants under the PGH Plan shall continue in effect under this Plan.

6.2 Limitations

The interest of the Participating Company in and to the Policy shall be specifically limited to the following rights in and to the Cash Value and a portion of the death benefit:

6.2-1 the right to recover the Participating Company's Share of Premium, in the event the Policy is surrendered or canceled by the Participant, as provided in Section 7.1;

6.2-3 the right to recover the Participating Company's Share of Premium, or to receive ownership of the Policy, in the event of termination by the Participant in the Plan, or in the event of termination of service in the Board of a Participating Company as provided in Sections 8.1 and 8.2.

ARTICLE VII

PARTICIPANT'S INTEREST IN THE POLICY

7.1 Upon Surrender or Cancellation

Upon surrender or cancellation of the Policy, the Participating Company shall be entitled to receive a portion of the cash surrender value equal to the Participating Company's Share of Premium. The balance of the cash surrender value, if any, shall belong to the Participant.

7.2 Upon Death

Upon the death of the Participant, the beneficiary or beneficiaries designated by the Participant shall be entitled to receive that portion of the Policy proceeds equal to the amount set forth in Schedule I of this Plan.

7.3 Ownership of Cash Surrender Value

Notwithstanding any other provision in the Plan to the contrary, the Participant shall at all times own a portion of the cash surrender value of the Policy equal to the Participant's Share to the extent said cash surrender value exceeds the Participating Company's Share of Premium.

7.4 Nonduplication of Benefits

The PGE Liabilities shall be payable under this Plan, but no benefits shall be earned under this Plan which duplicate benefits earned under the PGH Plan.

ARTICLE VIII

PLAN BENEFITS

8.1 Upon Termination of Participation in the Plan

In the event the Participant terminates participation in the Plan prior to leaving service on the PGC Board, the Participant shall execute any and all instruments that may be required to vest ownership of said Policy in the Participating Company. Participating Employer shall purchase from the Participant the Participant's interest in the cash surrender value set forth in Section 7.3 above for an amount equal to the Participant's Share. Thereafter, the Participant shall have no further interest in the Policy or this Plan.

8.2 Upon Termination of Service

8.2-1 In the event of termination of service on the PGC Board for Cause (as determined by the Compensation Committee) before Retirement, the Participant shall execute any and all instruments that may be required to vest ownership of said Policy in the Participating Company. Participating Employer shall purchase from the Participant the participant's interest in the cash surrender value set forth in Section 7.3 above for an amount equal to the Participant's Share. Thereafter, the Participant shall have no further interest in the Policy or this Plan.

8.2-2 In the event of termination of service on the PGC Board of any Participating Company because of accepting a position of public service, or other reason not considered for Cause before Retirement, the Participant may elect either to:

(a) reimburse the Participating Company an amount equal to the Participating Company's Share of Premium, whereupon receipt of payment from the Participant, the Company shall release the collateral assignment and thereafter shall have no further interest in the Policy, or

(b) execute any and all instruments that may be required to vest ownership of said Policy in the Participating Company. Thereafter, the Participant shall have no further interest in the Policy or this Plan.

8.2-3 In the event of termination of service on the PGC Board, occurring at least one (1) year from the Effective Time, as defined in the Merger Agreement, the Participant shall be deemed to have retired for purposes of this Plan and shall be eligible to make the election specified in Section 8.4.

8.2-4 In the event of involuntary termination of service on the PGC Board, without Cause, occurring during the one (1) year period beginning with the date the stockholders of PGC

approve the Merger Agreement, the Participant shall be entitled to the Change in Control benefit specified in Section 8.3.

8.3 Upon Change in Control

In the event of a Change in Control, within sixty (60) days of such Change in Control, the Participating Company shall:

8.3-1 determine to what extent the cash value exceeds the Net Single Premium and recover the excess, if any; and

8.3-2 upon recovery of the excess, release the collateral assignment and thereafter have no further interest in the Policy; and

8.3-3 pay to each Participant an amount equal to the excess, if any, of the Net Single Premium over the cash value released to the participant in 8.3-2 above.

8.4-1 reimburse the Participating Company an amount equal to the Participating Company's Share of Premium, whereupon receipt of payment from the Participant, the Company shall release the collateral assignment and thereafter shall have no further interest in the Policy, or

8.4-2 continue participation in the Plan with the Company continuing to pay premiums pursuant to ARTICLE V.

ARTICLE IX

DURATION OF THE PLAN

9.1 Plan Continuation

Subject to the provisions of Article 8, this Plan shall continue with respect to each Participant until such time as the Cash Value of the Policy on a Participant is sufficient to permit:

9.1-1 the Participating Company to recover the Participating Company's Share of Premium; and

9.1-2 the Participant to recover an amount equal to the federal and state income tax he will incur as a result of termination of the split dollar arrangement; and

9.1-3 the death benefit to continue to the Participant's age ninety-five (95) with no further premium outlay based upon then current interest assumptions.

9.2 Termination of Arrangement

When the standard required by ARTICLE VI is achieved and upon the Participating Company's receiving the Participating Company's Share of Premium, the split dollar arrangement with that Participant shall terminate. The Participating Company shall release the collateral assignment and thereafter, shall have no further interest in the Policy.

ARTICLE X

AMENDMENT AND TERMINATION OF PLAN

10.1 Amendment

The Administrative Committee may amend the Plan from time to time as may be necessary for administrative purposes and legal compliance, provided, however, that no such amendment shall affect the benefit rights of Participants or Beneficiaries in the Plan. Prior to achieving the standard required by Section 9.1, the Compensation Committee may not amend, modify or revoke this Plan in a manner that reduces the rights of the Participant under this Plan.

10.2 Termination

The Board of each Participating Company may at any time, in its sole discretion, terminate the Plan in whole or in part for that Participating Company, such that no future Participants will be allowed into the Plan. However, no such termination shall adversely affect the benefits of Participants which have accrued prior to such action, the benefits of any Participant who has previously retired, the benefits of any beneficiary of a Participant who has previously died, or already accrued Plan liabilities between Participating Companies.

ARTICLE XI

INSURER NOT A PARTY TO PLAN

An Insurer shall be bound only by the provisions of and endorsements on the Policy, and any payments made or action taken by an Insurer in accordance therewith shall fully discharge it from

all claims, suits and demands of all persons whatsoever. Except as specifically provided by endorsement on the Policy, it shall in no way be bound by the provisions of this Plan.

ARTICLE XII

NAMED FIDUCIARY

12.1 Administrative Committee; Compensation Committee

The Administrative Committee is hereby designated the "Named Fiduciary" until removal by the Board. As Named Fiduciary, the Administrative Committee shall be responsible for the management, control and administration of the Plan established herein. The Administrative Committee may allocate to others certain aspects of the management and operation responsibilities of the Plan, including the employment of advisors and the delegation of any ministerial duties to qualified individuals.

12.2 Indemnity of Administrative Committee; Compensation Committee

Each participating Company shall indemnify and hold harmless the Administrative Committee and the Compensation Committee and their individual members against any and all claims, loss, damage, expense or liability arising from any action or failure to act with respect to this Plan, except in the case of gross negligence or willful misconduct.

12.3 Availability of Plan Documents

Each Participant shall receive a copy of this Plan, and the Administrative Committee shall make available for inspection by a Participant a copy of the rules and regulations used in administering the Plan.

12.4 Cost of Plan Administration

The Company shall bear all expenses of administration. However, a ratable portion of the expense shall be charged back to each Participating Company.

ARTICLE XIII

CLAIMS PROCEDURE

13.1 Claim

Claims for any benefits due under the Plan or upon surrender of the Policy shall be made in writing by the Participating Company, and the Participant or his designated beneficiary or beneficiaries, as the case may be, to the Named Fiduciary or his delegatee who shall respond in writing as soon as practicable.

13.2 Denial of Claim

In the event a claim is denied or disputed, the Named Fiduciary shall, within a reasonable period of time after receipt of the claim, notify the Participating Company, and the Participant or his designated beneficiary or beneficiaries, as the case may be, of such denial or dispute listing:

13.2-1 The reasons for the denial or dispute; with specific reference to the Plan provisions upon which the denial or dispute is based;

13.2-2 A description of any additional material or information necessary and an explanation of why it is necessary; and

13.2-3 An explanation of the Plan's claim review procedure.

13.3 Review of Claim

Within sixty (60) days of denial or notice of claim under the Plan, a claimant may request that the claim be reviewed by the Named Fiduciary. The claim or request shall be reviewed by the Named Fiduciary, who may, but shall not be required to, grant the claimant a hearing. On review, the claimant may have representation, examine pertinent documents and submit issues and comments in writing.

13.4 Final Decision

The decision of the Administrative Committee on review shall normally be made within sixty (60) days. If an extension of time is required for a hearing or other special circumstances, the claimant shall be notified and the time limit shall be one hundred twenty (120) days. The decision shall be in writing and shall state the reasons and the relevant plan provisions. All decisions on review shall be final and bind all parties concerned.

ARTICLE XIV

MISCELLANEOUS

14.1 Liabilities for Benefits

Except as otherwise provided in this Section, liability for the payment of a Participant's benefit pursuant to this Plan shall be borne solely by the Participating Company for which the Participant serves during the accrual or increase of the Plan benefit, and no liability for the payment of any Plan benefit shall be incurred by reason of Plan sponsorship or participation except for the Plan benefits of a Participating Company's own advisors or Board members. Provided, however, that each Participating Company, by accepting the Board's designation as a Participating Company under the Plan and formally adopting the Plan, agrees to assume secondary liability for the payment of any benefit accrued or increased while a Participant serves on the board of directors of a Participating Company that is a Direct Subsidiary or Indirect Subsidiary of the Participating Company at the time such benefit is accrued or increased. Such liability shall survive any revocation of designation as a Participating Employer with respect to any liabilities accrued at the time of such revocation. Nothing in this paragraph shall be interpreted as prohibiting any Participating Company or any other person from expressly agreeing to assumption of liability for a Plan Participant's payment of any benefits under the Plan.

14.2 Allocation of Asset

The interests of each Participating Company in and to the Policy as described in Section 6.2 shall be allocated, if applicable, pro rata among those Participating Companies who employed the Participant and reported the Participant as being on their payroll during the accrual or increase of the Plan benefit. Such allocation of asset shall survive any revocation of designation as a Participating Company or termination of the Plan with respect to any asset accrued at the time of such revocation or termination.

14.3 Protective Provisions

A Participant will cooperate with the Participating Company by furnishing any and all information requested by the Participating Company, in order to facilitate the payment of benefits hereunder, and by taking such physical examination as the Participating Company may deem necessary and taking such other action as may be requested by the Participating Company.

14.4 Transfer of Participant's Interest in the Policy

In the event a Participant shall transfer all of his interest in the Policy, then all of a Participant's interest in the Policy shall be vested in his transferee, who shall be substituted as a party hereunder, and a Participant shall have no further interest in the Policy.

14.5 Terms

In this Plan document, unless the context clearly indicates the contrary, the masculine gender will be deemed to include the feminine gender, and the singular shall include the plural.

14.6 Governing Law

The provisions of this Plan shall be construed and interpreted according to the laws of the State of Oregon, except as preempted by federal law.

14.7 Validity

In case any provision of this Plan shall be held illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining parts hereof, but this Plan shall be construed and enforced as if such illegal and invalid provisions had never been inserted herein.

14.8 Notice

Any notice or filing required or permitted to be given to the Administrative Committee under the Plan shall be sufficient if in writing and hand delivered, or sent by registered or certified mail to the Administrative Committee or to the Secretary of Company. Notice to the Administrative Committee, if mailed, shall be addressed to the principal executive offices of the Participating Company. Notice mailed to the Participant shall be at such address as is given in the records of the Participating Company. Notices shall be deemed given as of the date of delivery or, if delivery is made by mail, as of the date shown on the postmark on the receipt for registration or certification.

14.9 Successors

The provisions of this Plan shall bind and inure to the benefit of each Participating Company and its successors and assigns. The term successors as used herein shall include any corporate or other business entity which shall, whether by merger, consolidation, purchase or otherwise, acquire all or substantially all of the business and assets of the Participating Company, and successors of any such corporation or other business entity.

14.10 Not a Contract of Service

The terms and conditions of this Plan shall not be deemed to constitute a contract of service between a Participating Company and a Participant, and neither a Participant nor a Participant's Spouse or Dependent shall have any rights against a Participating Company except as may otherwise be specifically provided herein. Moreover, nothing in this Plan shall be deemed to give a Participant the right to be retained on the Board of a Participating Company nor shall it interfere with the Participant's right to terminate his directorship at any time.

IN WITNESS WHEREOF, the Company has caused this instrument to be executed by its officers thereunto duly authorized this 19 day of March, 2003.

WHEREAS, in consideration of the Assignee agreeing to pay a portion of the premium, the Owner agrees to grant the Assignee an interest in the policy as security for the recovery of the Assignee's premium outlay.

The signature of the Assignee shall be sufficient for the exercise of any rights under the Policy assigned hereby to the Assignee, and the receipt of the Assignee for any sums received by it shall be a full discharge and release therefore to the Insurer.

6. The insurer shall be fully protected in recognizing the requests made by the Owner for surrender of the Policy with or without the consent of the Assignee, and, upon such surrender, the Policy shall be terminated and shall be of no further force or effect.
