RKCA, INC.

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended December 31, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

RKCA, Inc. (the Company) is a broker/dealer registered under the Securities Exchange Act of 1934.

Investment banking fees relate primarily to merger and acquisition activities and to a much lesser extent, private placement offerings.

As a member of Financial Industry Regulatory Authority, Inc. (FINRA), the Company is exempt from the requirements of Rule 15c3-3 of the Securities and Exchange Commission (SEC) because it operates as a Non-Covered Firm under that rule.

Basis of Presentation

The accounting and reporting policies of the Company conform with accounting principles generally accepted in the United States of America (GAAP) as contained in the Accounting Standards Codification (ASC) issued by the Financial Accounting Standards Board (FASB). The financial statements of the Company have been prepared on the accrual basis of accounting in accordance with GAAP. A summary of significant accounting policies follow are described below to enhance the usefulness of the financial statements to the reader.

Cash and Cash Equivalents

For statement of financial condition and cash flow purposes, the Company considers all highly liquid debt instruments, with a maturity of three months or less at date of purchase to be cash equivalents.

Accounts Receivable

Accounts receivable are stated at net realizable value. The Company provides an allowance for doubtful accounts based on management's periodic review of accounts. Accounts are considered delinquent when payments have not been received within the agreed upon terms and are written off when management determines that collection is not probable. As of December 31, 2022, the allowance for doubtful accounts was \$0.

Revenue Recognition

M&A Advisory Fees

The Company provides advisory services on mergers and acquisitions (M&A). Revenue for advisory arrangements is generally recognized at the point in time that performance under the arrangement is completed (the closing date of the transaction) or the contract is cancelled. However, for certain contracts, revenue is recognized over time for advisory arrangements in which the performance obligations are simultaneously provided by the Company and consumed by the customer. In some circumstances, significant judgment is needed to determine the timing and measure of progress appropriate for revenue recognition under a specific contract. Retainers received from customers are recognized as revenue based on the terms of the contract.

RKCA, INC.

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended December 31, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (Continued)

Significant Judgments

Revenue from contracts with customers include fees from investment banking services. The recognition and measurement of revenue is based on the assessment of individual contract terms. Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

Fixed Assets

Fixed assets are stated at cost. Depreciation of fixed assets is recorded using the straight-line method over the useful lives of the assets. Maintenance and repair costs are expensed as incurred. The estimated useful lives of fixed assets are as follows:

Leasehold improvements	5 years
Office equipment	7 years
Furniture and fixtures	7 years
Computer equipment	3 years

The Company capitalizes leasehold improvements, office equipment, furniture and fixtures, and computer equipment with amounts over \$ 5,000.

Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2022, the Company had net capital of \$2,220,146 which was \$2,215,146 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was 0.00% at December 31, 2022, the Company had no aggregate indebtedness.

Income Taxes

The Company is not a tax-paying entity for federal income tax purposes. Income or loss from the Company is reflected in the individual tax returns of the shareholders, due to the election of S-Corporation status under the Internal Revenue Code. The Company utilizes the cash basis of accounting for income for filing purposes. The Company's tax year end is December 31.

The Company follows the provisions of *Accounting for Uncertainty in Income Taxes* as required by the ASC standards. The Company recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would be more likely than not to sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement with the relevant tax authority.

RKCA, INC.

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended December 31, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Changes in estimates are reflected in the periods in which they become known. Significant estimates are used when accounting for the allowance for bad debts.

Subsequent Events

Subsequent events have been evaluated through February 6, 2023, the date the financial statements were available to be issued.

NOTE 2 - CONCENTRATIONS OF CREDIT RISK

Financial instruments which potentially subject the Company to concentrations of credit risk consist of cash and cash equivalents. The Company maintains its cash and cash equivalents in bank accounts which, at times, may exceed federally insured limits. The Company has not experienced any such losses in these accounts.

NOTE 3 - RELATED PARTY

The Company is affiliated with RKCA Services, LLC., which provides management and business services to the Company, including financial personnel. RKCA Services, LLC. charges personnel fees and substantially all related operating expenses to the Company. Included in the accompanying statement of operations of the Company, are personnel fees and expenses totaling \$3,263,744 for the year ended December 31, 2022.

NOTE 4 – RISKS AND UNCERTAINTIES

In March of 2020, the World Health Organization declared the outbreak of the COVID-19 a pandemic which continues to spread throughout the United States. COVID-19 has caused a severe negative impact on the world economy and has contributed to significant declines and volatility in financial markets. The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the Company for future periods. Management is carefully monitoring the situation and evaluating its options as circumstances evolve.

Report of Independent Registered Public Accounting Firm

To the Shareholders
RKCA, Inc.
Cincinnati, Ohio

We have reviewed management's statements, included in the accompanying Exemption from Reserve Requirements Under Rule 15c3-3 Report, in which (1) RKCA, Inc. ("the Company") identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3:

1. The Company receives transaction-based compensation from private placement of securities, investment advisory services and financial advisory services and does not receive or hold any customer funds or securities.
2. The Company claimed an exemption as a Non-Covered Firm and (1) did not directly or indirectly receive, hold or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c-2-4; (2) did not carry accounts of or for customers; and (3) did not carry PAB accounts (as defined in Rule 15c3-3).
3. The Company stated that the Company met the identified exemption provision throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements:

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth as a Non-Covered Firm, as defined under the Securities and Exchange Commission's *Frequently Asked Questions Concerning the July 30, 2013 Amendments to the Broker-Dealer Financial Reporting Rule*.
