**Notes to Financial Statements**  
As of and for the Year-Ended December 31, 2021

***Note 1 – Summary of Significant Accounting Policies***

***Nature of Business***

Raphael Aryeh & Associates (a partnership) ("the Company") is a broker-dealer, registered with the Securities Exchange Commission ("SEC"), and a member of the Financial Industry Regulatory Authority ("FINRA"). The Company was formed in the state of New York in 1978.

The Company's business is limited to selling mutual funds on an application basis, selling variable life insurance or annuities and advisory fees.

***Cash and Cash Equivalents***

For purposes of reporting the statement of cash flows, the Company considers all cash accounts, which are not subject to withdrawal restrictions or penalties, and all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. Cash balances in excess of FDIC and similar insurance coverage are subject to the usual banking risks associated with funds in excess of those limits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. At December 31, 2021, the Company had \$187,028 in excess of the FDIC insured limit.

***Revenue and Cost Recognition***

Commissions from the sale of mutual funds and variable annuities and 12b-1's are recognized as revenue at the point in time the associated service is fulfilled which is based on the trade date.

***Investment Advisory Fees***

The company provides advisory services on a daily basis. The Company believes the performance obligation for providing advisory services is satisfied over time because the customer is receiving and consuming the benefits as they are provided by the Company. Fee arrangements are based on a percentage applied to the customer's assets under management. Fees are received annually and are recognized as revenue at that time as they relate specifically to the services provided in that period, which are distinct from the services provided in other periods.

***Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

***Property and Equipment***

Property and equipment are recorded at cost. Repair and maintenance costs are charged to operations as incurred. When assets are retired or disposed of, the cost and accumulated depreciation are removed from the accounts, and any gains or losses are included in operations. Depreciation of property and

equipment is provided utilizing the straight line method over the estimated useful lives of the related assets.

***Income Taxes***

The Company files its income tax returns as a partnership for federal and state income tax purposes. As such, the Company does not pay income taxes, as any income or loss is included in the income tax returns of the individual partners. Accordingly, no provision is made for income taxes in the financial statements.

As defined by Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 740, Income Taxes, no provision or liability for materially uncertain tax positions was deemed necessary by management. Therefore, no provision or liability for uncertain tax positions has been included in these financial statements.

Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Company's tax returns will not be challenged by the taxing authorities and that the Company or its partners will not be subject to additional tax, penalties, and interest as a result of such challenge. Generally, the Company's tax returns remain open for three years for federal and state income tax examination. As such, the Company's income tax returns for the years ended December 31, 2018, 2019 and 2020 respectively, are subject to possible federal and state examinations, generally three years after they are filed.

***Financial Instruments***

All of the Company's financial assets and liabilities are carried at market value or at amounts, which, because of their short-term nature, approximate current fair value.

***Business Concentrations***

The Company earned revenue for investment advisory fees from four major customers that accounted for 80% of revenue for the year. Financial instruments that potentially subject the Company to concentration of credit risk consist principally of cash deposits.

**Notes to Financial Statements**  
As of and for the Year-Ended December 31, 2021

***Note 2 – Net Capital Requirements***

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital at an amount equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness, and requires that the ratio of aggregate indebtedness to net capital not to exceed 15 to 1.

At December 31, 2021, the Company had net capital of \$449,404 and excess net capital of \$444,404 and a net capital ratio of 1.30 to 1.

***Note 3 – Property and Equipment***

***Property and equipment consists of:***

Vehicle

Total Vehicle at Cost	\$ 28,773
Less: Accumulated depreciation	<u>(25,896)</u>
Vehicle, net	<u>\$ 2,877</u>

Depreciation expense was \$5,755 for the year ended December 31, 2021.

***Note 5 – Related Party***

The Company had transactions with its general partner throughout the year. These transactions included payments of bills by the general partner from his personal accounts treated as contributions of capital, and charges for utilities, vehicle and other expenses that amounted to \$26,102 for the year ended December 31, 2021.

***Note 6 – Commitments and contingencies***

Raphael Aryeh & Associates does not have any commitments, guarantees, or contingencies, including arbitration or other litigation claims that may result in a loss or a future obligation. The Company is not aware of any threats or other circumstances that may lead to the assertion of a claim at a future date.

***Note 7 – Subsequent Events***

In preparing these financial statements, management of the Company has evaluated events and transactions through the date the financial statements were available to be issued. The Company has determined that no events and transactions occurred that require disclosure.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors and Partners  
of Raphael Aryeh and Associates

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report pursuant to SEC Rule 17a-5, in which (1) Raphael Aryeh and Associates (the Company) did not claim an exemption under paragraph (k) of 17 C.F.R. §240.15c3-3, and (2) the Company is filing this Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to mutual fund services, variable annuities and investment advisory services, and the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

Raphael Aryeh and Associates' management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Raphael Aryeh and Associates' compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.

Re: Raphael Aryeh & Associates Exemption Report

Raphael Aryeh & Associates (the "Company") is a registered broker-dealer subject to Rule 17a-5 promulgated by the Securities and Exchange Commission (17 C.F.R. §240.17a-5, "Reports to be made by certain brokers and dealers"). This Exemption Report was prepared as required by 17 C.F.R. §240.17a-5(d)(1) and (4). To the best of its knowledge and belief, the Company states the following:

The Company does not claim an exemption under paragraph (k) of 17 C.F.R. § 240.15c3-3, and

The Company is filing this Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to (include all that apply, for example,): (1) mutual fund services; (2) variable annuities and (3) investment advisory services, and the Company (1) did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, (other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company); (2) did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

I, Rapahel Aryeh, affirm that, to my best knowledge and belief, this Exemption Report is true and correct.
