To the extent that any of the statements contained in this release are forward-looking, such statements are based on current expectations that involve a number of uncertainties and risks. Aristotle cautions investors that there can be no assurance that actual results or business conditions will not differ materially from those projected or

suggested in such forward-looking statements as a result of various factors, including, but not limited to, the following: (i) the ability of Aristotle to obtain financing and additional capital to fund its business strategy on acceptable terms, if at all; (ii) the ability of Aristotle on a timely basis to find, prudently negotiate and consummate additional acquisitions; (iii) the ability of Aristotle to manage any to-be acquired businesses; (iv) the ability of Aristotle to retain and utilize its Federal net operating tax loss carryforward position; and (v) general economic conditions. As a result, Aristotle's future development efforts involve a high degree of risk.
