3.01 Servicing Fees

(a) Compensation for Services. During the term of this Agreement, Buyer shall pay Servicer a fee (“Servicing Fee”) at the rate of \$2 per Statemented Account per month (as hereinafter defined), but in no event after the Conversion Date (unless Buyer has requested an extension), at which time the Servicing Fees shall terminate (unless such Servicing Fee relates to the period prior to the Conversion Date). “Statemented Account” shall mean an Account for which an original statement has been mailed (in accordance with the Policies and Procedures and at the completion of its billing cycle) as shown on Servicer’s system, including fees related to outside vendors and other out-of-pocket expenses. Statemented Accounts shall not include zero balance accounts. If the Services either begin or terminate in the middle of a calendar month, the Servicing Fee shall be paid based upon actual Statemented Accounts from and after the start date and up to and including the termination date.

(b) Payment Terms. Servicer shall provide an invoice with supporting documentation to Buyer on or before the fifth day of each month with respect to amounts due under Section 3.01(a) for the immediately preceding month. Buyer shall pay Servicer, within ten (10) days after receipt of the invoice (such invoice to be e-mailed to Buyer), all amounts set forth in such invoice. All payments under this Agreement shall be made by wire transfer of immediately available funds to the bank accounts designated by the respective parties.

(c) Payment Obligations. Notwithstanding anything to the contrary contained herein, neither party shall refuse to make any payment required of it under this Agreement as a result of a breach or alleged breach by the other party of any of its obligations under this Agreement or any other agreement; provided, however, that the making of any payment hereunder shall not constitute a waiver by such party of any rights it may have under this Agreement, the Purchase Agreement, or the Program Agreement or any other related agreement to which the parties hereto are party or under applicable law.

3.02 Settlement. Buyer and Servicer each shall designate a bank account into which settlement funds (and not any Servicing Fee) due under Section 2.03 from the other party to this Agreement shall be wired. From the Initial Closing Date until the Conversion Date, Servicer shall provide Buyer with a Daily Settlement Sheet in accordance with Section 2.03(a). Buyer or Servicer, as the case may be, shall pay the net amount due on the Daily Settlement Sheet each day by wire transfer to the designated settlement account by 11:00 a.m., Central time on the day on which the Daily Settlement Sheet is provided pursuant to Section 2.03(a) by 12:00 p.m. Eastern time on that day. In addition to any other rights and remedies available to a party under this Agreement, in the event Servicer or Buyer fails to make any such settlement payment by the time required herein (which failure is caused by a factor within the Servicer’s or Buyer’s control, as the case may be, and such delay results in the receiving party being unable to invest

such funds overnight, the amount due from Servicer or Buyer, as the case may be, for such next day's settlement shall be accompanied by interest on the delayed settlement (plus the prior day's settlement amount if such payment has not been paid) amount, calculated on the basis of an interest rate equal to the Federal Funds Interest Rate plus two percent, divided by three hundred and sixty (360) for each day such amount is overdue.

3.03 Payments. All payments on Accounts that are received by Servicer in connection with its obligations under this Agreement will be processed and credited as collected funds within one (1) Business Day and in accordance with Regulation Z; provided, however, that, as permitted by Regulation Z, Servicer may process and credit within five (5) days after receipt any payment that does not conform to the payment requirements disclosed on the Account periodic statement. Servicer agrees that all payments received by Servicer will be deemed to be held in trust for Buyer until settled in accordance with Section 3.02. Buyer shall have the right (at Buyer's sole cost, if any) to conduct on-site audit of the payment processing process during normal business hours; provided, however, that prior written notice of the audit is provided to Servicer and such audit does not unreasonably interfere with Servicer's normal operations.

3.04 Funds Received by Servicer After Conversion Date. Following the Conversion Date, Servicer shall use commercially reasonable efforts to forward, or cause to be forwarded to Buyer (i) in the case of all funds received by or credited to Servicer under the Accounts, within three (3) Business Days after receipt by Servicer and (ii) in the case of all correspondence from cardholders received with respect to the Accounts, within ten (10) Business Days after receipt by Servicer. Servicer shall provide to Buyer, via facsimile, a daily settlement sheet which shall contain a summary of any such funds received and forwarded. All such funds and correspondence shall be sent by Servicer or Buyer, as applicable, by overnight mail or courier service (in each case, at Buyer's expense). The obligation to transmit funds shall continue for a period of one year following the Conversion Date. Effective on the Conversion Date, (i) Servicer hereby appoints and empowers Buyer as its true and lawful attorney-in-fact solely to endorse any check or instrument made payable to Servicer and submitted as payment on any outstanding balance of any Account and (ii) Buyer hereby appoints and empowers Servicer as its true and lawful attorney-in-fact solely to endorse any check or instrument made payable to Buyer and submitted as payment on any outstanding balance of any Account.

A party that becomes subject to any proceeding under this subsection shall promptly so notify the other party hereto.

(b) Effect of Termination of Services. The termination of this Agreement shall not terminate, affect, or impair any rights, obligations, or liabilities of either party hereto which may accrue prior to such date of termination or which, under the terms of this Agreement, continue after the termination of this Agreement.

(a) All Disputes shall be resolved in accordance with this Section 8.08. “Dispute” means any dispute, controversy or claim arising out of or relating to this Agreement, whether based on contract, tort, statute or other legal or equitable theory (including without limitation, any claim of fraud, misrepresentation or fraudulent inducement or any question of validity or effect of this Agreement including this clause) or the breach or termination thereof.

(b) The parties agree to communicate with each other to achieve informal resolution of all Disputes that may arise under this Agreement. However, if such communication does not resolve such Dispute, the matter in dispute will be subject to the dispute resolution provisions set forth in this Section 8.08. The party that desires to initiate the dispute resolution shall notify the other party in writing of the nature and details of the Dispute (the “Dispute Notice”). Within thirty (30) days from the date of delivery of the Dispute Notice, a face to face meeting of one or more principal officers of each party shall be held at a mutually convenient time and location to negotiate a resolution of the Dispute. If negotiation does not resolve the matter, the parties agree to submit the matter to mediation within forty (40) days from the date of delivery of the Dispute Notice. The mediation shall be administered in accordance with American Arbitration Association’s Commercial Mediation Rules. The mediator will not have power to decide the Dispute, but will use mediation techniques to assist the parties in reaching a resolution. The costs of such mediation shall be shared equally by the parties. If the Dispute is not resolved by negotiation or mediation within fifty (50) days of delivery of the Dispute Notice, the parties agree to submit the matter in dispute to binding arbitration which shall be conducted before JAMS/Endispute, Inc. (“JAMS”) in accordance with the rules and regulations promulgated by JAMS as in effect at the time of the commencement of the arbitration.

(c) The arbitration shall be held before a single arbitrator acceptable to the parties. If the parties cannot agree on a single arbitrator, then (i) each party shall choose one arbitrator and (ii) a third arbitrator shall be chosen by the other two arbitrators; provided that each arbitrator chosen under (i) and (ii) above shall not be an Affiliate of any party to such arbitration (the “Arbitrator(s)”). The Arbitrator(s) shall be bound by the terms of this Agreement. Any award made by the Arbitrator(s) shall be binding on the parties. Notwithstanding the foregoing provisions, either party at any time may require that a matter in dispute be submitted directly to arbitration, irrespective of whether negotiation or mediation has been attempted or completed.

(d) Such arbitration shall be held in New York, New York.

(e) The Arbitrator(s) shall have the authority, taking into account the parties' desire that any arbitration proceeding hereunder be reasonably expedited and efficient, to permit the parties to conduct discovery. Any such discovery shall be (i) guided generally by and be no broader than permitted under the United States Federal Rules of Civil Procedure and (ii) subject to the Arbitrator and the parties entering into a mutually acceptable confidentiality agreement.

(f) The Arbitrator's or Arbitrators' decision and award in any such arbitration shall be made and delivered within 120 days of the date on which such arbitration proceedings commenced.

(g) The Arbitrator's or Arbitrators' decision shall be in writing and shall be as brief as possible and will include the basis for the Arbitrator's decision. A record of the arbitration proceeding shall be kept.

(h) Judgment on the award rendered by the Arbitrator may be entered into any court having jurisdiction thereof.

(i) The Arbitrator(s) shall have the power but not the obligation to award to the party it deems to have prevailed, all or a portion of the costs of the arbitration (including, transcripts, room rental fees and fees and expenses of the arbitrator and JAMS, and the reasonable legal fees, costs and disbursements of the prevailing party thereto); provided, that if court proceedings to stay litigation or compel arbitration are necessary, the non-prevailing party in such proceedings shall pay all reasonable costs, expenses, and attorney's fees incurred in connection with such court proceedings.

(j) The parties hereto acknowledge and agree that this Section 8.08 shall not limit the right of any party to seek from a court of competent jurisdiction any equitable relief with respect to the Dispute to which such party may otherwise be entitled, including, without limitation, specific performance or injunctive or other relief.

(k) The parties agree to participate in any arbitration in good faith.

8.09 Books and Records. Until the Conversion Date, and for any period required by applicable law, each party shall maintain books of account and records, in accordance with standard accounting practices and procedures, of all transactions arising in connection with its obligations pursuant to this Agreement.

8.10 Expenses. Except as otherwise expressly set forth herein, any costs, expenses, or other charges incurred by either of the parties hereto shall be borne by the party incurring such cost, expense or charge.

8.11 Relationship of the Parties. The parties hereto agree that in performing their responsibilities pursuant to this Agreement, they are in the position of independent contractors. This Agreement is not intended to create, nor does it create, and shall not be construed to create, a relationship of partner or joint venture or any association for profit between Servicer and Buyer. Servicer and Buyer acknowledge that this Agreement is being entered into by Servicer as an incident to the Purchase Agreement for a limited transitional period as an

accommodation to Buyer and that Servicer does not intend to, and shall not be required to act or serve as a fiduciary of Buyer, segregate Buyer's funds, or satisfy regulatory or statutory requirements applicable to Buyer.

8.12 Counterparts. This Agreement may be executed in counterparts, each of which shall be an original, but together shall constitute one and the same instrument.

8.13 Force Majeure. Neither party to this Agreement shall be liable to the other by reason of any failure in performance of this Agreement in accordance with its terms if such failure arises out of a cause beyond the control and without the fault or negligence of such party. Such causes may include but are not limited to acts of God, of the public enemy or of civil or military authority, unavailability of energy resources, system or communication failure, delay in transportation, fires, strikes, riots or war. In the event of any force majeure occurrence, the disabled party shall use its best efforts to meet its obligations as set forth in this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed and delivered this Agreement on the day and year first above written.
