Subject: Proxy Statement Ellsworth Convertible Growth and Income Fund, Inc.

Hi Christian-

I wanted to touch base with you regarding the Ellsworth Convertible Growth and Income Fund, Inc. proxy statement that was filed on November 10th. In the past you have been the examiner for this fund, is that still the case?

Also, we are hoping to finalize the proxy by Monday (Nov. 21). Hopefully, you will be able to take a look at the proxy before then. At any rate, please contact me either by phone or e mail with any comments or questions that you have on the proxy statement.

Also, is your phone number still (202) 942-0653?

Sincerely,

Mike Drayo
