Soliciting Materials filed pursuant to Rule 14a-12

Certain Information Concerning the Participants

1. In written soliciting materials used before a proxy statement is furnished, Rule 14a-12(a)(1)(i) requires the soliciting party to include a description of each participant's direct and indirect interests in the solicitation, or a legend advising where that information can be found. Such interests are not limited to the participant's share ownership in the registrant. See the last sentence of CDI 132.03 under Proxy Rules and Schedules 14A/14C Compliance and Disclosure Interpretations (November 17, 2023). In future soliciting materials filed pursuant to Rule 14a-12, please include disclosure about the fact that Arkhouse Management recently made a proposal to acquire Macy's, which was rejected.

We remind you that the filing persons are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
