Attached are Adobe Systems Incorporated's Notice of Annual Meeting of Stockholders and Proxy Statement for its Annual Meeting of Stockholders to be held on April 9, 2003, and the related materials filed with the Securities and Exchange Commission in conjunction with the Notice of Annual Meeting of Stockholders and Proxy Statement (the "Proxy Materials"). The Proxy Materials contain a proposal submitted for the approval of Adobe's stockholders authorizing a program that will permit Adobe's eligible employees to exchange options issued under the Company's 1994 Stock Option Plan and 1999 Equity Incentive Plan generally with an exercise price greater than \$40.00 per share (the "Eligible Options"), for a lesser number of options (the "New Options") to be granted at least six months and one day after the cancellation of the Eligible Options (the "Option Exchange Program"). The Option Exchange Program is open to all of Adobe's eligible employees and the employees of Adobe's participating subsidiaries. Members of Adobe's Board and Adobe's executive officers will not be eligible to participate. The New Options will have an exercise price per share equal to the closing price of Adobe's common stock as reported on the Nasdaq National Market on the date the New Options are granted. The ratio of exchanged options to New Options will vary from 1 to 1 to 2 to 1.

The Proxy Materials do not constitute an offer to holders of options to purchase Adobe common stock to exchange their options. In the event Adobe's stockholders approve the Option Exchange Program, the Option Exchange Program may be commenced at such time as determined in the discretion of Adobe's Board of Directors, which may choose not to implement the Option Exchange Program.

At the time the Option Exchange Program has commenced, Adobe will provide option holders who are eligible to participate in the exchange with written materials explaining the precise terms and timing of the Option Exchange Program. Persons who are eligible to participate in the Option Exchange Program should read these written materials carefully when they become available because they will contain important information about the Option Exchange Program. Adobe will also file these written materials with the Securities and Exchange Commission as part of a tender offer statement upon the commencement of the Option Exchange Program. Adobe stockholders and option holders will be able to obtain these written materials and other documents filed by Adobe with the Securities and Exchange Commission free of charge from the Securities and Exchange Commission's website at www.sec.gov.
