Interest on this bond will accrue during the same periods as interest accrues from time to time on the Senior Notes of Salem Series 2004A.

(FORM OF BOND)
(REVERSE)

This bond is one of an issue of bonds of the Company, issuable in series, and is one of a series known as its "First Mortgage Bonds, Salem Collateral Series 2004A due June 1, 2029" (hereinafter called "Collateral Bonds of Salem Series 2004A"), all bonds of all series issued and to be issued under and equally secured (except insofar as any sinking fund, established in accordance with the provisions of the Mortgage hereinafter mentioned, may afford additional security for the bonds of any particular series) by a Mortgage and Deed of Trust (herein, together with any indentures supplemental thereto, called the Mortgage), dated January 15, 1937, executed by the Company to THE BANK OF NEW YORK, as Trustee, to which Mortgage reference is made for a description of the property mortgaged and pledged, the nature and extent of the security, the rights of the holders of the bonds in respect thereof, the duties and immunities of the Trustee, and the terms and conditions upon which the bonds are secured. With the consent of the Company and to the extent permitted by and as provided in the Mortgage, the rights and obligations of the Company and/or of the holders of the bonds and/or coupons and/or the terms and provisions of the Mortgage and/or of any instruments supplemental thereto may be modified or altered by affirmative vote of the holders of at least seventy-five per centum (75%) in principal amount of the bonds affected by such modification or alteration then outstanding under the Mortgage (excluding bonds disqualified from voting by reason of the Company's interest therein as provided in the Mortgage); provided that no such modification or alteration shall permit the extension of the maturity of the principal of this bond or the reduction in the rate of interest hereon or any other modification in the terms of payment of such principal or interest without the consent of the holder hereof.

Upon any payment or deemed payment of the principal of, premium, if any, and interest on all or any portion of the Senior Notes of Salem Series 2004A (and to the extent of such payment or deemed payment), whether at maturity or prior to maturity by redemption, upon acceleration or otherwise, or upon provision for the payment thereof having been made in accordance with Section 702 of the Senior Note Indenture, the obligation of the Company to make the corresponding payment of principal, premium, if any, or interest on the Collateral Bonds of

Salem Series 2004A shall be deemed to be satisfied and discharged. The Trustee may at any time and all times conclusively presume that the obligation of the Company to make payments with respect to the principal of, premium, if any, and interest on the Collateral Bonds of Salem Series 2004A, insofar as such payments at the time have become due, has been fully satisfied and discharged pursuant to the foregoing sentence unless and until the Trustee shall have received a written notice from the Senior Note Trustee signed by one of its officers (i) stating that timely payment of principal of or premium or interest on, the Senior Notes of Salem Series 2004A has not been so made or deemed made and (ii) providing the details of such nonpayment.

This bond is redeemable (i) on such dates, in such principal amounts and at the redemption prices as the corresponding Senior Notes of Salem Series 2004A and (ii) upon written demand of the Senior Note Trustee following the occurrence of an Event of Default under the Senior Note Indenture and the acceleration of the corresponding Senior Notes of Salem Series 2004A as provided in Section 802(a) or 802(b) of the Senior Note Indenture.

As provided in Section 1308 of the Senior Note Indenture, from and after the Release Date (as defined in the Senior Note Indenture), the obligation of the Company with respect to this bond shall be deemed to be satisfied and discharged, this bond shall cease to secure in any manner the Senior Notes of Salem Series 2004A or any other senior notes outstanding under the Senior Note Indenture and, pursuant to Section 1308 of the Senior Note Indenture, the Senior Note Trustee shall forthwith deliver this bond to the Company or the Trustee (as directed by Company Order (as defined in the Senior Note Indenture)).

The principal hereof may be declared or may become due prior to the express date of the maturity hereof on the conditions, in the manner and at the time set forth in the Mortgage, upon the occurrence of a completed default as in the Mortgage provided.

The Collateral Bonds of Salem Series 2004A are issuable only as registered bonds without coupons in denominations of \$1,000 and authorized multiples thereof. This bond shall not be assignable or transferable except as permitted or required by Section 1307 of the Senior Note Indenture.

The Company and the Trustee may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment of or on account of principal or (subject to the provisions of the Mortgage) interest hereon and for all other purposes and the Company and the Trustee shall not be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or interest on this bond against any incorporator or any past, present or future subscriber to the capital stock, shareholder, officer or director, as such, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, under any rule of law, statute or constitution or by the enforcement of any assessment or otherwise, all such liability of incorporators, subscribers, shareholders, officers and directors, as such, being released by the holder or owner hereof by the acceptance of this bond and being likewise waived and released by the terms of the Mortgage.

(END OF FORM OF COLLATERAL BONDS OF SALEM SERIES 2004A)

AND WHEREAS, the Company has determined to issue under and pursuant to the Senior Note Indenture a series of Senior Notes in the principal amount of \$25,000,000, to be known as the Senior Notes, Cape May Series 2004A due November 1, 2029 (hereinafter called "Senior Notes of Cape May Series 2004A"); and

WHEREAS, pursuant to Article Thirteen of the Senior Note Indenture, the Company wishes to issue to the Senior Note Trustee, as security for the Senior Notes of Cape May Series 2004A, a new series of bonds under the Original Indenture (i) that have an aggregate principal amount equal to the principal amount of the Senior Notes of Cape May Series 2004A, (ii) that have a stated maturity date that is the same as the stated maturity of the Senior Notes of Cape May Series 2004A, (iii) that bear interest at a rate equal to the interest rate borne by the Senior Notes of Cape May Series 2004A, (iv) that have interest payment dates that are the same as the interest payment dates of the Senior Notes of Cape May Series 2004A, (v) that contain the same redemption provisions as the Senior Notes of Cape May Series 2004A and (vi) that in all other material respects conform as nearly as is practicable to the terms of the Senior Notes of Cape May Series 2004A; and

WHEREAS, for such foregoing purposes the Company, by appropriate corporate action in conformity with the terms of the Original Indenture, has duly determined to create a new series of bonds under the Original Indenture to be entitled and designated as "First Mortgage Bonds, Cape May Collateral Series 2004A due November 1, 2029" (herein sometimes referred to as the "collateral bonds of the Cape May Series 2004A"); and

Interest on this bond will accrue during the same periods as interest accrues from time to time on the Senior Notes of Cape May Series 2004B.

(FORM OF BOND)
(REVERSE)

This bond is one of an issue of bonds of the Company, issuable in series, and is one of a series known as its "First Mortgage Bonds, Cape May Collateral Series 2004B due November 1, 2029" (hereinafter called "Collateral Bonds of Cape May Series 2004B"), all bonds of all series issued and to be issued under and equally secured (except insofar as any sinking fund, established in accordance with the provisions of the Mortgage hereinafter mentioned, may afford additional security for the bonds of any particular series) by a Mortgage and Deed of Trust (herein, together with any indentures supplemental thereto, called the Mortgage), dated January 15, 1937, executed by the Company to THE BANK OF NEW YORK, as Trustee, to which Mortgage reference is made for a description of the property mortgaged and pledged, the nature and extent of the security, the rights of the holders of the bonds in respect thereof, the duties and immunities of the Trustee, and the terms and conditions upon which the bonds are secured. With the consent of the Company and to the extent permitted by and as provided in the Mortgage, the rights and obligations of the Company and/or of the holders of the bonds and/or coupons and/or the terms and provisions of the Mortgage and/or of any instruments supplemental thereto may be modified or altered by affirmative vote of the holders of at least seventy-five per centum (75%) in principal amount of the bonds affected by such modification or alteration then outstanding under the Mortgage (excluding bonds disqualified from voting by reason of the Company's interest therein as provided in the Mortgage); provided that no such modification or alteration shall permit the extension of the maturity of the principal of this bond or the reduction in the rate of interest hereon or any other modification in the terms of payment of such principal or interest without the consent of the holder hereof.

Upon any payment or deemed payment of the principal of, premium, if any, and interest on all or any portion of the Senior Notes of Cape May Series 2004B (and to the extent of such payment or deemed payment), whether at maturity or prior to maturity by redemption, upon acceleration or otherwise, or upon provision for the payment thereof having been made in accordance with Section 702 of the Senior Note Indenture, the obligation of the Company to make the corresponding payment of principal, premium, if any, or interest on the Collateral Bonds of

Cape May Series 2004B shall be deemed to be satisfied and discharged. The Trustee may at any time and all times conclusively presume that the obligation of the Company to make payments with respect to the principal of, premium, if any, and interest on the Collateral Bonds of Cape May Series 2004B, insofar as such payments at the time have become due, has been fully satisfied and discharged pursuant to the foregoing sentence unless and until the Trustee shall have received a written notice from the Senior Note Trustee signed by one of its officers (i) stating that timely payment of principal of or premium or interest on, the Senior Notes of Cape May Series 2004B has not been so made or deemed made and (ii) providing the details of such nonpayment.

This bond is redeemable (i) on such dates, in such principal amounts and at the redemption prices as the corresponding Senior Notes of Cape May Series 2004B and (ii) upon written demand of the Senior Note Trustee following the occurrence of an Event of Default under the Senior Note Indenture and the acceleration of the corresponding Senior Notes of Cape May Series 2004B as provided in Section 802(a) or 802(b) of the Senior Note Indenture.

As provided in Section 1308 of the Senior Note Indenture, from and after the Release Date (as defined in the Senior Note Indenture), the obligation of the Company with respect to this bond shall be deemed to be satisfied and discharged, this bond shall cease to secure in any manner the Senior Notes of Cape May Series 2004B or any other senior notes outstanding under the Senior Note Indenture and, pursuant to Section 1308 of the Senior Note Indenture, the Senior Note Trustee shall forthwith deliver this bond to the Company or the Trustee (as directed by Company Order (as defined in the Senior Note Indenture)).

The principal hereof may be declared or may become due prior to the express date of the maturity hereof on the conditions, in the manner and at the time set forth in the Mortgage, upon the occurrence of a completed default as in the Mortgage provided.

The Collateral Bonds of Cape May Series 2004B are issuable only as registered bonds without coupons in denominations of \$1,000 and authorized multiples thereof. This bond shall not be assignable or transferable except as permitted or required by Section 1307 of the Senior Note Indenture.

The Company and the Trustee may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment of or on account of principal or (subject to the provisions of the Mortgage) interest hereon and for all other purposes and the Company and the Trustee shall not be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or interest on this bond against any incorporator or any past, present or future subscriber to the capital stock, shareholder, officer or director, as such, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, under any rule of law, statute or constitution or by the enforcement of any assessment or otherwise, all such liability of incorporators, subscribers, shareholders, officers and directors, as such, being released by the holder or owner hereof by the acceptance of this bond and being likewise waived and released by the terms of the Mortgage.

IN TRUST NEVERTHELESS, upon the terms and trusts in the Original Indenture and in this August 2004 Supplemental Indenture set forth for the benefit and security of those who shall hold the bonds and coupons issued and to be issued hereunder and under the Original Indenture, or any of them, in accordance with the terms of the Original Indenture and of this August 2004 Supplemental Indenture, without preference, priority or distinction as to lien of any of said bonds or coupons over any others thereof by reason of priority in the time of the issue or negotiation thereof, or otherwise howsoever, subject, however, to the conditions, provisions and covenants set forth in the Original Indenture and in this August 2004 Supplemental Indenture.

AND THIS INDENTURE FURTHER WITNESSETH:

That in further consideration of the premises and for the considerations aforesaid, the Company, for itself and its successors and assigns, hereby covenants and agrees to and with the Trustee, and its successor or successors in such trust, as follows:

Section 1. The Company hereby creates a forty-ninth series of bonds to be issued under and secured by the Original Indenture and this August 2004 Supplemental Indenture, to be designated and to be distinguished from the bonds of all other series by the titles "First Mortgage Bonds, Salem Collateral Series 2004A due June 1, 2029".

The collateral bonds of the Salem Series 2004A shall mature on June 1, 2029 and shall be issued in temporary or definitive form, only as fully registered bonds, without coupons, in denominations of \$1,000 and any multiple or multiples of \$1,000 authorized by the Company; they shall bear interest at the rate from time to time borne by the corresponding Senior Notes of Salem Series 2004A and shall be payable at the times when said Senior Notes of Salem Series 2004A are payable; and the principal of, premium, if any, and interest on each said bond shall be

payable at the office or agency of the Company, in the Borough of Manhattan, The City of New York, in lawful money of the United States of America.

Each collateral bond of the Salem Series 2004A is to be issued to and registered in the name of the Senior Note Trustee, to be owned and held by the Senior Note Trustee under the terms of the Senior Note Indenture for the benefit of the holders of the Senior Notes of Salem Series 2004A in order to secure the Company's obligations under such Senior Notes. The collateral bonds of the Salem Series 2004A shall not be assignable or transferable except as permitted or required by Section 1307 of the Senior Note Indenture.

Upon any payment or deemed payment of the principal of, premium, if any, and interest on all or any portion of the Senior Notes of Salem Series 2004A (and to the extent of such payment or deemed payment), whether at maturity or prior to maturity by redemption, upon acceleration or otherwise, or upon provision for the payment thereof having been made in accordance with Section 702 of the Senior Note Indenture, the obligation of the Company to make the corresponding payment of principal, premium, if any, or interest on the collateral bonds of the Salem Series 2004A shall be deemed to be satisfied and discharged. The Trustee may at any time and all times conclusively presume that the obligation of the Company to make payments with respect to the principal of, premium, if any, and interest on the collateral bonds of the Salem Series 2004A, so far as such payments at the time have become due, has been fully satisfied and discharged pursuant to the foregoing sentence unless and until the Trustee shall have received a written notice from the Senior Note Trustee signed by one of its officers (i) stating that timely payment of principal of or premium or interest on, the Senior Notes of Salem Series 2004A has not been so made and (ii) providing the details of such nonpayment.

Every collateral bond of the Salem Series 2004A shall be dated as provided in Section 10 of the Original Indenture.

The collateral bonds of the Salem Series 2004A shall be redeemed on the respective dates, in the respective principal amounts and for the respective redemption prices that correspond to the redemption dates for, the principal amounts to be redeemed of, and the redemption prices for, the corresponding Senior Notes of Salem Series 2004A. Otherwise, the collateral bonds of the Salem Series 2004A shall not be redeemable except as set forth in the following paragraph. In the event the Company redeems or delivers to the Senior Note Trustee for cancellation any Senior Notes of Salem Series 2004A prior to maturity in accordance with the provisions of the Senior Note Indenture, collateral bonds of the Salem Series 2004A in principal amounts corresponding to the Senior Notes of Salem Series 2004A so redeemed or cancelled shall be deemed to have been redeemed and the Senior Note Trustee is required to deliver to the Trustee for cancellation such collateral bonds of the Salem Series 2004A so redeemed, as provided in Section 1308 of the Senior Note Indenture. The Company agrees to give the Trustee notice of any such redemption or cancellation of any of the Senior Notes of Salem Series 2004A on or before the date fixed for any such redemption or cancellation. The Senior Note Trustee, as holder of all collateral bonds of the Salem Series 2004A then outstanding, shall be deemed to have waived notice of any such redemption of such collateral bonds of the Salem Series 2004A.

Upon the occurrence of an Event of Default under the Senior Note Indenture and the acceleration of any of the Senior Notes of Salem Series 2004A pursuant to Section 802(a) or 802(b) thereof, the Company shall redeem the corresponding collateral bonds of the Salem Series

2004A in whole upon receipt by the Company of a written demand (hereinafter called a "Salem Series 2004A Redemption Demand") from the Senior Note Trustee stating that there has occurred under the Senior Note Indenture both an Event of Default and a declaration of acceleration of payment of principal, accrued interest and premium, if any, on the Senior Notes of Salem Series 2004A pursuant to Section 802(a) or 802(b) thereof, specifying the last date to which interest on such senior notes has been paid (such date being hereinafter referred to as the "Salem Series 2004A Interest Accrual Date") and demanding redemption of the corresponding collateral bonds of the Salem Series 2004A. Each Salem Series 2004A Redemption Demand also shall constitute a waiver by the Senior Note Trustee, as holder of all collateral bonds of the Salem Series 2004A then outstanding, of notice of redemption of the collateral bonds of the Salem Series 2004A. The Company waives any right it may have to prior notice of such redemption under the Original Indenture. Upon presentation of the collateral bonds of the Salem Series 2004A by the Senior Note Trustee to the Trustee, the collateral bonds of Salem Series 2004A shall be redeemed immediately at a redemption price equal to the principal amount thereof plus accrued interest thereon from the Salem Series 2004A Interest Accrual Date to the date of the Salem Series 2004A Redemption Demand; provided, however, that in the event of a rescission of acceleration of any of the Senior Notes of Salem Series 2004A pursuant to Section 802(e) of the Senior Note Indenture, then any Salem Series 2004A Redemption Demand shall thereby be deemed to be rescinded by the Senior Note Trustee; but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

As provided in Section 1303 of the Senior Note Indenture, from and after the Release Date (as defined in the Senior Note Indenture), the obligations of the Company with respect to the collateral bonds of the Salem Series 2004A shall be deemed to be satisfied and discharged, such collateral bonds of the Salem Series 2004A shall cease to secure in any manner the Senior Notes of Salem Series 2004A or any other senior notes outstanding under the Senior Note Indenture, and, pursuant to Section 1308 of the Senior Note Indenture, the Senior Note Trustee shall forthwith deliver the collateral bonds of the Salem Series 2004A to the Company or the Trustee (as directed by Company Order (as defined in the Senior Note Indenture)).

Section 2. The Company hereby creates a fiftieth series of bonds to be issued under and secured by the Original Indenture and this August 2004 Supplemental Indenture, to be designated and to be distinguished from the bonds of all other series by the titles "First Mortgage Bonds, Cape May Collateral Series 2004A due November 1, 2029".

The collateral bonds of the Cape May Series 2004A shall mature on November 1, 2029 and shall be issued in temporary or definitive form, only as fully registered bonds, without coupons, in denominations of \$1,000 and any multiple or multiples of \$1,000 authorized by the Company; they shall bear interest at the rate from time to time borne by the corresponding Senior Notes of Cape May Series 2004A and shall be payable at the times when said Senior Notes of Cape May Series 2004A are payable; and the principal of, premium, if any, and interest on each said bond shall be payable at the office or agency of the Company, in the Borough of Manhattan, The City of New York, in lawful money of the United States of America. Each collateral bond of the Cape May Series 2004A is to be issued to and registered in the name of the Senior Note Trustee, to be owned and held by the Senior Note Trustee under the terms of the Senior Note Indenture for the benefit of the holders of the Senior Notes of Cape May Series 2004A in order to secure the Company's obligations under such Senior Notes. The collateral bonds of the Cape May

Series 2004A shall not be assignable or transferable except as permitted or required by Section 1307 of the Senior Note Indenture.

Upon any payment or deemed payment of the principal of, premium, if any, and interest on all or any portion of the Senior Notes of Cape May Series 2004A (and to the extent of such payment or deemed payment), whether at maturity or prior to maturity by redemption, upon acceleration or otherwise, or upon provision for the payment thereof having been made in accordance with Section 702 of the Senior Note Indenture, the obligation of the Company to make the corresponding payment of principal, premium, if any, or interest on the collateral bonds of the Cape May Series 2004A shall be deemed to be satisfied and discharged. The Trustee may at any time and all times conclusively presume that the obligation of the Company to make payments with respect to the principal of, premium, if any, and interest on the collateral bonds of the Cape May Series 2004A, so far as such payments at the time have become due, has been fully satisfied and discharged pursuant to the foregoing sentence unless and until the Trustee shall have received a written notice from the Senior Note Trustee signed by one of its officers (i) stating that timely payment of principal of or premium or interest on, the Senior Notes of Cape May Series 2004A has not been so made and (ii) providing the details of such nonpayment.

Every collateral bond of the Cape May Series 2004A shall be dated as provided in Section 10 of the Original Indenture.

The collateral bonds of the Cape May Series 2004A shall be redeemed on the respective dates, in the respective principal amounts and for the respective redemption prices that correspond to the redemption dates for, the principal amounts to be redeemed of, and the redemption prices for, the corresponding Senior Notes of Cape May Series 2004A. Otherwise, the collateral bonds of the Cape May Series 2004A shall not be redeemable except as set forth in the following paragraph. In the event the Company redeems or delivers to the Senior Note Trustee for cancellation any Senior Notes of Cape May Series 2004A prior to maturity in accordance with the provisions of the Senior Note Indenture, collateral bonds of the Cape May Series 2004A in principal amounts corresponding to the Senior Notes of Cape May Series 2004A so redeemed or cancelled shall be deemed to have been redeemed and the Senior Note Trustee is required to deliver to the Trustee for cancellation such collateral bonds of the Cape May Series 2004A so redeemed, as provided in Section 1308 of the Senior Note Indenture. The Company agrees to give the Trustee notice of any such redemption or cancellation of any of the Senior Notes of Cape May Series 2004A on or before the date fixed for any such redemption or cancellation. The Senior Note Trustee, as holder of all collateral bonds of the Cape May Series 2004A then outstanding, shall be deemed to have waived notice of any such redemption of such collateral bonds of the Cape May Series 2004A.

Upon the occurrence of an Event of Default under the Senior Note Indenture and the acceleration of any of the Senior Notes of Cape May Series 2004A pursuant to Section 802(a) or 802(b) thereof, the Company shall redeem the corresponding collateral bonds of the Cape May Series 2004A in whole upon receipt by the Company of a written demand (hereinafter called a "Cape May Series 2004A Redemption Demand") from the Senior Note Trustee stating that there has occurred under the Senior Note Indenture both an Event of Default and a declaration of acceleration of payment of principal, accrued interest and premium, if any, on the Senior Notes of Cape May Series 2004A pursuant to Section 802(a) or 802(b) thereof, specifying the last date to which interest on such senior notes has been paid (such date being hereinafter referred to as the

“Cape May Series 2004A Interest Accrual Date”) and demanding redemption of the corresponding collateral bonds of the Cape May Series 2004A. Each Cape May Series 2004A Redemption Demand also shall constitute a waiver by the Senior Note Trustee, as holder of all collateral bonds of the Cape May Series 2004A then outstanding, of notice of redemption of the collateral bonds of the Cape May Series 2004A. The Company waives any right it may have to prior notice of such redemption under the Original Indenture. Upon presentation of the collateral bonds of the Cape May Series 2004A by the Senior Note Trustee to the Trustee, the collateral bonds of Cape May Series 2004A shall be redeemed immediately at a redemption price equal to the principal amount thereof plus accrued interest thereon from the Cape May Series 2004A Interest Accrual Date to the date of the Cape May Series 2004A Redemption Demand; provided, however, that in the event of a rescission or acceleration of any of the Senior Notes of Cape May Series 2004A pursuant to Section 802(e) of the Senior Note Indenture, then any Cape May Series 2004A Redemption Demand shall thereby be deemed to be rescinded by the Senior Note Trustee; but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

As provided in Section 1303 of the Senior Note Indenture, from and after the Release Date (as defined in the Senior Note Indenture), the obligations of the Company with respect to the collateral bonds of the Cape May Series 2004A shall be deemed to be satisfied and discharged, such collateral bonds of the Cape May Series 2004A shall cease to secure in any manner the Senior Notes of Cape May Series 2004A or any other senior notes outstanding under the Senior Note Indenture, and, pursuant to Section 1308 of the Senior Note Indenture, the Senior Note Trustee shall forthwith deliver the collateral bonds of the Cape May Series 2004A to the Company or the Trustee (as directed by Company Order (as defined in the Senior Note Indenture)).

Section 3. The Company hereby creates a fifty-first series of bonds to be issued under and secured by the Original Indenture and this August 2004 Supplemental Indenture, to be designated and to be distinguished from the bonds of all other series by the titles “First Mortgage Bonds, Cape May Collateral Series 2004B due November 1, 2029”.

The collateral bonds of the Cape May Series 2004B shall mature on November 1, 2029 and shall be issued in temporary or definitive form, only as fully registered bonds, without coupons, in denominations of \$1,000 and any multiple or multiples of \$1,000 authorized by the Company; they shall bear interest at the rate from time to time borne by the corresponding Senior Notes of Cape May Series 2004B and shall be payable at the times when said Senior Notes of Cape May Series 2004B are payable; and the principal of, premium, if any, and interest on each said bond shall be payable at the office or agency of the Company, in the Borough of Manhattan, The City of New York, in lawful money of the United States of America. Each collateral bond of the Cape May Series 2004B is to be issued to and registered in the name of the Senior Note Trustee, to be owned and held by the Senior Note Trustee under the terms of the Senior Note Indenture for the benefit of the holders of the Senior Notes of Cape May Series 2004B in order to secure the Company’s obligations under such Senior Notes. The collateral bonds of the Cape May Series 2004B shall not be assignable or transferable except as permitted or required by Section 1307 of the Senior Note Indenture.

Upon any payment or deemed payment of the principal of, premium, if any, and interest on all or any portion of the Senior Notes of Cape May Series 2004B (and to the extent of such payment or deemed payment), whether at maturity or prior to maturity by redemption, upon

acceleration or otherwise, or upon provision for the payment thereof having been made in accordance with Section 702 of the Senior Note Indenture, the obligation of the Company to make the corresponding payment of principal, premium, if any, or interest on the collateral bonds of the Cape May Series 2004B shall be deemed to be satisfied and discharged. The Trustee may at any time and all times conclusively presume that the obligation of the Company to make payments with respect to the principal of, premium, if any, and interest on the collateral bonds of the Cape May Series 2004B, so far as such payments at the time have become due, has been fully satisfied and discharged pursuant to the foregoing sentence unless and until the Trustee shall have received a written notice from the Senior Note Trustee signed by one of its officers (i) stating that timely payment of principal of or premium or interest on, the Senior Notes of Cape May Series 2004B has not been so made and (ii) providing the details of such nonpayment.

Every collateral bond of the Cape May Series 2004B shall be dated as provided in Section 10 of the Original Indenture.

The collateral bonds of the Cape May Series 2004B shall be redeemed on the respective dates, in the respective principal amounts and for the respective redemption prices that correspond to the redemption dates for, the principal amounts to be redeemed of, and the redemption prices for, the corresponding Senior Notes of Cape May Series 2004B. Otherwise, the collateral bonds of the Cape May Series 2004B shall not be redeemable except as set forth in the following paragraph. In the event the Company redeems or delivers to the Senior Note Trustee for cancellation any Senior Notes of Cape May Series 2004B prior to maturity in accordance with the provisions of the Senior Note Indenture, collateral bonds of the Cape May Series 2004B in principal amounts corresponding to the Senior Notes of Cape May Series 2004B so redeemed or cancelled shall be deemed to have been redeemed and the Senior Note Trustee is required to deliver to the Trustee for cancellation such collateral bonds of the Cape May Series 2004B so redeemed, as provided in Section 1308 of the Senior Note Indenture. The Company agrees to give the Trustee notice of any such redemption or cancellation of any of the Senior Notes of Cape May Series 2004B on or before the date fixed for any such redemption or cancellation. The Senior Note Trustee, as holder of all collateral bonds of the Cape May Series 2004B then outstanding, shall be deemed to have waived notice of any such redemption of such collateral bonds of the Cape May Series 2004B.

Upon the occurrence of an Event of Default under the Senior Note Indenture and the acceleration of any of the Senior Notes of Cape May Series 2004B pursuant to Section 802(a) or 802(b) thereof, the Company shall redeem the corresponding collateral bonds of the Cape May Series 2004B in whole upon receipt by the Company of a written demand (hereinafter called a "Cape May Series 2004B Redemption Demand") from the Senior Note Trustee stating that there has occurred under the Senior Note Indenture both an Event of Default and a declaration of acceleration of payment of principal, accrued interest and premium, if any, on the Senior Notes of Cape May Series 2004B pursuant to Section 802(a) or 802(b) thereof, specifying the last date to which interest on such senior notes has been paid (such date being hereinafter referred to as the "Cape May Series 2004B Interest Accrual Date") and demanding redemption of the corresponding collateral bonds of the Cape May Series 2004B. Each Cape May Series 2004B Redemption Demand also shall constitute a waiver by the Senior Note Trustee, as holder of all collateral bonds of the Cape May Series 2004B then outstanding, of notice of redemption of the collateral bonds of the Cape May Series 2004B. The Company waives any right it may have to prior notice of such redemption under the Original Indenture. Upon presentation of the collateral bonds of the Cape

May Series 2004B by the Senior Note Trustee to the Trustee, the collateral bonds of Cape May Series 2004B shall be redeemed immediately at a redemption price equal to the principal amount thereof plus accrued interest thereon from the Cape May Series 2004B Interest Accrual Date to the date of the Cape May Series 2004B Redemption Demand; provided, however, that in the event of a rescission of acceleration of any of the Senior Notes of Cape May Series 2004B pursuant to Section 802(e) of the Senior Note Indenture, then any Cape May Series 2004B Redemption Demand shall thereby be deemed to be rescinded by the Senior Note Trustee; but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

As provided in Section 1303 of the Senior Note Indenture, from and after the Release Date (as defined in the Senior Note Indenture), the obligations of the Company with respect to the collateral bonds of the Cape May Series 2004B shall be deemed to be satisfied and discharged, such collateral bonds of the Cape May Series 2004B shall cease to secure in any manner the Senior Notes of Cape May Series 2004B or any other senior notes outstanding under the Senior Note Indenture, and, pursuant to Section 1308 of the Senior Note Indenture, the Senior Note Trustee shall forthwith deliver the collateral bonds of the Cape May Series 2004B to the Company or the Trustee (as directed by Company Order (as defined in the Senior Note Indenture)).

be construed as approval by said Board of any other act, matter or thing which requires the approval of said Board under the laws of the State of New Jersey; nor shall said approval bind said Board or any other public body or authority of the State of New Jersey having jurisdiction in the premises in any future application for the issue of bonds under the Original Indenture or any indenture supplemental thereto or otherwise.

SECTION 6. As supplemented by this August 2004 Supplemental Indenture, the Original Indenture is in all respects ratified and confirmed and the Original Indenture and this August 2004 Supplemental Indenture shall be read, taken and construed as one and the same instrument.
