## What are the mechanics of voting my shares?

In order to understand the mechanics of voting your shares pursuant to a proxy filed with the Securities and Exchange Commission or provided on this website, please answer two questions:

**Is the Proxy Statement labeled "Preliminary" or "Definitive"?** If the Proxy Statement is labeled "Preliminary", you cannot vote yet. You may only vote when a Proxy Statement is labeled "Definitive." When a Proxy Statement is labeled "Definitive", it will be available for download on this website along with the Proxy Card referenced by the Proxy Statement.

**Are you a "Beneficial Shareholder" or a "Shareholder of Record"?** If you used a brokerage firm to purchase shares of stock, you are likely a Beneficial Shareholder, which means your shares are held in "street name" and your broker is responsible for providing you with means to inform them of your voting preferences. Under these circumstances, you may either vote using the instructions provided to you by your brokerage firm, or by using the Proxy Card available on this website.

If you are a Shareholder of Record, the only means you have of making your vote count using the Proxy Card referenced by the Proxy Statement is to download the Proxy Card and return it using the instructions contained in the Proxy Statement. If you are a Shareholder of Record and no Proxy Card is currently available for download, please use the form in the Contact Us section above to have a Proxy Card sent to you once the Proxy Statement is made Definitive.
