Dear Mr. Williams:

We have reviewed your filing and have the following comments. We have limited our review to your financial statements and related disclosures and do not intend to expand our review to other portions of your document. Please be as detailed as necessary in your explanations. Where indicated, we think you should revise your disclosures in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Form 10-K for the Fiscal Year ended April 30, 2006

Management's Discussion and Analysis of Financial Condition and Results of Operations, page 20

Contractual Obligations, page 27

1. Please revise your tabular disclosure of contractual obligations in future filings to include estimated interest payments on your debt. Since the table is aimed at increasing transparency of cash flow, we believe these payments should be included in the table. A footnote to the table should provide appropriate disclosures regarding how you estimated the interest payments. If you choose not to include these payments, a footnote to the table should clearly identify the excluded item and provide any additional information that is material to an understanding of your cash requirements. See Item 303(a)(5) of Regulation S-K and footnote 46 to SEC Release No. 33-8350.

Consolidated Balance Sheets, page 33

2. We noted from your disclosure at page 39 that you include goodwill in the "Prepaid expenses and other assets" line item of your balance sheet. In future filings, please present goodwill as a separate line item. Refer to paragraph 43 of SFAS 142.
3. We note that the equity section of your April 30, 2006 balance sheet does not sum correctly. In addition, we note that your additional paid-in capital balances as of April 30, 2006 and 2005 do not agree to the amounts presented in your consolidated statement of stockholders' equity for the corresponding year end dates. Please correct these amounts as appropriate in future filings.

Consolidated Statements of Cash Flows, page 35

4. We note that you present the proceeds from and repayments of your revolving credit facility on a net basis. It does not appear from your disclosure at page 44 that the turnover of your revolving credit facility is quick. Therefore, please revise your statements of cash flows to present these amounts on a gross basis. Please refer to paragraph 13 of SFAS 95. Also, please revise your statements of cash flows to include cash overdrafts in the financing activities section.

5. Please tell us the basis for your statement that the fair value of repossessed vehicles approximates wholesale value considering that your retail outlets allow you to offer repossessed vehicles at retail prices.

Exhibit 31.1 and 31.2

6. We note the identification of the certifying individuals at the beginning of the certifications required by Exchange Act Rule 13a-14(a) also includes the titles of the certifying individuals. In future filings, the identification of the certifying individuals at the beginning of the certification should be revised so as not to include the individuals' titles.

Form 10-Q for the Fiscal Quarter Ended January 31, 2007

Consolidated Statements of Cash Flows, page 4

7. We note from your presentation and from your disclosure at page 7 that you reported \$127,000 of excess tax benefits related to your equity instruments in the financing activities section of your statements of cash flows. Note that you should also report this amount as a reconciling item in the operating activities section. Please revise your statements of cash flows accordingly. Refer to paragraph 23(c) of SFAS 95 and paragraph 68 of SFAS 123(R).
