Report of Independent Registered Public Accounting Firm

To the Board of Directors
Taylor Securities, Inc.
Brentwood, Tennessee

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Taylor Securities, Inc. (the "Company") as of September 30, 2019, the related statements of income, changes in stockholders' equity, and cash flows for the year then ended, and the related notes and schedules (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of September 30, 2019, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission ("SEC") and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Auditor's Report on Supplemental Information

The supplemental information included in the Computation of Net Capital Under Rule 15c3-1 of the SEC has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

We have served as the Company's auditor since 2018.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2019

NOTE 1 – NATURE OF OPERATIONS

Taylor Securities, Inc. (the "Company") is engaged in the securities business, primarily handling mutual fund and bond trade transactions and providing investment advisory services.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements are presented on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Cash and cash equivalents

The Company considers all highly liquid investments with original maturities of less than three months to be cash equivalents.

Commissions Receivable

The Company considers commissions receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required at September 30, 2019.

Income taxes

The Company has elected to be taxed as an "S" corporation under the Internal Revenue Code. Accordingly, all federal taxable income and losses pass through to the individual stockholders for inclusion in their personal income tax returns, and the Company is only liable for state income taxes.

Temporary differences between the financial statement and income tax (cash method) bases of the Company's assets and liabilities are not significant. Accordingly, deferred state income taxes have not been recognized.

Management performs an evaluation of all income tax positions taken or expected to be taken in the course of preparing the Company's income tax returns to determine whether the income tax positions meet a "more likely than not" standard of being sustained under examination by the applicable taxing authorities. Management has performed its evaluation of all income tax positions taken on all open income tax returns and has determined that there were no positions taken that do not meet the "more likely than not" standard. Accordingly, there are no provisions for income taxes, penalties, or interest receivable or payable relating to uncertain income tax positions in the accompanying financial statements.

TAYLOR SECURITIES, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

SEPTEMBER 30, 2019

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes (Continued)

The Company files income tax returns in the U.S. federal jurisdiction and the State of Tennessee. The Company's U.S. federal income tax returns for years prior to 2016 are no longer open to examination. The State of Tennessee has a statute of limitations of three years from the end of the year in which the return is filed.

Revenue Recognition

Commission income and related expenses from customers' securities transactions are recorded on a trade date basis. The Company provides investment advisory services on a daily basis. Fee arrangements are based on a percentage applied to the customer's assets under management. Fees are received quarterly and are recognized as revenue at that time as they relate specifically to the services provided that period.

Revenue from contract with customers	
Commissions	\$ 569,016
Registered Investment Advisor Fees	<u>1,183,942</u>
Total revenue from contracts with customers	<u>\$1,752,958</u>

Effective October 1, 2018, the Company adopted ASC Topic 606, Revenue from Contracts with Customers ("ASC Topic 606"). The new revenue recognition guidance requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five -step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved. The Company evaluated the new revenue recognition accounting standard and determined that the accounting standard did not require a change in the Company's revenue recognition practices. As a result, the Company was not required to record an accounting transition adjustment as of October 1, 2018.

TAYLOR SECURITIES, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

SEPTEMBER 30, 2019

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Securities transactions

Revenue and related clearing expenses from securities transactions are recorded on the trade date. All of the Company's trading activities are executed through and cleared by Raymond James and Associates, Inc. ("Raymond James") or written subscription agreements between investment companies and investors, with the Company acting as introducing broker dealer.

Registered investment advisor fees

Registered investment advisor fees are recognized as earned on a pro rata basis over the term of the contract.

Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Events occurring after reporting date

The Company has evaluated events and transactions that occurred between September 30, 2019 and November 15, 2019 the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

NOTE 3 - CONCENTRATION OF RISK

The Company maintains cash balances at financial institutions whose accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to statutory limits. The Company's cash balances may at times exceed statutory limits. The Company has not experienced any losses in such accounts and management considers this to be a normal business risk.

The Company also has an account with a broker-dealer that is the custodian of the Company's securities and a portion of its cash and is covered by the Securities Investor Protection Corporation ("SIPC"). SIPC protects each customer's accounts up to \$500,000, limited to \$250,000 on claims for cash. Accounts held by the broker-dealer are also covered through Lloyd's of London. Under this program, cash is covered up to \$1,900,000 and fully paid securities are not subject to any dollar amount limitation. The SIPC and additional protection do not insure against market risk.

TAYLOR SECURITIES, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

SEPTEMBER 30, 2019

NOTE 3 - CONCENTRATION OF RISK (CONTINUED)

There are multiple business risks associated with operating the Company. It trades with a limited number of counter-parties which include institutional money managers, national broker-dealers, regional broker-dealers and inter-dealer brokers. The value of some trades may be very large compared to the Company's capital. A counter-party's failure to pay for or deliver securities may result in significant losses to the Company as a result of changes in market value between the original transaction and the subsequent re-sale or re-purchase of the securities involved. The loss or reduction of trading volume with a counter-party may have a material adverse effect on the Company's business, financial condition, results of operations and/or cash flows.

NOTE 4 - DEPOSIT WITH CLEARING BROKER

In connection with its correspondent clearing agreement with Raymond James, the Company has agreed to maintain a \$25,000 deposit account with Raymond James. The deposit is held in a Raymond James money market fund and is returnable to the Company following termination of the correspondent clearing agreement within thirty days of the closing or the transfer of all of the Company's customers' accounts. Therefore, the deposit has been classified as a current asset, but is non-allowable, for the purpose of net capital computation per current Securities and Exchange Commission ("SEC") rules and regulations.

NOTE 5 - RELATED PARTY TRANSACTIONS

Accounts payable to stockholders for commissions and registered investment advisory fees totaled \$72,572 at September 30, 2019.

Total salaries, bonuses and commissions included in the operating expenses that were paid to stockholders and other related parties amounted to \$878,766 in 2019.

The stockholders of the Company are also stockholders of an affiliate that provides office space, management and administrative services to the Company. In addition to the amounts paid to stockholders and other related parties noted in the preceding paragraph, fees paid by the Company to the affiliate for services rendered amounted to \$773,982 in 2019.

TAYLOR SECURITIES, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

SEPTEMBER 30, 2019

NOTE 6 - CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the Maintenance of minimum net capital of \$50,000 and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The rule of the "applicable" Exchange also provides that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1. At September 30, 2019, the Company had net capital, as defined, of \$111,683, which was \$61,683 in excess of its required net capital of \$50,000. The Company's net capital ratio was .7850 to 1.

Report of Independent Registered Public Accounting Firm

To the Board of Directors
Taylor Securities, Inc.
Brentwood, Tennessee

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Taylor Securities, Inc. (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: ((k)(2)(ii)) (exemption provisions) and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Re: SEC Rule 15c3-3 Exemption Report

Dear Mr. Perniciaro;

Pursuant to new requirements with respect to SEC Rule 17a-5, Taylor Securities, Inc. claims exemption from Rule 15c3-3 under paragraph (k)(2)(ii) of the Rule ("Introduces Accounts and Does Not Hold Customer Funds or Securities") as of and for the year ended September 30, 2019.

Taylor Securities, Inc. met the above-mentioned exemption provisions throughout the year ended September 30, 2019 without exception.

**Report of Independent Registered Public Accounting Firm on
Applying Agreed-Upon Procedures**

To the Board of Directors
Taylor Securities, Inc.
Brentwood, Tennessee

We have performed the procedures included in Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and in the Securities Investor Protection Corporation ("SIPC") Series 600 Rules, which are enumerated below and were agreed to by Taylor Securities, Inc. (the "Company") and the SIPC, solely to assist you and SIPC in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7) for the year ended September 30, 2019. The Company's management is responsible for its Form SIPC-7 and for its compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with standards established by the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the Public Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the Total Revenue amount reported on the Annual Audited Report Form X-17A-5 Part III for the year ended September 30, 2019 with the Total Revenue amount reported in Form SIPC-7 for the year ended September 30, 2019, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences; and
4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences

We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Company's compliance with the applicable instructions of the Form SIPC-7 for the year ended September 30, 2019. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Company and the SIPC and is not intended to be and should not be used by anyone other than these specified parties.
