Second Bancorp is required to report in this Proxy Statement any failure to make the necessary filing as and when due. REPORT OF THE COMPENSATION AND ORGANIZATION COMMITTEE
OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The Compensation and Organization Committee of the Board of Directors (the “Committee”) is a standing committee of Second Bancorp Incorporated and subsidiary Second National Bank (together referred to in this report as the “Company”), and is composed of independent directors John A. Anderson (Committee Chairman), Cloyd J. Abruzzo, David A. Allen, Jr. and R. J. Wean, III. The Committee reviews and approves all senior executive compensation levels with a view toward attracting and retaining qualified, competent executives to lead the Company in pursuit of its business objectives and to enhance long-term shareholder value.

Executive Officer Compensation

The Company’s executive officer compensation program comprises base salaries, cash incentive bonuses and long-term incentives in the form of stock option grants.

Base Salary. Each executive officer’s salary level is reviewed annually based upon performance of functional responsibilities, contribution to corporate strategic goals, experience, and demonstrated capabilities. Measurements of performance may be quantitative and/or qualitative depending upon the content of the job under evaluation.

Cash Incentive Bonus. The Company paid cash bonuses to its chief executive officer and its other executive officers under a formal Performance Incentive Compensation Program (PIC) adopted by the Committee in January 2001. Incentive bonuses paid under the PIC were based primarily on objective criteria tied to Second Bancorp’s consolidated

financial performance (75%) and secondarily on discretionary considerations focusing on the executive's demonstrated capabilities, individual contribution to the Company, and experience (25%). Bonuses payable under the PIC range from 0% to 70% of the executive's year-end base salary with a target bonus of 35%. The objective criteria used for determining bonuses under the PIC in 2001 were, on an adjusted operating basis, (i) actual return on assets and return on equity compared to budget, (ii) the rate of earnings per share growth compared to a select group of high performing peer companies, and (iii) actual efficiency ratio compared to budget. Cash incentive bonuses were paid under the PIC during February 2002 for performance in 2001 to nine individuals including the chief executive officer. The PIC has been re-adopted by the Committee for 2002.

Stock Option Grants. To achieve long-term enhancement of shareholder value, the Company has an incentive program under which non-qualified stock options ("NQSOs") may be granted to employees of the Company, including executive officers. NQSOs are awarded by the Committee under Second Bancorp's 1998 Non-Qualified Stock Option Plan approved by shareholders on May 12, 1998 as amended from time to time (the "Option Plan"). NQSOs are awarded under the Option Plan on dates and at exercise prices determined by the Committee, such price to be no less than the mean of the "bid" and "ask" prices of Second Bancorp's common shares on the grant date. All options granted under the Option Plan to date have been awarded for ten-year terms and are not exercisable until the first anniversary of their grant.

The Option Plan was amended during 2001 by unanimous action of the Board of Directors. The amendment (i) eliminated the 10,000 option per year limitation on awards to individual employee participants in order to give the Committee and the Board greater flexibility to better align the financial interests of executives and shareholders, and (ii) expanded the pool of potential employee participants in the Option Plan to permit the use of options to incent performance throughout the Company.

Options are awarded subjectively with the Committee taking into consideration the same attributes that are considered in setting salaries and determining the discretionary portion of cash incentive bonuses. During 2001, a total of 181,500 options representing a like number of Second Bancorp shares were awarded to executives under the Option Plan.

Chief Executive Officer Compensation

Measurements employed in determining compensation paid to R. L. (Rick) Blossom, the Company's chief executive officer, are generally similar to those applicable to other executive officers, but also include performance in attracting, developing, retaining and motivating key management members critical to the achievement of the Company's short and long-term growth, earnings and strategic goals. Elements of the chief executive officer's compensation thus set by the Committee are reviewed by the remaining outside members of the Board.

The base salary paid Mr. Blossom in 2001 (as indicated in the Executive Compensation Table in this proxy statement) was a direct and indirect reflection of his contribution to the Company's progress and performance during the year and, to a lesser extent, salaries and bonuses paid to chief executive officers of banking institutions similar to the Company in size and market area. The cash bonus paid to Mr. Blossom for 2001 was determined by calculations under the previously described PIC. Those calculations reflect (i) on-budget operating return on assets and operating return on equity 3% better than budget, (ii) a rate of operating earnings per share growth 66% greater than the median of the designated high performing peer group of financial institutions and (iii) on-budget operating efficiency ratio performance.

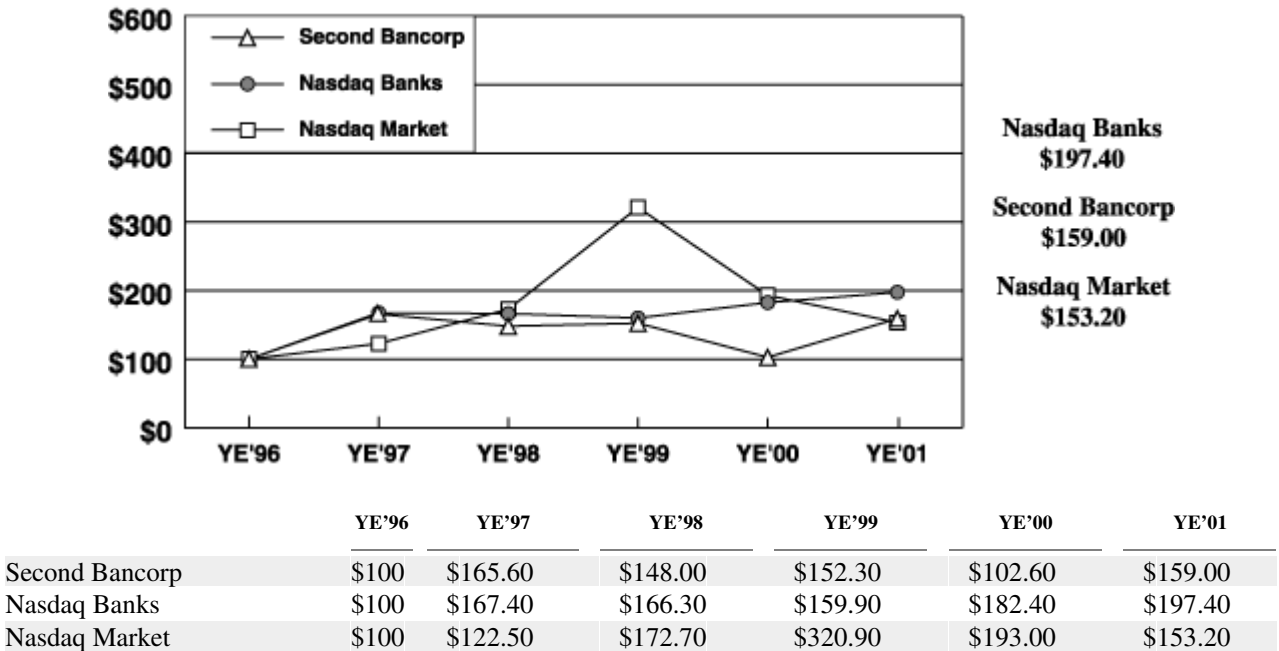

Performance Restricted Shares. Pursuant to the terms of an employment agreement between the Company and Mr. Blossom, the Company will award Mr. Blossom shares of Second Bancorp restricted stock upon the attainment of Company-wide return on asset (ROA) and earnings per share (EPS) goals. The Committee believes this incentive serves to align this key executive's interest with the financial interests of the shareholders by focusing on improvement in indicators of financial performance which tend to have a direct impact on the market value of the Company's stock. The terms of Mr. Blossom's employment and related agreements are more fully discussed in the "Certain Agreements with Executive Officers" section of this proxy statement.

Since stock option grants depend upon increases in the Company’s common stock price to have value to recipients such grants are viewed by the Committee as integral components of Mr. Blossom’s (and other key executives’) compensation arrangement. The methodology employed by the Committee in determining option awards to the Company’s chief executive officer is the same as is used in the granting of options to other executive officers.

Each non-employee director of Second Bancorp received \$5,000 for services as a member of the Board of Directors in 2001 and \$500 for each board or committee meeting attended. Committee chairmen received an additional \$2,500 annual fee for services performed. In addition, each non-employee director participates in the Company's 1998 Non-Qualified Stock Option Plan approved by the shareholders on May 12, 1998 (the "NQSO Plan") as amended from time to time. Under the NQSO Plan, non-employee directors are entitled to receive options to purchase 1,000 shares of Second Bancorp common stock (i) upon initial election or appointment to the Board of Directors, and (ii) on the date of each annual meeting of the Company's shareholders provided, however, that non-employee directors are not eligible to receive more than 1,000 options under the NQSO Plan during any given calendar year. Options granted under the NQSO Plan are for ten-year periods, are not exercisable until the first anniversary date of the grant and are exercisable at a price not less than the mean of the "bid" and "ask" price of the Company's stock on the date the options are awarded. On May 8, 2001 each non-employee director received 1,000 options to purchase Company stock at \$20.185 per share under the NQSO Plan.

The Audit Committee has determined that the provision of these services was compatible with maintaining the principal accountant’s independence.

PENSION PLAN

Second Bancorp has no pension plan but its officers are participants in subsidiary Second National Bank’s plan. Second National’s plan is a defined benefit, non-contributory pension plan for all of its employees and is identified as “The Employees Retirement Plan of The Second National Bank of Warren”. The Pension Plan is fully funded and no company contribution was made thereto during 2001. Retirement benefits under the Pension Plan are based primarily upon years of service and remuneration and take into account, among other things, retirement benefits paid under the Social Security Act. Remuneration, for purposes of the Pension Plan, is the total of salaries, commissions, and bonuses paid during the year to Pension Plan participants. The normal retirement date for the Pension Plan is age 65. No pension benefits were paid to the Named Officers in 2001.

The following table sets forth the estimated annual benefits at normal retirement age pursuant to the provisions of the Pension Plan to persons in specified remuneration and years-of-service classifications:

Final Average Remuneration(1)	Estimated Annual Pension for Representative Years of Credit Service (assuming retirement January 1, 2002)			
	10	20	30	40
\$100,000	\$19,800	\$39,600	\$49,500	\$49,500
125,000	25,100	50,100	62,600	62,600
150,000	30,300	60,600	75,800	75,800
175,000	33,200	66,500	83,100	83,100
200,000	33,200	66,500	83,100	83,100

(1) Estimated annual pension does not change for final average remuneration exceeding \$175,000 regardless of years of credit service.

As of December 31, 2001, officers Blossom, Kellerman, Stanitz, Filarski and Bastic had 2, 20, 9, 2 and 16 years respectively of completed credited service under the Pension Plan.

EMPLOYEES' SAVINGS PLAN

The officers of Second Bancorp are participants in The Employees' Savings Plan of The Second National Bank of Warren. Any employee who has completed 90 days of service to Second National is eligible to participate in the plan commencing the following quarter. The plan provides that any eligible employee may elect a deduction from his/her salary, ranging from 1-15% of compensation per payroll period, the amount of which will be held by the plan trustee for the account of such employee. Under the plan (and subject to Internal Revenue Code limitations on individual participant's contributions to the plan in any given year), Second National will contribute to the plan, on behalf of each participating employee, an amount equal to 75% of the lesser of (i) the participating employee's contribution to the plan, or (ii) 6% of the participating employee's compensation. Participation in the plan is voluntary. Amounts held by the plan trustee for a participating employee may be withdrawn by such employee upon termination of employment with Second National, upon the participant's retirement or in the event of his or her disability. Amounts set aside for a participating employee's benefit through salary deduction will be invested by the plan trustee at the participant's direction in one of thirteen investment vehicles – Federated Prime Obligations Fund, Federated Total Return Bond Fund, Federated Max-Cap Index Fund, Federated Capital Appreciation Fund, Federated Stock Trust Fund, Federated Kaufmann Fund, Federated Growth Strategies Fund, Federated International Equity Fund, Federated Managed Income Portfolio, Federated Managed Conservative Portfolio, Federated Managed Moderate Growth Portfolio, Federated Managed Growth Portfolio and Second Bancorp stock. Second National's portion of the contribution is invested solely in Second Bancorp stock.

CERTAIN AGREEMENTS WITH EXECUTIVE OFFICERS

Chairman, President and Chief Executive Officer R. L. (Rick) Blossom and the Company are parties to an employment agreement dated December 6, 1999 and a deferred compensation agreement. The five-year employment agreement provides for an initial annual base salary of \$400,000, a prorated bonus for 1999 and a guaranteed \$150,000 bonus for calendar year 2000, all subject to subsequent annual review and adjustment as merited. In addition, the agreement provides for (i) a lump sum payment to Mr. Blossom in the amount of \$250,000 in compensation for foregone benefits at his prior employment, (ii) ten-year options to purchase 20,000 shares of Company common stock (10,000 awarded on the date of his employment and 10,000 in 2000) at prevailing market prices on the dates of award, and (iii) an indeterminate number of performance restricted shares of stock to be granted and vest over a five year period. The number of performance restricted shares to be granted Mr. Blossom thereunder will be determined by the attainment of return on asset (ROA) and earnings per share (EPS) goals set out in the agreement. Mr. Blossom's deferred compensation agreement provides him with an additional year of pension credit for every two years of service without regard to the limits placed on executive compensation by the Internal Revenue Code.

Second Bancorp has also entered into management severance agreements with Named Officers Blossom, Kellerman, Stanitz, Filarski, Bastic and four other key executives. Those agreements generally provide certain benefits in the event the executive's employment with the Company is terminated within three years after the date of any change in control of the Company or if the executive resigns within that time frame as a result of a significant reduction in job responsibilities or compensation, or significant relocation of the covered executive's place of employment. Upon any such occurrence, the executive will be entitled to (i) continuation of salary and benefits for 2.99 years at an annual rate equal to the executive's average gross compensation for the previous five years, and (ii) executive job search assistance. These agreements automatically terminate if the executive voluntarily resigns or is discharged for cause.

TRANSACTIONS WITH DIRECTORS AND MANAGEMENT

All directors and officers of Second Bancorp and the companies with which non-employee directors are associated, were customers of, and transacted banking business with, Second National Bank in the ordinary course of the Bank's business during calendar year 2001 and to date. Loans and loan commitments included among such transactions were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other unrelated persons. Such transactions did not involve more than the normal risk of collectibility or present other features unfavorable to the Bank.

During 2001 the Bank leased its Champion, Ohio banking center from the Cousins Company, a family partnership which is 50% owned by Director John C. Gibson, at the fair market annual rental rate of \$40,158. The Bank continues to make monthly lease payments on that facility under a lease agreement expiring in 2004. Mr. Gibson also serves as Chairman of the Board of Jack Gibson Construction Company (“Gibson Construction”). During 2001, the Bank contracted with Gibson Construction for certain minor renovation/repair projects. Fair market fees paid to Gibson Construction by the Company during 2001 for services performed in the normal course of business totaled \$4,760.

The Bank subleases space in its main office building to various entities including the Raymond John Wean Foundation which subleased office space in 2001 at a fair market annual rental rate of \$17,026. Raymond John Wean, III, a Second Bancorp Director, is one of four administrators of the Foundation.

The law firm of Harrington, Hoppe & Mitchell, Ltd., of which Second Bancorp Director John L. Pogue is a member, was paid fees for various legal services performed for the Company and the Bank in the normal course of their business during 2001 and it is anticipated that such arrangement will continue. Legal fees paid the firm for services performed in 2001 were \$234,478. In addition, the firm subleased space from the Bank in its main office building during 2001 at the fair market annual rental rate of \$84,276.

ELECTION OF DIRECTORS

Pursuant to the Articles of Incorporation of Second Bancorp, the Board of Directors is divided into two classes, each consisting of approximately one-half of the entire board. PROPOSAL 3

INCREASING BY 450,000 THE NUMBER OF SHARES AUTHORIZED FOR ISSUANCE UNDER THE AMENDED SECOND BANCORP INCORPORATED 1998 NON-QUALIFIED STOCK OPTION PLAN

On May 12, 1998 the shareholders of Second Bancorp Incorporated approved the Second Bancorp Incorporated 1998 Non-Qualified Stock Option Plan, as it has since been amended (the “Plan”). The purpose of the Plan is to (a) provide incentive to employees and non-employee Directors of the Company and subsidiary The Second National Bank of Warren (the “Subsidiary”), to stimulate their efforts toward the continued success of the Company and its Subsidiary and to operate and manage the business in a manner that will provide for the long-term growth and profitability of the Company and its Subsidiary; (b) encourage stock ownership by employees and non-employee Directors of the Company and its Subsidiary by providing them with a means to acquire a proprietary interest in the Company by acquiring shares of stock; and (c) provide a means of attracting, retaining, and rewarding key employees and non-employee Directors. The Plan replaced the amended Second Bancorp Incorporated Stock Option Incentive Plan approved and adopted by the shareholders in 1994.

The Plan was amended by unanimous action of the board of directors on January 25, 2001 in furtherance of the Plan’s stated purposes. The effect of the amendment was to (i) authorize the Compensation & Organization Committee of the Board in its discretion to determine the number of options to be granted to individual employee participants at any given time and (ii) expand the scope of the Plan to include all employees of the Company and its Subsidiary as potential participants (the Plan, as amended, is referred to hereafter as the “Amended Plan”). The full text of the Amended Plan is Attachment A to this Proxy Statement.

The maximum number of Company common shares issuable under the Amended Plan is stated as 650,000. Since the shareholder’s 1998 approval of the Amended Plan, 609,000 options have been granted to employees and non-employee directors including 153,000 employee options granted during February 2002.

PROPOSAL

That the maximum number of shares of the Company’s common stock issuable under the Amended Plan be increased by an additional 450,000 shares to support future stock option grants to employees and non-employee directors in furtherance of the Amended Plan’s purposes as indicated above. Except as specifically provided in this Proposal, the Amended Plan shall remain in effect in all respects.

DISCUSSION

As a general rule, (i) outstanding stock options have a minimally negative impact on a company’s diluted earnings per share and (ii) when exercised, options have a potentially similar impact on basic earnings per share and return on equity while increasing a company’s capital account. The Board of Directors continues to believe that the value of stock options as a component of executive and director compensation outweighs their potentially negative impact on earnings per share and return on equity by directly aligning employee, executive, director and shareholder financial interests. The Board of Directors has approved the increase in shares authorized for issuance under the Amended Plan and has recommended that the matter be submitted to the Shareholders at the Annual Meeting for their approval. The Board of Directors believes that approval of the increased share authorization is in the best interest of the Company and its shareholders. The increased share authorization under the Amended Plan requires the affirmative vote of a majority of the shares represented and voting, in person or by proxy, at the Annual Meeting.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE “FOR” INCREASING BY 450,000 THE NUMBER OF SHARES AUTHORIZED FOR ISSUANCE UNDER THE AMENDED SECOND BANCORP INCORPORATED 1998 NON-QUALIFIED STOCK OPTION PLAN.

PROPOSAL 4

- (4) Ratifying the appointment of Ernst & Young LLP as the independent certified public accountants of Second Bancorp.

Management knows of no other matters to be voted upon at the Annual Meeting. If any other matter properly comes before the Annual Meeting, it is the intention of the persons named in the form of proxy to vote upon any such matters in accordance with the recommendations of the Board of Directors.

and conditions associated with the Award shall continue to apply following a transfer in accordance with this Section 3.1(e).

3.2 Terms and Conditions of Options:

(a) **Option Price.** Subject to adjustment in accordance with Section 4.2 and the other provisions of this Section 3.2, the exercise price (the “Exercise Price”) per share of the Stock purchasable under any Option shall be one hundred percent (100%) of the Fair Market Value of Stock on the date of grant as determined in Section 3.1(c) and 1.1(i).

(b) **Option Term.** Any Option granted to a Participant shall not be exercisable after the expiration of ten (10) years from the date the Option is granted. The Committee may specify a shorter term and state such term in the Option Agreement.

(c) **Payment.** Payment for all shares of Stock purchased pursuant to the exercise of an Option shall be made in cash or a cash equivalent. Payment shall be made at the time that the Option or any part thereof is exercised, and no shares shall be issued or delivered upon exercise of an Option until full payment has been made by the Participant. The holder of an Option, as such, shall have none of the rights of a shareholder.

(d) **Conditions to the Exercise of an Option.** Each Option granted under the Plan shall be exercisable by whom, at such time or times, or upon the occurrence of such event or events, and in such amounts, as the Committee shall specify in the Option Agreement; provided, however, that subsequent to the grant of an Option, the Committee, at any time before complete termination of such Option, may accelerate the time or times at which such Option may be exercised in whole or in part, may permit the Participant or any other designated person to exercise the Option, or any portion thereof, for all or part of the remaining Option term notwithstanding any provision of the Option Agreement to the contrary.

(e) **Special Provisions for Certain Substitute Options.** Notwithstanding anything to the contrary in this Section 3.2, any Option issued in substitution for an option previously issued by another entity, which substitution occurs in connection with a transaction described in Code Section 424(a), may provide for an exercise price computed in accordance with such Code Section and the regulations thereunder and may contain such other terms and conditions as the Committee may prescribe to cause such substitute Option to contain as nearly as possible the same terms and conditions (including the applicable vesting and termination provisions) as those contained in the previously issued Option being replaced thereby.

3.3 Treatment of Awards Upon Termination of Employment or Directorship. Any Award granted under this Plan to a Participant who suffers a Termination of Employment or Directorship may be canceled, accelerated, paid or continued, as provided in the Option Agreement or, in the absence of such provision, as the Committee may determine. The portion of any Award exercisable in the event of continuation may be adjusted by the Committee to reflect the Participant’s period of service from the date of grant through the date of the Participant’s Termination of Employment or Directorship or such other factors as the Committee determines are relevant to its decision to continue the Award.

SECTION 4 GENERAL PROVISIONS

4.1 Withholding. Whenever the Company proposes or is required to issue or transfer shares of Stock under the Plan, the Company shall have the right to require the employee Participant to remit to the Company an amount sufficient to satisfy any statutory federal, state and local, if any, withholding tax requirements prior to the delivery of any certificate or certificates for such stock. An employee Participant may pay the withholding tax in cash, or, in such other manner as the Option Agreement provides.

4.2 Changes in Capitalization; Merger; Liquidation.

(a) The number of shares of Stock reserved for the grant of Options; the number of shares of Stock reserved for issuance upon the exercise or payment, as applicable, of each outstanding Option; and the Exercise Price of each outstanding Option shall be proportionately adjusted for any increase or decrease in the number of issued shares of Stock resulting from a subdivision or combination of shares, or the payment of a stock dividend in shares of Stock to holders of outstanding shares of Stock, or any other increase or decrease in the number of shares of Stock outstanding effected without receipt of consideration by the Company.

(b) In the event of a merger, consolidation or other reorganization of the Company or tender offer for shares of Stock, the Committee may make such adjustments with respect to Awards and take such other action as it deems necessary or appropriate to reflect, or in anticipation of such merger, consolidation, reorganization or tender offer, including, without limitation, the substitution of new Awards, the termination or adjustment of outstanding Awards, or the acceleration of Awards. Any adjustment pursuant to this Section 4.2 may provide, in the Committee's discretion, for the elimination without payment of any fractional shares that might otherwise become subject to any Award.

(c) The existence of the Plan and the Awards granted pursuant to the Plan shall not affect in any way the right or power of the Company to make or authorize any adjustment, reclassification, reorganization or other change in its capital or business structure, any merger or consolidation of the Company, any issue of debt or equity securities having preferences or priorities as to the Stock or the rights thereof, the dissolution or liquidation of the Company, any sale or transfer of all or any part of its business or assets, or any other corporate act or proceeding.

4.3 Right to Terminate Employment or Directorship. Nothing in the Plan or in any Option Agreement pursuant to this Plan shall confer upon any Participant the right to continue as an employee, officer, or Director of the Company or any of its Subsidiary or affect the right of the Company, or with respect to the non-employee Directors, the shareholders, or its Subsidiary to terminate the Participant's employment or directorship at any time.

4.4 Restrictions on Delivery and Sale of Shares; Legends. Each Award is subject to the condition that if at any time the Committee, in its discretion, shall determine that the listing, registration or qualification of the shares covered by such Award upon any securities exchange or under any state or federal law is necessary or desirable as a condition of or in connection with the granting of such Award or the purchase or delivery of shares thereunder, the delivery of any or all shares pursuant to such Award may be withheld unless and until such listing, registration or qualification shall have been effected. If a registration statement is not in effect under the Securities Act of 1933 or any applicable state securities laws with respect to the shares of Stock purchasable or otherwise deliverable under Awards then outstanding, the Committee may require, as a condition of exercise of any Option, that the Participant or other recipient of an Award represent, in writing, that the shares received pursuant to the Award are being acquired for investment and not with a view to distribution and agree that shares will not be disposed of except pursuant to an effective registration statement, unless the Company shall have received an opinion of counsel that such disposition is exempt from such requirement under the Securities Act of 1933 and any applicable state securities laws. The Company may include on certificates representing shares delivered pursuant to an Award such legends referring to the foregoing representations or restrictions or any other applicable restrictions on resale as the Company, in its discretion, shall deem appropriate.

4.5 Non-alienation of Benefits. Other than as specifically provided with regard to the death of a Participant or with regard to a transfer to a Family Member in accordance with Section 3.1(e), no benefit under the Plan shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge, and any attempt to do so shall be void. No such benefit shall, prior to receipt by the Participant, be in any manner liable for or subject to the debts, contracts, liabilities, or torts of the Participant.

4.6 Termination and Amendment of the Plan. The Board of Directors at any time may amend or terminate the Plan without shareholder approval; provided, however, that the Board of Directors may condition any amendment on the approval of shareholders of the Company if such approval is

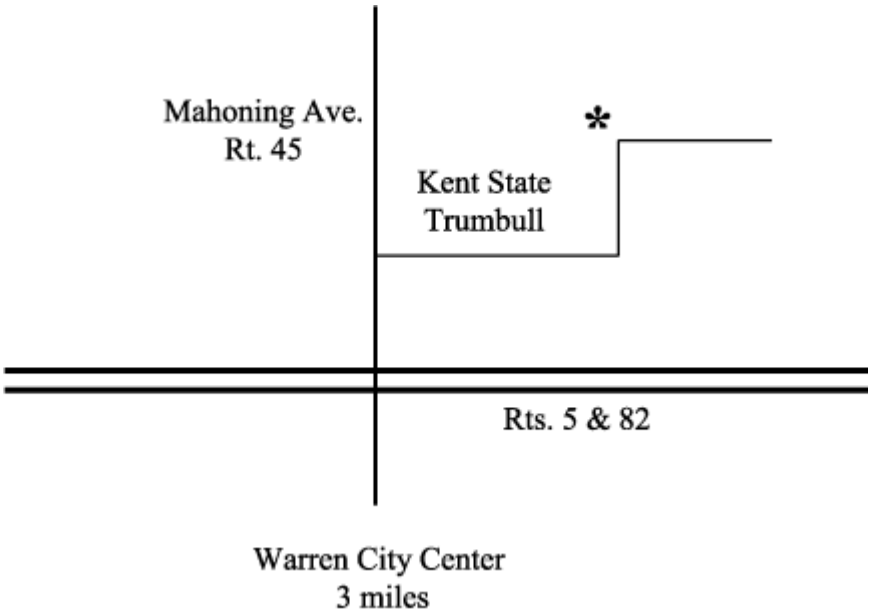

necessary or advisable with respect to tax, securities or other applicable laws. No such termination or amendment without the consent of the holder of an Award shall adversely affect the rights of the Participant under such Award.

4.7 Choice of Law. The laws of the State of Ohio shall govern the Plan, to the extent not preempted by federal law.

4.8 Effective Date and Term of Plan. The Plan shall be submitted to the shareholders of the Company for their approval within twelve (12) months before or after the adoption of the Plan by the Board of Directors of the Company, and shall become effective upon the date of such approval, and shall remain in effect until the earlier of (a) the date on which all shares for which Options may be issued have been issued, (b) termination of the Plan by the Board, (c) ten years from the date of the adoption of the Plan by the shareholders, or (d) such date as the Board may elect. Any Award previously granted may extend beyond the termination of the Plan, and the Committee shall continue to have the authority to administer such Awards.
