File No. 001-09317**

Dear Mr. Meister and Mr. O'Toole:

We have reviewed your filing and have the following comments.

Slide 4

1. We note your statement that the Arbitration Panel ruled in your favor on "virtually all" of your requests. We understand that this is not the case. Please clarify your disclosure, or advise.

Slide 6

2. Please remove the subtitle "The Arbitration Panel Has Spoken" from this slide, given that the award does not appear to address any of the matters addressed.

Slide 10

3. This slide states that RMR may unilaterally restagger its board at any time. This appears to be a typo. If not, please explain the significance of this disclosure.
