**NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2022

**(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Business**

The Company is a registered broker-dealer incorporated under the laws of the State of California maintaining its main office in Rancho Mirage, California, with a branch office in San Diego, California. The Company is a member of FINRA and the SIPC. The Company is in the business of selling private placements and other services.

**Method of Accounting**

The Company maintains its books and records on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of management's estimates. Actual results could differ from those estimates and such differences could be material.

**Revenue Recognition**

The Company earns Concessions fees and Due diligence fees from its private placements. Concessions fees and Due diligence fees are recognized according to the terms of the customer agreement, at the closing date of the private placement transaction, which includes the customer's full payment.

The Company earns ongoing minor Concessions fees and Due diligence fees throughout the private placement investment period. These are recognized in the period received, due to material uncertainties beforehand which represent a variable consideration constraint.

**Concessions Receivable**

Concessions receivable are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary, because probable uncollectible accounts are immaterial.

**FINANCIAL GOAL SECURITIES, INC.**  
**NOTES TO FINANCIAL STATEMENTS, CONTINUED**

DECEMBER 31, 2022

**(2) PROVISION FOR INCOME TAXES**

The provision for income taxes consists of the following:

	<u>Federal</u>	<u>California</u>	<u>Total</u>
Current	\$ 1,830	\$ 1,370	\$ 3,200
Deferred	<u>-</u>	<u>-</u>	<u>-</u>
Total	<u>\$ 1,830</u>	<u>\$ 1,370</u>	<u>\$ 3,200</u>

Deferred taxes are accounted for according to current standards which use an asset and liability approach in recognizing timing differences. This approach requires the recognition of deferred tax liabilities and assets for the expected future tax consequences of such timing differences. Timing differences include the use of the cash basis for tax purposes and accrual basis for accounting purposes and the recognition of net operating loss carry-forwards. There were no material deferred tax items as of December 31, 2022. The Company's Federal and California tax returns are subject to examination for three and four years, respectively, subsequent to their being filed.

**(3) RELATED PARTY TRANSACTIONS**

The Company had entered into a one-year expense-sharing agreement with a related corporation, whereby the Company secures necessary office space, support staff, equipment, telephone and utilities from the affiliated corporation which are included in a monthly payment of \$4,659 through June 30, 2023. A new agreement may be renewed annually. At December 31, 2022 nothing was due. This agreement is not subject to ASC 842 under the short-term exemption. As a result, the adoption of ASC 842 had no effect on the Company's financial statements for the year ended December 31, 2022.

The Company also pays commissions to two independent contractors, for services performed, one of whom is a parent of the shareholder of the Corporation. The agreement remains in effect until July 31, 2023, and may be renewed annually thereafter.

Advances to stockholder totaled \$118,527 at December 31, 2022; and the weighted average balance was \$100,609 for the year then ended based upon the month-end balances. The Company charged an interest rate of 2.5% on these advances and received interest income of \$2,502 on these advances for the year ended December 31, 2022. Repayment terms are not documented in writing.

**FINANCIAL GOAL SECURITIES, INC.**  
**NOTES TO FINANCIAL STATEMENTS, CONTINUED**

DECEMBER 31, 2022

**(4) GUARANTEES**

FASB ASC 460, Guarantees, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of indebtedness of others. The Company has issued no guarantees at December 31, 2022 or during the year then ended.

**(5) SUBSEQUENT EVENTS**

The Company has evaluated events and transactions subsequent to the statement of financial condition date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events or transactions which took place that would have a material impact on its financial statements.

**(6) RECENTLY ISSUED ACCOUNTING STANDARDS**

The Financial Accounting Standards Board (the "FASB") has established the Accounting Standards Codification ("Codification" or "ASC") as the authoritative source of generally accepted accounting principles ("GAAP") recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates ("ASUs").

For the year ending December 31, 2022, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. Management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

**FINANCIAL GOAL SECURITIES, INC.**  
**NOTES TO FINANCIAL STATEMENTS, CONTINUED**

DECEMBER 31, 2022

**(7) NET CAPITAL**

The Company is subject to a \$5,000 minimum capital requirement pursuant to SEC Rule 15c3-1, which requires that the ratio of aggregate indebtedness to net capital shall not exceed 15 to 1. Net capital and the related net capital ratio fluctuate on a daily basis; however, as of December 31, 2022, the net capital was \$22,124 which exceeded the required minimum capital of \$5,000 by \$17,124. The aggregate indebtedness to net capital ratio was 0.36 to 1.

As of December 31, 2022**

To Those Charged with Governance and the Stockholder of Financial Goal Securities, Inc.:

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Financial Goal Securities, Inc. does not claim an exemption under paragraph (k) of 17 C.F.R. § 240.15c3-3, and (2) Financial Goal Securities, Inc.'s other business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 ("Non-Covered Firm") did not subject it to the customer protection rules and that the Company did not identify any exceptions to this assertion throughout the year ended December 31, 2022. Financial Goal Securities, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Financial Goal Securities, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in the Non-Covered Firm provision.
