ITEM 4. CHANGES IN REGISTRANTS'S CERTIFYING ACCOUNTANT

On October 10, 2003, the client-auditor relationship between Quad Metals Corporation (the "Company") and DeCoria, Maichel & Teague P.S. ("DeCoria") ceased as DeCoria resigned as the Company's auditor due to a recent acquisition by the Company.

To the knowledge of the Company's current Board of Directors, DeCoria's report of the financial statements of the Registrant for the fiscal years ended December 31, 2002 and 2001 did not contain any adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles, except for the Company's ability to continue as a going concern.

During the audit of the Company's financial statements for the fiscal years ended December 31, 2002 and 2001 and any subsequent interim period through the date of resignation, DeCoria did not have any disagreements with the Company on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure and there were no "reportable events" with DeCoria as described in Items 304 (a) (1) (iv) of Regulation S-B, respectively.

The Company has requested that DeCoria review the disclosure and DeCoria furnish the Registrant with a letter addressed to the Commission containing any new information, clarification of the Company's expression of its views, or the respect in which it does not agree with the statements made by the Company herein. Such letter shall be filed as an exhibit to this Report.

The Company's 100% owned subsidiary is DataJungle Ltd., a company incorporated under the laws of Canada. DataJungle develops and markets web-based enterprise-class business intelligence software solutions that translate business data into interactive tables, charts and maps. These solutions consist of modules of functionality that can be assembled to the specific requirements of the customer and customized to the needs of each user class within the customer's business. DataJungle's software extends and is complementary to the products of most leading vendors of business intelligence software. DataJungle software leverages XML Web Services and vector graphics based delivery formats.
