Form 10-K/A for the fiscal year ended December 31, 2010

Item 9A. Controls and Procedures, page 16

1. We note you have revised your disclosures related to “disclosure controls and procedures”. However, it does not appear you have made any revisions to your disclosures regarding “internal controls over financial reporting.” Please be advised that management is required to provide two separate assessments, one related to “disclosure controls and procedures” and one related to “internal controls over financial reporting.” Therefore, please amend your filing to disclose that management determined your “disclosure controls and procedures” are not effective. Also, as previously requested, please amend your filing to correct the date of management’s assessment of your “internal controls over financial reporting” and to include a definitive statement regarding whether or not management concluded that “internal controls over financial reporting” are effective or not effective. Based on the disclosed material weakness, we assume
