Electrolux will make provision for loan guarantees within professional laundry equipment

(ELUX) Electrolux will make a provision of EUR 32m (approximately SEK 290m) in the third quarter of 2003, referring to previously issued loan guarantees for launderette operators in Germany. The launderettes are experiencing financial difficulties due to weak market conditions, and Electrolux may be required to fulfill its guarantee commitments.

The launderettes are equipped with professional laundry equipment supplied by the Electrolux Group. In accordance with common business practice in this sector, Electrolux has previously provided guarantees for loans in connection with the set up of launderettes. The guarantees refer mainly to the second half of the 1990’s.

The Electrolux Group is the world’s largest producer of powered appliances for kitchen, cleaning and outdoor use, such as refrigerators, washing machines, cookers, vacuum cleaners, chainsaws, lawn mowers, and garden tractors. Every year, customers in more than 150 countries buy more than 55 million Electrolux Group products for both consumer and professional use sold under famous brands such as AEG, Electrolux, Zanussi, Frigidaire, Eureka and Husqvarna. In 2002, Electrolux had sales of SEK 133.2 billion and 82,000 employees.
