An individual shall cease to be a Service Partner upon the earlier of such time as (i) such individual is no longer a Partner, or (ii) the Partnership or any of its Affiliates, as applicable, or such individual terminates the Service Partner Documents applicable to such individual; provided, however, that notwithstanding anything to the contrary in this Agreement or the Service Partner Documents, the Managing Partner may cause any individual to cease to be a Service Partner effective as of any time, and, from and after such effective time, such individual shall cease to be a Service Partner for all purposes of this Agreement.

B. C. Except as otherwise provided in this Agreement, the Missouri Limited Partnership Act, or the Missouri Partnership Act, no Service Partner in such capacity shall be liable for the obligations of the Partnership. No Service Partner in such capacity shall have any personal liability for the repayment of the Capital Contribution of any Partner.

D. Each Service Partner shall devote the entire time, energy, skill, and ability of such Service Partner to the duties of performing services for, on behalf of, or for the benefit of

the Partnership. Each Service Partner agrees not to use the name or property of the Partnership or any entity it owns for such Service Partner's own private business or benefit, nor for any purpose whatsoever except those that may be incidental to the performance of services for, on behalf of, or for the benefit of the Partnership, nor shall any Service Partner use the name of the Partnership or any entity it owns for the use or accommodation of any other Person. E. If any Service Partner incurs any expenses through usual and ordinary means of performing services for, on behalf of, or for the benefit of the Partnership, then such Service Partner must personally and individually pay, without reimbursement from the Partnership, such expenses, with the intention that the Service Partner should be entitled to deduct the same on such Service Partner's personal income tax return, as permitted by the IRC.

F. The Service Partner Interest of a Service Partner is intended to constitute a "profits interest," as that term is used in IRS Revenue Procedures 93-27 and 2001-43, or, to the extent superseded by proposed regulations referenced in IRS Notice 2005-43 or by any other duly issued superseding rules, then as the term is described therein. Following the promulgation, if any, of final regulations and guidance by the Treasury Department and Internal Revenue Service regarding the tax consequences associated with partnership interests issued in connection with the performance of services, the Partnership is authorized and directed to elect to have the liquidation value safe harbor contemplated by Proposed Regulations Section 1.83-3(f), and by the revenue procedure contemplated by IRS Notice 2005-43, to apply irrevocably with respect to all Service Partner Interests.

G. A Service Partner (in such capacity) may receive a guaranteed payment with respect to a fiscal period of the Partnership for such Service Partner's services during such fiscal period.

H. In the event that a Service Partner (in such capacity) has any financial obligation to the Partnership or any Affiliate of the Partnership, the Partnership may withhold from any distribution or payment that would otherwise be made by the Partnership to such Service Partner (in any capacity) and apply such withheld amount toward the satisfaction of such financial obligation. Any amount so withheld and applied in respect of such Service Partner shall be considered for all purposes of this Agreement as having been distributed or paid, as the case may be, to such Service Partner and thereupon remitted by such Service Partner to the Partnership or Affiliate of the Partnership, as the case may be, toward the satisfaction of the applicable financial obligation.

I. Notwithstanding anything to the contrary in this Agreement or any of the Service Partner Documents, with respect to any Service Partner who is a JV Financial Advisor, such Service Partner shall not provide to clients of EDJ any securities or brokerage services, investment advisory services, insurance services, or any other service that may be offered by EDJ now or in the future to clients of EDJ in such Service Partner's capacity as a Service Partner; rather, such Service Partner shall provide any such services solely in such Service Partner's capacity

as a natural person associated with EDJ and as a JV Financial Advisor, through the Joint Venture pursuant to the Joint Venture Agreement and any related documents, subject in all respects to the supervision and control of EDJ pursuant to its obligations under applicable federal and state securities laws, and the rules of any exchange or registered securities association of which it is a member (as those terms are defined in the Securities Exchange Act of 1934, as amended (the “Securities Exchange Act”)).

In addition, third parties dealing with the Partnership may rely upon the certification of the Managing Partner or any other General Partner as to the continued existence of the Partnership, the identity of its current Partners and the authority of any Partner to execute any document.

B. Except as otherwise expressly provided, at any meeting of the General Partners, each General Partner shall have voting power equal to such General Partner's General Partner Percentage at the time of the meeting. A quorum for any purpose at any meeting of the General Partners shall exist if General Partners then holding more than 50% of the voting power of all General Partners are present or voting by proxy. Any General Partner may vote on any matter if not present in person, by general or specific written proxy given to another General Partner. No proxy shall be valid after two (2) months from the date of its execution. General Partners may participate in any meeting by means of conference telephone or similar communications equipment whereby all Persons participating in such meeting can hear each other. Participation in a meeting in this manner shall constitute presence in person at the meeting.

5.2 Percentage of Voting Power for Partnership Decisions.

A. Except as otherwise specifically provided in this Agreement, the affirmative vote of more than 50% of the voting power of all General Partners shall determine all issues at any meeting of the General Partners.

B. Any percentage of voting power of the General Partners required by this Agreement shall relate to the percentage of the total voting power of all General Partners entitled to vote on the issue and not to a percentage of the voting power of the General Partners present at a meeting.

B. Prompt Notice of the taking of any action pursuant to this Section 5.4 by less than unanimous consent of the General Partners shall be given to those General Partners who have not consented.

ARTICLE SIX
EVENT OF WITHDRAWAL OF A PARTNER OR SERVICE PARTNER

6.1 Voluntary Event of Withdrawal.

A. Any General Partner shall have the right to retire or voluntarily withdraw from the Partnership upon 30 days prior written notice to the Managing Partner. In the event that there is only one General Partner, such Partner shall give notice to the Limited Partners and the Subordinated Limited Partners of such Partner's intent to withdraw from the Partnership at least 30 days prior to the date of withdrawal.

B. Any Limited Partner or Subordinated Limited Partner shall have the right to retire or voluntarily withdraw from the Partnership. In the event a Limited Partner or Subordinated Limited Partner desires to withdraw all or any part of such Partner's Capital Contribution, then such Partner shall give written notice (the "Voluntary Withdrawal Notice") to the Managing Partner of the amount of Capital Contribution that such Partner wishes to withdraw from the Partnership (the "Requested Withdrawal Amount").

6.2 Withdrawal Upon Request.

The Managing Partner or any number of General Partners holding in the aggregate a majority of the General Partner Percentages may cause the withdrawal of any Partner from the Partnership. Such withdrawal decision is to be communicated to the Partner (the "Mandatory Withdrawal Notice") and in a reasonable time thereafter the Partnership shall inform the Partner in writing of the total amount of Capital Contribution (Limited Partner or Subordinated Limited Partner) and/or General Partner's Adjusted Capital Contribution withdrawn from the Partnership (the "Mandatory Withdrawal Amount").

6.3 Return of Capital and Redemption of Interest.

A. In the event of any withdrawal by a General Partner from the Partnership pursuant to Section 6.1 or 6.2 hereof or in the event a General Partner wishes to withdraw some of such General Partner's Capital Contribution as a General Partner, the Managing Partner may determine to have the Partnership redeem all or a portion of the General Partner Interest (including Frozen Appreciation Amount) of the withdrawing General Partner. Any such redemption shall be consummated (retroactively as of the actual date of such General Partner's withdrawal) within 60 days after the actual date of such withdrawal. The price of the General Partner Interest of the withdrawing General Partner that is so redeemed shall be the value (as shown on the books of the Partnership) of such General Partner's Frozen Appreciation Amount plus the value of such General Partner's General Partner's Adjusted Capital Contribution, calculated as of the previous Valuation Date if such withdrawal takes place on or prior to the 15th

day of a month or calculated as of the next Valuation Date if such withdrawal takes place on or after the 16th day of a month; provided, that if only a portion of the General Partner Interest of the withdrawing General Partner is so redeemed, the price of such interest (and each such value taken into account in computing such price) shall be calculated based solely in relation to the portion of the General Partner Interest of the withdrawing General Partner that is so redeemed. Goodwill, if any, and the Partnership name shall not be deemed assets or as having any property value in making the calculation pursuant to the preceding sentence.

B. Unless otherwise determined by the Managing Partner, if any portion of the General Partner Interest (including Frozen Appreciation Amount) of the withdrawing General Partner that is subject to Section 6.3A is not redeemed by the Partnership within such 60 day period described in Section 6.3A, such portion of the General Partner Interest (including Frozen Appreciation Amount) that is subject to Section 6.3A and not redeemed by the Partnership shall be converted (retroactively as of the actual date of the General Partner's withdrawal) so as to become the Capital Contribution of such former General Partner as that of a Subordinated Limited Partner and such General Partner shall thereupon become or continue to remain a Subordinated Limited Partner as to such Capital Contribution.

C. A withdrawing General Partner shall have no right to become a Limited Partner or a Subordinated Limited Partner or to require the conversion of such General Partner's General Partner Interest to the Capital Contribution of a Subordinated Limited Partner. In addition the Managing Partner has the right to cause the Partnership to redeem the Capital Contribution of a Subordinated Limited Partner at any time.

D. In connection with the withdrawal of a General Partner, the General Partner Percentages of the remaining General Partners shall be recalculated (retroactively as of the actual date of such General Partner's withdrawal) on the same relative basis so as to aggregate 100%.

E. In addition, any withdrawing General Partner shall receive (within 75 days after the actual date of withdrawal), without duplication, such General Partner's pro rata share of any cash distributions to which such General Partner is entitled as set forth in Section 8.2A(i)(d) hereof, calculated as of the previous Valuation Date if such withdrawal takes place on or prior to the 15th day of a month or calculated as of the next Valuation Date if such withdrawal takes place on or after the 16th day of a month.

F. In the event of any withdrawal by a Subordinated Limited Partner from the Partnership pursuant to Sections 6.1 or 6.2 hereof, the Subordinated Limited Partner's Requested Withdrawal Amount or Mandatory Withdrawal Amount shall be paid (subject to the provisions of Section 6.7) in six (6) equal installments. The first installment shall be paid no earlier than 90 days from the date on which (a) the Managing Partner receives the Subordinated Limited Partner's Voluntary Withdrawal Notice or (b) the Subordinated Limited Partner receives a Mandatory Withdrawal Notice. The remaining installments shall be paid on the 12th, 24th, 36th, 48th and 60th month anniversary of the first installment payment. In addition, such Subordinated Limited Partner shall receive, without duplication, such Subordinated Limited Partner's pro rata share of any cash distributions to which such Subordinated Limited Partner was entitled as set forth in Section 8.2A(i)(c) hereof, calculated as of the previous Valuation Date if the installment payment occurs on or prior to the 15th day of a month or calculated as of the next Valuation Date if the

installment payment occurs on or after the 16th day of a month. Until a Subordinated Limited Partner's Requested Withdrawal Amount or Mandatory Withdrawal Amount is fully returned to such Subordinated Limited Partner, the unreturned portion thereof shall continue for all purposes to be subject to all provisions of this Agreement including, without limitation, Article Eight and Section 6.7. The Managing Partner, in the Managing Partner's sole discretion, may cause the Partnership to accelerate the return of a Subordinated Limited Partner's Requested Withdrawal Amount or Mandatory Withdrawal Amount or accelerate the payment of any or all installments.

G. In the event of any withdrawal by a Limited Partner from the Partnership pursuant to Sections 6.1 or 6.2 hereof, the Limited Partner's Requested Withdrawal Amount or Mandatory Withdrawal Amount shall be paid (subject to the provisions of Section 6.7) in three (3) equal installments. The first installment shall be paid no earlier than 90 days from the date on which (a) the Managing Partner receives the Limited Partner's Voluntary Withdrawal Notice or (b) the Limited Partner receives a Mandatory Withdrawal Notice. The remaining installments shall be paid on the 1st and 2nd anniversary of the first installment payment. In addition, such Limited Partner shall receive, without duplication, such Limited Partner's pro rata share of any cash distributions to which such Limited Partner was entitled as set forth in Section 8.2A(i)(a) hereof, calculated as of the previous Valuation Date if the installment payment occurs on or prior to the 15th day of a month or calculated as of the next Valuation Date if the installment payment occurs on or after the 16th day of a month. Until a Limited Partner's Requested Withdrawal Amount or Mandatory Withdrawal Amount is fully returned to such Limited Partner, the unreturned portion thereof shall continue for all purposes to be subject to all provisions of this Agreement, including, without limitation, Article Eight and Section 6.7 and such Limited Partner shall continue to receive all sums due such Limited Partner pursuant to Section 3.3B hereof. The Managing Partner, in the Managing Partner's sole discretion, may cause the Partnership to accelerate the return of a Limited Partner's Requested Withdrawal Amount or Mandatory Withdrawal Amount or accelerate the payment of any or all installments.

6.4 Death of a Limited Partner or Subordinated Limited Partner.

In the event of the death of any Limited Partner or any Subordinated Limited Partner, the Capital Contribution of such deceased Limited Partner or Subordinated Limited Partner shall be returned (subject to the provisions of Section 6.7 hereof) to the estate of such deceased Limited Partner or Subordinated Limited Partner within six (6) months after the actual date of death of such Limited Partner or Subordinated Limited Partner, as the case may be. The provisions of Section 6.3F shall not be applicable to the Capital Contribution of a deceased Subordinated Limited Partner and Section 6.3G shall not be applicable to the Capital Contribution of a deceased Limited Partner. In addition such Limited Partner's or Subordinated Limited Partner's estate shall receive (within 75 days after the actual date of death of the Limited Partner or Subordinated Limited Partner) the Limited Partner's or Subordinated Limited Partner's pro rata share of any cash distributions to which such deceased Limited Partner or Subordinated Limited Partner was entitled as set forth in Sections 8.2A(i)(a) or 8.2A(i)(c) hereof, calculated as of the previous Valuation Date if such death takes place on or prior to the 15th day of a month or calculated as of the next Valuation Date if such death takes place on or after the 16th day of a month. Until a deceased Limited Partner's or Subordinated Limited Partner's Capital Contribution is returned to the estate of such deceased Limited Partner or Subordinated Limited Partner, such estate shall continue to receive all sums which would have been due to such deceased Limited Partner or Subordinated Limited Partner pursuant to Section 3.3B hereof. As stated herein, all such payments shall be made to the

estate of the deceased Limited Partner or Subordinated Limited Partner unless the Partnership has received evidence, satisfactory to the Partnership, in its sole discretion, that such payments should be made to some other entity or Person.

6.5 Death or Disability of a General Partner.

A. In the event of the death of a General Partner, the interest of the deceased General Partner in the Partnership shall terminate as of such date. The Managing Partner may determine to have the Partnership redeem the General Partner Interest (including Frozen Appreciation Amount) of the deceased General Partner. Any such redemption shall be consummated within 60 days after the date of death of such General Partner. The price of the General Partner Interest of the deceased General Partner shall be the value (as shown on the books of the Partnership) of such General Partner's Frozen Appreciation Amount plus the value of such General Partner's General Partner's Adjusted Capital Contribution, calculated as of the previous Valuation Date if such death takes place on or prior to the 15th day of a month or calculated as of the next Valuation Date if such death takes place on or after the 16th day of a month. Goodwill, if any, and the Partnership name shall not be deemed assets or as having any property value in making the foregoing calculation. In addition, without duplication, the estate or other successor in interest of the General Partner shall receive (within 75 days after the date of such General Partner's death) the pro rata share of any cash distributions to which such deceased General Partner was entitled as set forth in Section 8.2A(i)(d) hereof, calculated as of the previous Valuation Date if such death took place on or prior to the 15th day of a month or calculated as of the next Valuation Date if such death took place on or after the 16th day of a month. If the General Partner Interest (including Frozen Appreciation Amount) of the deceased General Partner is not redeemed by the Partnership within such 60 day period, such General Partner Interest shall be converted (as of the date of such General Partner's death) to the Capital Contribution of a Subordinated Limited Partner and shall be redeemed (subject to the provisions of Section 6.7 hereof) by the Partnership within six (6) months thereafter, the specific date to be determined by the Managing Partner. The provisions of Section 6.3F shall not be applicable to the Capital Contribution of such deceased Subordinated Limited Partner. Upon the death of a General Partner, and without regard to whether the General Partner Interest of such General Partner is converted to that of a Subordinated Limited Partner, the General Partner Percentages of the remaining General Partners shall be recalculated (as of the actual date of death) on the same relative basis so as to aggregate 100%. All payments made pursuant to this Section 6.5A shall be made to the estate of the deceased General Partner, unless the Partnership has received evidence, satisfactory to the Partnership, in its sole discretion, that such payments should be made to some other entity or person.

B. In the event of full or partial disability (as determined in the absolute discretion of the Managing Partner) of a General Partner under age 65 due to illness, accident, or injury, such General Partner shall be entitled to receive such General Partner's normal share of Partnership Net Income notwithstanding such General Partner's inability to perform such General Partner's normal work functions, for a period of up to six (6) full months following the date such General Partner suffered the disability. If the disability continues for a period greater than six (6) months but less than one (1) year, then during such period of time the disabled General Partner shall be entitled to receive one-half (1/2) of such General Partner's normal share of Partnership Net Income. If the disability continues for a period greater than one (1) year in length, then the disabled General Partner must terminate such General Partner's status as a General Partner, unless

otherwise directed by the Managing Partner. In event of termination, the General Partner Interest (including such General Partner's Frozen Appreciation Amount) of the disabled General Partner shall be treated in the same manner as that of a deceased General Partner pursuant to Section 6.5A hereof, provided that all such payments required by this Section 6.5B shall be made to the disabled General Partner.

6.6 General Partner Interest - 56th Birthday.

A General Partner shall not acquire any additional General Partner Interest after the 56th birthday of such General Partner. Such General Partner's General Partner Interest (including such General Partner's Frozen Appreciation Amount) as it exists on the 56th birthday of such General Partner is such General Partner's "Retiring Interest." On the first business day of the calendar year following the year in which a General Partner's 56th birthday falls and on the first business day of each subsequent calendar year, the Partnership shall redeem one-tenth (1/10) of this Retiring Interest, except that, notwithstanding anything to the contrary herein, in any year that a General Partner fully retires, the Partnership shall redeem the remaining Retiring Interest on the date determined within the discretion of the Managing Partner. The price of the Retiring Interest shall be determined in the same manner as set forth in Section 6.5A hereof, with the Valuation Date being each date that a portion of the Retiring Interest is redeemed in accordance with this Section 6.6. Upon redemption by the Partnership, the General Partner Percentages of the remaining General Partners shall be recalculated on the same relative basis so as to aggregate 100%. A General Partner can request that the applicable portion of the Retiring Interest of such General Partner that is otherwise required to be redeemed by the Partnership in a calendar year be converted (as of the first calendar day of the appropriate year) so as to become the Capital Contribution of a Subordinated Limited Partner and if such request is approved by the Managing Partner, then such portion of the Retiring Interest shall be so converted. Notwithstanding any other provisions of this Section to the contrary, the Managing Partner may exempt any General Partner from the application of this Section or modify the terms of the redemption of any Retiring Interest as the Managing Partner deems advisable.

6.7 Restriction on Capital Contribution Return.

It is understood and agreed that the Capital Contributions of the Partners to the Partnership will be used, in part, by the Partnership as part of the Partnership's capital contribution to EDJ, a brokerage firm (which is regulated by the Securities and Exchange Commission and FINRA and other regulatory agencies), and that in order for the Partnership to return to any Partner the Capital Contribution of such Partner (or any part thereof), the Partnership may have to obtain such funds from EDJ. Therefore, notwithstanding any other provision contained in this Agreement to the contrary, without the written consent of the Managing Partner, no Partner shall have returned to such Partner (under any provision of this Agreement) such Partner's Capital Contribution or such General Partner's General Partner's Adjusted Capital Contribution, if after giving effect thereto, the Partnership or any Affiliate thereof (including, but not limited to, EDJ) would, if such payment had been made directly by EDJ, be in violation of (i) any rule of FINRA, (ii) any rule issued under the Securities Exchange Act, (iii) any agreement (cash subordination or otherwise) which has been entered into by the Partnership or any Affiliate thereof (including, but not limited to, EDJ), (iv) any agreement (including, but not limited to, loan agreements) which has been entered into by the Partnership or any Affiliate thereof (including, but not limited to, EDJ) or (v) any other law, rule or regulation to which the Partnership or any Affiliate thereof (including, but not limited to, EDJ) is

subject. In the event there is returned to any Partner all or any portion of such Partner's Capital Contribution or such General Partner's General Partner's Adjusted Capital Contribution and because of such return the Partnership or any Affiliate thereof (including, but not limited to, EDJ) violated any of the aforementioned rules, agreements or regulations, then such Partner hereby irrevocably agrees (whether or not such Partner had any knowledge or notice of such facts at the time of such return) to repay to the Partnership, its successors or assigns, the sum so returned to such Partner to be held by the Partnership pursuant to the provisions hereof as if such return had never been made; provided, however, that any suit for the recovery of any such return must be commenced within two years of the date of such return.

6.8 Liability of a Withdrawn General Partner.

If on the Event of Withdrawal of a General Partner the business of the Partnership shall continue, the General Partner who shall have withdrawn shall be and remain liable for all obligations and liabilities incurred by such General Partner as a General Partner prior to such Event of Withdrawal, but such General Partner shall be free of any obligation or liability incurred on account of the activities of the Partnership from and after the time of such Event of Withdrawal, except as otherwise provided in this Agreement.

6.9 Effect of Event of Withdrawal.

Upon the withdrawal (by reason of death or otherwise) of a Partner the Partnership shall not dissolve and the business of the Partnership shall be continued by the remaining General Partners.

6.10 Redemption of Service Partner Interest.

If at any time an individual ceases to be a Service Partner for any reason, the Partnership will be deemed at such time to have redeemed the Service Partner Interest of such individual without any action by the Partnership. Within a reasonable time after such redemption, but in no event later than the sixtieth (60th) day of the calendar year following the year in which such redemption is deemed to occur, the Partnership shall pay to such individual an amount of cash equal to any accrued but unpaid cash distributions that would have otherwise been distributed to such individual in such individual's capacity as a Service Partner pursuant to Section 8.2A(ii) hereof, as calculated through the date of such redemption, subject to the Service Partner Distribution Policy, and, at such time as determined by the Managing Partner, but in no event later than the one hundred eightieth (180th) day of the calendar year following the year in which such redemption is deemed to occur, the Partnership shall pay to such individual an amount of cash equal to any accrued but unpaid cash distributions that would have otherwise been distributed to such individual in such individual's capacity as a Service Partner (or former Service Partner) pursuant to Section 8.2A(i)(b) hereof; provided, however, that the Partnership shall not be required to make any such payments to such individual if the Managing Partner determines in the sole discretion of the Managing Partner, which determination shall be final and binding on such individual, that (i) such individual materially breached the terms of any of the Service Partner Documents to which such individual is or was a party or any policy or procedure of the Partnership or any of its Affiliates, as such policies may be adopted or amended from time-to-time, (ii) such individual materially breached this Agreement, or (iii) such individual committed any "bad" act (such as a regulatory violation).

ARTICLE SEVEN
TRANSFERABILITY OF PARTNER AND SERVICE PARTNER INTERESTS

7.1 Restrictions on Transfer.

A. Each Partner agrees that such Partner will not sell, pledge, exchange, transfer or assign such Partner's interest in the Partnership to any Person without the express written consent of the Managing Partner. Under no circumstances will a Service Partner Interest (or any portion thereof) be transferable or assignable.

B. Each Limited Partner and Subordinated Limited Partner agrees that they will not sell, exchange, transfer or assign any of their interest in the Partnership unless, if required by the Partnership, the Partnership has received an opinion of counsel, satisfactory to the Partnership, that such transfer or assignment may be effected without registration of the Limited Partner's or the Subordinated Limited Partner's interest, as the case may be, under the Securities Act of 1933 or under any applicable state securities law.

C. Except as otherwise expressly provided in this Agreement, the death or withdrawal of a Partner shall terminate (as of such date) all such Partner's interest in the Partnership (including any Service Partner Interest of such Partner) and neither the estate of a deceased Partner nor any other third party shall become or have any rights as a Partner.

D. Any sale, exchange, assignment or other transfer in contravention of any of the provisions of this Section 7.1 shall be void and ineffectual and shall not bind or be recognized by the Partnership.

7.2 Substituted Limited Partners.

No Limited Partner or Subordinated Limited Partner shall have a power to grant the right to become a substituted Limited Partner or Subordinated Limited Partner to an assignee of any part of the Partnership interest of such Limited Partner or Subordinated Limited Partner, as the case may be.

ARTICLE EIGHT
DISTRIBUTIONS AND ALLOCATIONS; LIABILITY OF GENERAL PARTNERS

8.1 Allocation of Net Income or Net Loss

A. Net Income, if any, of the Partnership for each calendar year shall be allocated on a monthly basis in the following order of priority:

(i) To each Limited Partner, an amount equal to the product of Net Income times a percentage, calculated annually, which shall equal the product of the following three factors: (a) one-fourth of one percent (.0025) multiplied by (b) the quotient of \$1,900,000 divided by the sum of all General Partner's Adjusted Capital Contribution multiplied by (c) the quotient of the total Capital Contribution of the respective Limited Partner divided by \$25,000. This calculation of percentage of participation shall be made at the beginning of each calendar year and used in allocating Net Income earned during the calendar year. This calculation of percentage participation shall be adjusted during the calendar year for any

issuance or redemption of such Limited Partner's Capital Contributions that occur during the calendar year as determined by the Managing Partner. Any monthly Net Income allocation may be adjusted to the extent that the Partnership incurs a Net Loss in any Fiscal Month during the calendar year. Any Net Loss for the year is allocated in accordance with Section 8.1B.

(ii) To each Service Partner (and to any Partner who was formerly a Service Partner in the prior calendar year), an amount of Net Income as determined pursuant to the Service Partner Net Income Allocation Policy.

(iii) To each Subordinated Limited Partner, an amount equal to the product of (a) the then remaining Net Income times (b) a percentage derived by the following formula: (x) 50% of the Capital Contribution of the Subordinated Limited Partner (excluding any undistributed Net Income allocated to the Subordinated Limited Partner) divided by (y) the sum of (aa) 50% of the Capital Contributions of all the Subordinated Limited Partners plus (bb) the sum of all General Partner's Adjusted Capital Contribution (less any Net Income allocated to the General Partners which is not scheduled to be retained by the Partnership). This formula shall be adjusted during the calendar year for any issuance or redemption of Subordinated Limited or General Partner Capital Contributions that occur during the calendar year as determined by the Managing Partner. In the event the Capital Contribution of a Subordinated Limited Partner has been reduced by the operation of Section 8.1B hereof (the "Reduced Amount"), then each Subordinated Limited Partner shall have the right to make additional cash Capital Contributions to the Partnership from any cash to be distributed to such Subordinated Limited Partner pursuant to Section 8.2A(i)(c) up to the Reduced Amount.

(iv) There shall be set apart up to 8% of the remaining Net Income. Such amount shall be allocated among the General Partners on the basis of individual merit or need as determined by the Managing Partner in consultation with the Enterprise Leadership Team.

(v) The balance of the Net Income remaining, if any, shall be allocated among the General Partners in proportions to their General Partner Percentages.

B. In any year in which there is a Net Loss and the Partnership is not dissolved and liquidated in accordance with Section 8.2B hereof, such Net Loss, on the books of the Partnership, shall be allocated to the Subordinated Limited Partners to the extent as set forth in the formula described in Section 8.1A(iii) hereof and the balance shall be allocated to the General Partners in proportion to their respective General Partner Percentages. Any such Net Loss allocated to the Subordinated Limited Partners shall only be applied against and reduce their respective Capital Contributions. The total amount of all such Net Loss to be allocated to the Subordinated Limited Partners may never exceed the total amount of the Capital Contributions of the Subordinated Limited Partners as shown on the books of the Partnership.

C. Notwithstanding the foregoing, where losses are caused by the willful neglect or default, the gross negligent conduct, or the intentional negligent conduct of any Partner, those losses shall be borne solely and made good by the Partner so causing the loss. This Section 8.1C is for the benefit of the Partners and no other Person shall have any rights hereunder.

D. Notwithstanding any other provision of this Agreement to the contrary, the aggregate interest of the General Partners in each material item of Partnership income, gain, loss, deduction, preference or credit for purposes of this Section 8.1 shall be equal to at least one percent (1%) of each such item at all times during the existence of the Partnership.

E. Allocations of Net Income and Net Loss (and any Partnership item described in Section 8.1D) pursuant to this Section 8.1 are solely for purposes of determining amounts distributable to the Partners pursuant to Section 8.2A and Section 8.2B(i) and the Capital Contributions, the General Partner's Adjusted Capital Contributions and General Partner Percentages. Allocations of the Partnership's income, gain, loss and deduction for purposes of maintaining the Partners' Capital Accounts and for income tax purposes shall be made in accordance with Section 8.6.

8.2 Distributions.

A. Current Distributions.

(i) Net Income shall be distributed in the following order and priority:

(a) Limited Partners. The Partnership shall distribute to each Limited Partner at least annually, from time to time, a total amount of cash equal to the amount of Net Income allocated to the Limited Partner pursuant to Section 8.1.

(b) Service Partners (and former Service Partners). The Partnership shall distribute to each Service Partner (and former Service Partner, as applicable) at least annually, from time to time, a total amount of cash equal to the amount, if any, of Net Income allocated to the Service Partner (or former Service Partner, as applicable) pursuant to Section 8.1.

(c) Subordinated Limited Partners. The Partnership shall distribute to each Subordinated Limited Partner at least annually, from time to time, a total amount of cash equal to the amount of Net Income allocated to the Subordinated Limited Partner pursuant to Section 8.1.

(d) General Partners.

1. The Partnership shall distribute to each General Partner at least annually, from time to time, a total amount of cash equal to the amount of Net Income allocated to the General Partner pursuant to Section 8.1, net of the amount retained by the Partnership pursuant to Section 8.2A(i)(d)(2) below.

2. It is intended that a sum equal to between 0% and 30% of the Net Income, if any, allocated to each General Partner in Section 8.1A(v) above, will be retained by the Partnership as capital and shall be credited monthly to the General Partner's Adjusted Capital Contribution. Such amount shall not be withdrawn by the General Partner, except as otherwise provided in this Agreement. Notwithstanding the foregoing, the decision of whether to make this retention of capital in accordance with this Section or

whether to vary the amount of capital to be retained in any given year (including the decision to retain in excess of 30% of Net Income) is vested in the Managing Partner, and it is agreed that the Managing Partner's decision in this matter shall be final.

(ii) The Partnership shall distribute to each Service Partner at least annually, from time to time, a total amount of cash equal to the amount, if any, that such Service Partner is entitled to receive pursuant to the Service Partner Distribution Policy as in effect for the relevant fiscal period or portion thereof.

B. Distributions Upon Dissolution

(i) Upon the dissolution of the Partnership as a result of the occurrence of any of the events set forth in Section 2.4 hereof, the Managing Partner shall proceed to liquidate the Partnership, and the proceeds of liquidation (the "Proceeds of Liquidation") shall be applied and distributed in the following order of priority:

(a) To the payment of debts and liabilities of the Partnership, including the expenses of liquidation, but expressly excluding all Capital Contributions of all Partners (General Partners, Limited Partners and Subordinated Limited Partners), the return of all of such Capital Contributions are provided for below and all of which is equity capital of the Partnership;

(b) To the payment of any accrued but unpaid amounts due under Section 8.2A hereof;

(c) To the repayment of the Capital Contributions of the Limited Partners;

(d) To the repayment of the Capital Contributions of the Subordinated Limited Partners;

(e) To the repayment of the General Partners' Adjusted Capital Contributions; and

(f) The balance of the Proceeds of Liquidation, if any, shall be distributed to the General Partners in proportion to their respective General Partner Percentages.

(ii) Notwithstanding the foregoing, in the event the Managing Partner shall determine that an immediate sale of part or all of the Partnership assets would cause undue loss to the Partners, the Managing Partner, in order to avoid such loss, may, after having given Notice to all the Limited Partners and Subordinated Limited Partners, either defer liquidation of, and withhold from distribution for a reasonable time, any assets of the Partnership except those necessary to satisfy the Partnership debts and obligations, or distribute the assets to the Partners in kind.

(iii) Net Income generated by transactions in connection with the dissolution and liquidation of the Partnership shall be allocated and distributed in accordance with Sections 8.1A and 8.2A hereof (excluding for these purposes Section 8.2A(ii) hereof), respectively.

8.3 Distribution of Frozen Appreciation Amount.

Notwithstanding the provisions of Section 8.2 hereof, in the event any tract of Real Estate of Edward D. Jones & Co., L.P., or EDJ Leasing Co., L.P., is sold, then there shall be distributed from the net proceeds of such sale (prior to making any distributions pursuant to the provisions of Section 8.2 hereof) to each General Partner an amount equal to such General Partner's Frozen Appreciation Amount with respect to such tract of Real Estate. The balance of any proceeds resulting from any such sale shall then be distributed in accordance with Section 8.2 hereof or shall otherwise be used or retained by the Partnership as provided herein. As of December 31, 2017, the Frozen Appreciation Amount totaled \$4,741,040.

8.4 Sale of Assets to Third Party.

A. In the event the Partnership shall sell or otherwise dispose of, at one time, all, or substantially all, of its assets (a "Sale") to any one Person or to any one Person and its Affiliates and the Partnership is thereafter liquidated within 180 days, then the provisions of Section 8.3 and this Section 8.4 shall be applicable with respect to the order of priority of distribution of the Proceeds of Liquidation.

B. For the purposes of this Section 8.4 the term "substantially all" shall be deemed to mean assets of the Partnership or of any of its significant subsidiaries representing 80% or more of the net book value of all of the Partnership's assets (or such significant subsidiary's assets) determined as of the end of the most recently completed fiscal year.

C. Prior to making any payments to the General Partners pursuant to Section 8.2B(i)(f) hereof (but after making all other payments required by Section 8.2B(i) and all payments required by Section 8.3 hereof) the Partnership shall distribute : (i) to the Limited Partners a percentage of the Premium (as hereinafter defined) equal to the same percentage of the Net Income of the Partnership which the Limited Partners shall receive (pursuant to Section 8.2A hereof) from the Partnership for the current fiscal year of the Partnership; and (ii) to the Subordinated Limited Partners an amount equal to the product of the Premium (remaining after the payment required by Section 8.4C(i) hereof) times a fraction the numerator of which is the total Capital Contributions of the Subordinated Limited Partners (on the date of the Sale) and the denominator of which is (X) the total Capital Contributions of the Subordinated Limited Partners (on the date of the Sale) plus (Y) the total of the General Partner's Adjusted Capital Contributions (on the date of the Sale).

D. "Premium" means the Proceeds of Liquidation remaining after the payment of the items set forth in Sections 8.2B(i)(a), (b), (c), (d), and (e) hereof.

E. Any amounts payable to the Limited Partners and the Subordinated Limited Partners pursuant to this Section 8.4 shall be disbursed pro-rata to the Limited Partners and the Subordinated Limited Partners based on their Capital Contributions on the date of the Sale.

F. Neither the Partnership nor the General Partners shall have any obligation to cause a Sale to occur.

8.5 Other Sales or Dispositions to Third Party.

In the event the Partnership or any of its significant subsidiaries, in a transaction (dealing with all or substantially all of the business of the Partnership or such significant subsidiary) not covered by Section 8.4 hereof (but similar in scope to such a transaction), sells assets, merges or has a public offering, it is hereby stated that it is the intention of the General Partners that the Limited Partners and the Subordinated Limited Partners shall share in any “profit” or “premium” recognized from such transaction. Because it is impossible at this time to foresee all possible factual situations that may occur with respect to a given transaction, it is equally impossible to determine a fair, just and equitable formula at this time to distribute a portion of such “profit” or “premium” to the Limited Partners and the Subordinated Limited Partners. It is stated, however, at this time, as a matter of policy of the Partnership that it is the intention of the General Partners to allow the Limited Partners and the Subordinated Limited Partners to share a portion of such “profit” or “premium” (assuming any “profit” or “premium” is also actually distributed to the General Partners) in a fair, just and equitable manner in such amount, if any, as determined in the sole and absolute discretion of the Managing Partner at the time of such transaction. In making such determination of such amount, if any, the Managing Partner shall not be bound by the formula set forth in Section 8.4 hereof. Neither the Partnership nor the General Partners shall have any obligation, however, to cause such transaction to occur and no Limited Partner nor Subordinated Limited Partners shall have any right to bring any cause of action against the Partnership or its General Partners by reason of any statement made in this Section 8.5.

8.6 Allocations for Capital Account Purposes and Tax Purposes.

A. Allocations for Capital Account Purposes.

(i) For each taxable year or other period, after taking into account all contributions and distributions during such taxable year or other period, and after making the allocations set forth in Sections 8.6A(iii) through 8.6A(viii), Profits or Losses shall be allocated in a manner such that, after such allocations have been made, each Partner’s Capital Account is as nearly as possible equal to the difference of: (x) the amount that would be distributed to such Partner if (i) the Partnership sold all of its assets (other than cash and claims of the Partnership for contributions) for an amount of cash equal to their respective 704(b) Book Values (taking into account any adjustments thereto for such taxable year or other period), (ii) all unconditional obligations of the Partners to contribute capital to the Partnership were collected in full, (iii) all Partnership liabilities were satisfied (limited with respect to each nonrecourse liability to the 704(b) Book Value of the assets securing such liability), and (iv) the remaining cash of the Partnership was distributed to the Partners in accordance with Sections 8.2B(i)b. through 8.2B(i)f. and Section 8.3 of this Agreement (as determined giving effect to Section 8.1B of this Agreement and, if and to the extent actually applicable in such taxable year or other period, Section 8.4, Section 8.5 and Article Six of this Agreement); minus (y) the sum of such Partner’s share of “partnership minimum gain” (within the meaning of Regulations Section 1.704-2(b)(2)) and “partner nonrecourse debt minimum gain” (within the meaning of Regulations Section 1.704-2(i)(2)). Notwithstanding any other provision of this Agreement, neither Losses nor items of loss or deduction shall be allocated to a Partner for any taxable year or other period if and to the extent such allocations would result in such Partner having an Adjusted Capital Account Deficit as of the end of such taxable year or other period.

(ii) For purposes of this Agreement, the following terms shall have the following meanings:

(a) “Adjusted Capital Account Deficit” shall mean, with respect to any Partner, the deficit balance, if any, in such Partner’s Capital Account as of the end of any taxable year or other period, after (a) increasing such Capital Account by any amounts that such Partner is obligated to restore, or is deemed to be obligated to restore pursuant to the penultimate sentences of Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), and (b) decreasing such Capital Account by the items described in Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5) and (6). This definition of Adjusted Capital Account Deficit is intended to comply with the provisions of Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(b) “Profits” or “Losses” shall mean, for each taxable year or other period, an amount equal to the Partnership’s taxable income or loss for such taxable year or other period, determined in accordance with IRC Section 703(a) (including all items of income, gain, loss or deduction required to be stated separately under IRC Section 703(a)(1)), with the following adjustments:

(1) Any income of the Partnership that is exempt from federal income tax and not otherwise taken into account in computing Profits or Losses will be added to taxable income or loss;

(2) Any expenditures of the Partnership described in IRC Section 705(a)(2)(B) or treated as IRC Section 705(a)(2)(B) expenditures under Regulations Section 1.704-1(b)(2)(iv)(i), and not otherwise taken into account in computing Profits or Losses, will be subtracted from taxable income or loss;

(3) Gain or loss resulting from any disposition of a Partnership asset with respect to which gain or loss is recognized for federal income tax purposes will be computed by reference to the 704(b) Book Value of the asset, notwithstanding that the adjusted tax basis of the asset differs from its 704(b) Book Value;

(4) If the 704(b) Book Value of any Partnership asset is adjusted pursuant to Regulations Section 1.704-1(b)(2)(iv)(e) or (f), the adjustment will be taken into account as gain or loss from disposition of the asset for purposes of computing Profits or Losses;

(5) To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to IRC Section 734(b) is required pursuant to Regulations Section 1.704-1(b)(2)(iv)(m)(4) to be taken into account in determining Capital Accounts as a result of a distribution other than in complete liquidation of a Partner’s interest, the amount of such adjustment shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases the basis of the asset) from the disposition of the asset for purposes of computing Profits or Losses;

(6) In lieu of depreciation, amortization and other cost recovery deductions taken into account in computing taxable income or loss, there will be taken into account depreciation, amortization or other cost recovery deductions as computed in accordance with Regulations Section 1.704-1(b)(2)(iv)(g)(3) for the taxable year or other period; and

(7) Any items which are “specially allocated” pursuant to Section 8.6A will not be taken into account in computing Profits or Losses, provided, that any items to be specially allocated will be determined by applying rules analogous to those set forth in the preceding subparagraphs (1) through (6).

(c) “704(b) Book Value” shall mean, with respect to any asset, the book value of such asset as determined for purposes of maintaining the Capital Accounts of the Partners in accordance with IRC Section 704(b) and the Regulations thereunder.

(iii) If for any taxable year or other period there is a net decrease in “partnership minimum gain” (within the meaning of Regulations Section 1.704-2(b)(2)), then, except to the extent permitted by Regulations Section 1.704-2(f), items of income and gain for such taxable year or other period (and, if necessary, subsequent taxable years or other periods) shall be specially allocated to each Partner to the extent of such Partner’s share of such net decrease (calculated pursuant to Regulations Section 1.704-2(g)). This Section 8.6A(iii) is intended to satisfy the “minimum gain chargeback” requirement of Regulations Section 1.704-2(f) and shall be interpreted consistently therewith.

(iv) If for any taxable year or other period there is a net decrease in a “partner nonrecourse debt minimum gain” (within the meaning of Regulations Section 1.704-2(i)(2)), then, except to the extent permitted by Regulations Section 1.704-2(i)(4), items of income and gain for such taxable year or other period (and, if necessary, subsequent taxable years or other periods) shall be specially allocated to each Partner to the extent of such Partner’s share of such net decrease (calculated pursuant to Regulations Section 1.704-2(i)(5)). This Section 8.6A(iv) is intended to constitute a “partner nonrecourse debt minimum gain chargeback” as provided in Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(v) In the event any Partner unexpectedly receives any adjustments, allocations or distributions described in Regulations Section 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6), items of Partnership income and gain shall be specially allocated to each such Partner in an amount and manner sufficient to eliminate, to the extent required by the Regulations, any Adjusted Capital Account Deficit of such Partner created by such adjustments, allocations or distributions as quickly as possible, provided that an allocation pursuant to this Section 8.6A(v) shall be made only if and to the extent that such Partner would have an Adjusted Capital Account Deficit after all other allocations have been tentatively made as if this Section 8.6A(v) were not in this Agreement. This Section 8.6A(v) is intended to comply with the “qualified income offset” requirement set forth in Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(vi) “Nonrecourse deductions” (within the meaning of Regulations Section 1.704-2(b)(1)) for each taxable year or other period shall be specially allocated to the Partners in accordance with their respective interests in Partnership profits, as determined by the Managing Partner. “Partner nonrecourse deductions” (within the meaning of Regulations Sections 1.704-2(i)(1) and 1.704-2(i)(2)) shall be specially allocated in the manner required in Regulations Section 1.704-2(i)(1).

(vii) To the extent an adjustment to the adjusted tax basis of any Partnership asset under IRC Sections 734(b) or 743(b) is required to be taken into account in determining Capital Accounts under Regulations Section 1.704-1(b)(2)(iv)(m) as the result of a distribution to a Partner in complete liquidation of such Partner’s interest in the Partnership, the amount of such adjustment shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases the basis), and such gain or loss shall be specially allocated to the Partners in accordance with their interests in the Partnership in the event that Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Partner to whom such distribution was made in the event that Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

(viii) If during any taxable year or other period, any Partner dies or a “liquidation of a partner’s interest” (as defined in IRC Section 761(d)) is completed in respect of any Partner, each such Partner shall be specially allocated gross items of income, gain, loss or deduction if and to the extent necessary to cause such Partner’s final Capital Account to equal the difference determined in respect of such Partner pursuant to Section 8.6A(i), provided that an allocation pursuant to this Section 8.6A(viii) shall be made only if and to the extent that such Partner’s final Capital Account would not equal the difference determined in respect of such Partner pursuant to Section 8.6A(i) after all other allocations have been tentatively made as if Section 8.6A(v) and this Section 8.6A(viii) were not in this Agreement.

B. Allocations for Tax Purposes. All items of income, gain, loss and deduction shall be allocated for federal (and applicable state and local) income tax purposes in the same manner as the corresponding items of income, gain, loss and deduction are allocated for purposes of maintaining the Capital Accounts of the Partners; provided, however, that in respect of any asset for which there is a variation between the adjusted tax basis and the 704(b) Book Value of such asset, the Partnership shall account for such variation in accordance with IRC Section 704(c) and the principles thereof, using such method(s) as determined in the discretion of the Managing Partner. Allocations pursuant to this Section 8.6B are solely for federal (and applicable state and local) income tax purposes and shall not affect, or in any way be taken into account in computing, any Partner’s Capital Account or any Partner’s share of Profits, Losses, or any other items taken into account in computing the Partner’s Capital Accounts pursuant to any provision of this Agreement.

C. Compliance with IRC Section 704.

(i) The provisions of this Section 8.6 are intended to comply with IRC Section 704 and the Regulations thereunder and shall be interpreted and applied in a manner consistent therewith.

(ii) Notwithstanding anything to the contrary in this Agreement, if the sum of the amounts that would be distributed to any Partner pursuant to clauses b. through f. of Section 8.2B(i), Section 8.3, Section 8.4 and Section 8.5 differs from the balance in such Partner's Capital Account (as determined after giving effect to all contributions, distributions and allocations for all periods, other than distributions pursuant to clauses b. through f. of Section 8.2B(i), Section 8.3, Section 8.4 and Section 8.5), then the amount distributed to each such Partner shall be the balance of such Partner's Capital Account (as so determined). This Section 8.6C(ii) is intended, and shall be interpreted, to comply with Regulations Section 1.704-1(b)(2)(ii)(b)(2).

8.7 Liability of General Partners.

Except as specified in Section 9.3C and Article Ten below, no General Partner shall be liable or accountable, directly or indirectly (including by way of indemnification, contribution, assessment or otherwise), for any debts, obligations or liabilities of, or chargeable to, the Partnership or each other, whether arising in tort, contract, or otherwise, which are created, incurred or assumed by the Partnership (or owing to creditors or Partners during liquidation of the Partnership) while the Partnership is a registered limited liability limited partnership.

ARTICLE NINE BOOKS, RECORDS AND REPORTS, ACCOUNTING, TAX ELECTIONS, ETC.

9.1 Books, Records and Reports.

A. Proper and complete records and books of account shall be kept (or caused to be kept) by the Partnership in which shall be entered all transactions and other matters relative to the Partnership's business. The Partnership's books and records shall be prepared in accordance with GAAP, except as otherwise required pursuant to Section 8.6. The books and records shall at all times be maintained at the principal office of the Partnership and shall be open for examination and inspection by the Partners or by their duly authorized representatives during reasonable business hours. In particular, the following books and records shall be kept:

- (i) a current list and a past list of the full name and last known mailing address of each Partner, specifying the General Partners, the Limited Partners and the Subordinated Limited Partners, and identifying those Partners who are Service Partners, in alphabetical order, including the date of admission or withdrawal of each Partner and the date that any Partner becomes or ceases to be a Service Partner. To the extent provided by the Missouri Limited Partnership Act, these lists shall be provided to the Secretary of State of Missouri, without cost, upon the Secretary's written request;
- (ii) a copy of the Certificate of Limited Partnership and all certificates of amendment thereto, together with executed copies of any powers of attorney pursuant to which any Certificate has been executed;
- (iii) copies of the Partnership's federal, state and local income tax returns and reports, if any, for the three most recent fiscal years;
- (iv) a copy of the Service Partner Distribution Policy; and

- (v) copies of any written Partnership agreements in effect and any financial statements of the Partnership for the three most recent years.

B. The Partnership shall have prepared at least annually, at the Partnership's expense, financial statements (balance sheet, statement of income or loss, partners' equity, and changes in financial position) prepared in accordance with GAAP, which shall fairly reflect the Partnership's financial position at the date shown and its results of operations for the period indicated. Copies of such statements and report shall be made available to the Partners annually. Such financial statements shall be audited by a registered public accounting firm selected by the Audit Committee.

C. The Partnership shall have prepared at least annually, at the Partnership's expense, a report containing Partnership information necessary in the preparation of the Partners' federal income tax returns. Copies of such report shall be distributed to each Partner as promptly as possible.

9.2 Bank Accounts.

The bank accounts of the Partnership shall be maintained in such banking institutions as the Managing Partner shall determine, and withdrawals shall be made only in the regular course of Partnership business on such signature or signatures as the Managing Partner may determine.

9.3 Depreciation and Tax Elections.

A. All elections required or permitted to be made by the Partnership under the IRC shall be made by the Managing Partner.

B. Notwithstanding anything to the contrary in this Section 9.3, the Managing Partner shall not be responsible for initiating any change in accounting methods from the methods initially chosen.

C. The Managing Partner is hereby designated as the "Tax Matters Partner" under IRC Section 6231(a)(7) and, for any taxable year of the Partnership for which the Partnership is subject to the Revised Partnership Audit Procedures, the Managing Partner (or the Managing Partner's designee) shall be the "partnership representative" within the meaning of such Revised Partnership Audit Procedures (collectively, the "partnership representative"). Every Partner and former Partner agrees to cooperate with, and to take any actions requested by, the partnership representative in connection with the conduct of any and all tax examinations and proceedings of or related to the Partnership (which requested actions may include, without limitation, the filing of amended tax returns and the paying of any taxes due in connection therewith). All reasonable costs and expenses incurred by the partnership representative in such capacity shall be borne by the Partnership. If the Partnership is liable for any tax (including, without limitation, any imputed underpayment, interest, penalties, or addition to tax) under or on account of the Revised Partnership Audit Procedures, the partnership representative shall be permitted to and authorized to apportion such liability among the Partners and former Partners, and any such amount so apportioned to a Partner or former Partner shall be considered a "tax payment loan amount" in respect of such Partner or former Partner. For so long as any tax

payment loan amount or interest thereon remains unpaid by the Partner or former Partner, any amounts otherwise distributable by the Partnership to such Partner or former Partner pursuant to this Agreement shall be first applied to the payment of any unpaid interest on all tax payment loan amounts, and then to the repayment of the principal of any tax payment loan amounts, and any amounts so applied shall be treated for all purposes of this Agreement as having been distributed to such Partner or former Partner. In the event the partnership representative issues a "payment due notice" to any Partner or former Partner in respect of any tax payment loan amount, said Partner or former Partner shall be required to make a payment of such amount to the Partnership within thirty (30) days of the date of such payment due notice, and any amount remaining unpaid thereafter shall accrue interest at the rate provided in the promissory note for a term loan to fund the Capital Contribution of a Limited Partner in effect at the time of such payment due notice. The provisions of this Section 9.3C shall survive the termination of the Partnership and, in respect of any Partner, any event of withdrawal in respect of such Partner, and shall remain binding on each Partner for the period of time necessary to resolve any tax examination or proceeding involving or related to the Partnership. Notwithstanding anything to the contrary in this Agreement, no Partner shall have any right to be indemnified by the Partnership or any of its Affiliates for any obligations of such Partner relating to any tax payment loan amount of such Partner.

9.4 Fiscal Year.

The fiscal year of the Partnership shall be the calendar year for tax purposes.

ARTICLE TEN LIABILITY; INDEMNIFICATION

10.1 Liability of General Partners.

A. Except as otherwise provided in this Agreement, a General Partner shall only be liable to make the payment of the General Partner's Capital Contribution required hereunder. Except as otherwise provided in this Agreement, no General Partner shall be liable for any obligations of the Partnership, any other General, Limited Partner or Subordinated Limited Partner, or the Managing Partner, unless personally guaranteed by the General Partner pursuant to a separate document.

B. No distribution of Net Income or other cash made to any General Partner shall be determined a return or withdrawal of a Capital Contribution unless so designated by the Managing Partner in the Managing Partner's sole and exclusive discretion. No General Partner, except as otherwise provided in this Agreement or specifically provided in the Missouri Limited Partnership Act or the Missouri Partnership Act, shall be obligated to pay any distribution to or for the account of the Partnership or any creditor of the Partnership.

10.2 Exculpation.

No General Partner or former General Partner (individually, and collectively, a "Covered Person") shall be liable to the Partnership or any other Person for any losses, claims, damages, liabilities, costs, expenses (including reasonable legal and experts' fees, costs and expenses), judgments, awards, fines, settlements or other amounts arising from any and all claims, demands,

actions, suits or proceedings, whether civil, criminal, administrative or investigative (each, a “Claim”) incurred by reason of any act or omission performed or omitted by such Covered Person on behalf of the Partnership or failure to act (even if such action, omission or failure to act constituted negligence on such Person’s part) on behalf of the Partnership; *provided, however, that* (and notwithstanding any other provision contained in this Agreement) this provision shall not limit the liability of a Covered Person (a) for fraud, (b) acts or omissions not in subjective good faith or which involve intentional misconduct or a knowing violation of law or which were grossly negligent, or (c) for any transaction in which such Covered Person derived improper personal benefit. Any repeal or modification of this Section 10.2 shall not adversely affect any right or protection of a Covered Person existing hereunder with respect to any act or omission occurring prior to such repeal or modification.

10.3 Indemnification by Partnership.

To the fullest extent permitted under applicable law, the Partnership shall indemnify, defend and hold each Covered Person harmless from and against any and all Claims brought against such party arising out of or in connection to acts or omissions performed in connection with the business of the Partnership, and shall indemnify and hold each such Covered Person harmless from and against all resulting awards, settlements, damages liabilities, fines, costs and expenses (including reimbursement of reasonable attorneys’ and experts’ fees and court costs), to the extent that such Claim results from or is attributable to acts or omissions performed or omitted to be performed by such Covered Person unless such act was not: (a) in good faith on behalf of the Partnership, (b) in a manner reasonably believed by such indemnitee to be within the scope of the authority granted to such Covered Person by this Agreement, nor (c) in the best interests of the Partnership; *provided, however*, the Partnership shall have no indemnification obligation for Claims to the extent directly attributable to acts or omissions of such Covered Person that constitute (i) fraud, (ii) acts or omissions of a Covered Person not in subjective good faith or which involve intentional misconduct or a knowing violation of law or which were grossly negligent, or (c) for any transaction in which such Covered Person derived improper personal benefit.

10.4 Indemnification by General Partners.

A. To the fullest extent permitted under applicable law, each individual General Partner, severally but not jointly and severally, shall indemnify, defend, and hold harmless the Partnership from and against any Claims brought by or on behalf of a third party arising against the Partnership or any Covered Person out of or in connection to the acts or omissions of such individual General Partner that constitute (i) fraud, (ii) acts or omissions not in subjective good faith or which involve intentional misconduct or a knowing violation of law or which were grossly negligent, or (iii) for any transaction in which such General Partner derived improper personal benefit.

B. For purposes of satisfying any indemnification and any saving harmless obligations under this subsection 10.4, the Partnership has discretion to require the indemnifying party to sell any and all of its Partnership assets to fulfill such obligations.

10.5 Control of Defense.

The indemnified party shall notify the indemnifying party promptly and in writing of any Claim for which it is entitled to indemnification hereunder. Failure or delay in providing such Notice shall not relieve the indemnifying party of its indemnification obligations, except to the extent the indemnifying party demonstrates that the defense or settlement of the Claim has been prejudiced thereby. The Partnership shall have the absolute right to control the defense and settlement of any Claim (whether it is the indemnitee or indemnitor hereunder) in its sole discretion, or may at any time tender control of the defense or settlement of such Claim to the indemnified party.

10.6 Effect of Future Amendments to Partnership Agreement.

In the event that an amendment to this Agreement reduces or eliminates any Covered Person's right to indemnification pursuant to Section 10.3, such amendment shall not be effective with respect to any Covered Person's right to indemnification that accrued prior to the date of such amendment. For purposes of this Section, a right to indemnification shall accrue as of the date of the event underlying the Claim that gives rise to such right to indemnification.

10.7 Expenses; Certain Limitations.

A. Expenses (including reasonable legal fees and expenses) incurred by a Covered Person in defending any Claim shall timely be advanced by the Partnership prior to the final disposition of such Claim upon receipt by the Partnership of a written agreement by or on behalf of the Covered Person to repay such amount if it shall be finally determined that the Covered Person is not entitled to be indemnified as authorized in this Agreement.

B. Without limiting Section 10.7A, the Partnership shall not be obligated pursuant to this Agreement:

(i) to indemnify or advance expenses to a Covered Person with respect to a Claim (or part thereof) initiated by such Covered Person, except with respect to a Claim brought to establish or enforce a right to indemnification (which shall be governed by the provisions of Section 10.3), unless such Claim (or part thereof) was authorized or consented to by the Managing Partner;

(ii) to indemnify a Covered Person for any expenses incurred by such Covered Person with respect to any Claim instituted by the Covered Person to enforce or interpret this Agreement, unless the Covered Person is successful in establishing the Covered Person's right to indemnification in such Claim, in whole or in part, or unless and to the extent that the court in such Claim shall determine that, despite the Covered Person's failure to establish such Person's right to indemnification, the Covered Person is entitled to indemnity for such expenses; provided, however, that nothing in this Section 10.7B(ii) is intended to limit the Partnership's obligation with respect to the advancement of expenses to the Covered Person in connection with any such Claim instituted by the Covered Person to enforce or interpret this Agreement;

(iii) to indemnify a Covered Person in connection with Claims involving the enforcement of non-compete and/or non-disclosure agreements or the non-compete

and/or non-disclosure provisions of employment, consulting or similar agreements such Covered Person may be a party to with the Partnership, or any subsidiary of the Partnership or any other applicable foreign or domestic corporation, partnership, joint venture, trust or other enterprise, if any;

(iv) to indemnify a Covered Person for amounts indemnified by the Partnership other than pursuant to this Agreement and amounts paid pursuant to policies of directors and officers liability or other insurance;

(v) to indemnify a Covered Person in respect to remuneration paid to the Covered Person if it shall be determined by a final judgment or other final adjudication that such remuneration was in violation of law; or

(vi) to indemnify a Covered Person if a final adjudication by a court having jurisdiction in the matter shall determine that such indemnification is not lawful.

10.8 Non-Exclusivity.

The indemnification and advancement of expenses provisions set forth in this Agreement shall not be exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any statute, the Missouri Limited Partnership Act, the Missouri Partnership Act, the Certificate of Limited Partnership, this Agreement, any other agreement, a vote of General Partners, a policy of insurance or otherwise, and shall not limit in any way any right which the Partnership may have to make additional indemnification with respect to the same or different Persons or classes of Persons, as determined by the Managing Partner. The indemnification and advancement of expenses set forth in this Agreement shall continue as to a Person who has ceased to be a Covered Person and shall inure to the benefit of the heirs, executors, administrators, successors and assigns of such a Person.

10.9 Insurance.

The Partnership may purchase and maintain insurance to cover claims against the Covered Persons in such capacity, or arising out of their status as Covered Persons, whether or not the Partnership would have the power to indemnify them against such liability under this Article Ten.

10.10 Settlement.

The Partnership shall have no obligation to indemnify a Covered Person under this Agreement for amounts paid in settlement of any Claim without the Partnership's prior written consent, which shall not be unreasonably withheld. The Partnership shall not settle any Claim in any manner that would impose any fine or other obligation on a Covered Person without such Covered Person's prior written consent, which shall not be unreasonably withheld.

ARTICLE ELEVEN
MEDIATION/ARBITRATION

**THIS AGREEMENT CONTAINS THE FOLLOWING
BINDING ARBITRATION PROVISION WHICH MAY BE ENFORCED
BY THE PARTNERSHIP AND THE PARTNERS**

11.1 Mediation/Arbitration.

A. Any controversy, claim or dispute between the Partnership or any of its Affiliates and any Partner or former Partner or between Partners and/or former Partners (individually a “Party” and collectively the “Parties”), including, but not limited to, any controversy, claim or dispute arising out of or relating to any provision of this Agreement or the breach, termination or validity thereof or any breach of an actual or implied contract of employment between the Partnership and a Party, or any claim of unjust or tortious discharge (including any claim of fraud, negligence, or intentional or negligent infliction of emotional distress) or any document or agreement or policy of the Partnership (including, but not limited to, Partnership benefit and retirement plans, Partnership office manuals, Partnership affirmative action plans and Partnership policies), equal opportunity employer plans and policies or any claims or violations arising under the Civil Rights Act of 1964, as amended and effective November 21, 1991, including amendment to 42 U.S.C. 2000e et seq., 42 U.S.C. 1981, the Age Discrimination in Employment Act, 29 U.S.C. 621 et seq., the Fair Labor Standards Act of 1938, 29 U.S.C. 201 et seq., the Rehabilitation Act of 1973, 29 U.S.C. 701 et seq., or of the Missouri Human Rights Act, 213.010 R.S. Mo. et seq., the Missouri Workers Compensation statute or any violation of the Missouri Service Letter Statute, 290.140 R.S. Mo., or any other relevant federal, state, or local statutes or ordinances, also including without limitation, the application, interpretation, performance or enforcement of any right, obligation or fiduciary duty under this Agreement or such other documents and agreements whether arising before or after the date of this Agreement (collectively, a “Dispute”) as to which a Party otherwise would have the right to pursue litigation will be resolved as provided for in this Article Eleven, which shall be the sole and exclusive procedures for the resolution of any Dispute. This Article Eleven shall survive termination of the partnership relationship established by the Agreement. These procedures are for the settlement of Disputes only and are not to be used for disagreements concerning Partnership policy, organization or practice management. Nothing contained in this Section 11.1 is intended to expand any substantive rights any Party may have under other Sections of this Agreement, and any action of the Partnership taken by a vote of the Partners or the Enterprise Leadership Team or by the action of the Managing Partner, when taken in accordance with the terms of this Agreement, shall be final, binding and conclusive as so provided in this Agreement. The Parties intend that the foregoing provisions shall encompass any other statutory and common law rights, obligations or duties, whether or not specifically referred to herein, of a similar or dissimilar nature, which are or may be granted to any Party hereto, by the laws of any state or country in which any Party resides or engages in the business of the Partnership.

B. If any Party has a Dispute with any other Party, then (if discussions among the Parties have failed) such Party and the other Party may have the Dispute mediated by one Person chosen by agreement of such Parties. The mediator, after consultation with the Parties, will determine the mediation procedures to be followed. The fees and expenses of the mediator shall be paid by the Partnership. If no mutual agreement can be reached to mediate or upon the

identity of the mediator, then the Dispute will be settled by binding arbitration under the procedures set forth below.

C. All Disputes that cannot be resolved by mediation will be settled by binding arbitration under the procedures set forth below.

D. Any Party may, if mediation has failed to resolve the Dispute (or if the Parties fail to agree on a mediator), commence arbitration by written notice to the other Party. Thereafter, arbitration shall be conducted in the manner described in Section 11.1F.

E. Except as provided in Section 11.1B, arbitration under the American Arbitration Association (“AAA”) pursuant to the AAA Commercial Arbitration Rules shall be the exclusive remedy for any Dispute. Any Party may apply to the Exclusive Venues for injunctive, specific enforcement or other relief in aid of the arbitration proceedings or to enforce judgment of the award in such arbitration proceeding, but not otherwise. Any award issued by the arbitrators pursuant to these provisions may be entered and enforced in the Exclusive Venues and any other appropriate jurisdiction.

F. The Parties agree among themselves that the arbitration proceedings shall be conducted as follows:

(i) All proceedings conducted shall be deemed private and confidential and shall not be disclosed to the public by either the arbitrators or the Parties to the arbitration. The Parties acknowledge that the Partnership’s administrative offices and the books and records (including accounting data) of the Partnership are all located in the St. Louis, Missouri metropolitan area, and, accordingly, the Parties agree to request that the arbitration proceedings and hearings shall be held in the St. Louis, Missouri metropolitan area (unless otherwise agreed by the Parties or decided by the arbitrators).

(ii) The exclusive award for any Dispute shall be recovery of compensatory damages (that is, damages which compensate a party for actual damages suffered), and each Partner hereby waives any and all other forms of damages including multiple, punitive or exemplary damages, damages for emotional distress, mental anguish or suffering and consequential damages.

(iii) The applicable substantive law of Missouri or the United States (notwithstanding that a Party to a Dispute may be a resident of another state or country), as the case may be, shall be used in rendering any award. Such award shall be final and binding on all Parties and may be entered as a judgment, under seal, and enforced in the appropriate jurisdiction.

11.2 Forum Selection.

If any court or tribunal of competent jurisdiction shall refuse to enforce Section 11.1 or determine a matter is not a Dispute, then, and only then, shall the alternative provisions of this Section 11.2 be applicable. The Partners acknowledge that the Partnership’s administrative offices and the books and records (including accounting data) of the Partnership are all located in the St. Louis, Missouri metropolitan area and, accordingly, the Partners agree that it would be more convenient for, and in the best mutual joint interest of, the Partners and the Partnership that, in the

event of a Dispute, venue for litigation shall be laid exclusively in the Circuit Court of the County of St. Louis, Missouri or in the United States District Court for the Eastern District of Missouri. Such Circuit Court and United States District Court are together referred to as the “Exclusive Venues” for litigation. The Partnership and each Partner agree not to institute any litigation except in the Exclusive Venues and further agree that specific enforcement of this covenant with respect to Exclusive Venues may be awarded to the Partnership and each Partner by means of all available legal or equitable remedies, including, without limitation, a temporary restraining order. The Partnership and each Partner hereby submit to the personal jurisdiction of the Exclusive Venues and waive any requirement for setting bond for a temporary restraining order. The Partnership and each Partner hereby waive any right it or such Partner may have to a jury trial in any litigation brought in accordance with this Agreement.

11.3 Statute of Limitations.

The commencement of arbitration hereunder shall commence within the shorter of (i) five (5) years after the cause of action accrued and (ii) the statute of limitations of the State of Missouri applicable to the commencement of a lawsuit with respect to such cause of action, except no defenses shall be available based upon the passage of time during any mediation conducted pursuant to this Article Eleven. The failure to commence an arbitration within said time period will bar the cause of action.

11.4 Class and Collective Action Waiver. Each Party hereby waives such Party’s right to begin, to become a party to, or to remain a participant in, any group, representative, class, collective or hybrid class/collective action with respect to the business of the Partnership and/or its Affiliates in any court against any other Party. Each Party also waives such Party’s right to commence, to become a party to, or to remain a participant in, any group, representative, class, collective or hybrid class/collective action claim with respect to the business of the Partnership and/or its Affiliates in arbitration or any other forum against any other Party. Each Party agrees that any Dispute with any other Party will be resolved pursuant to mediation and arbitration procedures set forth in this Article 11. Each Party agrees that this provision does not limit such Party’s right to initiate an action in state or federal court challenging the enforceability of the waiver set forth in this Section 11.4.

11.5 Other Agreements.

Notwithstanding anything to the contrary contained in any other document or agreement requiring arbitration, including, but not limited to, Form U-4, signed by any Party, the Parties agree that if the matter in controversy is, in whole or in part, a Dispute, then the provisions of this Article shall control such arbitration.

ARTICLE TWELVE GENERAL PROVISIONS

12.1 Appointment of Attorneys-in-Fact.

A. Each Partner, by the execution hereof, hereby irrevocably constitutes and appoints the Managing Partner as such Partner’s true and lawful attorney-in-fact, with full power and authority in such Partner’s name, place and stead, to execute or acknowledge (on behalf of such Partner and/or the Partnership) under oath, deliver, file and record at the appropriate public

offices such documents as may be necessary or appropriate to carry out the provisions of this Agreement including:

- (i) All certificates and other instruments (including this Agreement or any certificate of limited partnership or certificate of limited liability partnership and any amendment thereof) which the Managing Partner deems appropriate to qualify or continue the Partnership as a registered limited liability limited partnership under the Missouri Limited Partnership Act and the Missouri Partnership Act (or a partnership in which the Partners will have limited liability comparable to that provided by the Missouri Limited Partnership Act and the Missouri Partnership Act) or under the laws of any other jurisdiction in which the Partnership may conduct business;
- (ii) All amendments to this Agreement (subject to Section 4.2B hereof) or any certificate of limited partnership or any certificate of limited liability partnership which are required to be filed or which the Managing Partner deems to be advisable to file;
- (iii) All instruments which the Managing Partner deems appropriate to reflect a change or modification of the Partnership in accordance with the terms of this Agreement;
- (iv) All conveyances and other instruments which the Managing Partner deems appropriate to reflect the dissolution and termination of the Partnership; and
- (v) All other instruments, documents or contracts (including, without limiting the foregoing, any deed, lease, mortgage, note, bill of sale, contract, trust agreement, guarantee, partnership agreement, indenture, underwriting agreement or any instrument or documentation which may be required to be filed (or which the Managing Partner deems advisable to file) by the Partnership under the laws of any state or by any governmental agency) requisite to carrying out the intent and purpose of this Agreement and the business of the Partnership and its Affiliates.

B. The appointment of the Managing Partner by each Limited Partner and Subordinated Limited Partner as the true and lawful attorney-in-fact of such Limited Partner or Subordinated Limited Partner, as the case may be, shall be deemed to be a power coupled with an interest in recognition of the fact that each of the Partners under this Agreement will be relying upon the power of the Managing Partner to act as contemplated by this Agreement in any filing and other action by the Managing Partner on behalf of the Partnership. The foregoing power of attorney shall survive the death, disability or incompetency of a Partner or the assignment by any Partner of the whole or any part of such Partner's interest hereunder.

12.2 Word Meanings.

The words such as "herein", "hereinafter", "hereof", and "hereunder" refer to this Agreement as a whole and not merely to a subdivision in which such words appear unless the context otherwise requires. The singular shall include the plural and the masculine gender shall include the feminine and neuter, and vice versa, unless the context otherwise requires.

12.3 Binding Provisions.

The covenants and agreements contained herein shall be binding upon, and inure to the benefit of the heirs, executors, administrators, successors and assigns of the respective parties hereto.

12.4 Applicable Law.

This Agreement shall be construed and enforced in accordance with the laws of the State of Missouri.

12.5 Counterparts.

This Agreement may be executed in several counterparts, all of which together shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the same counterpart, except that no counterpart shall be binding unless signed by the Managing Partner.

12.6 Entire Agreement.

This Agreement contains the entire agreement between the parties and supersedes all prior writings or representations.

12.7 Separability of Provisions.

Each provision of this Agreement shall be considered separable and if for any reason any provision or provisions hereby are determined to be invalid or unenforceable such validity or unenforceability shall not impair the operation of or affect any other portion of this Agreement and this Agreement shall be construed in all respects as if such invalid or unenforceable provision was omitted.

12.8 Representations.

Each Person who becomes a Limited Partner or a Subordinated Limited Partner hereunder does hereby represent and warrant by the signing of a counterpart of this Agreement or an amendment to this Agreement that the Partnership interest acquired by such Partner was acquired for such Partner's own account, for investment only, not for the interest of any other Person and not for resale to other Persons or for further distribution. The Managing Partner has not made and hereby makes no warranties or representations other than those specifically set forth in this Agreement.

12.9 Section Titles.

Paragraph titles are for descriptive purposes only and shall not control or alter the meaning of this Agreement as set forth in the text.

12.10 Partition.

The Partners agree that the Partnership's assets are not and will not be suitable for partition. Accordingly, each of the Partners hereby irrevocably waives any and all right such Partner may have to maintain any action for partition of any of the Partnership's assets.

12.11 No Third Party Beneficiaries.

This Agreement is made solely and specifically for the benefit of the Partners and their respective successors and permitted assigns, and no other Person whatsoever shall have any rights, interests or claims hereunder or be entitled to any benefits hereunder or on account of this Agreement as a third party beneficiary or otherwise.

12.12 Amendments.

In addition to the amendments otherwise authorized herein, this Agreement may be amended, from time to time, without the consent or approval of (and without prior notice to) any Limited Partner, Subordinated Limited Partner or Service Partner, by the Managing Partner or by the affirmative vote of General Partners holding an aggregate of at least a majority of the total General Partner Percentages. In particular, but without limiting the foregoing, the interests of the Limited Partners, the Subordinated Limited Partners and the Service Partners in the Net Income or the Proceeds of Liquidation of the Partnership or in any other allocation or distribution to be received by them from the Partnership pursuant to Article Eight hereof or otherwise may be reduced or increased or otherwise modified in accordance with this Section 12.12 without the consent or approval of (and without prior notice to) any Limited Partner, Subordinated Limited Partner or Service Partner.

12.13 Revocable Trusts.

Notwithstanding anything to the contrary herein contained, it is recognized that certain of the Partners are not individuals but are revocable trusts ("Trusts"), the grantors of which ("Grantors"), except for the transfer of their partnership interests to (or the designation of) such Trusts created by them, would be the Partners. Thus, when used herein the phrases "General Partner", "Limited Partner", "Partner" or "Subordinated Limited Partner" shall be deemed, when the context hereof so requires (such as, without limiting the generality of the foregoing, death, disability or withdrawal of a Partner, gross negligent conduct of a General Partner, a General Partner receiving a guaranteed payment for services rendered, General Partner required submission of tax returns, sale by a General Partner of Retiring Interests after such General Partner's 56th birthday) to be a reference to the Grantor of such Trust. In addition, to the extent that any General Partner has obligations or liabilities imposed upon such General Partner pursuant to this Agreement, then, if such General Partner is a Trust, such General Partner, by such General Partner's signature hereto (and the Grantor of such Trust by such Grantor's signature hereto), hereby agrees that said obligations and liabilities are also obligations and liabilities of such Grantor. For the avoidance of doubt, no Trust may hold a Service Partner Interest.

IN WITNESS WHEREOF, the undersigned has executed this Twenty-First Amended and Restated Agreement of Registered Limited Liability Limited Partnership effective as of the day and year first written above.
