Dear Mr. Gyska:

We have reviewed your filings and have the following comments. In our comments, we ask you to provide us with information to better understand your disclosure. Where a comment requests you to revise disclosure, the information you provide should show us what the revised disclosure will look like and identify the annual or interim filing, as applicable, in which you intend to first include it. If you do not believe that revised disclosure is necessary, explain the reason in your response. After reviewing the information provided, we may raise additional comments and/or request that you amend your filing.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

General

1. Please note that we intend to review the Part III information that is incorporated by reference into your Form 10-K when it is filed. We may have further comments after reviewing that Part III information, and we will not be able to clear our review of your filing until we have the opportunity to resolve any resulting comments.

Patents and Proprietary Technology, page 8

2. Please expand this section to identify all your material patents, the products or technologies to which they relate, the related expiration dates and the jurisdictions that issued them. Please include in your discussion the patents that are the subject of your Legal Proceedings disclosure beginning on page 35 as well as all other material patents. Provide the same information for material owned and in-licensed patents and indicate if the patents are owned or licensed.

Significant Alliances, page 14

3. To the extent that you have collaborations that are described in this section of your filing and you have not filed the related agreements as exhibits, please file the agreements as exhibits; or, alternatively, provide a substantive analysis as to each collaborative agreement explaining why the agreement does not need to be filed as an exhibit pursuant to Item 601 of Regulation S-K.
4. Please expand your discussion of the two license agreements between your company and Novartis Pharma AG to include the material terms of those agreements, as you have in your discussions of your other significant alliances, including, but not limited to: upfront payments, milestones payments, ongoing royalty rates, all material benefits and obligations of both parties, duration and termination.

Notes to Consolidated Financial Statements

Note 18: Income Taxes, page 106

5. You disclose the existence of a tax holiday in Switzerland that exempts you from most Swiss income taxes. Please revise your disclosure to indicate the aggregate dollar and per share effects of this tax holiday. Otherwise, please explain to us why this tax holiday is not material. Please see SAB 11:C.
