Notes to Financial Statements

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Westco Investment Corp. (the "Company") began operations in 1986. The Company is a full-service broker dealer and a member of the Financial Industry Regulatory Authority (FINRA) and the Securities Investors Protection Corporation (SIPC). The Company is located in the State of New York and is licensed to do business in New York.

Cash and Cash Equivalents

For the statement of cash flows, the Company includes cash on deposit and cash on hand with original maturities less than three months to be cash equivalents.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair value in the statement of financial position. Unrealized gains and losses are included in the statement of income.

Furniture, Fixtures, and Equipment

Furniture, fixtures, and equipment are carried at cost and depreciated on an accelerated method with a useful life of five to seven years.

Certain Significant Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities, and reported revenue and expenses. Actual results could vary from the estimates that were assumed in preparing the financial statements.

Revenue Recognition

On October 1, 2018, the Company adopted ASU 2014-09 *Revenue from Contracts with Customers* and all subsequent amendments to the ASU (collectively, "ASC 606"), which creates a single framework for recognizing revenue from contracts with customers that fall within its scope.

Revenue is measured based on a consideration specified in a contract with a customer. The Company recognizes revenue when it satisfies a performance obligation by transferring control over goods or service to a customer. Services within the scope of ASC 606 include the following:

Westco Investment Corp.

Notes to Financial Statements

September 30, 2024

Mutual Fund and 12b1 Fees

Mutual Funds or pooled investment vehicles (collectively, "funds") have entered into agreements with the Company to distribute/sell its shares to investors. Fees are paid up front and over time (12b-1 fees) on the basis of a contractual rate applied to the monthly or quarterly market value of the fund (that is, net asset value [NAV]), the fund may also pay, upon investor exit from the fund (that is, a contingent deferred sales charge [CDSC]), or as a combination thereof. Revenue is recognized monthly as services are provided.

Financial Instruments – Credit Losses

In accordance with FASB ASU No. 2016-13, "Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments," the ASU adds to U.S. GAAP an impairment model (known as the current expected credit loss ("CECL") model) that is based on expected losses rather than incurred losses. The Company must recognize as an allowance, its estimate of lifetime expected credit losses, which the FASB believes will result in more timely recognition of such losses, if any. A broker-dealer's estimate of expected losses should consider the expected risk of credit loss even if that risk is remote, regardless of the method applied to estimate credit losses.

A broker-dealer, however, is not required to measure expected credit losses on a financial asset (or group of financial assets) in which historical credit loss information adjusted for current conditions and reasonable and supportable forecasts results in an expectation that nonpayment of the amortized cost basis is remote. For financial assets measured at amortized cost (i.e. cash), the Company has concluded that there are no expected credit losses based on the nature or expected life of the financial assets and immaterial historic or expected losses.

Marketable Securities

The Company classifies marketable securities, which consists of investments in marketable equity securities, as "trading securities." Under this classification, investments are stated at fair value.

	Costs	Unrealized Gains	Unrealized Losses	Fair Value
Equity Securities	<u>\$ 102,654</u>	<u>\$ 58,073</u>	<u>\$ 0</u>	<u>\$ 160,727</u>

Note 2 - INCOME TAXES

The Company accounts for income taxes under Accounting Standards Codification 740, Income Taxes "ASC 740". ASC 740 requires the recognition of deferred tax assets and liabilities for both the expected impact of differences between the financial losses and the tax basis of assets and liabilities for both the expected future tax benefit to be derived from tax losses and tax credit carry forwards. ASC 740 additionally requires the establishment of a valuation allowance to reflect the likelihood of realization of deferred tax assets. Internal Revenue Code Section 382 "IRC 382" places a limitation on the amount of taxable income that can be offset by carry forwards after a change in control (generally greater than a 50% change in ownership).

Westco Investment Corp.

Notes to Financial Statements

September 30, 2024

The table below summarizes the differences between the Company's effective tax rate and the statutory federal rate as follows for the period ended September 30, 2024:

	<u>2023</u>
Statutory federal rate	21.00%
State tax	7.00%
Effective tax rate	<u>28.00%</u>

Deferred tax assets and liabilities are provided for significant income and expense items recognized in different years for tax and financial reporting purposes. The components of the net deferred tax liability for the year ended September 30, 2024 was as follows:

	<u>2024</u>
Unrealized gain on securities owned	\$ 58,073
Deferred tax liability	<u>\$ 16,260</u>

The provision for income taxes for the year ended September 30, 2024 is \$1,429. \$1,429 is current and consists of \$1,066 in Federal income tax and \$363 in State income tax. The Company increased its deferred provision by \$10,560 to \$16,260.

Note 3 - CREDIT RISK

The Company has a substantial portion of its cash located in banks, which are insured for only \$250,000 through FDIC insurance. Concentration of a credit risk is inherent, when failure of the bank could result in the Company being able to recoup only a portion of its cash. Although at September 30, 2024, deposits did not exceed the \$250,000 FDIC limit, the possibility exists that cash deposits can go above the federally insured limit.

Note 4 - FAIR VALUE MEASUREMENT

The Financial Accounting Standards Board's Accounting Standards Codification ("FASB ASC") defines fair value as the price that would be received upon sale of an asset or paid upon transfer of liability in orderly transaction between market participants at the measurement date and in the principal or most advantageous market for the asset or liability. The fair value should be calculated based on assumptions that market participants would use in pricing the asset or liability, not on assumptions specific to the entity.

The FASB ASC specifies a hierarchy of valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (observable inputs). In accordance with the codification under GAAP, the following summarizes the fair value hierarchy:

Level 1 Inputs - Unadjusted quoted market prices for identical assets and liabilities in an active market that the Company has the ability to access.

Level 2 Inputs - Inputs, other than the quoted prices in active markets that are observable either directly or indirectly.

Level 3 Inputs - Inputs based on prices or valuation techniques that are both unobservable and significant to the overall fair value measurements.

Westco Investment Corp.

Notes to Financial Statements

September 30, 2024

The FASB ASC requires the use of observable market data, when available, in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement.

	Level 1	Level 2	Level 3	Total

Note 5 - FIXED ASSETS

Fixed assets at September 30, 2024, consist of the following:

Furniture fixtures, and equipment	\$ 30,951
Less accumulated depreciation	<u>30,951</u>
Book value	<u>\$ -0-</u>

Note 6 - TRANSACTIONS WITH RELATED PARTIES

The Company leases its office space from a related party. There is no lease commitment and rent is paid on a monthly basis. Rent expense under this arrangement for the year ended September 30, 2024 was \$6,000, which includes \$0 due as of September 30, 2024.

Westco Investment Corp. shares the same office space with three other related entities. Each entity pays their share of expense based on a percentage of use. These percentages are determined by the actual usage of the space and the employees' time spent working for the entity.

Note 7 - SIMPLE RETIREMENT PLAN

The company has established a cash or deferred arrangement SIMPLE IRA retirement plan. The plan matches 100% of employee contributions, up to 3% of gross pay. For the year ending September 30, 2024 employer expense was \$496.

Westco Investment Corp.

Notes to Financial Statements

September 30, 2024

Note 8- NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member
of Westco Investment Corp

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report pursuant to SEC Rule 17a-5, in which (1) Westco Investment Corp (the Company) did not claim an exemption under paragraph (k) of 17 C.F.R. §240.15c3-3, and (2) the Company is filing this Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to effecting private placement securities transactions via subscriptions on a subscription wat basis where the funds are payable to the issuer or its agent and not to the Company. The Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers (other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company); did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year ended September 30, 2024 without exception.

Westco Investment Corp's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Westco Investment Corp's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. §240.17a-5, and related SEC Staff Frequently Asked Questions.
