Independent Auditors' Report

Plan Administrator
IMC-Agrico MP, Inc.
Profit Sharing and Savings Plan

We have audited the accompanying statement of net assets available for benefits of the IMC-Agrico MP, Inc. Profit Sharing and Savings Plan as of December 31, 1999, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of the Plan as of December 31, 1998, were audited by other auditors whose report dated May 7, 1999, expressed an unqualified opinion on those statements.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 1999, and the changes in net assets available for benefits for the year then ended in conformity with generally accepted accounting principles.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of assets held for investment purposes as of December 31, 1999; and loans or fixed income obligations and reportable transactions for the year ended December 31, 1999, respectively, are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management.

The supplemental schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

1. **Description of the Plan**

Effective January 1, 1998, the Investment Plan for Salaried Employees of IMC-Agrico MP, Inc. was amended, restated and renamed the IMC-Agrico MP, Inc. Profit Sharing and Savings Plan (the Plan). Also on January 1, 1998, the Investment Plan for Non-Union Hourly Employees of IMC-Agrico MP, Inc. was merged into the Plan.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan which was established on July 1, 1993. Employees of IMC-Agrico MP, Inc. (the Company), managing partner of IMC-Agrico Company and jointly owned by IMC Global Operations Inc. and Phosphate Resource Partners, Limited Partnership, are eligible to participate in the Plan immediately upon their date of hire. While the Company has not expressed any intent to terminate the Plan, it is free to do so at any time. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan is funded by contributions from participants in the form of payroll deductions/salary reductions of up to 15% of participants' base monthly salaries, not to exceed \$10,000 in 1999 and 1998. A participant may change the amount of payroll deduction/salary reduction at any time. The Plan provides a qualified cash and deferred arrangement within the meaning of section 401(k) of the Internal Revenue Code (the IRC). Salary reduction contributions, elected by certain participants, may be reduced (or refunded) to comply with certain nondiscrimination requirements of section 401(k) or the limitations of section 415 of the IRC. In addition, the Plan is also funded by Company matching contributions, as determined by the Company's Board of Directors which are subject to certain limitations imposed by section 415 of the IRC. Company matching contributions were equal to 100% of the first 3 %, and 50% of the second 3% of participants' eligible contributions for the year ended December 31, 1999 and 1998. The Company may also make a profit-sharing contribution, subject to certain limitations and requirements. All or any portion of the profit-sharing contributions that will be applied to the Company Stock Fund may be in the form of cash or shares of IMC Global, Inc. common stock. Generally, a participant must be employed on the last day of the Plan year to be eligible for profit-sharing contributions.

1. **Description of the Plan (continued)**

Except as noted below, participants will receive distribution of their interest in the Plan in a lump-sum payment.

Deferred Distributions

Participants who terminate their employment and are eligible for early or normal retirement under any Company pension plan will be permitted to elect, at any time prior to retirement, to defer receipt of their Plan distributions until no later than their 70th birthday. 2. **Summary of Significant Accounting Policies (continued)**

Income Recognition

Contributions

Contributions from participants are recorded monthly. Matching contributions by the Company are made monthly based on the minimum contribution percentage required by the Plan. Any profit-sharing contributions by the Company are accrued when approved by its Board of Directors.

Actual results could differ from those estimates.

New Accounting Pronouncement

Certain amounts in the Plan's 1998 financial statements have been reclassified to conform to the 1999 financial statement presentation as a result of adopting SOP 99-3, *Accounting for and Reporting of Certain Defined Contribution Plan Investments and other Disclosures Matters*, in 1999.
