The undersigned registrant hereby undertakes:

(A) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (1) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (2) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;
- (3) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided however, that paragraphs 1 and 2 do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(B) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(D) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(E) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant, pursuant to the provisions described in Item 6, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that the claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue. The foregoing undertaking shall not apply to indemnification which is covered by insurance.

Re: Form S-8 Registration of YOCREAM International, Inc.
Amendment No. 2 to the 2000 Stock Option Plan

Ladies and Gentlemen:

This firm is special counsel to YOCREAM International, Inc., an Oregon corporation (the "Company"), and in that capacity we have assisted in the preparation of certain documents, including the Company's Registration Statement on Form S-8 (the "Registration Statement"), relating to the registration and issuance of 200,000 shares of the Company's common stock ("Shares") in accordance with the Company's 2000 Stock Option Plan (the "Plan").

In the course of our representation described above, we have examined the Plan, the Registration Statement as prepared for filing with the Securities and Exchange Commission, and related documents and correspondence. We have reviewed the Restated Articles of Incorporation and Bylaws of the Company, as amended to date, and excerpts from minutes of certain meetings of the Board of Directors and of the shareholders of the Company. We have received from the officers of the Company certificates and other representations concerning certain factual matters relevant to this opinion. We also have received certificates from, and have made inquiries of public officials in those jurisdictions in which we have deemed it appropriate.

As to matters of fact, we have relied upon the above certificates, documents and investigation. We have assumed without investigation the genuineness of all signatures, the authenticity and completeness of all documents submitted to us as originals and the conformity to authentic and complete original documents of all documents submitted to us as certified or photostatic copies.

Based upon and subject to all of the foregoing, we are of the opinion that:

The Shares have been validly authorized, and when (i) the Registration Statement becomes effective; (ii) the applicable provisions of the Securities Act of 1933, as amended, and such state securities laws as may be applicable have been complied with; and (iii) the Shares have been delivered against payment therefor as contemplated by the Registration Statement and the Plan, the Shares will be validly issued, fully paid and non-assessable.

Regardless of the states in which members of this firm are licensed to practice, this opinion is limited to the present laws of the State of Oregon and the United States of America and to the facts bearing on this opinion as they exist on the date of this letter. We disclaim any obligation to review or supplement this opinion or to advise you of any changes in the circumstances, laws or events that may occur after this date or otherwise update this opinion.

This opinion is provided to you as a legal opinion only, and not as a guaranty or warranty of the matters discussed herein. Our opinion is limited to the matters expressly stated herein, and no other opinions may be implied or inferred.

This opinion is solely for your information and is not to be quoted in whole or in part or otherwise referred to, nor is it to be filed with any governmental agency or other person, without our prior written consent.

We hereby consent to the filing of this opinion with the Securities and Exchange Commission as an exhibit to the Registration Statement. In giving this consent, we do not admit that we are within the category of persons whose consent is required under Section 7 of the Act or the General Rules and Regulations of the Commission.

Very truly yours,

FOSTER PEPPER TOOZE LLP
