Amendment No. 1 to
Preliminary Proxy Statement on Schedule 14A
Filed January 20, 2009
File No. 000-22374**

Dear Mr. Brolly:

We have limited our review of your filing to those issues we have addressed in our comments. Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Amendment No. 1 to Preliminary Proxy Statement on Schedule 14A

1. As noted in our previous comment #2, Item 13 of Schedule 14A requires you to include financial information in your proxy statement if you are seeking authorization to issue common or preferred stock under certain circumstances.

We note that you still have not included financial information in your proxy statement.

Please explain to us why you believe financial statements are not material in connection with issuing the warrants to purchase common stock. See Note A to Schedule 14A and Instruction 1 to Item 13(a) of Schedule 14A.

2. Please discuss how your participation in the Capital Purchase Program may require you to expand your board of directors to accommodate Treasury Department appointments to it.
3. Please discuss how your participation in the Capital Purchase Program may require you to register for resale securities you have issued to the Treasury Department.
4. We note your disclosure on page 5 regarding earnings per share dilution; please quantify this dilution as of a recent date or refer shareholders to your pro forma calculations.

Closing Comments

As appropriate, please amend your filing and respond to these comments. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and

- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
