Schedule TO-I/A filed October 25, 2023; Offer to Purchase

Important, page i

1. We note your response to prior comment 1 and your revised disclosure that "the Company intends to issue new securities that will be assigned a similar amount of equity content as is assigned to any repurchased securities in order to maintain the Company's balance sheet strength." Please expand your response to describe any planned issuances of securities, with a view to explaining more specifically (beyond "maintaining the balance sheet") why the Company is repurchasing these securities with the intent to issue "a similar amount of equity content" thereafter. Refer to paragraphs (a) and (c) of Item 1006 of Regulation M-A.

We remind you that the filing persons are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
