DFAN14A filing made on April 1st, 2015 | Exhibit 1 – Investor Presentation

1. Slide 7 presents multiple possible valuations for the issuer Select Comfort Corporation based on the occurrence or non-occurrence of three separate events. SEC Release 34-16833 (May 23, 1980) indicates that valuation claims included in proxy material must be made "in good faith and on a reasonable basis and [be] accompanied by disclosure which facilitates shareholders' understanding of the basis for and the limitations on the projected realizable values." Slide 7 fails to include any disclosure regarding the assumptions, qualifications or limitations of the participants' assertions on this slide presentation. Please provide us with the basis for the three different share price estimates. In addition, please confirm that the next solicitation subject to becoming a publicly-filed communication will include the basis for such estimate in accordance with the cited interpretive release, or advise.
