## Risk Considerations

It is important for you to understand that this offering summary does not contain all of the material information an investor should consider before investing in the Auto-Callable Trigger PLUS, including a more complete description of the risks relating to the Auto-Callable Trigger PLUS. This offering summary is not for distribution in isolation and must be read together with the accompanying free writing prospectus.

### ***Risks Relating to the Structure or Features of the Auto-Callable Trigger PLUS***

- Auto-Callable Trigger PLUS do not pay interest and may result in a loss.
- If the Auto-Callable Trigger PLUS are called prior to maturity, the appreciation potential of the Auto-Callable Trigger PLUS is limited by the early redemption payment.
- The Auto-Callable Trigger PLUS may be called prior to the maturity date.
- The amount payable on the Auto-Callable Trigger PLUS is not linked to the level of the underlying index at any time other than on the valuation date.
- Investing in the Auto-Callable Trigger PLUS is not equivalent to investing in the securities included in the underlying index.

### ***General Risk Factors***

- Credit risk of HSBC USA Inc.
- The estimated initial value of the Auto-Callable Trigger PLUS, which will be determined by us on the pricing date, is expected to be less than the price to public and may differ from the market value of the Auto-Callable Trigger PLUS in the secondary market, if any.
- The price of your Auto-Callable Trigger PLUS in the secondary market, if any, immediately after the pricing date is expected to be less than the price to public.
- If HSBC Securities (USA) Inc. were to repurchase your Auto-Callable Trigger PLUS immediately after the original issue date, the price you receive may be higher than the estimated initial value of the Auto-Callable Trigger PLUS.
- The Auto-Callable Trigger PLUS will not be listed on any securities exchange and secondary trading may be limited.
- The market price will be influenced by many unpredictable factors.
- The calculation agent, which is HSBC or one of its affiliates, will make determinations with respect to the Auto-Callable Trigger PLUS.
- Hedging and trading activity by our affiliates could potentially adversely affect the value of the Auto-Callable Trigger PLUS.
- The Auto-Callable Trigger PLUS are not insured or guaranteed by any governmental agency of the United States or any other jurisdiction.
- The U.S. federal income tax consequences of an investment in the Auto-Callable Trigger PLUS are uncertain.

## Tax Considerations

You should review carefully the discussion in the accompanying free writing prospectus under the caption “Additional Information About the Auto-Callable Trigger PLUS —Tax considerations” concerning the U.S. federal income tax consequences of an investment in the Auto-Callable Trigger PLUS, and you should consult your tax adviser.
