* We expect that delivery of the Notes will be made against payment for the securities on or about the Settlement Date set forth above, which is expected to be the fourth business day following the Trade Date of the Notes. Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in three business days, unless the parties to that trade expressly agree otherwise. Accordingly, purchasers who wish to trade Notes on the Trade Date will be required to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement and should consult their own advisors. The Fixed Rate Notes offered hereunder will not be listed on any U.S. securities exchange or automated quotation system. We have appointed HSBC Securities (USA) Inc., an affiliate of HSBC, as the agent for the sale of the Notes. We or one of our affiliates will act as calculation agent with respect to the Notes. Wells Fargo Bank, National Association will act as trustee. The paying agent will be HSBC Bank USA, N.A. Neither the U.S. Securities and Exchange Commission (the "SEC") nor any state securities commission has approved or disapproved of the Notes or passed upon the accuracy or the adequacy of this document, the accompanying prospectus, prospectus supplement or Fixed Rate Underlying Supplement.
