- (1) Calculated using 151,391,296 shares of common stock outstanding as of August 8, 2002. In calculating this amount, we treated as outstanding the number of shares of common stock issuable upon conversion of all of the notes currently outstanding. As of the date of this prospectus supplement, \$300 million aggregate principal amount of the debentures was outstanding.
- (2) S.A.C. Capital Associates, LLC also beneficially owns 89,500 shares of common stock.

Investing in the notes and the common stock issuable upon their conversion involves certain risks. See “Risk Factors” beginning on page 6 of the accompanying prospectus.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus supplement or the accompanying prospectus. Any representation to the contrary is a criminal offense.

The date of this prospectus supplement is November 12, 2002.
