SUN INTERNATIONAL NORTH AMERICA, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

A. General

The accompanying consolidated interim financial statements, which are unaudited, include the operations of Sun International North America, Inc. ("SINA") and its subsidiaries. The term "Company", "we", "our" and "us" as used herein includes SINA and its subsidiaries. SINA is a wholly owned subsidiary of Sun International Hotels Limited ("SIHL").

While the accompanying interim financial information is unaudited, our management believes that all adjustments necessary for a fair presentation of these interim results have been made and all such adjustments are of a normal recurring nature. The seasonality of the business is described in Management's Discussion and Analysis of Financial Condition and Results of Operations in SINA's 2001 Form 10-K. The results of operations for the three-month periods presented are not necessarily indicative of the results to be expected for the entire fiscal year ending December 31, 2002.

The notes presented herein are intended to provide supplemental disclosure of items of significance occurring subsequent to December 31, 2001 and should be read in conjunction with the Notes to Consolidated Financial Statements contained in SINA's 2001 Form 10-K.

B. Trading Cove New York

Through a wholly-owned subsidiary, we own 50% of Trading Cove New York, LLC ("TCNY"), a Delaware limited liability company. In March 2001, TCNY entered into a Development Services Agreement (the "Development Agreement") with the Stockbridge-Munsee Band of Mohican Indians (the "Stockbridge-Munsee Tribe") for the development of a casino project (the "Project") in the Catskill region of the State of New York (the "State"). The Development Agreement was amended and restated in February 2002. The Stockbridge-Munsee Tribe does not currently have reservation land in the State, but is federally recognized and operates a casino on its reservation in Wisconsin and has a land claim pending in the U.S. District Court for the Northern District of New York against the State.

Pursuant to the Development Agreement, as amended, TCNY will provide preliminary funding, certain financing and exclusive development services to the Stockbridge-Munsee Tribe in conjunction with the Project. As compensation for these services, TCNY will earn a fee of 5% of revenues, as defined in the Development Agreement, beginning with the opening of the Project and continuing for a period of twenty years. TCNY has secured land and/or options on approximately 400 acres of property in the Town of Thompson, County of Sullivan (the "County"), of which approximately 333 acres is currently designated for the Project. In February 2002, the Tribe filed a Land to Trust Application with the U.S. Department of the Interior, Bureau of Indian Affairs (the "BIA"), for the Project site properties. Should the BIA approve the Land to Trust Application and the Stockbridge-Munsee Tribe obtain other required approvals,

the land could be taken into trust by the Federal Government on behalf of the Stockbridge-Munsee Tribe for the purpose of conducting Class III Gaming.

In October 2001, the State enacted legislation authorizing up to three Class III Native American casinos in the counties of Sullivan and Ulster and three Native American casinos in western New York pursuant to Tribal State Gaming Compacts to be entered into by the State and applicable Native American tribes (Chapter 383 of the Laws of 2001). In January 2002, a lawsuit was filed in the Supreme Court of the State of New York (Index No. 719-02) by various plaintiffs against New York Governor George Pataki, the State of New York and various other defendants alleging that Chapter 383 of the Laws of 2001 violates the New York State Constitution. Motions to dismiss the litigation were filed in April 2002 and are pending.

In January 2002, the Stockbridge-Munsee Tribe entered into an agreement with the County pursuant to which the Stockbridge-Munsee Tribe will make certain payments to the County to mitigate any potential impacts the Project may have on the County and other local government subdivisions within the County. The payments will not commence until after the opening of the Project.

The Project is contingent upon the receipt of numerous federal, state and local approvals to be obtained by the Stockbridge-Munsee Tribe, including the execution of a Class III Gaming Compact with the State, which approvals are beyond the control of TCNY. We can make no representation as to whether any of the required approvals will be obtained by the Stockbridge-Munsee Tribe.

C. Cash and Short-Term Investments

Cash equivalents at March 31, 2002 included \$16.7 million of reverse repurchase agreements (federal government securities purchased under agreements to resell those securities) under which we had not taken delivery of the underlying securities. These agreements matured during the first week of April 2002.

Short-term investments at March 31, 2002 represent \$5 million of first mortgage notes that we purchased on March 22, 2002. These short-term investments are reflected at their fair value as of March 31, 2002. These first mortgage notes were sold for cash in April 2002.

D. Subordinated Note Receivable

Subordinated note receivable in the accompanying consolidated balance sheet at December 31, 2001 represented a note issued to us in connection with the sale of Resorts Atlantic City in April 2001. On March 22, 2002 this note was paid in full.

E. Statements of Cash Flows

Supplemental disclosures required by Statement of Financial Accounting Standards No. 95 "Statement of Cash Flows" are presented below.

(In thousands of dollars)	Quarter Ended March 31,	
	2002	2001
Interest paid, net of capitalization	\$17,927	\$10,350
Income taxes paid	747	873

F. Comprehensive Income

Comprehensive income is equal to net income (loss) for all periods presented.

G. Commitments and Contingencies:

Litigation

We are defendants in certain litigation. In the opinion of management, based upon advice of counsel, the aggregate liability, if any, arising from such litigation will not have a material adverse effect on the accompanying consolidated financial statements.

H. Income Tax Expense

Realization of future tax benefits related to deferred tax assets is dependent on many factors, including our ability to generate future taxable income. The valuation allowance is adjusted in the period we determine it is more likely than not that deferred tax assets will or will not be realized. We considered these factors in reaching our conclusion to release a portion of the valuation allowance during the first quarter of 2002.

Item 2. Management's Discussion and Analysis of Financial Condition
and Results of Operations

RESULTS OF OPERATIONS - Quarter Ended March 2002 Compared to 2001

Management Fees and Other Income

Management fees and other income in the first quarter of 2002 increased by \$5.7 million over the previous year. We have a fifty percent interest in Trading Cove Associates ("TCA"), a Connecticut general partnership, which receives income pursuant to a relinquishment agreement

related to the Mohegan Sun Casino in Uncasville, Connecticut. We recorded income due from TCA of \$6.3 million during the first quarter of 2002, as compared to income of \$1.5 million in the first quarter of 2001. This increase resulted mainly from a change in the distribution of fees among SINA and SIHL's other consolidated companies. In addition, the first quarter of 2002 included \$5.4 million of fees for services provided to certain unconsolidated affiliated companies, compared to \$4.9 million, for the first quarter of 2001.

Other Income (Expenses)

In the first quarter of 2002, interest income decreased by \$1.6 million from the previous year. In the first quarter of 2001, we earned \$2.1 million of interest on the proceeds from the sale of Resorts Atlantic City, a 644-room casino hotel that we previously owned and sold for \$140 million plus accrued interest. Resorts Atlantic City was recorded as an investment held for sale as of December 31, 2000. The sale closed on April 25, 2001. This decrease was partially offset by an increase in other interest income of \$0.5 million.

Affiliated interest income is comprised of amounts due from Sun International Bahamas, Inc. ("SIB"), a wholly-owned subsidiary of SIHL, outside of SINA's consolidated group. On August 14, 2001, SINA and SIHL, as co-issuers, issued \$200 million 8 7/8% senior subordinated notes due 2011 (the "8 7/8% Notes"). The proceeds were advanced to SIB and were used to pay down borrowings by SIB on a revolving credit facility, under which SINA, SIHL and SIB are co-borrowers. The advance of proceeds to SIB is reflected as due from affiliate non-current in the accompanying consolidated balance sheets. We earn interest from SIB on this advance equal to interest expense we incur on the 8 7/8% Notes including amortization of deferred costs.

Interest expense, net in the first quarter of 2002 increased by \$3.3 million as compared to 2001. Interest expense related to the new 8 7/8% Notes issued on August 14, 2001 was \$4.4 million but this was partially offset by a decrease in interest expense related to SINA's share of interest under the revolving credit facility as proceeds from the sale of Resorts Atlantic City were used to pay off borrowings outstanding by SINA under that facility.

Liquidity, Capital Resources and Capital Spending

Our working capital at March 31, 2002 amounted to \$40.2 million, including cash and cash equivalents of \$17.9 million.

On March 22, 2002, we received \$19.0 million as repayment of the \$17.5 million note issued in connection with the sale of Resorts Atlantic City plus accrued interest. Also in March 2002, we purchased \$5 million of first mortgage notes on the open market, which are reflected in the accompanying balance sheet as short-term investments at their fair value as of March 31, 2002. These first mortgage notes were sold for cash in April 2002.

On May 8, 2002, we announced, along with SIHL, as co-issuers, a consent solicitation and tender offer of our \$200 million 9% senior subordinated notes due 2007 (the "9% Notes"). In addition, on May 8, 2002, we announced, along with SIHL, as co-issuers, that we are privately offering approximately \$200 million of additional 8 7/8% senior subordinated notes due 2011 to

“qualified institutional buyers” as defined in Rule 144A under the Securities Act of 1933. The proceeds from that offering would be used to fund the tender offer and any subsequent call redemption of the 9% Notes. See “Item 5. Other Information” in this Form 10-Q for more details. The difference between the amount paid to redeem the 9% Notes and the carrying value of the 9% Notes, along with the write-off of unamortized debt issue cost associated with the 9% Notes, will be recorded as an extraordinary loss in the period that the tender offer and redemption of these notes is completed.

During the next twelve months, we expect the primary source of funds from operations to be income received from TCA pursuant to the relinquishment agreement. In addition, we will continue to earn management fees for services provided to certain of our unconsolidated affiliates. We do not have any immediate plans for significant capital expenditures during the next twelve months.

We are co-borrower, along with SIHL and SIB on a revolving bank credit facility for which the maximum amount of borrowings that may be outstanding is \$200 million. As of March 31, 2002, the outstanding balance on this facility was \$15 million, all of which was drawn by, and is on the balance sheet of SIB. We are currently engaged in discussions with our lenders under this revolving credit facility to increase the amount available under the facility by \$100 million, pursuant to the terms of the facility.

We believe that available cash on hand at March 31, 2002, combined with funds generated from operations and, if required, funds available under our revolving credit facility will be sufficient to finance our cash needs for at least the next twelve months.

New Accounting Pronouncements

In June 2001, the Financial Accounting Standards Board (the “FASB”) issued Statement of Financial Accounting Standard (“SFAS”) No. 142 “Goodwill and Other Intangible Assets” (“SFAS 142”). SFAS 142 is effective for fiscal years beginning after December 15, 2001 with respect to goodwill recognized on an entity's balance sheet as of the beginning of that fiscal year. Under SFAS 142 goodwill will no longer be amortized, but rather tested at least annually for impairment using a fair value based test. A loss resulting from impairment of such goodwill should be recognized as the effect of a change in accounting principal in the initial period of adopting SFAS 142. In subsequent reporting periods, goodwill impairment losses are to be recognized on a separate line item on the income statement included in income from operations. We adopted SFAS 142 beginning January 1, 2002. As a result of the Resorts Atlantic City Sale, all of the goodwill previously recognized by SINA was written off in its entirety in the fourth quarter of 2000. Therefore, this new pronouncement currently has no impact on our consolidated financial statements.

In August 2001, the FASB issued SFAS No. 144, “Accounting for the Impairment or Disposal of Long-Lived Assets” effective for fiscal years beginning after December 15, 2001. For long-lived assets to be held and used, SFAS No. 144 retains the existing requirements to (a) recognize an impairment loss only if the carrying amount of a long-lived asset is not recoverable from its undiscounted cash flows and (b) measure an impairment loss as the difference between

the carrying amount and the fair value of the asset. SFAS No. 144 establishes one accounting model to be used for long-lived assets to be disposed of by sale. We adopted SFAS 144 beginning January 1, 2002. We do not expect that the effect of adopting SFAS No. 144 will have a material effect on our consolidated financial statements.

In April 2002, the FASB issued SFAS No. 145, "Rescission of FASB Statements No. 4, 44, and 64, Amendment of FASB Statement No. 13, and Technical Corrections" ("SFAS 145"). SFAS 145 rescinds FASB Statement No. 4, Reporting Gains and Losses from Extinguishment of Debt ("Statement 4"), and an amendment of that Statement, FASB Statement No. 64, and Extinguishments of Debt Made to Satisfy Sinking-Fund Requirements ("Statement 69"). SFAS 145 also rescinds FASB Statement No. 44, and amends FASB Statement No. 13. SFAS 145 also amends other existing authoritative pronouncements to make various technical corrections, clarify meanings or describe their applicability under changed conditions. The provisions of SFAS 145 related to the rescission of Statement 4 shall be applied in fiscal years beginning after May 15, 2002. Any gain or loss on extinguishment of debt that was classified as an extraordinary item in prior periods presented that does not meet the criteria in APB Opinion 30 for classification as an extraordinary item shall be reclassified.

Under Statement 4, all gains and losses from extinguishment of debt were required to be aggregated and, if material, classified as an extraordinary item, net of related income tax effect. SFAS 145 eliminates Statement 4 and, thus, the exception to applying APB Opinion 30 to all gains and losses related to extinguishments of debt (other than extinguishments of debt to satisfy sinking-fund requirements - the exception to application of Statement 4 noted in Statement 64). As a result, gains and losses from extinguishment of debt should be classified as extraordinary items only if they meet the criteria in APB Opinion 30. Applying the provisions of APB Opinion 30 will distinguish transactions that are part of an entity's recurring operations from those that are unusual or infrequent or that meet the criteria for classification as an extraordinary item.

We believe the adoption of SFAS 145 will require the extraordinary loss on extinguishment of the 9% Notes, which is contingent upon the closing of the tender offering on the 9% Notes, to be reclassified upon adoption of SFAS 145. See "Item 5. Other Information" in this Form 10-Q for more details of the tender offering.

Forward Looking Statements

PART II. - OTHER INFORMATION

Item 5. Other Information

Private Offering of \$200 Million of Senior Subordinated Notes

On May 8, 2002, we announced that we, along with SIHL, as co-issuers, are privately offering approximately \$200 million of additional 8 7/8% senior subordinated notes due 2011 to “qualified institutional buyers” as defined in Rule 144A under the Securities Act of 1933, and pursuant to offers and sales that occur outside the United States in accordance with Regulation S under the Securities Act. The senior subordinated notes will not be registered under the Securities Act or under the state securities laws and, unless so registered, may not be offered or sold except pursuant to an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws. The proceeds from these senior subordinated notes will be used to fund the Tender Offer and Consent Solicitation described below.

Tender Offer and Consent Solicitation

On May 8, 2002, we announced that we, along with SIHL, as co-issuers, are commencing a cash tender offer to purchase any and all of our outstanding 9% Notes due 2007. The tender offer is being made pursuant to an Offer to Purchase and Consent Solicitation Statement (the “Statement”) and a related Letter of Transmittal and Consent, dated May 8, 2002. The tender offer is scheduled to expire at midnight, New York City time, on June 4, 2002, unless extended to a later date or time or earlier terminated. In conjunction with the tender offer, we will be soliciting consents to proposed amendments to the indenture governing the 9% Notes. The proposed amendments would eliminate substantially all of the restrictive covenants and certain events of default from the indenture governing the notes. Holders that tender their notes will be required to consent to the proposed amendments, and holders that consent to the proposed amendments will be required to tender their notes.

Tenders of notes and deliveries of consents made on or prior to 5:00 p.m., New York City time, on Monday, May 20, 2002 (the “Consent Date”), may be withdrawn or revoked at any time on or before the Consent Date. Tenders of notes made after 5:00 p.m., New York City time, on Monday, May 20, 2002, may be withdrawn at any time until midnight, New York City time, on the expiration date for the tender offer, which is currently scheduled to be June 4, 2002.

Subject to conditions specified in the Statement, the total consideration to be paid for each properly delivered consent and validly tendered note received (and not properly revoked) on or prior to 5:00 p.m., New York City time, on Monday, May 20, 2002 and accepted for

payment will be \$1,045.00 per \$1,000.00 of principal amount, plus accrued and unpaid interest. The total consideration for each note tendered includes an early consent premium of \$20.00 per \$1,000.00 of principal amount of notes payable only to those holders that tender their Notes on or prior to 5:00 p.m., New York City time, on Monday, May 20, 2002 (and do not withdraw their tender). Holders who tender their notes after that time but prior to the expiration of the tender offer will receive \$1,025.00 per \$1,000.00 of principal amount of notes validly tendered and accepted for payment, plus accrued and unpaid interest.

The tender offer is conditioned upon the satisfaction of a financing condition, a consent under our existing revolving credit facility, a minimum tender condition, as well as other general conditions. If the tender offer is consummated, we intend promptly thereafter to call for redemption, in accordance with the terms of the indenture governing the notes, all notes that remain outstanding, at the applicable redemption price of \$1,045.00 per \$1,000.00 of principal amount thereof, plus interest accrued to the redemption date.

Subsequent to the pre-qualification of prospective contractors and/or construction managers, the Developer shall conduct a review of proposals for the construction of the Project, and the Developer shall assist the Authority with negotiations prior to the award a construction contract or contracts to the most well-qualified Contractor or Contractors and/or Construction Manager. The Developer shall attempt to secure at least three competitive bids for each contract (subject to the availability of contractors willing to bid on such contract), analyze and compare the bids and present its review and recommendations to the Authority and the PDC for Authority approval. The successful Contractors and/or Construction Manager shall be properly licensed in the State of New York and shall be capable of furnishing a payment and performance bond satisfactory to the Authority to cover the construction for which the Contractor or Construction Manager was retained.

5.3 Contracts; Developer Prohibition. The PDC shall recommend Contractors and/or Construction Manager and the Authority shall have the sole power and authority to enter into a construction management agreement and related contracts, or a general contract for the construction of the Project and in compliance with the Tribe's Preference Ordinance. The Developer shall prepare, for review and approval by the Authority, all required contract documents and agreements necessary for construction of the Project. The Authority shall compensate any Contractors and Construction Manager selected for construction of the Project from its proceeds from the Financing Agreements and, if applicable, other construction financing obtained in connection with the Project. The Developer, its members and their respective Affiliates shall not bid on any aspect of the Project or be awarded any contracts without the express written consent of the Authority (and subject to the disclosure requirements of Section 8.3 of this Agreement).

5.4 Contract Documents. The contract documents ("Contract Documents") shall require the successful Construction Manager or general contractor and all Contractors to be responsible for providing all materials, equipment and labor necessary to construct and equip the Project as necessary,

including site development. The scope of the Contract Documents shall require the Contractors and/or the Construction Manager to construct the Project in accordance with the Plans and Specifications prepared by the Architect, including any changes or modifications thereto approved by the Authority. The Contract Documents shall provide for adequate insurance, appropriate lien waivers, and construction schedules by which milestones, progress payments and late penalties may be calculated.

5.5 Construction Administration. The Developer shall be responsible for all construction contract and construction management administration during the construction phase of the Project, subject to the Authority's overall control. The Developer shall act as the Authority's designated representative to act on behalf of the Authority in accordance with the terms of this Agreement in connection with any construction contracts and/or construction management agreements. The Developer shall have control and charge of any persons performing work on the site of the Project. The Developer shall interpret and decide on matters concerning the performance of any contractor, and/or Construction Manager and the requirements of the Contract Documents. The Developer shall have the authority to reject work that does not conform to the Contract Documents. The Developer shall conduct inspections to determine the date or dates of substantial completion and the date of final completion of each Facility. The Developer shall observe and evaluate or authorize the evaluation of work performed, the review of applications for payment for submission to the Authority and the review and certification of the amounts due the Contractors and/or Construction Manager.

5.6 Progress Payments. The Authority shall make progress payments for construction performed by the Contractors on a periodic basis as payment invoices are approved by the PDC and the Developer. Progress payments for construction shall be funded by the Authority from Construction Financing proceeds. The Authority shall not be required to make progress payments unless the Contractors certify that the work has been performed in accordance with the Plans and Specifications and that the Contractor has satisfied all other conditions for payment set forth in the applicable Contract Documents.

5.7 Selection of Furniture, Trade-Fixtures and Equipment. The Developer and the PDC shall recommend to the Authority vendors for purchase by the Authority, of furniture, trade fixtures and equipment required for the Project.

ARTICLE 6

FUNDING REQUIREMENTS OF THE PROJECT

6.1 Authority's Funding Obligations. Subject to the terms of this Agreement, the Developer agrees to use its best efforts to assist the Authority in the arrangement of the financing for the design, construction, equipping, start-up and working capital for the Project, including the Senior Financing and the Junior Financing as set forth below (collectively, the "Financing Agreements"). The Financing Agreements shall contain provisions consistent with Section 12.4 of this Agreement limiting the recourse of lenders to certain assets of the Authority. The Authority shall, after the closing of the Senior Financing and prior to commencement of construction of the Project, make available or otherwise cause to be established a development fund pursuant to the Financing Agreements into which will be deposited all of the proceeds of the financing (the "Project Fund"). The Project Fund shall be

designated exclusively for performing the Authority's obligations under this Agreement, and for costs for any design and construction agreements entered into, as well as any agreements for the lease or purchase of furniture, trade fixtures and equipment for the construction of the Project and for start-up costs and expenses of the Facilities, all in accordance with this Agreement and the Financing Agreements. The Project Fund shall be used to discharge the Authority's obligations under this Agreement, any and all design, construction or related agreements entered into for the development of the Project, including but not limited to, reimbursement to the Developer of the Developer's Financial Assistance provided to the Tribe and/or the Authority in accordance with Section 6.4 below, acquisition of the Property, consulting and other professional fees, supplies, utility costs, total cost of the development and construction of the Project, landscaping, parking, curb cuts, access enhancement, off-site road improvement, architectural, engineering, contractors fees and costs, furniture, signs, trade fixtures and equipment necessary for implementing the operation of the Project, closing and financing related costs, and interest as provided in the Financing Agreements. Additionally, the initial working capital for the Facilities operations shall be provided from the proceeds of the Financing Agreements. The Tribe and/or the Authority have no obligation to fund any activities related to the Project, including without limitation, Project Costs, except from the proceeds of Developer's Financial Assistance and/or the Financing Agreements.

6.2 The Senior Financing. The Developer agrees to assist the Authority with the Authority's efforts to obtain Bank and/or Bond Financing for the Project (the "Senior Financing") in amounts consistent with the Project Budgets.

In connection with Senior Financing, the Developer will:

- (i) Assist and advise in developing a strategy for the Senior Financing;
- (ii) Identify possible financial sources;
- (iii) Finalize a financing term sheet;
- (iv) As applicable, assist in the preparation of a private placement memorandum or information memorandum to be distributed to a short list of financiers;
- (v) As applicable, distribute the private placement memorandum or information memorandum to a short list of financiers;
- (vi) Assist and advise in making presentations with respect to the financing to potential financiers;
- (vii) Review and assist in evaluating commercial and financial sections of various contracts and agreements and terms of financing with financiers;
- (viii) Advise and assist in selecting the final terms and conditions with financiers and in completing appropriate definitive financing documentation; and provide such other non-financial assistance as the parties deem appropriate.

In connection with the Senior Financing, the Tribe and the Authority will cooperate with the Developer's efforts. Such cooperation shall include: (a) direct contact between the Tribe and the Authority's senior officials, management and advisors and prospective lenders, (b) cooperation in the preparation of an information memorandum or private placement memorandum and other marketing materials, and (c) the hosting, with the Developer, of one or more meetings with prospective lenders. In addition, it is understood and agreed that, upon advice and recommendation of the Developer and with the approval of the Authority, or at the Authority's discretion, the Authority may retain (at the Authority's cost and expense) the services of an investment banker and such other professional advisors as may be necessary for the placement of the Senior Financing.

6.3 The Junior Financing and/or Completion Guarantee. In addition to the Senior Financing, if required by lenders of the Senior Financing (the "Senior Lenders") in order to secure the Senior Financing, on the Effective Date, the Developer will provide or will cause an Affiliate or Affiliates of the Developer to provide up to One Hundred Million (\$100,000,000.00) Dollars of subordinated debt financing (the "Junior Financing") and/or a completion guarantee (the "Completion Guarantee") on the Project subject to terms and conditions acceptable to the Developer. The Junior Financing shall bear an interest rate of Ten Percent (10%) per annum with interest payments only payable monthly in arrears, for a period of seven (7) years after the opening of the Gaming Facility to the general public, and repayment of the principal balance at the end of the seventh year after the opening of the Gaming Facility to the general public. The Completion Guarantee (if any) shall be in the form negotiated by Developer with the Senior Lender and may be in the form, for example, of the completion guarantee entered into by the Developer's Affiliate for the Mohegan Sun Casino development in Connecticut.

Except as set forth in this Section 6.3 and in Section 13.21, the Tribe, the Authority and the Developer agree that this Agreement shall not be construed as implying, any form of commitment by the Developer or any of its Affiliates to participate in or provide any financing (other than the Junior Financing), guarantees (other than the Completion Guarantee) or credit support or to underwrite or publicly distribute securities on behalf of the Tribe or the Authority, or any assurance that any placement efforts will be successful. Notwithstanding anything to the contrary herein, it is understood that the Developer is not undertaking to provide any legal, accounting, or tax advice in connection with its obligations hereunder, and the Tribe and the Authority shall rely solely upon its own experts therefor.

6.4 Developer's Other Funding Obligation. (a) Financial Assistance. The Developer will provide, in accordance with the terms and conditions of this Agreement and as reasonably determined by the parties, financial assistance of up to Ten Million (\$10,000,000.00) Dollars (the "Developer Financial Assistance") as is reasonably necessary to assist the Authority and the Tribe with the following pre-opening and development matters: (i) locating, assessing, negotiating and acquiring the Property, (ii) settlement of the Tribe's New York land claims, (iii) having the Property taken into trust, (iv) negotiation of a Tribal/State Compact, (v) negotiation of a local government agreement, (vii) obtaining federal, state and local approvals and (viii) preliminary preparation of the Property for Project development. The Tribe and the Authority acknowledge that the Developer has incurred and/or accrued expenses of approximately \$800,000 under this Section 6.4 through December 31, 2000. In addition, the Developer will reimburse the Tribe for documented expenses incurred or

accrued by the Tribe through January 31, 2001 in the approximate amount of \$125,000. The above amounts (together with such other additional amounts agreed to by the parties and incurred prior to the execution of this Agreement) shall be included in the total Developer Financial Assistance expended under this Section 6.4. The Developer agrees to provide a portion of Developer's Financial Assistance to the Tribe and/or the Authority to be utilized by them solely for the development purposes set forth in this Section 6.4 based upon an approved budget and accounting controls to be negotiated and agreed to by the parties. The Developer Financial Assistance budget and accounting procedures shall be administered by the PDC or its appointed representatives. Except as set forth in Section 6.4(b) below related to the acquisition of the Property, the Developer's Financial Assistance shall be reimbursed out of the proceeds of the Project financing in accordance with the terms and conditions set forth in the Financing Agreements. The provisions of the previous sentence shall survive any termination of this Agreement. Notwithstanding the above, in the event the Authority does not receive Project financing or the Required Approvals, as contemplated herein, then the Developer's Financial Assistance shall be non-reimbursable. In addition, the Developer may suspend its obligations under this Section 6.4 in the event the Tribe fails to materially perform its obligations set forth in Article 7 of this Agreement.

(b) **The Property.** As part of the Developer's Financial Assistance to the Authority and the Tribe set forth in Section 6.4 (a) above, the Developer on the Effective Date (or such earlier time as the Developer, in its sole discretion, deems appropriate) will contribute the Property at Developer's actual cost and/or funds necessary to acquire the Property in an amount not to exceed Five Million (\$5,000,000.00) Dollars. The amount contributed by the Developer toward the purchase price of the Property will not be reimbursable to the Developer from the proceeds of the financing or otherwise.

ARTICLE 7

OBLIGATIONS OF THE TRIBE

7.1 Land Claim and Project Development. As a condition to the Developer's performance of its obligations hereunder, the Tribe agrees, upon execution of this Agreement, to utilize its best efforts, upon terms and conditions acceptable to the Tribe, to: (a) settle its Land Claims with the State of New York and obtain, as part of that settlement, a Compact containing the right to develop and operate the Facilities on the Property, (b) make application to the United States Department of the Interior for the Property to be taken into trust by the United States for the purposes of permitting the Tribe to develop and operate the Facilities, (c) enter into an agreement with applicable local governing bodies providing for appropriate incentives to permit development of the Project and (d) such other agreements relating to the Project as may be in the Developer's and the Tribe's best interests.

7.2 Establishment of the Authority. Within thirty (30) days of execution of this Agreement, the Tribe shall, in accordance with the Tribe's Constitution and laws, establish the Authority (or such similar instrumentality), which Authority shall remain in existence during the Term of this Agreement. Prior to the establishment of the Authority, or upon abolishment of the Authority without a successor, the Tribe shall have all of the rights and obligations set forth in this Agreement pertaining to the Authority. Upon its establishment, the Authority shall execute and become a party to this Agreement.

7.3 Gaming Disputes Court. Prior to the Effective Date (and in such time so as to

effectuate the Required Approvals), the Tribe shall, in accordance with the Tribe's Constitution and laws, establish a Gaming Disputes Court with jurisdiction to hear disputes related to Gaming at the Facility as well as other disputes related to the operation of the Facility by the Authority and to Gaming generally. In addition, the Gaming Disputes Court shall have jurisdiction to enter orders prohibiting the impairment of contracts and requiring due notice of any proposed changes of any such contracts including, but not limited to, this Agreement and the Financing Agreements. The Gaming Disputes Court shall remain in existence during the Term of this Agreement.

7.4 Tribal Gaming Ordinance. Prior to the Effective Date and continuing during the Term hereof, the Tribe shall adopt and maintain a Tribal Gaming Ordinance to enable the Tribe and the Authority to fulfill its obligations under this Agreement, the Compact and any other applicable law as required by the IGRA, which Ordinance shall be approved by the NIGC. Nothing contained in such Tribal Gaming Ordinance, or actions taken pursuant thereto, shall prejudice or have a material adverse effect upon Developer's rights set forth in this Agreement; including but not limited to, the tribal gaming license requirements of said ordinance applicable to the Developer. This provision is not intended to relieve Developer of its obligations under Section 8.8.

7.5 Approval of this Agreement; Stipulated Declaratory Judgment. (a) The Tribe shall adopt a resolution approving this Agreement and authorizing its execution by the Tribal Council President.

(b) Upon execution of this Agreement by all the parties, the Tribe and the Authority shall file a Complaint with the Tribal Court seeking the entry of a stipulated declaratory judgment upholding the validity and enforceability of this Agreement, the form of which will be mutually agreed to by the Tribe, the Authority and the Developer. The Tribe represents and warrants that the Tribal Court has full authority under the Tribe's Constitution and laws to enter an order upholding the validity and enforceability of this Agreement and the Financing Agreements, and to enter orders prohibiting the impairment of contracts and requiring due notice of any proposed changes of any such contracts including, but not limited to, this Agreement and the Financing Agreements.

ARTICLE 8

ADDITIONAL DUTIES AND OBLIGATIONS OF THE AUTHORITY AND THE DEVELOPER

8.1 Employment of Other Professionals. The Authority, in consultation with the Developer, shall select and employ other professionals, including, without limitation, surveyors, attorneys, accountants and public relations or advertising firms, to perform services required for the Project.

8.2 Progress Reports and Meetings. The PDC shall have monthly meetings (and other meetings as may be needed) to discuss the progress of the Project, including, without limitation, updates to the Project Schedule and Project Budget, any claims or disputes, the status of the work, the administration of the Developer's Financial Assistance budget and accounting procedures and all other relevant items. The Developer shall submit to the Authority monthly progress reports showing the then

present status of design and/or construction of the Project and shall meet with the Authority on a regular basis to review the status of the Project.

8.3 Submission of Contracts. The Developer agrees promptly to submit to the Authority copies of all contracts and subcontracts relating to the Project from time to time received by the Developer and all other documents related to the Project. The Developer, with the assistance of the general contractor and/or the Construction Manager, shall assist the Authority in complying with the terms of, and maintain in full force, all contracts for design or construction of the Project and any surety bonds issued in connection therewith. The Developer shall give the Authority immediate notice of: (i) any fault or defect relating to construction of any Facility; (ii) any known failure of any party to comply with the terms of any contract or bond relating to any Facility, and shall submit to the Authority copies of any correspondence regarding an alleged claim, fault, defect or default by any Person in relation to any contract or agreement relating to any Facility, together with an explanation thereof and proposed corrective steps of nonconformance with the Plans and Specifications. All Contractors that are members or Affiliates of the Developer must disclose said affiliation prior to its execution of any contract related to the Project.

8.4 Permits and Licenses. Except for permitting and licensing requirements of the Tribe, the Developer shall advise the Authority as to all permitting and licensing requirements for the Project, and the Authority shall obtain or cause to be obtained all permits and licenses required for the design, construction, equipping and opening of the Project.

8.5 Maintenance of Records. The Developer, the general contractor and/or the Construction Manager and the Architect, shall maintain on the Property (or at the Developer's offices in Waterford, Connecticut) all books and records in connection with the design, construction, equipping and opening of the Project, together with all documents and papers pertaining to the Project, including, without limitation, general maintenance of such full and detailed accounts as may be necessary for proper financial management of the Project. All such documents shall at all times be open to the inspection of the Authority. Copies of such documents shall be provided to the Authority or the Authority's representative upon completion of each phase of the Project, and the Developer shall cooperate with any audit of such books and records. After the expiration or termination of this Agreement, the Developer shall deliver all such books and records together with all such related documents and papers to the Authority, and the Developer shall be entitled to retain a copy.

8.6 Staffing of Project. (a) The Developer shall have the responsibility to advise the Authority concerning the Authority's selection, retention and training of all initial employees performing regular services in connection with the management, operation and maintenance of the Project on the Completion Date. No later than sixty (60) days prior to the anticipated Completion Date of the Project (or any portion thereof that will be opened for business), the Developer shall submit to the Authority, for its approval, a detailed staffing plan for all personnel necessary to operate the Project (or portion thereof) in a first class manner, which staffing plan shall include, without limitation, organizational charts, a job classification system with job descriptions, salary levels and wage scales (**the "Staffing Plan"**). The Staffing Plan shall be subject to the Authority's review and approval (which approval may be withheld in its sole and absolute discretion) and to compliance with the Tribe's Preference Ordinance.

(b) All prospective employees shall be subject to the Authority's approval, which approval

may be withheld in the Authority's sole and absolute discretion. All Key Personnel and any and all other employees as required by the Director of Regulation of the Authority shall be subject to background checks to be performed by the Authority (and the Authority shall have the right to reject any candidate for any position based on the results thereof). In order to maximize the benefits of the Project to the Tribe and the Authority, the Tribe's Preference Ordinance shall apply to the recruitment and training of candidates for employment by the Authority, to the extent such preference is consistent with applicable law in all job categories of the Project, including, without limitation, management positions. The Developer shall, pursuant to the direction of the Authority, supervise all activities determined necessary by the Authority to recruit and train Tribal members, and other qualified persons who meet the tribal preference, including, without limitation, providing job fairs for members of the Tribe and clearly specifying the tribal preference in all job advertisements.

(c) Notwithstanding anything contained herein to the contrary, all decisions with respect to the management, operation and maintenance of the Facilities (or portion thereof) shall be made exclusively by the Authority.

8.7 Suitability/Licensing Requirements. Subject to the provisions of this Section 8.7 and Section 7.4 of this Agreement, the Developer and any successors or assigns of the Developer shall: (i) be subject to the regulatory power of the Authority as set forth in the Tribal Gaming Ordinance, (ii) demonstrate its suitability for a gaming license from the Authority and (iii) maintain that suitability throughout the term of this Agreement. At the time of execution of this Agreement, Developer has demonstrated to the satisfaction of the Tribe and the Authority that Developer's affiliates, including Trading Cove Associates, and their respective principals hold Gaming Services Registrations issued by the Division of Special Revenue for the State of Connecticut (the "Gaming Registrations"), and that SINA and certain of its affiliates, and their respective principals have been qualified for licensure in conjunction with casino gaming licenses issued by the State of New Jersey and/or the Commonwealth of The Bahamas (the "Gaming Licenses"). Since the principals of Developer and Developer's affiliated entities have successfully completed background checks and have been qualified for licensure as part of the process for granting the above Gaming Registrations and Gaming Licenses, the Tribe and the Authority acknowledge and agree, at the time of execution of this Agreement, that Developer is a suitable company with whom to engage in gaming related activities under the Tribe's current gaming regulations applicable to the Tribe's gaming operations in the State of Wisconsin, and is deemed eligible for a tribal gaming license when the Tribal Gaming Ordinance licensing process is in place. The licensing process set forth in the Tribal Gaming Ordinance shall not be stricter than the certification requirements currently in effect under the Tribe's Wisconsin licensing process. Continued suitability for a tribal gaming license under the Tribal Gaming Ordinance during the term of this Agreement is a material condition of this Agreement.

ARTICLE 9

COMPENSATION TO THE DEVELOPER & TERM OF AGREEMENT

9.1 Developer Fee. As compensation to the Developer for the Developer's services performed hereunder related to the Project, the Authority shall make certain payments to the Developer ("the Developer Fee," as defined below in Section 9.1(a)), without set-off, deduction or counterclaim (except as may be required to satisfy an arbitration award in favor of the Tribe and/or the Authority against the Developer entered pursuant to the provisions of Section 12.2 of this Agreement). The Developer Fee shall be paid and consist of those amounts computed in accordance with paragraph (a) as set forth below:

(a) Within fifteen (15) days following the end of the calendar month in which the Gaming Facility opens and thereafter within fifteen (15) days following the end of each successive calendar month during the Term hereof, the Authority shall pay the Developer an amount equal to five percent (5.0%) of Revenues from the Facilities received during the preceding month (**the "Developer Fee"**).

(b) Within fifteen (15) days following the end of each Fiscal Month during the Term hereof, the Authority shall provide to the Developer operating financial statements derived from the preceding Fiscal Month which include, without limitation, all Revenues generated by the Facilities and the amount of the Developer Fee paid or payable to the Developer pursuant to Section 9.1(a) (**the "Monthly Financial Statements"**). Such statements shall be prepared in accordance with GAAP, consistently applied, and shall be certified as true and complete by the Authority. Upon reasonable notice and at reasonable times, the Developer, or its duly authorized representatives, shall have on-site access to, and be entitled to photocopy, the books and records of the Authority relating to the Facilities for the purpose of verifying the Monthly Financial Statements. In addition, the Developer shall have the right, at the Developer's expense, to audit these financial statements by examination of all or any part of the books and records of the Authority or the Facility, as the Developer, in its sole discretion, may require.

(c) Within forty-five (45) days following the end of each Fiscal Quarter during the Term, the Authority shall provide to the Developer operating financial statements for the preceding Fiscal Quarter which have been reviewed by nationally recognized independent auditors selected by the Authority which include, without limitation, all Revenues generated by the Facilities and the amount of the Developer Fee paid or payable to the Developer pursuant to Section 9.1(a) (**the "Quarterly Financial Statements"**). Such statements shall be prepared in accordance with GAAP, consistently applied, and shall be certified as true and complete by the Authority. Upon reasonable notice and at reasonable times, the Developer, or its duly authorized representatives, shall have on-site access to, and be entitled to photocopy, the books and records of the Authority relating to the Facilities for the purpose of verifying the Quarterly Financial Statements. In addition, the Developer shall have the right, at the Developer's expense, to audit these financial statements by examination of all or any part of the books and records of the Authority or the Facility, as the Developer, in its sole discretion, may require.

(d) Within ninety (90) days following the end of each Fiscal Year (or portion thereof) during the Term, the Authority shall provide to the Developer operating statements derived from audited financials for the preceding Fiscal Year which include, without limitation, all Revenues generated by the Facilities and the amount of the Developer Fee paid or payable to the Developer pursuant to Sections 9.1 (a) (**the "Year End Financial Statements"**). Such statements shall be prepared in accordance with GAAP, consistently applied, and shall be certified as true and complete by the Authority and by nationally recognized independent auditors selected by the Authority. Upon reasonable notice and at

reasonable times, the Developer, or its duly authorized representatives, shall have on-site access to, and be entitled to photocopy, the books and records of the Authority relating to the Facilities for the purpose of verifying the Year End Financial Statements. In addition, the Developer shall have the right, at the Developer's expense, to audit the financial statements by examination of all or any part of the books and records of the Authority or the Facility, as the Developer, in its sole discretion, may require.

(e) To the extent that the Developer Fee (or portion thereof) is not paid when due, such amounts shall earn interest at a rate of twelve percent (12%) per annum from the due date thereof until the date payment is made (or if such rate of interest is not lawful, at the maximum lawful rate of interest). This Section 9.1(e) shall not apply to any payment of the Developer Fee that has been delayed on account of the payment of any Minimum Priority Distribution under Section 10.1 of this Agreement.

(f) In the event that (i) a Casualty Event shall have occurred, (ii) the Developer has not elected to declare a Tolling Event pursuant to Section 13.20 hereof, and (iii) Revenues for any month in which a Casualty Event continues are less than the Gaming Facility Revenues for the same month of the preceding year (the "Comparative Month"), then all proceeds from business interruption insurance shall be paid to Developer by the Authority until the entire amount of the Developer Fee (based on the Comparative Month) due each month during the period of the Casualty Event is paid.

(g) The Authority shall provide to the Developer, solely for informational purposes, annual capital and operating budgets for the Facilities and any revisions thereto it being understood and agreed that Developer shall have no role or decision-making authority with respect to such budgets. Such budgets shall be provided to the Developer within five (5) days of the Authority's approval of same, but in no event later than December 1st of the preceding year.

(h) Notwithstanding the provisions of Section 9.1(a) above, the Developer, in each year of the Term hereof during which direct impact payments are due under the Local Government Agreement as defined below), shall reimburse the Tribe or the Authority (as applicable) for fifty percent (50%) of the direct impact payments (up to a maximum annual reimbursement of Three Million (\$3,000,000.00) Dollars) required to be paid by the Tribe or the Authority to the County of Sullivan, pursuant to Sections 4 (b) or (c) of the agreement between the Tribe and the County dated as of the 24th day of January, 2002 (the "Local Government Agreement"), such reimbursement being made by reducing the amount of the Developer Fee due and payable in the last month of the quarter in which the direct impact mitigation payment is due and this Section is applicable. For example, if the Tribe makes direct payments of \$3.75 million quarterly to the County under the Local Government Agreement (for a total of \$15 million annually), the Developer's Fee will be reduced by \$1.875 million in the 1st quarter and by \$1.125 in the 2nd quarter (for a total annual amount of \$3 million).

9.2 Term. The term of this Agreement shall commence on the date first above written, and shall continue for a period of twenty (20) years after the opening of the Gaming Facility to the general public (the "Term"); provided, however, that this Agreement shall remain in full force and effect until all Developer Fees have been paid in accordance with this Article 9.

9.3 Tribe's Termination Option. Notwithstanding any other provisions of this

Agreement, the Tribe, the Authority and the Developer agree that at the sole option of the Tribe and the Authority, but subject to satisfaction of all of the conditions set forth below, all of the rights of the Developer pursuant to this Agreement may be purchased and terminated by the Tribe and the Authority (the "Termination Option"), on a date specified by the Tribe and the Authority, which date shall not be before the last day of the eighty-fourth (84th) full calendar month following the first full month after the opening of the Gaming Facility to the general public (the "Accelerated Termination Date"). In order to effectively exercise the Termination Option, the Tribe and the Authority shall comply with the provisions set forth in Sections 9.3 (a), (b), (c), (d) and (e) below including, without limitation, the payment to Developer of a commercially reasonable termination fee to be negotiated by the parties or as determined in accordance with the procedures set forth below in Section 9.3 (i) (the "Termination Fee"). In order to receive the Termination Fee on the Accelerated Termination Date, the Developer shall provide to the Tribe and the Authority, the full release specified in Section 9.3 (f) below.

- (a) Subject to the procedure set forth below in Section 9.3 (i), the Tribe and the Authority shall give joint notice to the Developer of their exercise of the Termination Option not less than 60 days (nor more than 120 days) prior to the Accelerated Termination Date which date shall be set forth in the notice. The Termination Option notice shall include documentation prepared by the Tribe's and the Authority's financial advisor specifying the Tribe's and the Authority's proposed Termination Fee that the Tribe and the Authority believe is commercially reasonable and the reasons supporting such opinion including the factors analyzed in arriving at the proposed Termination Fee and the method of calculation.
- (b) The Tribe and the Authority shall fully pay and satisfy all of the indebtedness evidenced by any Junior Financing provided by Developer (or any Developer Guarantor) to the Tribe and/or the Authority pursuant to Section 6.3 of this Agreement, including principal, accrued, fees and other charges due pursuant to any of such Junior Financing on or before the Accelerated Termination Date.
- (c) The Tribe and the Authority shall obtain and deliver to Developer on or before the Accelerated Termination Date releases from all Senior Lenders to any Completion Guarantees provided by Developer (or any Developer Guarantor) pursuant to Section 6.3 of this Agreement in conjunction with any Senior Financing entered into by the Tribe or the Authority pursuant to Article 6 of this Agreement, which releases shall be in form and substance reasonably satisfactory to Developer and the Developer Guarantors, and fully release both the Developer and each Developer Guarantor from any and all Completion Guarantees they may have provided under this Agreement.
- (d) The Tribe and the Authority shall tender to the Developer and each Developer Guarantor a full release dated as of the Accelerated Termination Date, in form and substance reasonably satisfactory to Developer and each Developer Guarantor, of all of Developer's and Developer Guarantor's obligations pursuant to this Agreement, and any and all claims, whether asserted or unasserted, known or unknown, liquidated or contingent, which the Tribe or the Authority or any of their respective shareholders, directors, officers, members, governmental agencies or affiliates may have or be entitled to assert against Developer or any Developer Guarantor or any of their respective shareholders, directors, officers, agents,

employees, members or affiliates, related to the Agreement and any and all events occurring on or before the Accelerated Termination Date.

- (e) The Tribe and the Authority shall pay on or before the Accelerated Termination Date (i) all amounts due to Developer pursuant to this Agreement including any outstanding Developer Fees accruing through the Accelerated Termination Date (which the Developer shall be permitted to audit in advance of the Accelerated Termination date) and (ii) the Termination Fee.
- (f) In exchange for the Termination Fee, the Developer and each Guarantor shall tender to the Tribe and the Authority a full release dated as of the Accelerated Termination Date, in form and substance reasonably satisfactory to the Tribe and the Authority, of all of Tribe's and the Authority's obligations pursuant to this Agreement, and any and all claims, whether asserted or unasserted, known or unknown, liquidated or contingent, which the Developer or the Developer Guarantors or any of their respective shareholders, directors, officers, agents, employees, members or affiliates, may have or be entitled to assert against the Tribe or the Authority or any of their respective shareholders, directors, officers, members, governmental agencies or affiliates related to the Agreement and any and all events occurring on or before the Accelerated Termination Date.
- (g) Developer shall on or before the Accelerated Termination Date surrender possession of any offices or other portions of the Project previously occupied by Developer and shall remove from the Project, without causing any damage thereto, any furniture, fixtures, equipment or other items of personal property owned exclusively by Developer (all files pertaining to the Project to remain the property of the Authority and remain at the Project). Any such personal property not so removed from the Project by the Accelerated Termination Date shall be conclusively presumed to have been abandoned by Developer and title thereto shall thereupon pass to the Authority without any cost.
- (h) If the Tribe and the Authority fail to satisfy any of the conditions set forth in Sections 9.3 (a), (b), (c), (d) and (e) on or before the Accelerated Termination Date, then the attempted exercise of the Termination Option shall be null and void and the remainder of this Agreement shall continue in effect according to its terms; provided however, that if such failure is a result of a failure to satisfy the conditions of Section 9.3 (b) or (c) or a failure to obtain the requisite financing necessary to pay the Termination Fee pursuant to Section 9.3 (e), the Tribe and the Authority shall have one (1) additional opportunity to exercise the Termination Option during the Term of this Agreement in accordance with this Section 9.3. If the Developer or any Developer Guarantor fails to provide the full release specified by Section 9.3 (f) on the Accelerated Termination Date such failure shall not render the Termination Option null and void, but rather the Termination Fee shall be escrowed with the Tribe and/or the Authority's lender until such time as Developer's (and Developer Guarantors') full release is received.

- (i) Within thirty (30) days of receipt of the Tribe's and the Authority's Termination Option notice specified in Section 9.3 (a) above, the Developer shall provide to the Tribe and the Authority documentation prepared by the Developer's financial advisor specifying the Developer's proposed Termination Fee that Developer believes is commercially reasonable and the reasons supporting such opinion including the factors analyzed in arriving at the proposed Termination Fee and the method of calculation. Within thirty (30) days following receipt of the documentation provided by Developer to the Tribe and the Authority, the parties agree to meet informally with their respective financial advisors in an effort to arrive at a Termination Fee that is acceptable to both parties. In the event the parties are unable to agree upon an acceptable Termination Fee, the parties agree to select a mutually agreeable representative from an investment-banking firm which person shall act as an arbitrator of the dispute. If the parties are unable to agree upon the person to act as arbitrator, each party shall select one arbitrator and those two arbitrators so selected shall select a third arbitrator. The three arbitrators shall then act as an arbitration panel. The arbitrator (or arbitrator panel) so selected shall establish an expedited schedule of dates and rules that the parties agree to follow that shall allow the arbitrator to, within forty-five (45) days of appointment, (i) receive written submissions from each party supporting that party's position, (ii) convene a hearing at which each party shall be entitled to articulate their respective positions, (iii) receive post-hearing written submissions from the parties and (iv) render an decision establishing the Termination Fee that the parties agree shall be binding and non-appealable. The parties agree that the above procedure shall replace the procedures set forth in Section 12.3 of this Agreement with respect to disputes concerning the determination of the Termination Fee, but that the arbitrator's decision shall be enforceable in accordance with the provisions of Article 12 of this Agreement.

ARTICLE 10

CERTAIN COVENANTS OF THE AUTHORITY

10.1 Payments to the Tribe. (a) Other than the Minimum Priority Distribution set forth in Section 10.1(b) below, the Authority shall not make any payment or distribution to or for the benefit of the Tribe, any Affiliate of the Tribe, or make any distribution to members of the Tribe (i) prior to the payment in full of the Developer Fees then due, or (ii) at anytime if any Developer Fees are outstanding.

(b) **Minimum Priority Distribution.** Within fifteen (15) days following the end of the calendar month in which the Gaming Facility opens and thereafter within fifteen (15) days following the end of each successive month during the Term hereof, the Authority shall pay to the Tribe one twelfth (1/12) of the Minimum Priority Distribution from the Revenues of the Facilities, to the extent available. Any underpayment of the Minimum Priority Distribution in any calendar month shall be added to the Minimum Priority Distribution due the following calendar month. The Developer Fee shall be subordinate in all respects to the payment of the Minimum Priority Distribution.

10.2 Affiliate Transactions. The Authority shall not sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or

make any contract, agreement, understanding, loan, advance or Guarantee with, or for the benefit of the Tribe, an Affiliate of the Tribe or an Affiliate of the Authority (each of the foregoing, an "Affiliate Transaction"), unless (i) such Affiliate Transaction is on terms that are no less favorable to the Authority than those that would have been obtained in a comparable transaction by the Authority with an unrelated Person, and (ii) the Authority delivers to the Developer (a) with respect to any Affiliate Transaction involving aggregate payments in excess of Two Million Dollars (\$2,000,000), a resolution adopted by the Authority approving such Affiliate Transaction and set forth in an Officer's Certificate a certification that such Affiliate Transaction complies with clause (i) above, and (b) with respect to any Affiliate Transaction involving aggregate payments in excess of Ten Million Dollars (\$10,000,000), a written opinion as to the fairness to the Authority from a financial point of view issued by an Independent Financial Advisor.

10.3 Subsidiaries. The Authority will not create, acquire or own any instrumentality, subdivisions or subunits unless the actions and assets of such instrumentalities, subdivisions or subunits are subject to or bound by the terms of this Agreement.

10.4 Business Purpose. During the Term, the Authority (or any assignee of the Authority permitted under this Agreement), directly or indirectly, shall not engage in any business or activity other than the Principal Business.

10.5 Operation of Gaming Facility. During the Term, the Authority shall operate the Gaming Facility for the primary purpose of conducting Gaming, in accordance with all applicable Compact provisions, related agreements and regulations. The Developer shall not participate in nor have any authority regarding the operation or management of the Gaming Facility.

10.6 Replacement or Restoration Following Casualty. If all or a portion of the Facilities are damaged by fire or other casualty, the Authority promptly shall cause the Facilities to be replaced or restored to substantially the same condition (or better) as immediately prior to the occurrence of such fire or other casualty; provided, however, that in no event shall the Authority be obligated to expend for any replacement or restoration an amount in excess of the insurance proceeds recovered by the Authority and allocable to the damage to the Facilities after deduction of any amounts required to be paid to any holder of Indebtedness. If insurance proceeds are not available to the Authority for such replacement or restoration, the Authority shall use reasonable efforts to obtain financing on commercially reasonable terms (including terms which provide recourse only to cash of the Authority and undistributed and future revenues of the Authority) to undertake such replacement or restoration of the Facilities.

ARTICLE 11

TERMINATION

11.1 Material Breach. This Agreement may only be terminated by the Authority or the Developer if the other party commits any material breach or fails to perform any material duty or obligation of this Agreement, except as otherwise provided in Section 9.3 of this Agreement. Upon

learning of a material breach or default, the non-breaching party shall send written notice of: (i) any monetary material breach or default to the breaching party within ten (10) days of learning of the breach, and (ii) any non-monetary material breach within thirty (30) days of learning of the breach. If the breaching party fails to cure the material breach or default within forty-five (45) days of receipt of such written notice from the non-breaching party, the non-breaching party may terminate this Agreement by providing the defaulting party with a notice of termination (which shall be immediately effective). Notwithstanding the above, the Tribe and the Authority shall have no right to terminate this Agreement for any reason after the Completion Date of the first phase of the Gaming Facility; provided, however, that if the Developer acts in bad faith or is grossly negligent with respect to Developer's obligations to perform development services related to Expansions of the Project after the Completion Date of the first phase of the Project, unreasonably refuses to perform any material development services related to future Expansions of the Project after being reasonably directed to do so by the Authority or fails to continue to meet the suitability requirements for licensure pursuant to Section 8.7 of this Agreement: then (i) the Authority, subject to the provisions of Article 12 of this Agreement, as its sole remedy under this Agreement, may terminate Developer's exclusive rights to perform development services related to Expansions of the Project as set forth in Recital F, and (ii) Developer shall be paid a Developer Fee for the remainder of the Term of this Agreement in an annual amount equal to the amount earned by Developer under this Agreement in the calendar year immediately preceding the termination of Developer's future services (e.g., if Developer's annual Developer Fee in the calendar year immediately preceding the termination of Developer's exclusive development rights is \$20 million, the annual Developer Fee payable to Developer for each year (or portion thereof) of the remainder of the Term of the Agreement would be \$20 million, prorated for any partial year).

11.2 Failure of Tribe to Obtain Required Approvals. The failure of the Tribe and/or the Authority to obtain the Required Approvals by December 31, 2002 shall be grounds for termination of this Agreement by the Developer upon written notice to the Tribe and/or the Authority. Neither the Tribe nor the Authority has any liability for any funds expended or committed by the Developer under this Agreement in the event of termination under this Section 11.2.

11.3 Failure to Secure Agreements Under Article 6. The failure to secure the Financing Agreements and/or Completion Guaranty in accordance with Sections 6.2 and 6.3 of this Agreement, or any one of them, by December 31, 2004, shall be grounds for termination of this Agreement by the Authority upon written notice to the Developer. Neither the Tribe nor the Authority has any liability for any funds expended or committed by the Developer under this Agreement in the event of termination under this Section 11.3.

11.4 Stay of Termination Pending Arbitration. If a party shall exercise its right to terminate pursuant to Sections 11.1, 11.2 or 11.3 above, and there is a material dispute in arbitration with respect to the terms of this Agreement or circumstances regarding such termination pending, then the termination shall be stayed until such time as the issue is resolved.

ARTICLE 12

DISPUTE RESOLUTION

12.1 Authority's Limited Consent to Suit. (a) The Authority, a subordinate economic entity chartered by the Tribe pursuant to the Tribal Council's power under Article VII, Section 1(g) of the Tribe's Constitution, shares the Tribe's sovereign immunity. Subject to Section 12.4 below, the Authority (and the Tribe on behalf of the Authority) expressly waives the Authority's immunity from unconsented suit, solely for the purpose of permitting the Developer to seek the following actions and remedies: (i) the enforcement of an award of actual damages by arbitration; provided, however, that the arbitrator(s) and/or the court shall have no authority or jurisdiction to order execution against any assets or revenues of the Authority except those set forth in Section 12.4 below, (ii) the enforcement of a determination by an arbitrator that prohibits the Authority from taking an action that would prevent the operation of this Agreement or the Developer from performing this Agreement pursuant to its terms, or that requires the Authority to specifically perform any obligation under this Agreement, (iii) an action to compel arbitration pursuant to Section 12.3 and/or to preserve the status quo for forty-five (45) days during disputes as required by Section 12.6 for which a demand notice for arbitration has been given pursuant to Section 12.3, and (iv) an action to enforce the provisions of Sections 13.15 and 13.18 of this Agreement during a pending dispute for which a demand notice for arbitration has been given pursuant to Section 12.3, in the event the Authority breaches Section 13.15 or 13.18 prior to the entry of an arbitrator's order under Section 12.3, or if the arbitrator has refused to issue an order under Section 12.3 regarding the enforcement of the provisions of Section 13.15 or 13.18. The parties agree that any suit commenced pursuant to this Section 12.1 shall be brought in: (a) the United States District Court for the Southern District of New York (and appeals therefrom shall be brought in the United States Circuit Court of Appeals for the Second Circuit and the United States Supreme Court) or (b) if the United States Federal Courts lack jurisdiction, in the Supreme Court of New York (and appeals therefrom shall be brought in the New York State Appellate Courts) or, (c) if none of the foregoing courts have jurisdiction, then in any court of competent jurisdiction including, but not limited to, the Gaming Disputes Court or Tribal Court. The Authority, subject to the provisions of this Section 12.1, hereby: (i) accepts the exclusive jurisdiction of the aforesaid courts, (ii) irrevocably agrees to be bound by any final judgment (after any and all appeals) of any such court, and (iii) irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceedings brought in any such court, and further irrevocably waives, to the fullest extent permitted by law, any claim that any suit, action or proceedings brought in any such court has been brought in any inconvenient forum, and (iv) with respect to the enforcement of an award rendered in an arbitration conducted pursuant to Section 12.3, the Authority hereby irrevocably accepts and submits to the exclusive jurisdiction of such Court with respect to any such action, suit or proceeding. The Authority and the Tribe, on behalf of the Authority, expressly waive any requirement of exhaustion of tribal remedies, and agree that they will not present any affirmative defense based on any alleged failure to exhaust such remedies. The limited waiver contained in this Section 12.1 shall be strictly construed as limited to the actions and remedies contained herein against the Authority, and shall not be construed as limiting the power of the arbitrator or the court to award remedies provided for in this Agreement against any other Parties to this Agreement.

(b) **Service of Process.** The Authority hereby appoints CSC The United States

Corporation Company, 80 State Street, Sixth Floor, Albany, New York 12207, as its authorized agent on which any and all legal process may be served in any action, suit or proceeding which is brought in any Court referenced above. The Authority agrees that service of process upon such agent, together with notice of such service given as provided in Section 13.6, shall be deemed to be effective service of process upon it in any action, suit or proceeding referred to in this Section 12.1. If for any reason such agent shall cease to be available to act as such, the Authority agrees to designate a new agent in New York, on the terms and for the purposes of this Section 12.1, and the Authority shall, as soon as practicable, give notice to the other Parties of such new agent. Nothing herein shall be deemed to limit the ability of any party hereto to serve any such legal process in any other manner permitted by applicable law.

12.2 Tribe's Limited Consent to Suit. (a) If: (a) the Authority, or a successor entity formed pursuant to Section 13.8 of this Agreement, is no longer in existence, or has had its authority to perform the Authority's obligations and responsibilities under this Agreement diminished or abolished, or (b) the arbitrator or a court compelling arbitration or enforcing an arbitrator's award finds that the Tribe is an indispensable party (as that term is defined in the rules of the American Arbitration Association, the Federal Rules of Civil Procedure or the New York Rules of Civil Procedure), so that arbitration cannot proceed unless the Tribe is joined, or (c) the Tribe breaches the provisions of Section 13.15 or 13.18 of this Agreement, then the Tribe expressly agrees (subject to the limitations set forth in Section 12.4 of this Agreement) to a limited waiver of its immunity from unconsented suit, solely for the purpose of permitting the Developer to seek the following actions and remedies: (i) the enforcement of an award of actual damages by arbitration; provided, however, that the arbitrator and/or the court shall have no authority or jurisdiction to order execution against any assets or revenues of the Tribe except those set forth in Section 12.4 below, (ii) the enforcement of a determination by an arbitrator that prohibits the Tribe from taking an action that would prevent the operation of this Agreement pursuant to its terms, or that requires the Tribe to specifically perform any obligation under this Agreement, (iii) an action to compel arbitration pursuant to Section 12.3 and/or to preserve the status quo for forty-five (45) days during disputes as required by Section 12.6 for which a demand notice for arbitration has been given pursuant to Section 12.3, and (iv) an action to enforce the provisions of Sections 13.15 and 13.18 of this Agreement during a pending dispute for which a demand notice for arbitration has been given pursuant to Section 12.3, in the event the Tribe breaches Section 13.15 or 13.18 prior to the entry of an arbitrator's order under Section 12.3 or if the arbitrator has refused to issue an order under Section 12.3 enforcing the provisions of Section 13.15 or 13.18. Any action brought under this Section 12.2 shall be brought in the courts set forth in Section 12.1. The Tribe, subject to the provisions of this Section 12.2, hereby: (i) accepts the exclusive jurisdiction of the aforesaid courts, (ii) irrevocably agrees to be bound by any final judgment (after any and all appeals) of any such court, and (iii) irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceedings brought in any such court, and further irrevocably waives, to the fullest extent permitted by law, any claim that any suit, action or proceedings brought in any such court has been brought in any inconvenient forum, and (iv) with respect to the enforcement of any award rendered in an arbitration conducted pursuant to Section 12.3, the Tribe hereby irrevocably accepts and submits to the exclusive jurisdiction of such Court with respect to any such action, suit or proceeding. The Tribe expressly waives any requirement of exhaustion of tribal remedies, and agrees that it will not present any affirmative defense based on any alleged failure to exhaust such remedies. The Tribe's limited consent to suit is expressed by a resolution of the Tribal

Council (the “Resolution”) which Resolution is attached as Exhibit A to this Agreement and incorporated herein solely for the purpose of referencing this Section 12.2. To the extent any inconsistency exists between the provisions of this Section 12.2 and the Resolution, the provisions of this Section 12.2 shall prevail. The limited waiver contained in this Section 12.2 shall be strictly construed as limited to the actions and remedies contained herein against the Tribe, and shall not be construed as limiting the power of the arbitrator or the court to award remedies provided for in this Agreement against any other Parties to this Agreement.

(b) **Service of Process.** The Tribe hereby appoints CSC The United States Corporation Company, 80 State Street, Sixth Floor, Albany, New York 12207, as its authorized agent on which any and all legal process may be served in any action, suit or proceeding which is brought in any Court referenced to above. The Tribe agrees that service of process upon such agent, together with notice of such service given as provided in Section 13.6, shall be deemed to be effective service of process upon it in any action, suit or proceeding referred to in this Section 12.2. If for any reason such agent shall cease to be available to act as such, the Tribe agrees to designate a new agent in New York, on the terms and for the purposes of this Section 12.2, and the Tribe shall, as soon as practicable, give notice to the other parties of such new agent. Nothing herein shall be deemed to limit the ability of any party hereto to serve any such legal process in any other manner permitted by applicable law.

12.3 Arbitration. All disputes, controversies, or claims arising out of or relating to this Agreement or the termination of this Agreement shall be settled by binding arbitration in accordance with the commercial arbitration rules of the American Arbitration Association and the Federal Arbitration Act. The parties agree that binding arbitration shall be the sole remedy as to all disputes, controversies, or claims arising out of or relating to this Agreement, unless the parties mutually agree in writing otherwise. The arbitrator(s) shall have no authority to award consequential, incidental or punitive damages, or attorney’s fees or costs but, shall have the authority to award actual damages and/or equitable relief, including, but not limited to, an emergency order for temporary or preliminary injunctive relief entered on short notice to preserve the status quo for 45 days during disputes as required by Section 12.6 of this Agreement, and an emergency order for temporary or preliminary injunctive relief entered on short notice enforcing the provisions of Sections 13.15 and 13.18 of this Agreement. In determining any matter, the arbitrator(s) shall apply the terms of this Agreement, including, without limitation, Sections 12.4 and 12.5, without adding to, modifying or changing the terms in any respect, and shall apply the laws of the State of New York. All arbitration hearings shall be held at a place designated by the arbitrator(s) in New York, New York. Arbitration shall be initiated by the Party making the claim by service of a demand notice for arbitration pursuant to Section 13.6 of this Agreement within one-hundred eighty (180) days of actual notice of the claim.

12.4 Limited Liability of the Tribe; Authority's or Tribe's Assets. Nothing in this Agreement shall obligate or authorize the payment or encumbrance of any assets or revenues of the Authority or the Tribe other than cash of the Authority (except to the extent the Authority can demonstrate such cash was derived from a source other than the Facilities) and undistributed and future revenues of the Facilities. No director, officer or office holder, employee, agent, representative or member of the Authority or the Tribe shall have any personal liability for any obligations of either the Tribe or the Authority under this Agreement or for any claim based upon, in respect of, or by reason of such Agreement, or related in any manner whatsoever to this Agreement. Except as set forth in Section 12.2 of this Agreement, the Tribe shall not have any liability for any obligations of the Authority under this Agreement or for any claim based upon, in respect of, or by reason of such obligations or their creation.

12.5 Limit of Damages Payable by Developer. Notwithstanding anything in this Agreement to the contrary, the Developer shall not be liable hereunder for the payment of damages to the Authority in excess of the amount of Ten Million (\$10,000,000.00) Dollars.

12.6 Performance During Disputes. The parties mutually agree that during any kind of controversy, claim, disagreement or dispute, including, without limitation, a dispute as to the validity of this Agreement, the Authority and the Developer shall continue their performance of the provisions of this Agreement for a period of forty-five (45) days from receipt of a notice of material breach pursuant to Section 11.1, provided funds necessary to pay Project costs which continue to be incurred (other than amounts in dispute) continue to be available.

ARTICLE 13

MISCELLANEOUS PROVISIONS

13.1 Force Majeure Events. Notwithstanding anything in this Agreement to the contrary, the parties hereto shall be excused from their obligations hereunder to the extent and for so long as such party shall be prevented from compliance by reason of ‘**Force Majeure Causes,**’ provided notice of such inability to comply is given to the other party to this Agreement within ten (10) days after actual knowledge of the occurrence by the party giving notice of the applicable Force Majeure Cause.

13.7 Third Party Beneficiary. This Agreement is exclusively for the benefit of the parties hereto, and it may not be enforced by any party other than the parties to this Agreement and shall not give rise to liability to any third party other than the authorized successors and assigns of the parties pursuant to Section 13.8.

13.8 Successors and Assigns. The benefits and obligations of this Agreement shall inure to and be binding upon the parties hereto and their respective successors and assigns. This Agreement shall not be assigned by the Developer or the Developer Guarantors without the prior written consent of the Authority (which consent shall not be unreasonably withheld) and any required approvals by the Bureau of Indian Affairs or its authorized representatives; provided, however, that Developer shall (i) have the right to assign the receipt of Developer Fee payments at any time without the consent of the Authority and (ii) shall have the right to assign this Agreement after the completion of the Project without the consent of the Authority provided the assignee complies with the licensing provisions of Section 8.7 of this Agreement. This Agreement shall not be assigned by the Authority without the prior written consent of the Developer (which consent shall not be unreasonably withheld), provided, however, that the Authority may, without the consent of the Developer, but subject to any required approvals of the Bureau of Indian Affairs or its authorized representative, assign this Agreement to the Tribe, another instrumentality of the Tribe or an entity wholly owned by the Tribe organized to conduct the Authority's gaming enterprise and the business of the Facility if such assignment is made after the Effective Date, provided such entity has credit worthiness equal to or greater than the Authority. In the event of any

such permitted assignment by the Authority, the Authority's authorized assignee, or the Developer, the assigning party shall be relieved of its obligations under this Agreement which accrue from and after the date of the assignment, provided that the assignee shall assume in writing the obligations of the assignor under this Agreement and agree to perform and be bound by the terms and provisions hereof effective from and after the date of such assignment.

13.9 Severability. The invalidity of any one or more provisions hereof or of any other agreement or instrument given pursuant to or in connection with this Agreement shall not affect the remaining portions of this Agreement or any such other agreement or instrument or any part thereof, all of which are inserted conditionally on their being held valid in law; and in the event that one or more of the provisions contained herein or therein should be invalid, or should operate to render this Agreement or any such other agreement or instrument invalid, the parties agree to negotiate, in good faith, to modify or amend such invalid provision to obtain for the parties the intended benefits of such provision (or this Agreement and such other agreements and instruments shall be construed as if such invalid provision had not been inserted).

13.10 Entire Agreement. This Agreement (including any exhibits referred to herein) represents the entire agreement between the parties hereto with respect to the subject matter hereof. No other representations, warranties, promises or agreements, express or implied, shall exist between the parties unless such representations, warranties, promises or agreements are in writing and bear a date subsequent to the date of this Agreement.

13.11 Headings. The headings used in this Agreement are for the convenience of the parties only and shall not modify nor restrict any of the terms or provisions hereof.

13.12 Waivers. No failure or delay by the Developer, the Tribe or the Authority to insist upon the strict performance of any covenant, agreement, term or condition of this Agreement, or to exercise any right or remedy consequent upon the breach thereof, shall constitute a waiver of any such breach or any subsequent breach of such covenant, agreement, term, or condition. No covenant, agreement, term or condition of this Agreement and no breach thereof shall be waived, altered or modified except by written instrument. No waiver of any breach shall affect or alter this Agreement, but each and every covenant, agreement, term and condition of this Agreement shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

13.13 Periods of Time. Unless otherwise specified herein, all references to "days" shall mean calendar days. Whenever any determination is to be made or action is to be taken on a date specified in this Agreement, if such date shall fall on a Saturday, Sunday or legal holiday under Rule 6(a), Federal Rules of Civil Procedures, then in such event said date shall be extended to the next day which is not a Saturday, Sunday or legal holiday.

13.14 Consents and Approvals. Where approval or consent or other action of the Tribe or the Authority, or any agent or political subdivision of the Tribe or the Authority, is required, such approval shall not be unreasonably withheld and shall mean the written approval of the Tribe or the Authority evidenced by a duly enacted resolution thereof, or, if not provided by resolution of the Tribe or the Authority, the written approval of the Tribal President or the Authority Chairperson (to the extent

authorized by such entity) or such other person or entity designated by resolution of the Tribe or the Authority. Where approval or consent or other action of the Developer is required, such approval shall not be unreasonably withheld and shall mean the written approval of the members of the Developer evidenced by a duly enacted resolution thereof, or, if not provided by resolution of the Developer, the written approval of the managing member (to the extent authorized by such entity) or such other person or entity designated by resolution of the Developer. If the approval of the Developer, the Tribe or the Authority is required hereunder, the Developer, the Tribe or the Authority, as the case may be, shall request such approval in writing, which request shall specify the matter as to which such approval is requested and provide reasonable detail regarding such matter.

13.15 Government Savings Clause. This Agreement shall be submitted to the Bureau of Indian Affairs for its approval pursuant to its authority under 25 U.S.C. 81 and the NIGC, to the extent required by law. In addition, each party agrees to pursue such approval and execute, deliver, and if necessary, record any and all additional instruments, certifications, amendments, modifications and other documents as may be required by the United States Department of the Interior, the BIA, the Office of the Field Solicitor, or any applicable statute, rule or regulation in order to effectuate, complete, perfect, continue or preserve the respective rights, obligations and interest of the parties to the fullest extent permitted by law; provided that any such instrument, certification, amendment, modification or other document shall not materially change the respective rights, remedies or obligations of the parties under this Agreement or related agreements or documents.

13.16 Termination of Prior Agreements. As of the date hereof, the Tribe, the Authority and the Developer terminate all prior agreements, arrangements or understandings and all covenants, terms and provisions contained therein with respect to the Project and development and construction of facilities on the Property, including, without limitation, the MOU.

13.17 Representation before Public Bodies. Without the prior written consent of the Tribe or the Authority, the Developer shall have no right or authority to represent the Authority before public and governmental bodies in connection with any zoning, environmental, site, easement, title, design, construction or other matter related to the Project.

13.18 Non-Impairment of Agreement. The Tribe and the Authority (as applicable), directly or indirectly, shall not impose any tax, levy or, other monetary payment obligation on the Authority or on any activity at the Facilities during the term of this Agreement.
