**NOTICE OF AND IMPORTANT INFORMATION REGARDING  
A PROPOSED FUND SUBSTITUTION**

ING USA Annuity and Life Insurance Company and ReliaStar Life Insurance Company of New York (the "Companies") and ING USA Annuity and Life Insurance Company's Separate Account B and Separate Account EQ and ReliaStar Life Insurance Company of New York's Separate Account NY-B (the "Separate Accounts") have filed an application with the Securities and Exchange Commission to permit the Fidelity® VIP Contrafund® Portfolio (the "Replaced Fund") to be replaced with the ING Large Cap Growth Portfolio (the "Substitute Fund").

The principal purposes of the substitution are as follows:

- **Implement Business Plan.** The substitution is part of an overall business plan to make the Contract more efficient to administer and oversee and to offer funds through the Contract that meet certain performance, risk and pricing guidelines.
- **Reduced Costs and Greater Influence.** The substitution will replace an unaffiliated fund with a fund that is advised and subadvised by affiliates of the Companies. The Companies believe that making available an affiliated fund that is managed by an affiliated investment adviser will lead to increased efficiencies and greater influence over the administrative aspects of the fund, thereby reducing costs.
- **Due Diligence.** The substitution will allow the Companies to respond to expense, performance and management matters that it has identified in its due diligence review of the funds available through the Contract.

The following lists important information regarding the upcoming fund substitution:

- Prior to the fund substitution you will receive another prospectus supplement which will indicate the substitution effective date, provide you with further details about the Substitute Fund and reiterate your rights related to the substitution. You will also receive a summary prospectus for the Substitute Fund.
- Prior to the substitution effective date and for thirty days thereafter you may transfer amounts allocated to the subaccount that invests in the Replaced Fund to any other available subaccount or any available fixed account free of charge, and any such transfer will not count as a transfer when imposing any applicable restrictions or limits on transfers (other than restrictions related to frequent or disruptive transfers).

- On the substitution effective date your investment in the subaccount that invests in the Replaced Fund will automatically become an investment in the subaccount that invests in the Substitute Fund with an equal total net asset value. Your Contract value immediately before the substitution will equal your Contract value immediately after the substitution.
- Unless you provide us with alternative allocation instructions, after the substitution effective date all allocations directed to the subaccount that invested in the Replaced Fund will be automatically allocated to the subaccount that invests in the Substitute Fund. You may give us alternative allocation instructions at any time by contacting the ING Customer Service Center at P.O. Box 9271, Des Moines, IA 50306-9271 or call (800) 366-0066.
- The overall expenses of the Substitute Fund are less than the overall expenses of the Replaced Fund. The fees and expenses of the Substitute Fund will be provided to you prior to the substitution effective date.
- The investment objective and policies of the Substitute Fund are similar to the investment objective and policies of the Replaced Fund. The investment objective of the Substitute Fund along with information about the Substitute Fund's investment adviser/subadviser will be provided to you prior to the substitution effective date.
- After the substitution effective date, the Replaced Fund will no longer be available through the Contract and there will be no further disclosure regarding it in any future Contract prospectus or supplements to the Contract prospectus.
- You will not incur any fees or charges or any tax liability because of the substitution.
