**LIQUIDATION OF ING AMERICAN FUNDS GLOBAL GROWTH AND INCOME PORTFOLIO AND  
ING AMERICAN FUNDS INTERNATIONAL GROWTH AND INCOME PORTFOLIO**

The Board of Trustees of ING Investors Trust has approved a proposal to liquidate the **ING American Funds Global Growth and Income Portfolio** and the **ING American Funds International Growth and Income Portfolio** (the “Liquidating Portfolios”). The proposed liquidations are subject to approval by the shareholders of each Liquidating Portfolio.

If shareholder approval is obtained, it is expected the liquidations will be **effective on or about the close of business on February 7, 2014** and the proceeds will be placed in the ING Liquid Assets Portfolio (Class S) (the “Surviving Portfolio”). Each shareholder will thereafter hold shares of the Surviving Portfolio having equal aggregate value as shares of the Liquidating Portfolio, and the Liquidating Portfolio will no longer be available under the contract.

Prior to the liquidations, you may reallocate your contract value in the Liquidating Portfolio to another investment portfolio or fixed option currently available under your contract. This reallocation will neither count as a transfer for purposes of our Excessive Trading Policy nor be subject to a transfer charge under the contract. The ING Liquid Assets Portfolio is designated as an Accepted Fund. Contract value remaining in the Liquidating Portfolio on the liquidation date will be placed in the Surviving Portfolio. Unless you provide us with alternative allocation instructions, after the liquidation date all future allocations directed to a given Liquidating Portfolio will be automatically allocated to the Surviving Portfolio. You may provide alternative instructions by calling our Customer Service Center.

As of the date noted above, all references in the prospectus to the Liquidating Portfolios are deleted. For more information, or information related to Investment Option Restrictions, please refer to your prospectus or call our Customer Service Center.
