Supplement Dated November 18, 2016

This supplement updates and amends certain information contained in your prospectus dated May 1, 2016.
Please read it carefully and keep it with your prospectus for future reference.

IMPORTANT INFORMATION REGARDING THE ASSET BASED ADMINISTRATION FEE

We deduct a daily Asset Based Administration Fee from your Accumulation Value to compensate us for the risk that the Maintenance Fee will not cover actual expenses and for mortality risks during the Annuity Payment Phase. The fee is determined on the Contract Date and will not change for the life of the Contract.

For Contracts with Contract Dates on and after November 21, 2016 the maximum daily Asset Based Administration Fee is increasing to 0.003169% (equivalent to an annual rate of 1.15%).

The **FEE TABLES** section beginning on page 7 of your prospectus is hereby deleted and replaced with the following:

FEE TABLES

The purpose of the following tables is to assist you in understanding the various fees and expenses you may pay, directly or indirectly, when buying, owning and surrendering the Contract described in this prospectus. In addition to the fees and expenses described below, state premium taxes currently ranging from 0% to 4% of Purchase Payments may also be deducted.* See the **FEES AND EXPENSES** section on page 19 for more information.

Maximum Contract Owner Transaction Expenses

Transaction expenses include those expenses you may pay when transferring Accumulation Value between the Subaccounts. You may pay the following transaction expense during the time you own your Contract:

<i>Maximum</i> Excess Transfer Charge	\$25.00 ¹
---------------------------------------	----------------------

* State premium taxes may apply, but are not reflected in the fee tables or examples. See **FEES AND EXPENSES – Premium and Other Taxes** on page 22.

¹ Any transfer of value between Subaccounts in excess of 12 in a Contract Year is an Excess Transfer and subject to the Excess Transfer Charge. We currently do not impose this charge, but reserve the right to do so in the future. See **FEES AND EXPENSES – Transaction Expenses** on page 19.

Maximum Periodic Fees and Charges

Periodic fees and charges are those fees and charges you may pay periodically during the time that you own the Contract, not including fund fees and expenses.

Maximum Annual Maintenance Fee \$50.00 ²

Separate Account Annual Expenses (as a percentage of average Accumulation Value)
Maximum Asset Based Administration Fee 1.15% ³

Fund Fees and Expenses

The following table shows the minimum and maximum total annual fund operating expenses that you may pay periodically during the time that you own the Contract. The minimum and maximum expenses listed below are based on expenses for the funds' most recent fiscal year ends without taking into account any fee waiver or expense reimbursement arrangements that may apply. Expenses of the funds may be higher or lower in the future. More detail concerning each fund's fees and expenses is contained in the prospectus for the fund.

Total Annual Fund Operating Expenses (expenses that are deducted from fund assets, including management fees, distribution (12b-1) and/or service fees and other expenses)	Minimum 0.62%	Maximum 2.55%
--	------------------	------------------

Total annual fund expenses are deducted from amounts that are allocated to the fund. They include management fees and other expenses and may include distribution (12b-1) fees. Other expenses may include service fees that may be used to compensate service providers, including the Company and its affiliates, for administrative and Contract Owner services provided on behalf of the fund. Distribution (12b-1) fees are used to finance any activity that is primarily intended to result in the sale of fund shares.

If a fund is structured as either a "fund of funds" or as a "Master-Feeder" fund, total annual fund expenses also include the fees associated with the funds in which it invests. Because of this a fund that is structured as either a "fund of funds" or as a "Master-Feeder" fund may have higher fees and expenses than a fund that invests directly in debt and equity securities. **For a list of the "fund of funds" or "Master-Feeder" funds available through the Contract, see *The Funds* subsection on page 2.**

See FEES AND EXPENSES – *Fund Fees and Expenses* on page 20 for additional information about the fees and expenses of the funds, including information about the revenue we may receive from each of the funds or the funds' affiliates.

² We deduct this charge from the Accumulation Value on each Contract Anniversary or upon surrender. The annual Maintenance Fee is waived if the Accumulation Value at the end of a Contract Year is greater than or equal to \$15,000. See "**FEES – Periodic Fees and Charges**" on page 20.

³ For Contracts issued prior to November 21, 2016, we assess this charge on a daily basis at a rate of 0.001649% (equivalent to an annual rate of 0.60%). For Contracts issued on and after November 21, 2016, we assess this charge on a daily basis at a rate of 0.003169% (equivalent to an annual rate of 1.15%). See "**FEES – Periodic Fees and Charges**" on page 20.

Examples

The following examples are intended to help you compare the cost of investing in the Contract with the cost of investing in other variable annuity contracts. These costs include the annual contract Maintenance Fee of \$50 (converted to a percentage of assets equal to (0.50%)), separate account annual expenses and fund fees and expenses.

The following examples assume that you invest \$10,000 in the Contract for the time periods indicated. The examples also assume that your investment has a 5% return each year and assume the maximum contract fees and charges and the **maximum** and **minimum** fund fees and expenses. Although your actual costs may be higher or lower, based on these assumptions, your costs would be:

Maximum Fund Fees and Expenses				Minimum Fund Fees and Expenses			
<u>1 Year</u>	<u>3 Years</u>	<u>5 Years</u>	<u>10 Years</u>	<u>1 Year</u>	<u>3 Years</u>	<u>5 Years</u>	<u>10 Years</u>
\$420	\$850	\$1,714	\$3,934	\$227	\$473	\$972	\$2,343

The **FEE AND EXPENSES – Periodic Fees and Charges – Asset Based Administration Fee** section on page 20 of your prospectus is hereby deleted and replaced with the following:

Item 26 Persons Controlled by or Under Common Control with the Depositor or the Registrant

Incorporated herein by reference to Item 26 in Post-Effective Amendment No. 30 to Registration Statement on Form N-4 for Voya Insurance and Annuity Company and its Separate Account B (File No. 333-133944), as filed with the Securities and Exchange Commission on filed on October 24, 2016.

Item 27 Number of Contract Owners

As of October 31, 2016, there are 738 nonqualified and 84 qualified contract owners in the Voya Preferred Advantage Variable Annuity contract.

Item 28 Indemnification

Voya Insurance and Annuity Company shall indemnify (including therein the prepayment of expenses) any person who is or was a director, officer or employee, or who is or was serving at the request of Voya Insurance and Annuity as a director, officer or employee of another corporation, partnership, joint venture, trust or other enterprise for expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him with respect to any threatened, pending or completed action, suit or proceedings against him by reason of the fact that he is or was such a director, officer or employee to the extent and in the manner permitted by law.

Voya Insurance and Annuity Company may also, to the extent permitted by law, indemnify any other person who is or was serving Voya Insurance and Annuity Company in any capacity. The Board of Directors shall have the power and authority to determine who may be indemnified under this paragraph and to what extent (not to exceed the extent provided in the above paragraph) any such person may be indemnified.

Voya Insurance and Annuity Company or its parents may purchase and maintain insurance on behalf of any such person or persons to be indemnified under the provision in the above paragraphs, against any such liability to the extent permitted by law.

A corporation may procure indemnification insurance on behalf of an individual who is or was a director of the corporation. Consistent with the laws of the State of Iowa, Voya Financial, Inc. maintains Professional Liability and Fidelity Bond Employment Practices liability and Network Security insurance policies issued by an international insurer. The policies cover Voya Financial, Inc. and any company in which Voya Financial, Inc. has a controlling financial interest of 50% or more. These policies cover the funds and assets of the principal underwriter/depositor under the care, custody and control of Voya Financial, Inc. and/or its subsidiaries. The policies provide for the following types of coverage: Errors and Omissions/Professional Liability, Employment Practices liability and Fidelity/Crime (a.k.a. "Financial Institutional Bond") and Network Security (a.k.a. "Cyber/IT").

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers and controlling persons of the Registrant, as provided above or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification by the Depositor is against public policy, as expressed in the Securities Act of 1933, and therefore may be unenforceable. In the event that a claim of such indemnification (except insofar as it provides for the payment by the Depositor of expenses incurred or paid by a director, officer or controlling person in the successful defense of any action, suit or proceeding) is asserted against the Depositor by such director, officer or controlling person and the SEC is still of the same opinion, the Depositor or Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by the Depositor is against public policy as expressed by the Securities Act of 1933 and will be governed by the final adjudication of such issue.
