# Disclosure

**When used in this presentation, filings by Vineyard National Bancorp ("Company") with the Securities and Exchange Commission ("SEC"), or other public or stockholder communications, or in oral statements made with the approval of an authorized executive officer, the words or phrases "will likely result," "are expected to," "will continue," "is anticipated," "estimate," "project," "believe" or similar expressions are intended to identify "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. The Company wishes to caution you that all forward-looking statements are necessarily speculative and not to place undue reliance on any such forward-looking statements, which speak only as of the date made. Also, the Company wishes to advise you that various risks and uncertainties could affect the Company's financial performance and cause actual results for future periods to differ materially from those anticipated or projected. Specifically, the Company cautions you that important factors could affect the Company's business and cause actual results to differ materially from those expressed in any forward-looking statement made by, or on behalf of, the Company, including: general economic conditions in its market area, particularly changes in economic conditions in the real estate industry or real estate values in our market, changes in market interest rates, increased loan prepayments, risk associated with credit quality, and other risks with respect to its business and/or financial results detailed in the Company's press releases and filings with the SEC. You are urged to review the risks described in such releases and filings. The risks highlighted herein should not be assumed to be the only factors that could affect future performance of the Company. The Company does not undertake, and specifically disclaims any obligation, to publicly release the result of any revisions that may be made to any forward-looking statements to reflect the occurrence of anticipated or unanticipated events or circumstances after the date of such statements.**

# The Marketplace Well Established in...

## ○ The Inland Empire:

- Represents the counties of Riverside and San Bernardino, one of the fastest growing regions in the United States
- Major distribution hub for goods coming in through the Los Angeles Harbors
- Availability of “affordable” and buildable land for housing, commercial and retail development in support of the Los Angeles and Orange County regions

# The Marketplace Well Established in...

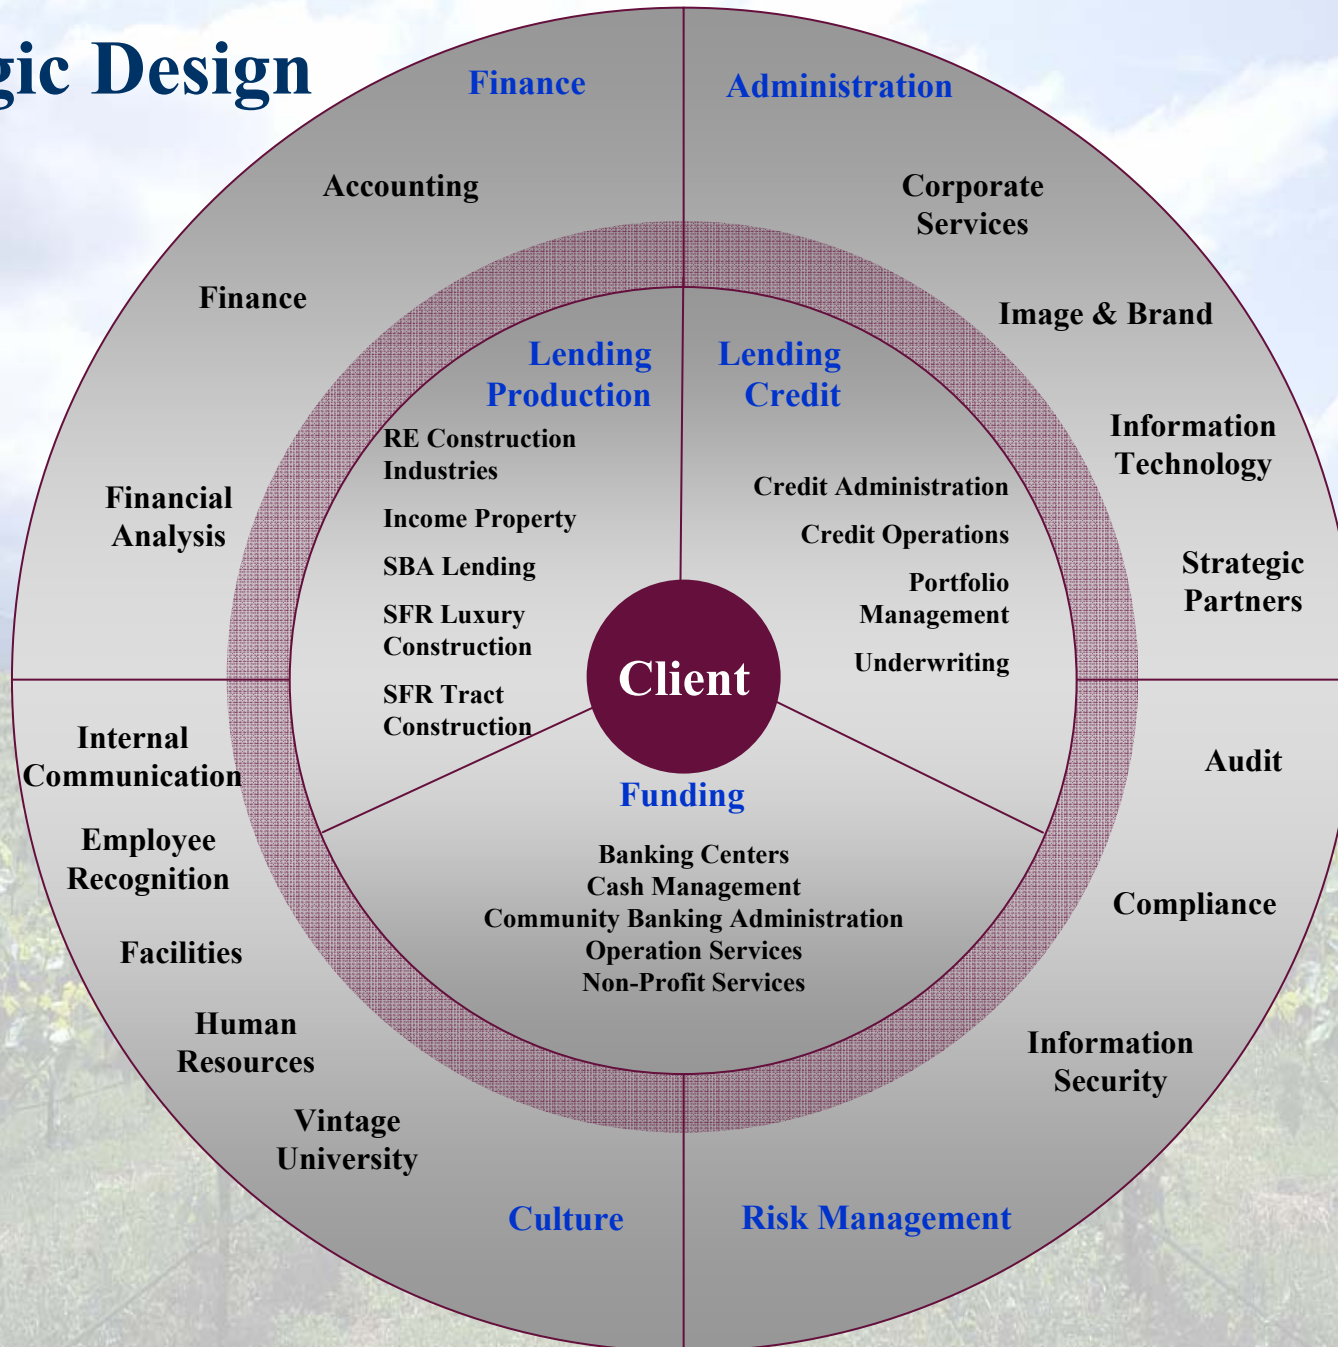

- **Emerging presence in Southern California Coastal Communities:**
  - **Represents the confluence of entrepreneurs and the accumulation of wealth; providing significant new opportunities**
  - **From San Diego through Orange County into the west side of Los Angeles coast and up into Ventura and Santa Barbara counties**
  - **Significant opportunities for cash management services, construction lending and income property lending**

# The Marketplace Well Established in...

## ○ Expansion into Northern California:

- Represents similar characteristics to the southern California Coastal communities
- Marin County Banking Center – allows us to access the North Bay and Central Valley which also has similar characteristics to the Inland Empire
- Monterey and Santa Clara Loan Production Offices will support the further expansion into Northern California
