**Re: Symantec Corporation  
Form 10-K for the Fiscal Year Ended April 3, 2009  
Filed September 2, 2009  
File No. 0-17781**

Dear Mr. Salem:

We have limited our review of your filing to disclosure relating to your contacts with countries that have been identified as state sponsors of terrorism, and we have the following comment. Our review with respect to this issue does not preclude further review by the Assistant Director group with respect to other issues. At this juncture, we are asking you to provide us with supplemental information, so that we may better understand your disclosure. Please be as detailed as necessary in your response. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filings. We look forward to working with you in these respects. We welcome any questions you may have about our comments or on any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

General

1. We note the disclosure on pages 4 and 39 that you operate in Latin America, the Middle East, and Africa, regional references generally understood to encompass Cuba, Iran, Syria, and Sudan. In addition, we are aware of an October 2009 news report that PRO TECHnology, which has offices in Iran and Sudan, is your Platinum Partner.

Cuba, Iran, Sudan, and Syria are countries that are identified by the State Department as state sponsors of terrorism, and are subject to U.S. economic sanctions and export controls. We note that your Form 10-K does not include specific disclosure regarding contacts with Cuba, Iran, Sudan, or Syria. Please describe to us the nature and extent of your past, current, and anticipated contacts

with Cuba, Iran, Sudan, and Syria, if any, whether through subsidiaries, distributors, or other direct or indirect arrangements. Your response should describe any products, equipment, technology, software, or services that you have provided into Cuba, Iran, Sudan, or Syria, directly or indirectly, and any agreements, commercial arrangements, or other contacts you have had with the governments of those countries or entities controlled by those governments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filings include all information required under the Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to the company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filings;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filings; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filings or in response to our comments on your filings.
