THIS AGREEMENT AND PLAN OF REORGANIZATION (the “Agreement”) is made as of March 8, 2004 (the “Execution Date”) by and among PLX Technology, Inc., a Delaware corporation (“Parent”), NC Acquisition Sub, Inc., a California corporation and wholly owned subsidiary of Parent (“Merger Sub”), NetChip Technology, Inc., a California corporation (“Company”), and Wei-Ti Liu in his capacity as the shareholders’ agent (“Shareholders’ Agent”). Certain terms used in this Agreement are defined in Appendix 1.

RECITALS

A. The Boards of Directors of Parent, Merger Sub and Company each have determined that the acquisition of Company by Parent through the merger of Merger Sub with and into Company pursuant to the terms and subject to the conditions set forth herein (the “Merger”) is in the best interests of their respective companies and stockholders and shareholders.

B. Merger Sub is a wholly-owned subsidiary of Parent.

C. Pursuant to the Merger, among other things, each outstanding share of capital stock of Company shall be converted into the consideration set forth herein.

D. Company and Parent desire to make certain representations, warranties, covenants and other agreements in connection with the Merger.

E. For federal income tax purposes, it is intended that the Merger shall qualify as a “reorganization” within the meaning of Section 368(a) of the Code, and this Agreement shall constitute a plan of reorganization pursuant to Section 368 of the Code, with respect to the Merger.

F. The parties intend that for financial accounting purposes, the Merger shall be accounted for as a purchase transaction.

G. As an inducement to Parent to enter into this Agreement, (a) the officers and directors of the Company and certain of the Company Shareholders have concurrently herewith entered into an agreement to vote the shares of Company Capital Stock owned by such Persons to approve the Merger and (b) the Key Shareholders have concurrently herewith entered into the Noncompetition Agreement and the Employment and Noncompetition Agreements, as applicable.

NOW, THEREFORE, in consideration of the covenants and representations set forth herein, and for other good and valuable consideration, the parties agree as follows:

ARTICLE 1

THE MERGER

1.1 The Merger. Subject to and in accordance with the terms and conditions set forth in this Agreement, at the Effective Time, the Merger Sub shall be merged with and into Company, which shall be the surviving corporation (the “Surviving Corporation”) in the Merger, and the separate existence of the Merger Sub shall thereupon cease. The name of the Surviving Corporation shall remain “NetChip Technology, Inc.” The Merger shall have the effects set forth in the applicable provisions of the CGCL.

1.2 Closing; Effective Time. The closing of the transactions contemplated hereby (the “Closing”) shall take place as soon as practicable after the satisfaction or waiver of each of the conditions set forth in Article 6 hereof or at such other time as the parties hereto agree (the “Closing Date”). The Closing shall take place at the offices of Morrison & Foerster, LLP, 755 Page Mill Road, Palo Alto, California, or at such other location as the parties hereto agree. In connection with the Closing, the parties hereto shall cause the Merger to be consummated by duly filing a properly executed Agreement of Merger in the form attached hereto as Exhibit A (the “Agreement of Merger”), together with any required officers’ certificates, with the Secretary of State of the State of California, in accordance with the relevant provisions of the CGCL (the time of such filing with the Secretary of State of California being the “Effective Time”).

1.3 Effect of the Merger. At the Effective Time, the effect of the Merger shall be as provided in this Agreement, the Agreement of Merger and the applicable provisions of the CGCL. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time, all the property, rights, privileges, powers and franchises of Company and the Merger Sub shall vest in the Surviving Corporation, and all debts, liabilities and duties of Company and the Merger Sub shall become the debts, liabilities and duties of the Surviving Corporation.

1.4 Articles of Incorporation; Bylaws.

(a) At the Effective Time, the Articles of Incorporation of Company, as in effect immediately prior to the Effective Time, shall be the Articles of Incorporation of the Surviving Corporation until thereafter amended as provided by the CGCL and such Articles of Incorporation; provided, that as of the Effective Time, the Company’s Articles of Incorporation shall be amended as set forth in Annex A to the Agreement of Merger.

(b) At the Effective Time, the Bylaws of Merger Sub, as in effect immediately prior to the Effective Time, shall be the Bylaws of the Surviving Corporation until thereafter amended as provided by the CGCL and such Bylaws.

1.5 Directors and Officers. At the Effective Time, the directors of Merger Sub, as in effect immediately prior to the Effective Time, shall be the directors of the Surviving Corporation, until their respective successors are duly elected or appointed and qualified. At the Effective Time, the officers of Merger Sub, as in effect immediately prior to the Effective Time,

shall be the officers of the Surviving Corporation, until their respective successors are duly elected or appointed and qualified.

1.6 Effect on Capital Stock.

(a) Conversion of Company Capital Stock. By virtue of the Merger and without any action on the part of Parent, Company, the Merger Sub or the holders of any of Company's securities, at the Effective Time, subject to Section 1.9(c):

(i) each share of Company Series A Preferred Stock issued and outstanding immediately prior to the Effective Time (excluding any shares cancelled pursuant to Section 1.6(b) and excluding any Dissenting Shares (as defined in Section 1.6(f) below)) will be cancelled and extinguished and automatically converted into the right to receive, upon surrender of the certificate representing such shares of Company Series A Preferred Stock:

(A) that number of shares (or fraction thereof) of Parent Common Stock equal to the Series A Preferred Share Exchange Ratio; and

(B) cash in lieu of fractional shares issuable pursuant to Section 1.6(a)(i)(A) in accordance with Section 1.6(e).

(ii) each share of Company Series B Preferred Stock issued and outstanding immediately prior to the Effective Time (excluding any shares cancelled pursuant to Section 1.6(b) and excluding any Dissenting Shares (as defined in Section 1.6(f) below)) will be cancelled and extinguished and automatically converted into the right to receive, upon surrender of the certificate representing such shares of Company Series B Preferred Stock:

(A) that number of shares (or fraction thereof) of Parent Common Stock equal to the Series B Preferred Share Exchange Ratio; and

(B) cash in lieu of fractional shares issuable pursuant to Section 1.6(a)(ii)(A) in accordance with Section 1.6(e).

(iii) each share of Company Series C Preferred Stock issued and outstanding immediately prior to the Effective Time (excluding any shares cancelled pursuant to Section 1.6(b) and excluding any Dissenting Shares (as defined in Section 1.6(f) below)) will be cancelled and extinguished and automatically converted into the right to receive, upon surrender of the certificate representing such shares of Company Series C Preferred Stock:

(A) that number of shares (or fraction thereof) of Parent Common Stock equal to the Series C Preferred Share Exchange Ratio; and

(B) cash in lieu of fractional shares issuable pursuant to Section 1.6(a)(iii)(A) in accordance with Section 1.6(e).

(iv) each share of Company Series D Preferred Stock issued and outstanding immediately prior to the Effective Time (excluding any shares cancelled pursuant to

Section 1.6(b) and excluding any Dissenting Shares (as defined in Section 1.6(f) below)) will be cancelled and extinguished and automatically converted into the right to receive, upon surrender of the certificate representing such shares of Company Series D Preferred Stock:

(A) that number of shares (or fraction thereof) of Parent Common Stock equal to the Series D Preferred Share Exchange Ratio; and

(B) cash in lieu of fractional shares issuable pursuant to Section 1.6(a)(iv)(A) in accordance with Section 1.6(e).

(v) each share of Company Series E Preferred Stock issued and outstanding immediately prior to the Effective Time (excluding any shares cancelled pursuant to Section 1.6(b) and excluding any Dissenting Shares (as defined in Section 1.6(f) below)) will be cancelled and extinguished and automatically converted into the right to receive, upon surrender of the certificate representing such shares of Company Series E Preferred Stock:

(vi) each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (excluding any shares cancelled pursuant to Section 1.6(b) and excluding any Dissenting Shares (as defined in Section 1.6(f) below)) will be cancelled and extinguished and automatically converted into the right to receive, upon surrender of the certificate representing such shares of Company Common Stock

(A) that number of shares (or fraction thereof) of Parent Common Stock equal to the Share Exchange Ratio;

(B) cash in lieu of fractional shares issuable pursuant to Section 1.6(a)(vi)(A) in accordance with Section 1.6(e);

(C) a right to receive the Earn-Out Share Exchange Ratio; and

(D) cash in lieu of fractional shares issuable pursuant to Section 1.6(a)(vi)(C) in accordance with Section 1.6(e).

(vii) To the extent that any Company Shareholder holds shares of Company Capital Stock issued and outstanding immediately prior to the Effective Time that are subject to restrictions (with respect to vesting or otherwise) ("Restricted Stock"), the shares of Parent Common Stock issued to such holder in the Merger in exchange for such holder's shares of Restricted Stock shall be subject to the same restrictions, terms and conditions post-Merger.

(viii) No adjustment shall be made in the number of shares of Parent Common Stock issued in the Merger as a result of (A) any increase or decrease in the market

price of Parent Common Stock prior to the Effective Time, or (B) any cash proceeds received by Company from the date hereof to the Closing Date pursuant to the exercise of currently outstanding Company Options or Company Warrants.

(b) Cancellation of Company Capital Stock Owned by Company. At the Effective Time, all shares of Company Capital Stock that are owned by Company as treasury stock and each share of Company Capital Stock owned by Parent or any direct or indirect wholly-owned subsidiary of Company or Parent shall be canceled and extinguished without any rights to conversion thereof and no consideration shall be delivered in exchange therefore.

(c) Company Options and Company Warrants. At the Effective Time, all Company Options then outstanding under the Company's 1996 Flexible Stock Incentive Plan (the "Company Stock Option Plan") shall be converted into Parent Options in accordance with Section 5.8(a). At the Effective Time, all Company Warrants then outstanding shall be cancelled in accordance with their terms.

(d) Adjustments to Exchange Ratios. The Series A Preferred Share Exchange Ratio, Series B Preferred Share Exchange Ratio, Series C Preferred Share Exchange Ratio, Series D Preferred Share Exchange Ratio, Series E Preferred Share Exchange Ratio, Share Exchange Ratio, and the Earn-Out Share Exchange Ratio shall only be adjusted to reflect fully the effect of any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into Parent Common Stock or Company Capital Stock), reclassification, reorganization, recapitalization or other like change with respect to Parent Common Stock or Company Capital Stock occurring after the date hereof and prior to the Effective Time, so as to provide holders of Company Common Stock and Parent the same economic effect as contemplated by this Agreement prior to such stock split, reverse split, stock dividend, reclassification, reorganization, recapitalization, or other like change.

(e) Fractional Shares. No fraction of a share of Parent Common Stock will be issued, but in lieu thereof each holder of shares of Company Capital Stock who would otherwise be entitled to a fraction of a share of Parent Common Stock (after aggregating all fractional shares of Parent Common Stock to which such holder is entitled) shall receive from Parent an amount of cash (rounded to the nearest whole cent) equal to the product of (i) such fraction, multiplied by (ii) the Parent Stock Price (or, in the case of Earn-Out Shares, the Earn-Out Stock Price or, in the case of Escrow Shares, the Escrow Stock Price), less any amount required to be withheld under foreign, federal, state or local tax laws.

(f) Dissenters' Rights. Notwithstanding any provisions of this Agreement to the contrary, any shares of Company Capital Stock held by a holder who has exercised such holder's dissenters' rights in accordance with CGCL and who, as of the Effective Time, has not effectively withdrawn or lost (through the failure to perfect or otherwise) such dissenters' rights ("Dissenting Shares"), shall not be converted into or represent a right to receive the consideration described in Section 1.6(a), but the holder of the Dissenting Shares shall only be entitled to such rights as are granted by CGCL. Notwithstanding the above, if any holder of shares of Company Capital Stock who demands dissenters' rights with respect to such shares shall effectively withdraw or lose such holder's dissenters' rights pursuant to CGCL, then, as of the Effective

Time or the occurrence of such withdrawal or loss event, such holder's shares shall automatically be converted into and represent only the right to receive the consideration described in Section 1.6(a) hereof upon surrender of the applicable certificates as provided herein. Company agrees that, except with the prior written consent of Parent, or as required under CGCL, it will not voluntarily make any payment with respect to, or settle or offer to settle, any purchase demand. Each holder of Dissenting Shares ("Dissenting Shareholder") who, pursuant to the provisions of CGCL, becomes entitled to payment of the fair value for shares of Company Capital Stock shall receive payment therefor (but only after the value therefor shall have been agreed upon or finally determined pursuant to such provisions). If, after the Effective Time, any Dissenting Shares shall lose their status as Dissenting Shares, Parent shall issue and deliver, upon surrender by such shareholder of the certificate or certificates representing shares of Company Capital Stock, the consideration to which such shareholder would otherwise be entitled under this Section 1.6, and Agreement of Merger, less the consideration allocable to such shareholder that has been deposited in the Escrow Fund pursuant to Section 1.9(c)(iii) and Article 8 hereof. Notwithstanding the foregoing, to the extent that Parent or the Surviving Corporation (i) makes any payment or payments in respect of any Dissenting Shares in excess of the consideration that otherwise would have been payable in respect of such shares in accordance with this Agreement, such amount in excess of amounts payable in accordance with this Agreement or (ii) incurs any other costs or expenses, (including specifically, but without limitation, attorneys' fees, costs and expenses in connection with any action or proceeding or in connection with any investigation) in respect of any Dissenting Shares (excluding payments for such shares payable in accordance with this Agreement or any amounts already covered by the foregoing clause (i)) (together "Dissenting Share Payments"), Parent shall be entitled to recover, subject to the terms of Article 8 hereof, the amount of such Dissenting Share Payments without regard to the Damage Threshold (as defined in Section 8.2 hereof).

(g) Capital Stock of Merger Sub. Each share of common stock of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into and exchanged for one validly issued, fully paid and nonassessable share of common stock of the Surviving Corporation. Each share certificate of Merger Sub evidencing ownership of any such shares of common stock shall continue to evidence ownership of such shares of capital stock of the Surviving Corporation.

1.7 Purchase Consideration Adjustment. The Total Value of Share Consideration shall be subject to adjustment as follows:

(a) The Company shall deliver to Parent at least three (3) calendar days prior to the expected Closing Date a statement ("Accounting Statement") setting forth the Company's estimate of the Closing Date Net Assets. The "Closing Date Net Assets" shall mean the remainder, as of the Closing Date, of the Company's current assets less its current liabilities; provided, however, the current liabilities shall only include legal fees in excess of the Legal Fee Cap and provided further, for the avoidance of doubt, the Company's liabilities shall include all unpaid Taxes attributable to the income, business, property, or operations of the Company, or for which the Company may otherwise be liable, for all taxable periods or portions thereof through the Closing Date and with respect to all transactions occurring through Closing Date, whether or not such Taxes are currently due and payable as of the Closing Date. The Closing

Date Net Assets as set forth on the Accounting Statement shall be prepared in accordance with GAAP applied on a basis consistent with the application of GAAP to the preparation of the Company Financial Statements. If the Accounting Statement is acceptable to Parent, the Total Value of Share Consideration shall be increased, dollar for dollar, by the amount by which the Closing Date Net Assets is greater than the Baseline Net Assets and shall be decreased, dollar for dollar, by the amount by which the Closing Date Net Assets is less than such amount. If the Closing Date Net Assets as set forth on the Accounting Statement are not acceptable to Parent, Parent shall deliver to the Company, prior to the Effective Time, a certificate containing a statement that: (i) Parent believes that the actual Closing Date Net Assets of the Company are different than the estimated Closing Date Net Assets as set forth on the Accounting Statement; (ii) a brief description of the facts and circumstances supporting such belief; and (iii) Parent's good faith estimate of the actual Closing Date Net Assets of the Company.

(b) In the event there is a dispute between Parent and the Company at the Effective Time regarding the Closing Date Net Assets of the Company, such disputed amount shall not be included in any adjustment to the Total Value of Share Consideration at the Closing; provided, however, that the Total Value of Share Consideration shall be adjusted at the Closing to reflect any amount of the Closing Date Net Assets reflected in the Accounting Statement that are not in dispute between Parent and the Company. If Parent determines, in good faith, that the actual Closing Date Net Assets of the Company is less than the estimated Closing Date Net Assets of the Company set forth on the Accounting Statement, to the extent the Company disputes Parent's calculation, such disputed amount shall be placed in the Escrow Fund pending the determination of Closing Date Net Assets as set forth below (the "Escrowed Purchase Price Adjustment").

(c) If (i) there is a dispute between Parent and the Company regarding the Closing Date Net Assets of the Company, or (ii) Parent, at its option chooses to prepare an Audited Closing Balance Sheet (as defined below), then Parent shall cause the following to be prepared and delivered to Shareholders' Agent (collectively, no later than sixty (60) days following the Closing Date): (A) an audited balance sheet of the Company as of the Closing Date (the "Audited Closing Balance Sheet"), together with an audit report thereon by a nationally-recognized independent accounting firm hired by Parent ("Parent's Accountant"), prepared in accordance with GAAP on a basis consistent with prior periods; and (B) a statement based on such Audited Closing Balance Sheet which sets forth in detail a calculation of the Closing Date Net Assets. Parent shall, and shall cause the Parent's Accountant to, provide Shareholders' Agent any and all work papers used in the preparation of the Audited Closing Balance Sheet. Except as set forth below, the Audited Closing Balance Sheet and the accompanying Closing Date Net Assets calculation shall be deemed to be and shall be final, binding and conclusive on the parties upon the earlier of (the "Final Resolution Date"): (1) Shareholders' Agent delivery of a written notice to Parent of its approval of the Audited Closing Balance Sheet; (2) the failure of Shareholders' Agent to notify Parent in writing of a dispute with the Audited Closing Balance Sheet within fifteen (15) days of the delivery of such documents to Shareholders' Agent; (3) the resolution of all disputes, pursuant to Section 1.7(d), by Parent Accountant and Shareholders' Accountant; and (4) the resolution of all disputes, pursuant to Section 1.7(d), by the Independent Accounting Firm.

(d) Shareholders' Agent may dispute any amounts reflected on the Audited Closing Balance Sheet by delivery of a written notice to Parent (the "Audited Closing Balance Sheet Dispute Notice"). If Shareholders' Agent delivers an Audited Closing Balance Sheet Dispute Notice to Parent, Parent's Accountant and an accountant designated by Shareholders' Agent ("Shareholders' Accountant") shall attempt to reconcile the parties' differences, and any resolution by them as to any disputed amounts shall be final, binding and conclusive on the parties. If Parent's Accountant and Shareholders' Accountant are unable to reach a resolution within fifteen (15) days after the delivery of the Audited Closing Balance Sheet Dispute Notice, Parent's Accountant and Shareholders' Accountant shall submit their respective determinations and calculations and the items remaining in dispute for resolution to an independent accounting firm mutually acceptable to Parent and Shareholders' Agent (the "Independent Accounting Firm"). The parties shall cause the Independent Accounting Firm to submit a report to Parent and Shareholders' Agent with a determination regarding the remaining disputed items, within thirty (30) days after submission of the matter, and such report shall be final, binding and conclusive on Parent and Shareholders' Agent. Parent and the Company Shareholders shall be responsible for the fees, costs and expenses of the Independent Accounting Firm in the same proportion that the aggregate amount of such remaining disputed items so submitted to the Independent Accounting Firm that is unsuccessfully disputed by each such party as finally determined by the Independent Accounting Firm bears to the total amount of such remaining disputed items. All such fees shall be paid to such Independent Accounting Firm by Parent; provided, however, that the portion of any such payment that is the responsibility of the Company Shareholder shall constitute "Parent Damages" recoverable from the Escrow Fund pursuant to the Escrow Agreement without regard to the Damage Threshold (as defined in Section 8.2 hereof).

(e) If the actual Closing Date Net Assets determined in accordance with this Section 1.7 is less than the estimated Closing Date Net Assets set forth in the Accounting Statement, Parent shall be entitled to withdraw the amount by which the estimated Closing Date Net Assets exceeds the actual Closing Date Net Assets from the Escrow Fund (the "Parent's Shortfall") without regard to the Damage Threshold (as defined in Section 8.2). If the Parent's Shortfall is less than the Escrowed Purchase Price Adjustment, Parent shall cause the Escrow Agent to distribute to the Company Shareholders, within fifteen (15) business days of the Final Resolution Date, the difference between the Escrowed Purchase Price Adjustment and the Parent's Shortfall (it being understood that if the actual Closing Date Net Assets determined in accordance with this Section 1.7 are greater than the estimated Closing Date Net Assets set forth on the Accounting Statement, Parent shall distribute to the Company Shareholders, on a pro rata basis, an additional number of shares of Parent Common Stock having a value equal to such excess amount).

1.8 Earn-Out.

(a) Earn-Out Payment. In addition to the Total Value of Share Consideration, Surviving Corporation or Parent agrees to pay to the holders of Company Common Stock, if earned, an earned payout amount (the "Earn-Out Payment") equal to the sum of (i) the lesser of (A) 2.27 multiplied by the remainder of (1) Surviving Corporation Gross Profit Margin less (2) \$3,000,000 and (B) \$5,000,000 (the "First Earn-Out Tranche"), and (ii) the lesser of (A) 2.5

multiplied by the remainder of (1) Surviving Corporation Gross Profit Margin less (2) \$5,200,000, and (B) \$5,000,000 (the “Second Earn-Out Tranche”), provided however, in no event shall the Second Earn-Out Tranche be earned and paid out if the First Earn-Out Tranche is less than \$5,000,000. For the purposes of the Earn-Out Payment calculation pursuant to this Section 1.8, the “Surviving Corporation Gross Profit Margin” shall mean the net revenues of the Company Products less the cost of goods sold of the Company Products as determined in accordance with GAAP, and consistent with Parent’s accounting policies and procedures, for the twelve (12) month period commencing on the Closing Date and ending on the one year anniversary of the Closing Date (the “Earn-Out Period”). Parent and Surviving Corporation shall operate and manage the business and operations of the Surviving Corporation in good faith with prudent business practices.

(b) Sale of Business; Change-in-Control of Parent. In the event that, during the Earn-Out Period, Parent sells or disposes of any portion of its business that sells the Company Products (a “Business Sale”), then, for purposes of calculating the Earn-Out Payment set forth in Section 1.8(a) above, the Surviving Corporation Gross Profit Margin shall be based on the actual Surviving Corporation Gross Profit Margin for the period from the Closing Date, through the closing date of the Business Sale, as annualized for a twelve (12) month period, provided, however, such annualization shall only apply to the calculation of the Surviving Corporation Gross Profit Margin and not to any other factor in determining the Earn-Out Payment pursuant to Section 1.8(a). (For example, if the closing date of the Business Sale was four (4) months after the Closing Date, for purposes of the Earn-Out Payment calculation, the Surviving Corporation Gross Profit Margin would be based on the product obtained by multiplying (i) the actual Surviving Corporation Gross Profit Margin from the Closing Date of this Agreement through the closing date of such Business Sale, by (ii) three (3)). In the event of a Change-in-Control of Parent, the Earn-Out Payment would be based on the actual Surviving Corporation Gross Profit Margin for the period from the Closing Date through the date of such Change-in-Control of Parent, as annualized for a twelve (12) month period, provided, however, such annualization shall only apply to the calculation of the Surviving Corporation Gross Profit Margin and not to any other factor in determining the Earn-Out Payment pursuant to Section 1.8(a).

(c) Date and Form of Earn-Out Payment. A computation of the Surviving Corporation Gross Profit Margin shall be prepared by Parent in the form of a report (the “Earn-Out Report”) and delivered to the Shareholders’ Agent not less than three (3) weeks following the first anniversary of the Closing Date. Upon the earlier of (i) the failure of Shareholders’ Agent to deliver the Earn-Out Payment Disagreement Notice (as defined below) to Parent regarding a dispute with the Earn-Out Payment within three (3) weeks of the delivery of the Earn-Out Report to the Shareholders’ Agent, (ii) the resolution of all disputes, pursuant to Section 1.8(d), by Parent and Shareholders’ Agent, and (iii) the resolution of all disputes, pursuant to Section 1.8(d), by the Independent Accounting Firm, the Parent shall cause the Earn-Out Payment to be paid in shares of Parent Common Stock valued at the Earn-Out Stock Price (the “Earn-Out Shares”). The Earn-Out Payment shall be based on the internally-generated financial statements of the Surviving Corporation prepared in accordance with GAAP, consistently applied (which have been prepared under the direction of the Parent) for the Earn-Out Period.

(d) Resolution of Disputes. Shareholders' Agent may dispute the Earn-Out Report by delivery of a written notice to Parent (the "Earn-Out Payment Disagreement Notice") within three (3) week of receiving the Earn-Out Report. If Shareholders' Agent delivers an Earn-Out Payment Disagreement Notice to Parent, Parent and Shareholders' Agent shall attempt to reconcile the parties' differences, and any resolution by them as to any disputed amounts shall be final, binding and conclusive on the parties. If Parent and Shareholders' Agent are unable to reach a resolution within thirty (30) days after the delivery of the Earn-Out Payment Disagreement Notice, Parent and Shareholders' Agent shall submit their respective determinations and calculations and the items remaining in dispute for resolution to or an Independent Accounting Firm. The parties shall cause the Independent Accounting Firm to submit a report to Parent and Shareholders' Agent with a determination regarding the remaining disputed items, within thirty (30) days after submission of the matter, and such report shall be final, binding and conclusive on Parent and Shareholders' Agent. Parent and the Company Shareholders shall be responsible for the fees, costs and expenses of the Independent Accounting Firm in the same proportion that the aggregate amount of such remaining disputed items so submitted to the Independent Accounting Firm that is unsuccessfully disputed by each such party as finally determined by the Independent Accounting Firm bears to the total amount of such remaining disputed items. All such fees shall be paid to such Independent Accounting Firm by Parent; provided, however, that the portion of any such payment that is the responsibility of the Company Shareholders shall constitute "Parent Damages" recoverable from the Escrow Fund pursuant to the Escrow Agreement, without regard to the Damage Threshold (as defined in Section 8.2 hereof).

1.9 Surrender of Certificates.

(a) Exchange Agent. Parent's transfer agent, EquiServe Trust Company, N.A., shall act as the exchange agent (the "Exchange Agent") in the Merger.

(b) Parent to Provide Common Stock. As soon as practicable after the Effective Time, Parent shall make available to the Exchange Agent for exchange in accordance with this Article 1, through such reasonable procedures as Parent may adopt, (i) the shares of Parent Common Stock issuable pursuant to Section 1.6(a) (provided that delivery of any shares that are subject to vesting shall be in book entry form only until such vesting restrictions have lapsed) in exchange for shares of Company Capital Stock outstanding immediately prior to the Effective Time, less the Escrow Shares (as defined in Section 1.9(c)(iii)), and (ii) cash in an amount sufficient to permit the payment in lieu of fractional shares pursuant to Section 1.6(e).

(c) Exchange Procedures.

(i) As soon as practicable, after the Effective Time, the Surviving Corporation shall cause to be mailed to each holder of record of a certificate or certificates (the "Certificates") which immediately prior to the Effective Time represented outstanding shares of Company Capital Stock, whose shares were converted into the right to receive the consideration set forth in Section 1.6(a) above, (A) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon receipt of the Certificates by the Exchange Agent, and shall be in such form and have such other provisions as

Parent may reasonably specify), and (B) instructions for use in effecting the surrender of the Certificates in exchange for the right to receive the consideration set forth in Section 1.6(a) (or book entries in the case of shares that have not yet vested, if any) above, less the Escrow Shares.

(ii) Upon surrender of a Certificate for cancellation to the Exchange Agent or to such other agent or agents as may be appointed by Parent, together with (A) such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, (B) a validly executed Holder Representation and Lock-Up Agreement and (C) a validly executed Registration Rights Agreement, the holder of such Certificate shall be entitled to receive in exchange therefor a right to receive (1) the shares of Parent Common Stock to which such holder is entitled to receive pursuant to Section 1.6(a) above (or a book entry in the case of shares that have not yet vested in full, if any) less the Escrow Shares and (2) cash in an amount sufficient to permit the payment in lieu of fractional shares pursuant to Section 1.6(e), and the Certificate so surrendered shall forthwith be cancelled.

(iii) As soon as practicable after the Effective Time, and subject to and in accordance with the provisions of Article 8 hereof, Parent shall withhold on a pro rata basis and cause to be distributed to the Escrow Agent (as defined in Article 8 hereof) a certificate or certificates representing Parent Common Stock (valued at the Parent Stock Price) (the “Escrow Shares”) representing an aggregate of \$2,000,000 from the Total Value of Share Consideration that is otherwise payable to the Company Shareholders pursuant to Section 1.6(a). The Escrow Shares shall be registered in the name of the Escrow Agent as nominee for each Company Shareholder holding Certificates cancelled pursuant to this Section 1.9. The Escrow Shares shall be vested shares not subject to any repurchase rights. The Escrow Shares shall be held in escrow and shall be available to compensate Parent for certain damages as provided in Article 8. To the extent not used for such purposes, such Escrow Shares shall be released, as provided in Article 8 hereof.

(iv) In the event that any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed, the Exchange Agent will issue or cause to be issued to such Person in exchange for such lost, stolen or destroyed Certificate, a new certificate into which the shares of such Person’s Company Capital Stock are converted at the Effective Time and/or deliver or cause to be delivered to such Person a check in respect of any fractional share interests or dividends or distributions, which such Person shall be entitled to receive pursuant to Section 1.6. When authorizing such issuance in exchange therefor, Parent and/or the Exchange Agent may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed Certificate to give Parent and/or the Exchange Agent a reasonable form of indemnity, as it shall direct, against any claim that may be made against Parent or the Exchange Agent with respect to the Certificate alleged to have been lost, stolen or destroyed.

(d) Distributions With Respect to Unexchanged Shares. No dividends or other distributions with respect to Parent Common Stock with a record date after the Effective Time will be paid to the holder of any unsurrendered Certificate with respect to the shares of Parent Common Stock represented thereby until the holder of record of such Certificate shall surrender such Certificate. Subject to applicable law, following surrender of any such

Certificate, there shall be paid to the record holder of the Certificate representing whole shares of Parent Common Stock issued in exchange therefor, without interest, at the time of such surrender, the amount of any such dividends or other distributions with a record date after the Effective Time theretofore payable with respect to such shares of Parent Common Stock.

(e) Transfers of Ownership. If any certificate for shares of Parent Common Stock is to be issued in a name other than that in which the Certificate surrendered in exchange therefor is registered, it will be a condition of the issuance thereof that the Certificate so surrendered will be properly endorsed and otherwise in proper form for transfer and that the Person requesting such exchange will have paid to the Exchange Agent, Parent or any other agent designated by Parent, as applicable, any transfer or other taxes required by reason of the issuance of a certificate for shares of Parent Common Stock in any name other than that of the registered holder of the Certificate surrendered, or established to the satisfaction of the Exchange Agent, Parent or any other agent designated by Parent, as applicable, that such tax has been paid or is not payable.

(f) No Liability. Notwithstanding anything to the contrary in this Section 1.9, none of the Exchange Agent, the Surviving Corporation or any party hereto shall be liable to any Person for any amount properly paid to a public official pursuant to any applicable abandoned property, escheat or similar law.

(g) Dissenting Shares. The provisions of this Section 1.9 shall also apply to Dissenting Shares that lose their status as such, except that the obligations of Parent under this Section 1.9 shall commence on the date of loss of such status and the holder of such shares shall be entitled to receive in exchange for such shares the consideration to which such holder is entitled pursuant to Section 1.6 hereof.

(h) No Further Ownership Rights in Company Capital Stock. All shares of Parent Common Stock issued and all cash paid for fractional shares thereof upon the surrender for exchange of shares of Company Capital Stock in accordance with the terms hereof shall be deemed to have been issued and paid in full satisfaction of all rights pertaining to such shares of Company Capital Stock, and there shall be no further registration of transfers on the records of the Surviving Corporation of shares of Company Capital Stock which were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates are presented to the Surviving Corporation for any reason, they shall be cancelled and exchanged as provided in this Article 1.

1.10 Tax and Accounting Consequences. It is intended by the parties hereto that the Merger shall (a) constitute a “reorganization” within the meaning of Section 368(a) of the Code and (b) qualify for accounting treatment as a purchase transaction. The parties to this Agreement hereby adopt this Agreement as a “plan of reorganization” within the meaning of sections 1.368-2(g) and 1.368-3(a) of the United States Treasury Regulations, with respect to the Merger.

1.11 Withholding Rights. Parent and the Surviving Corporation shall be entitled to deduct and withhold from the number of shares of Parent Common Stock and cash paid for fractional shares thereof otherwise deliverable under this Agreement, and from any other

payments made pursuant to this Agreement, such amounts as Parent and the Surviving Corporation are required to deduct and withhold with respect to such delivery and payment under the Code or any provision of state, local, provincial or foreign tax law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes of this Agreement as having been delivered and paid to the holder of shares of Company Common Stock in respect of which such deduction and withholding was made by Parent and the Surviving Corporation.

1.12 Company Shareholder Loans. In the event that any Company Shareholder has outstanding loans from the Company as of the Effective Time, the amount of consideration payable to such Company Shareholder pursuant to Section 1.6 shall be reduced by an amount equal to the outstanding principal plus accrued interest of such Company Shareholders' loans as of the Effective Time. Such loans shall be satisfied as to the amount by which the consideration is reduced pursuant to this Section 1.12.

1.13 Private Placement; Legends.

(a) The shares of Parent Common Stock to be issued in the Merger shall be issued in a private placement as "restricted securities" as defined under Rule 144 of the Securities Act and will be subject to the following legend, which legend is subject to approval by the Nasdaq Stock Market:

THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE BEEN ACQUIRED FOR INVESTMENT AND HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"). THESE SECURITIES MAY NOT BE SOLD, TRANSFERRED, ASSIGNED OR HYPOTHECATED UNLESS (A) THERE IS AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT COVERING SUCH SECURITIES, OR (B) A VALID EXEMPTION THEREFROM AND THE COMPANY RECEIVES AN OPINION OF COUNSEL FOR THE HOLDER OF THESE SECURITIES REASONABLY SATISFACTORY TO THE COMPANY, STATING THAT SUCH SALE, TRANSFER, ASSIGNMENT OR HYPOTHECATION IS EXEMPT FROM THE REGISTRATION AND PROSPECTUS DELIVERY REQUIREMENTS OF THE SECURITIES ACT.

Parent agrees that it will not unreasonably require an opinion of counsel for any transfer made pursuant to Rule 144 under the Securities Act. The legend set forth above shall be removed from the certificate representing shares of Parent Common Stock at the request of the holder thereof at such time as they become eligible for resale pursuant to Rule 144(k) under the Securities Act, which request shall be accompanied by the favorable opinion of legal counsel, reasonably satisfactory to Parent, concerning compliance with the conditions of Rule 144(k).

(b) In addition, Parent may place on the certificates representing shares of Parent Common Stock issued in the Merger other appropriate legends pursuant to applicable law.

1.14 Taking of Necessary Action; Further Action. If, at any time after the Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement and to vest the Surviving Corporation with full right, title and possession to all assets, property, rights, privileges, powers and franchises of Company, the officers and directors of Company, Parent and the Surviving Corporation are fully authorized in the name of their respective corporations or otherwise to take, and will take, all such lawful and necessary action, so long as such action is not inconsistent with this Agreement.

(b) The execution and delivery of this Agreement by Company does not, and the execution of the Transaction Agreements and the consummation of the Transactions will not, conflict with or result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to a right of termination, cancellation or acceleration of any obligation or loss of any benefit under (i) any provision of the Articles of Incorporation or Bylaws of Company, as amended, or (ii) any material mortgage, indenture, lease, Contract, Order, or Legal Requirements applicable to Company or any of its properties or assets.

Parent and Merger Sub each have the corporate power to own their respective properties and to carry on their respective businesses as now being conducted and as

proposed to be conducted and are each duly qualified to do business and are in good standing in each jurisdiction in which the failure to be so qualified and in good standing would be considered a Parent Material Adverse Effect on Parent. Neither Parent nor Merger Sub is in violation of any of the provisions of its respective Certificate of Incorporation, Articles of Incorporation, Bylaws or equivalent organizational documents.

3.2 Capital Structure. The authorized capital stock of Parent consists of 5,000,000 shares of preferred stock, \$.001 par value per share, of which none are issued and outstanding, and 30,000,000 shares of common stock, \$0.001 par value per share, of which 23,907,012 shares were issued and outstanding as of the close of business on February 24, 2004. 3.3 Authority.

(a) Parent and Merger Sub each have all requisite corporate power and authority to enter into this Agreement and the other Transaction Agreements to which it is a party and to consummate the Transactions. The execution and delivery of this Agreement by Parent and Merger Sub and the other Transaction Agreements to which it is a party and the consummation of the Transactions have been duly authorized by all necessary corporate action on the part of each of Parent, other than the approval of the Merger by the Parent Stockholders, and Merger Sub. This Agreement and the other Transaction Agreements to which it is a party have been (or will be as of the Closing) duly executed and delivered by each of Parent and Merger Sub and constitutes (or will constitute as of the Closing) the valid and binding obligations of Parent and Merger Sub enforceable against each in accordance with its terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws and equitable principles relating to or limiting creditors' rights generally and by general principles of equity.

(b) The execution and delivery of this Agreement by Parent and Merger Sub do not, and the consummation of the Transactions will not, conflict with, or result in any violation of, or default under (with or without notice or lapse of time, or both), or give rise to a right of termination, cancellation or acceleration of any obligation or loss of a benefit under (i) any provision of the Certificate of Incorporation or Bylaws of Parent (other than the limitation on the amount of authorized Parent Common Stock set forth in Parent's Certificate of Incorporation) or Articles of Incorporation or Bylaws of Merger Sub, as amended, or (ii) any material mortgage, indenture, lease, Contract, Order, or Legal Requirements applicable to Parent, Merger Sub or their respective properties or assets.

(c) No consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Body, is required by or with respect to Parent or Merger Sub in connection with the execution and delivery of this Agreement by Parent and Merger Sub or the consummation by Parent and Merger Sub of the transactions contemplated hereby, except for (i) the filing of the Agreement of Merger, together with the required officers' certificates, as provided in Section 1.2, (ii) the filing of a Form 8-K with the SEC, (iii) any filings as may be required under applicable Legal Requirements, (iv) such filings as may be required under HSR

or other Antitrust Laws, (v) the filing with the Nasdaq Stock Market of a Notification Form for Listing of Additional Shares with respect to the shares of Parent Common Stock issuable upon conversion of the Company Common Stock in the Merger and upon exercise of the options formerly under the Company Stock Option Plan and converted into Parent Options, (vi) the filing of a registration statement on Form S-8 with the SEC, or other applicable form covering the shares of Parent Common Stock issuable pursuant to outstanding options formerly under the Company Stock Option Plan and converted into Parent Options, (vii) the filing of a registration statement on Form S-3 with the SEC, and (viii) such other consents, authorizations, filings, approvals and registrations which, if not obtained or made, would not have a Material Adverse Effect on Parent and would not prevent, materially alter or delay any of the transactions contemplated by this Agreement.

3.4 SEC Documents; Financial Statements. Parent has made available to Company each statement, report, registration statement (with the prospectus in the form filed pursuant to Rule 424(b) of the Securities Act), definitive proxy statement, and other filing filed with the SEC by Parent since December 31, 2003 (collectively, the “Parent SEC Documents”) and will promptly make available to Company all Parent SEC documents filed prior to the Effective Time. In addition, Parent has made available to Company all exhibits to the Parent SEC Documents filed prior to the date hereof, and will promptly make available to Company all exhibits to any additional Parent SEC Documents filed prior to the Effective Time. As of their respective filing dates, the Parent SEC Documents complied in all material respects with the requirements of the Exchange Act and the Securities Act. The financial statements of Parent, including the notes thereto, included in the Parent SEC Documents (the “Parent Financial Statements”) were complete and correct in all material respects as of their respective dates, complied as to form in all material respects with applicable accounting requirements and with the published rules and regulations of the SEC with respect thereto as of their respective dates, and have been prepared in accordance with GAAP applied on a basis consistent throughout the periods indicated and consistent with each other (except as may be indicated in the notes thereto or, in the case of unaudited statements, included in Quarterly Reports on Form 10-Qs, as permitted by Form 10-Q of the SEC). The Parent Financial Statements fairly present the consolidated financial condition and operating results of Parent as of the dates and for the periods indicated therein (subject, in the case of unaudited statements, to normal, recurring year-end adjustments).

3.5 Litigation. Except as set forth in the Parent SEC Documents, there is no Proceeding pending before any Governmental Body against Parent or any of its properties or officers or directors (in their capacities as such), that could reasonably be expected to have a Parent Material Adverse Effect.

3.6 Broker’s and Finders’ Fees. Parent has not incurred, nor will it incur, directly or indirectly, any liability for brokerage or finders’ fees or agents’ commissions or investment bankers’ fees or any similar charges in connection with this Agreement or any transaction contemplated hereby.

ARTICLE 5

ADDITIONAL AGREEMENTS

5.1 Registration Exemption; Blue Sky. Company shall cooperate with Parent with respect to any qualification for exemption from registration under federal securities laws, or for qualification or exemption under state securities or “blue sky” laws, pursued by Parent with respect to the shares of Parent Common Stock to be issued pursuant to this Agreement. Without limiting the generality of the foregoing, the Company shall promptly: (a) provide to Parent all pertinent information concerning the Company, the Company Capital Stock and the Company Shareholders; and (b) promptly review and comment on any documents or drafts supplied by Parent.

5.2 Access to Information; Disclosure Schedule Updates.

(a) Upon reasonable notice, Company shall afford Parent and its accountants, counsel and other representatives, reasonable access during normal business hours during the period prior to the Effective Time or the earlier termination of this Agreement in accordance with its terms, provided that such access does not cause disruption to the day-to-day operation of Company, to (i) all of Company’s properties, books, contracts, commitments and records, and (ii) all other information concerning the business, properties and personnel of Company as Parent may reasonably request. Company agrees to provide to Parent and its accountants, counsel and other representatives copies of internal financial statements promptly upon request.

(b) Subject to compliance with applicable law, from the date hereof until the Effective Time or the earlier termination of this Agreement in accordance with its terms, Company and Parent shall confer on a regular and frequent basis to report operational matters of materiality and the general status of ongoing operations of Company.

(c) No information or knowledge obtained in any investigation after the Execution Date pursuant to this Section 5.2 shall affect or be deemed to modify any representation or warranty contained herein or the conditions to the obligations of the parties to consummate the Merger; provided, however that Company shall promptly inform Parent of any such information or knowledge obtained in its investigation which would reasonably be likely to have a Company Material Adverse Effect. Additionally, during the period from the date hereof

and prior to the Effective Time or the earlier termination of this Agreement in accordance with its terms, Company shall promptly notify Parent in writing of:

(i) the discovery of any event, condition, fact or circumstance which causes, caused, constitutes or constituted a breach of any representation or warranty made by Company in this Agreement or any other agreement contemplated hereby to the extent that such event, condition, fact or circumstance would cause the condition in Section 6.3(a) of this Agreement not to be satisfied;

(ii) any material breach of any covenant or obligation by Company;
and

(iii) any event, condition, fact or circumstance that may make the timely satisfaction of any of the covenants or conditions set forth in this Article 5 or Article 6 impossible or unlikely.

(d) If any event, condition, fact or circumstances that is required to be disclosed pursuant to Section 5.2(c) requires any material change in Company's Disclosure Schedule, or if any such event, condition, fact or circumstance would require such a change assuming Company's Disclosure Schedule were dated as of the date of the occurrence, existence or discovery of such event, condition, fact or circumstances, then Company shall promptly deliver to Parent an update to its Disclosure Schedule specifying such change (a "Disclosure Schedule Update"). Notwithstanding anything therein to the contrary, no such update shall be deemed to supplement or amend Company's Disclosure Schedule for the purpose of (i) determining the accuracy of any of the representations and warranties made by such party in this Agreement, or (ii) determining whether any of the conditions set forth in Article 6 has been satisfied.

(e) Company shall provide Parent and its accountants, counsel and other representatives reasonable access, during normal business hours during the period prior to the Effective Time, to all of Company's Tax Returns and other records and workpapers relating to Taxes, provided that such access does not cause disruption to the day-to-day operation of Company, and shall provide to Parent and its representatives the following information promptly upon the request of Parent: (i) the types of Tax Returns being filed by Company in each taxing jurisdiction, (ii) the year of the commencement of the filing of each such type of Tax Return, (iii) all closed years with respect to each such type of Tax Return filed in each jurisdiction, (iv) all material Tax elections filed in each jurisdiction by Company, (v) any deferred intercompany gain with respect to transactions to which Company has been a party, and (vi) receipts for any Taxes paid to foreign Tax authorities.

5.3 Confidentiality. The parties acknowledge that Parent and Company have previously executed a non-disclosure agreement dated April 1, 2003 (the "Confidentiality Agreement"), a copy of which is attached hereto as Exhibit C, which Confidentiality Agreement shall continue in full force and effect in accordance with its terms.

5.4 Public Disclosure. Company and Parent will consult with each other before issuing any press releases or other public statements and neither party, without the other party's prior consent, may issue press releases or otherwise make any public statements or make any other public (or non-confidential) disclosures (whether or not in response to an inquiry) regarding the terms of this Agreement and the transactions contemplated hereby (which consent shall not be unreasonably withheld), except as may be required by law or by obligations pursuant to any listing agreement with any national securities exchange or with the Nasdaq Stock Market.

5.5 Consents; Cooperation. Company shall use reasonable best efforts to furnish Parent, on or prior to the Closing Date, with evidence satisfactory to it of the consent or approval of those Persons whose consent or approval shall be required in connection with the Merger under the contracts of Company set forth, or required to be set forth, on Schedule 2.30.

5.6 Affiliate Voting Agreement and Proxies; Holder Representation and Lock-Up Agreement.

(a) Company shall use its reasonable best efforts, on behalf of Parent, and pursuant to the request of Parent, to cause all Named Shareholders to execute and deliver to Parent an Affiliate Voting Agreement substantially in the form of Exhibit B and an Irrevocable Proxy (the "Affiliate Voting Agreement") substantially in the form of Attachment A attached thereto concurrently with the execution of this Agreement.

(b) Company shall use its reasonable best efforts to deliver or cause to be delivered to Parent no later than five (5) days prior to the Closing from each Company Shareholder, and from each holder of a vested Company Option (or a Company Option which will vest on or prior to the Closing Date), an executed Holder Representation and Lock-Up Agreement (the "Holder Representation and Lock-Up Agreement") substantially in the form attached hereto as Exhibit D.

5.7 Legal Requirements. Each of Parent and Company shall take all reasonable actions necessary to comply promptly with all Legal Requirements which may be imposed on them with respect to the consummation of the transactions contemplated by this Agreement and will promptly cooperate with and furnish information to any party hereto necessary in connection with any such requirements imposed upon such other party in connection with the consummation of the transactions contemplated by this Agreement and will take all reasonable actions necessary to obtain (and will cooperate with the other parties hereto in obtaining) any consent, approval, order or authorization of, or any registration, declaration or filing with, any Governmental Body or other Person, required to be obtained or made in connection with the taking of any action contemplated by this Agreement.

5.8 Company Options.

(a) Company Options. At the Effective Time, the Company Stock Option Plan, and each outstanding Company Option under the Company Stock Option Plan, whether vested or unvested, will be assumed by Parent and each such Company Option will be converted into an option to purchase shares of Parent Common Stock (each a "Parent Option"), provided

the holders of such Company Options have entered into an agreement and/or consent in a form reasonably acceptable to Parent. Schedule 5.8(a) hereto sets forth a true and complete list as of the date hereof of all holders of outstanding Company Options under the Company Stock Option Plan, including the number of shares of Company Capital Stock subject to each such option, the exercise or vesting schedule, the exercise price per share and the term of each such option. On the Closing Date, Company shall deliver to Parent an updated Schedule 5.8(a) hereto current as of such date. Each such Company Option so converted into a Parent Option under this Agreement shall be subject to the terms and conditions set forth in the Company Stock Option Plan and the agreement relating to such option except that (i) such option will be exercisable for that number of whole shares of Parent Common Stock equal to the product of the number of shares of Company Common Stock that were issuable upon exercise of such option immediately prior to the Effective Time multiplied by the Share Exchange Ratio and rounded down to the nearest whole number of shares of Parent Common Stock and (ii) the per share exercise price for the shares of Parent Common Stock issuable upon exercise of such Parent Option will be equal to the quotient determined by dividing the exercise price per share of Company Common Stock at which such option was exercisable immediately prior to the Effective Time by the Share Exchange Ratio, rounded up to the nearest whole cent. Consistent with the terms of the Company Stock Option Plan and the documents governing the outstanding Company Options under such plan, the Merger will not terminate any of the outstanding Company Options under the Company Stock Option Plan or accelerate the exercisability or vesting of such options or the shares of Parent Common Stock which will be subject to those options upon the conversion of the Company Options in connection with the Merger. It is the intention of the parties that the assumed Company Options qualify, to the maximum extent permissible, following the Effective Time, as incentive stock options, as defined in Section 422 of the Code, to the extent the Company Options so assumed qualified as incentive stock options prior to the Effective Time.

(b) Assignment of Repurchase Options. Any outstanding rights of Company held immediately prior to the Effective Time to repurchase unvested shares of Company Common Stock (the “Repurchase Options”) shall be assigned to Parent in the Merger and shall thereafter be exercisable by Parent upon the same terms and conditions in effect immediately prior to the Effective Time, except that the shares purchasable pursuant to the Repurchase Options and the purchase price per share shall be adjusted to reflect the Share Exchange Ratio.

5.9 Employees

(a) Employment Offers. Parent shall offer employment, to be effective as of the Closing Date and contingent upon the Closing to all employees of the Company by Surviving Corporation. The Company shall use reasonable best efforts to (i) encourage the Company’s employees to continue their employment with the Company until Closing and thereupon to accept employment with the Surviving Corporation and (ii) assist Surviving Corporation in employing such Company employees. Subject to Section 5.10 below, nothing in this Section shall be construed to entitle any Company employee to continue his or her employment with Surviving Corporation for any period of time, nor to interfere with the rights of Parent, Surviving Corporation or the Company to discharge or discipline any Company employee, to change the terms of any Company’s employment, or to amend or terminate any employee benefit plans at any time.

(b) Employment and Noncompetition Agreements. Concurrently herewith, each of Reid Augustin and David L. Raaum shall execute and deliver to Parent an Employment Agreement in the form attached hereto as Exhibit E (the “Employment and Noncompetition Agreement”). Wei-Ti Liu (together with Reid Augustin and David L. Raaum, the “Key Shareholders”) shall execute and deliver to Parent a Noncompetition and Nonsolicitation Agreement in the form attached hereto as Exhibit F (the “Noncompetition Agreement”).

(c) Director Nomination. Parent shall take such actions as required to appoint Wei-Ti Liu, who is currently President and a member of the Board of Directors of Company, to Parent’s Board of Directors effective upon the Closing.

5.10 Termination of Employee Plans.

(a) If requested by Parent, Company shall, immediately prior to the Closing Date, terminate any one or more of the Company Employee Plans.

(b) In the event Parent requests that any of the Company Employee Plans be terminated, Company shall adopt resolutions and shall take all other actions necessary to effect the termination of any such plans, to be effective no later than the Closing Date and shall provide to Parent executed resolutions by the Board of Directors of Company authorizing the termination of any such plans.

5.11 Escrow Agreement. On or before the Effective Time, the Escrow Agent, the Shareholders’ Agent (as defined in Article 8 hereto), Company and Parent will execute the Escrow Agreement contemplated by Article 8 in substantially the form attached hereto as Exhibit G (“Escrow Agreement”).

5.12 Form S-8. Parent agrees to use commercially reasonable efforts to file, no later than thirty (30) days after the Closing (provided that Parent has received within five (5) days after the Closing all option documentation relating to the assumed Company Options), a registration statement on Form S-8 under the Securities Act covering the shares of Parent Common Stock issuable pursuant to assumed Company Options (or any successor or other appropriate forms) or on another appropriate form of registration statement for any such shares of Parent Common Stock which are not registrable on Form S-8 and shall use its reasonable best efforts to maintain the effectiveness of such registration statement or registration statements (and maintain the current status of the prospectus or prospectuses contained therein) for so long as such options remain outstanding. Company will cooperate and assist Parent in the preparation of such registration statement(s).

5.13 Expenses. All costs and expenses incurred in connection with this Agreement, the Agreement of Merger, the other Transaction Agreements and the Transactions shall be paid by the party incurring such expense; provided, however, (a) the Company shall pay the fees and expenses of the outside accountants and auditors for the audit and preparation of the Company Financial Statements (the “Accountant Fees”) (b) if the Merger is consummated, the Company shall not incur more than \$100,000 (“Legal Fee Cap”) in legal fees and expenses related to the Transactions (the “Legal Fees”). Any Legal Fees incurred by Company in excess of the Legal

Fee Cap or any transaction fees accruing or payable following Closing that were not included in the Accounting Statement and the calculation of the Closing Date Net Assets shall be the obligation of the Company Shareholders. Company shall present to Parent at the Closing a certificate (“Legal Fee Certificate”), duly executed by the President of Company setting forth the final amount of all legal fees and expenses incurred by the Company in connection with this Agreement, the Agreement of Merger, the other Transaction Agreements and the Transactions. After the Closing, if Company or Surviving Corporation receives any invoices for (i) the amount of the Legal Fees in excess of the Legal Fee Cap (which were not set forth in the Legal Fee Certificate), (ii) and Accountant Fees, or (iii) any fees or expenses, payable to third parties, relating to services performed in connection with the Transactions that are accrued by the Company prior to Closing, either the Parent or it may, with Parent’s written approval, pay such fees; provided, however, that the amount of any such payment (whether paid by Surviving Corporation, Company or Parent) shall constitute “Parent Damages” recoverable from the Escrow Fund pursuant to the Escrow Agreement.

5.14 Treatment as Reorganization. Prior to the Effective Time, each party shall use its best efforts to cause the Merger to qualify as a “reorganization” within the meaning of Section 368(a) of the Code, and will not take any action that could cause the Merger not to so qualify. For purposes of this Section 8.8(c), in any arbitration hereunder in which any claim or the amount thereof stated in the Officer's Certificate is at issue, Parent shall be deemed to be the "Non-Prevailing Party," unless the arbitrators award Parent more than one-half (1/2) of the amount in dispute, plus any amounts not in dispute; otherwise, the Company Shareholders for whom shares of Company Common Stock otherwise issuable to them have been deposited in the Escrow Fund shall be deemed to be the "Non-Prevailing Party." The Non-Prevailing Party to an arbitration shall pay its own expenses, the fees of each arbitrator, the administrative fee of Judicial Arbitration and Mediation Services, Inc. ("JAMS") and the expenses, including without limitation, attorneys' fees and costs, reasonably incurred by the

other party to the arbitration. If the Company Shareholders are deemed to be the Non-Prevailing Party, such expenses and fees shall be paid first from the Escrow Fund, without regard to the Damage Threshold (as defined in Section 8.2 hereof), and second, by Parent.
