Prospectus dated November 27, 2009, regarding the
Domini Social Equity Fund®
Institutional Shares**

Effective on May 21, 2010, the eligibility requirements applicable to the Institutional Shares of the Domini Social Equity Fund set forth on page A-7 of the Prospectus have been modified to establish a \$2 million minimum *initial* investment for all Institutional Share accounts, including defined contribution plan accounts. Defined contribution plan accounts continue to qualify for Institutional Share investment at the sponsor level and cannot be aggregated with defined contribution plans of unaffiliated sponsors to meet the \$2 million minimum initial investment amount. Omnibus or other accounts for which Domini provides recordkeeping and/or other services or for which the Fund is required to pay any type of administrative payment per participant account are not eligible for the Institutional Shares.
