File Nos. 333-170658 and 811-5870

Dear Mr. Hoffman:

On November 17, 2010, you filed a registration statement on Form N-2 for common shares of the BlackRock Senior Floating Rate Fund, Inc. (the "Fund"). We have reviewed the registration statement and have provided our comments below.

Prospectus

Investment Objective and Policies (Page 4)

1. The fourth bulleted paragraph, captioned "Unsecured Loans and Short-Term Investments," states that "[g]enerally the Master LLC invests at least 80% of its assets in senior collateralized corporate loans." In order to make this policy consistent with Rule 35-1 under the Investment Company Act of 1940, please revise the term "generally" to "under normal circumstances." Please also disclose in the prospectus that either (i) the policy is a fundamental policy, or (ii) the policy is non-fundamental and the fund will provide at least 60 days notice before changing it. *See* Rule 35d-1(a)(2)(ii) under the Investment Company Act.

2. The last bulleted paragraph, captioned "Hedging Techniques," states that the Fund may engage in certain interest rate hedging transactions, such as swaps, caps or floors. Please consider the staff observations on derivatives disclosure set forth in the letter from Barry D. Miller, Associate Director, Office of Legal and Disclosure, to Karrie McMillan, General Counsel, Investment Company Institute dated July 30, 2010. See <http://www.sec.gov/divisions/investment/guidance/ici073010.pdf>.

Fee Table (page 11)

3. The paragraph after the end of the footnotes states that Merrill Lynch & Co., Inc. currently charges customers a processing fee of \$5.35 for confirming purchases and repurchases. Also, the transfer agent charges a fee of \$7.50 for redemption payments made by wire transfer and \$15 for redemption by check sent via overnight mail. Please include these charges in the fee table.

Part C Other Information

2. For exhibit (I), you have referenced the legality opinion and consent of Brown & Wood filed on November 7, 1997 and the legality opinion and consent of Miles & Stockbridge filed on December 31, 2007 with respect to other registration statements of the Fund. Please provide new legality opinions and consents with respect to the present offering.

General Comments

3. Where a comment is made in one location, it is applicable to all similar disclosure appearing elsewhere in the registration statement.

4. We note that portions of the filing are incomplete. We may have additional comments on such portions when you complete them in pre-effective amendments, on disclosures made in response to this letter, on information you supply to us, or on exhibits added in any pre-effective amendments.

5. Please advise us if you have submitted or expect to submit exemptive applications or no-action requests in connection with your registration statement.

6. Responses to this letter should be in the form of a pre-effective amendment filed pursuant to Rule 472 under the Securities Act. Where no change will be made in the filing in response to a comment, please indicate this fact in a letter to us and briefly state the basis for your position.

7. We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing reviewed by the staff to be certain that they have provided all information investors require to make an informed decision. Since the Fund and its management are in possession of all facts relating to the Fund's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

- the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the Fund from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and
- the Fund may not assert this action as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the
