REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholder's and Board of Directors of I.E. Investments, Inc. dba Stark Municipal Brokers

Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of I.E. Investments, Inc. dba Stark Municipal Brokers as of December 31, 2022, the related statements of income, changes in stockholder's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of I.E. Investments, Inc. dba Stark Municipal Brokers as of December 31, 2022, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of I.E. Investments, Inc. dba Stark Municipal Brokers' management. My responsibility is to express an opinion on I.E. Investments, Inc. dba Stark Municipal Brokers' financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and am required to be independent with respect to I.E. Investments, Inc. dba Stark Municipal Brokers in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

Auditor's Report on Supplemental Information

The information contained in Schedules I, II, and III ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of I.E. Investments, Inc. dba Stark Municipal Brokers' financial statements. The Supplemental Information is the responsibility of I.E. Investments, Inc. dba Stark Municipal Brokers' management. My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming my opinion on the Supplemental Information, I evaluated whether the Supplemental Information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In my opinion, the Supplemental Information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholder's and Board of Directors of I.E. Investments, Inc. dba Stark Municipal Brokers

I have reviewed management's statements, included in the accompanying Exemption Report, in which (1) I.E. Investments, Inc. dba Stark Municipal Brokers identified the following provisions of 17 C.F.R. §15c3-3(k) under which I.E. Investments, Inc. dba Stark Municipal Brokers claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (the "exemption provisions") and (2) I.E. Investments, Inc. dba Stark Municipal Brokers stated that I.E. Investments, Inc. dba Stark Municipal Brokers met the identified exemption provision throughout the year ended December 31, 2022, without exception. I.E. Investments, Inc. dba Stark Municipal Brokers' management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about I.E. Investments, Inc. dba Stark Municipal Brokers' compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON APPLYING
AGREED-UPON PROCEDURES**

To the Stockholder's and Board of Directors of I.E. Investments, Inc. dba Stark Municipal Brokers

I have performed the procedures included in Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and in the Securities Investor Protection Corporation ("SIPC") Series 600 Rules, which are enumerated below and were agreed to by I.E. Investments, Inc. dba Stark Municipal Brokers and SIPC, solely to assist you and SIPC in evaluating I.E. Investments, Inc. dba Stark Municipal Brokers' management is responsible for its Form SIPC-7 and for its compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

- 1) Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
- 2) Compared the Total Revenue amounts reported on the Annual Audited Report Form X-17A-5 Part III for the year ended December 31, 2022, with the Total Revenue amount reported in Form SIPC-7 for the year ended December 31, 2022, noting no differences;
- 3) Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
- 4) Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
- 5) Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Form SIPC-7 for the year ended December 31, 2022. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

Note 1- General and Summary of Significant Accounting Policies

General

I.E. Investments, Inc. dba Stark Municipal Brokers (the "Company") was incorporated in the state of California on June 7, 1989. The Company is a registered broker-dealer in securities with the Securities and Exchange Commission ("SEC") under the Securities and Exchange Act of 1934, a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC").

The Company is engaged in business as a securities broker-dealer. The majority of its income comes as an agent for principals in the buying and selling of municipal bonds.

Under its membership agreement with FINRA and pursuant to SEC Rule 15c3-3(k)(2)(ii), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of SEC Rule 15c3-3 pertaining to the possession or control of customer assets and reserve requirements.

Summary of Significant Accounting Policies

Cash and Cash Equivalents

The Company has defined cash and cash equivalents as currency, demand deposits, and highly liquid investments, with original maturity of less than three months that are not held for sale in the ordinary course of business.

Property, Plant and Equipment

Expenditures for equipment and furniture and for renewals and betterments which extend the originally estimated economic life of assets are capitalized. Depreciation is provided on a straight-line basis using estimated lives of five to ten years. Depreciation for federal income tax purpose on straight-line basis using the modified accelerated depreciation system. For the year ended December 31, 2022, no depreciation has been recorded as the Company's property, plant, and equipment have been fully depreciated.

Right of Use Assets – Operating Leases

The Company follows the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-02, Leases (Topic 842), which requires lessees to recognize most leases on their balance sheets as a right of use ("ROU") asset with a corresponding lease liability. The Company does not recognize ROU assets and liabilities for leases with a term of 12 months or less.

Note 1- General and Summary of Significant Accounting Policies (Continued)

Summary of Significant Accounting Policies (Continued)

Income Taxes

The Company is a C Corporation for Federal income and states of California and New Jersey franchise tax purposes. The amount of current and deferred taxes payable or refundable is recognized as of the date of the financial statements, utilizing the currently enacted tax laws and rates. The Company uses the asset and liability method as identified in the FASB Accounting Standards Codification ("ASC")740, *Income Taxes*.

Revenue Recognition

The Company follows a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies the performance obligation.

Commissions

The Company buys and sells municipal securities on behalf of its customers. Each time a customer enters into a buy or sell transaction, the Company charges a commission. Commissions and related clearing expenses are recorded on the trade date (the date that the Company fills the trade order by finding and contracting with a counterparty and confirms the trade with the customer). The Company believes that the performance obligation is satisfied on the trade date because that is when the underlying financial instrument or purchaser is identified, the pricing is agreed upon and the risks and rewards of ownership have been transferred to/from the customer. The Company's only commission revenue is from buying and selling municipal securities; therefore, no disaggregation of revenue has been provided.

Investments

Marketable securities held by the Company are classified as trading securities and stated at their fair market value based on quoted market prices. Investment transactions are accounted for on a trade date basis. Dividends are recorded on the ex-dividend date and interest is recognized on the accrual basis. Realized gains and losses from securities transactions are reported on a first-in, first-out basis. Unrealized gains or losses on marketable securities are computed based on specific identification of recorded cost, with the change in fair value during the period included in income.

Note 1- General and Summary of Significant Accounting Policies (Continued)

Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during reporting period. Actual results could differ from those estimated.

Subsequent Events

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date of this report which is the date the financial statements were issued. Based upon this review, the Company has determined that there were no events which took place that would have impact on its financial statement.

Note 2 - Deposits with Clearing Organization

The Company, under SEC Rule 15c3-3(k)(2)(ii), is exempt from the reserve and possession or control requirements of SEC Rule 15c3-3. The Company does not carry or clear customer accounts. Accordingly, all customer transactions are executed and cleared on behalf of the Company by its clearing broker on a fully disclosed basis. The Company's agreement with its clearing broker provides that as a clearing broker, the firm will make and keep such records of the transactions effected and cleared in the customer accounts as are customarily made and kept by a clearing broker pursuant to the requirements of Rule 17a-3 and 17a-4 of the Securities and Exchange Act of 1934. The clearing Broker has custody of the certain cash balance maintained by the Company, which serve as collateral for any amounts due to the clearing broker. The balance at December 31, 2022 was \$56,624.

Note 3 - Receivables from and Payables to Clearing Organization

The Company recognizes revenue at trade date and the amounts receivable include unsettled trades. This complies with the Municipal Securities Rulemaking Board. The Company's trades are cleared through a clearing organization and settled daily between the clearing organization and the Company. Because of this daily settlement, the amount of unsettled credit exposure is limited to the amount owed the Company for a very short period of time. The Company continually reviews the credit quality of its counterparties. In accordance with FASB ASC 940-20-45-3, the Company recorded the net Receivables for unsettled trades in the amount of \$2,827 as of December 31, 2022.

YEAR ENDED DECEMBER 31, 2022

Note 5 - Income Taxes (Continued)

Management regularly evaluates the likelihood of realizing the benefit for income tax position taken by the Company in various federal and state filings by considering all relevant facts, circumstances, and information available. If management believes it is more likely than not that a position will be sustained, the Company will recognize a benefit at the largest amount which is cumulatively greater than fifty percent (50%) likely to be realized. The Company recognizes accrued interest and penalties related to unrecognized tax benefits, if any, as a component of the provision for income taxes. The Company has not recognized any contingencies for uncertain tax positions for the year ended December 31, 2022.

The Company files Federal and state income tax returns. The statute of limitations for these jurisdictions is generally three to six years. The Company had no returns under examination as of December 31, 2022.

Note 6 – Commitments

Operating Leases

Operating leases are included in the Right of use lease assets – operating leases and Operating lease liabilities on the Statement of Financial Condition. These assets and liabilities are recognized on the commencement date based on the present value of remaining lease payments over the lease terms using the implicit rate as the discount rate if it is readily determinable, otherwise the Company will use its incremental borrowing rate as the discount rate. Short-term operating leases, which have an initial term of 12 months or less, are not recorded on the Statement of Financial Condition.

The Company is obligated under a sixty-four-month agreement dated August 10, 2018 that commenced on November 1, 2018 for its office space in Thousand Oaks, CA. Lease expense for the Thousand Oaks office space was \$50,210 for year ended December 31, 2022 and is reported on the Statement of Income, under Operating Expenses, Occupancy. The discount rate used to compute the lease liability and ROU asset at the commencement date of the lease is 10.42%, which is the implicit rate. The implicit rate was computed using current estimated market value data readily available to determine the current asset value, lease costs, and estimates the Company made of the residual asset value, based on historical average market value data readily available. The lease contains a renewal option for five years. Because the Company is not reasonably certain to exercise the renewal option, the optional period is not included in determining the lease term, and associated payments under the renewal option are excluded from lease payments.

The Company is obligated under the terms of two non-concealable operating leases of automobiles. Lease expense for automobiles for the year ended December 31, 2022 was \$18,719 and is reported on the Statement of Income, under Operating Expenses, Travel and promotion. The discount rate used to compute the lease liabilities and ROU assets at the commencement date of the leases is the implicit rate in the leases, computed using current and residual asset values stated in the leases and the lease costs to compute the implicit rate. The implicit rates in the two automobile leases are 0.07% and 4.03%.
