Financial Statements

3. Acquisitions

Termination of Royalty Interest at Carmen de Andacollo, page 72

1. We note you received \$345 million from CMCA related to the termination of your royalty interest at Carmen de Andacollo on July 9, 2015. You also indicated in your earnings call for the quarter ended September 30, 2016 that no gain was recorded for financial reporting purposes. Given that you disclose the net carrying value of the Andacollo royalty on the date of termination was approximately \$207.5 million, please tell us why the termination did not result in gain recognition, explain how you recorded the transaction and provide the authoritative literature that supports your accounting.
