**Re: Lattice Semiconductor Corporation
Amendment No. 1 to Preliminary Proxy on Schedule 14A
Filed December 28, 2016
File No. 000-18032**

Dear Mr. Billerbeck:

We have limited our review of your amended preliminary proxy statement to those issues we have addressed in our comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing your response to these comments, we may have additional comments. Our references to prior comments are to comments in our December 22, 2016 letter.

Financing of the Merger, page 83

1. Your revisions added in response to prior comment 1 imply that CVC, the large Chinese investment fund, is the source of funds for the transaction. If that is correct, please revise for clarity. If that is not correct, please revise to clarify the source of funds.

Regulatory Approvals Required for the Merger, page 92

2. Please expand your revisions in response to prior comment 2 to clarify why CFIUS may prevent or limit approval of the transaction. For example, we note your added disclosure regarding CFIUS determining the presence or absence of national security concerns. However, it is unclear from your disclosure why national security concerns are or are not present.
