## PART I

### Item 1. Business

Gateway Tax Credit Fund II Ltd. ("Gateway") is a Florida Limited Partnership. The general partners are Raymond James Tax Credit Funds, Inc., the Managing General Partner, and Raymond James Partners, Inc., both sponsors of Gateway Tax Credit Fund II Ltd. and wholly-owned subsidiaries of Raymond James Financial, Inc.

Pursuant to the Securities Act of 1933, Gateway filed a Form S-11 Registration Statement with the Securities and Exchange Commission, effective September 12, 1989, which covered the offering (the "Public Offering") of Gateway's Beneficial Assignee Certificates ("BACs") representing assignments of units for the beneficial interest of the limited partnership interest of the Assignor Limited Partner. The Assignor Limited Partner was formed for the purpose of serving in that capacity for the Fund and will not engage in any other business.

Gateway is engaged in only one industry segment, to acquire limited partnership interests in unaffiliated limited partnerships ("Project Partnerships"), each of which owns and operates one or more apartment complexes eligible for Low-Income Housing Tax Credits under Section 42 of the Internal Revenue Code ("Tax Credits"), received over a ten year period. Subject to certain limitations, Tax Credits may be used by Gateway's investors to reduce their income tax liability generated from other income sources. Gateway will terminate on December 31, 2040, or sooner, in accordance with the terms of its Limited Partnership Agreement. As of March 31, 2003, Gateway had received capital contributions of \$1,000 from the General Partners and \$37,228,000 from Assignees.

Gateway offered BACs in five series. BACs in the amounts of \$6,136,000, \$5,456,000, \$6,915,000, \$8,616,000 and \$10,105,000 for Series 2, 3, 4, 5, and 6, respectively had been issued as of March 31, 2003. Each series is treated as a separate partnership, investing in a separate and distinct pool of Project Partnerships. Net proceeds from each series were used to acquire Project Partnerships which are specifically allocated to such series. Income or loss and all tax items from the Project Partnerships acquired by each series are specifically allocated among the Assignees of such series.

Operating profits and losses, cash distributions from operations and Tax Credits are allocated 99% to the Assignees and 1% to the General Partners. Profit or loss and cash distributions from sales of property will be allocated as described in the Limited Partnership Agreement.

As of March 31, 2003, Gateway had invested in 22 Project Partnerships for Series 2, 23 Project Partnerships for Series 3, 29 Project Partnerships for Series 4, 36 Project Partnerships for Series 5 and 38 Project Partnerships for Series 6. Gateway acquired its interests in these properties by becoming a limited partner in the Project Partnerships that own the properties. As of March 31, 2003 each series was fully invested in Project Partnerships and management plans no new investments in the future.

The primary source of funds from the inception of each series has been the capital contributions from Assignees. Gateway's operating costs are funded using the reserves, established for this purpose, the interest earned on these reserves and distributions received from Project Partnerships.

All but two of the Project Partnerships are government subsidized with mortgage loans from the Farmers Home Administration (now called United States Department of Agriculture - Rural Development) ("USDA-RD") under Section 515 of the Housing Act of 1949. These mortgage loans are made at low interest rates for multi-family housing in rural and suburban areas, with the requirement that the interest savings be passed on to low income tenants in the form of lower rents. A significant portion of the project partnerships also receive rental assistance from USDA-RD to subsidize certain qualifying tenants.

The General Partners do not believe the Project Partnerships are subject to the risks generally associated with conventionally financed nonsubsidized apartment

properties. Risks related to the operations of Gateway are described in detail on pages 23 through 34 of the Prospectus, as supplemented, under the Caption "Risk Factors" which is incorporated herein by reference. The investment objectives of Gateway are to:

- 1) Provide tax benefits to Assignees in the form of Tax Credits during the period in which each Project is eligible to claim tax credits;
- 2) Preserve and protect the capital contribution of Investors;
- 3) Participate in any capital appreciation in the value of the Projects; and
- 4) Provide passive losses to i) individual investors to offset passive income from other passive activities, and ii) corporate investors to offset business income.

The investment objectives and policies of Gateway are described in detail on pages 34 through 40 of the Prospectus, as supplemented, under the caption "Investment Objectives and Policies" which is incorporated herein by reference.

Gateway's goal was to invest in a diversified portfolio of Project Partnerships located in rural and suburban locations with a high demand for low income housing. As of March 31, 2003 the investor capital contributions were successfully invested in Project Partnerships, which met the investment criteria. Management anticipates that competition for tenants will only be with other low income housing projects and not with conventionally financed housing. With significant number of rural American households living below the poverty level in substandard housing, management believes there will be a continuing demand for affordable low income housing for the foreseeable future.

Gateway has no direct employees. Services are performed by the Managing General Partner and its affiliates and by agents retained by it. The Managing General Partner has full and exclusive discretion in management and control of Gateway.

## Item 2. Properties

Gateway owns a majority interest in properties through its limited partnership investments in Project Partnerships. The largest single investment in a Project Partnership in Series 2 is 13.4% of the Series' total assets, Series 3 is 8.2%, Series 4 is 8.2%, Series 5 is 8.0% and Series 6 is 6.5%. The following table provides certain summary information regarding the Project Partnerships in which Gateway had an interest as of December 31, 2002:

The aggregate average effective rental per unit is \$3,133 per year (\$261 per month).

Inverness Club Ltd.'s fixed asset total is 12.3% of the Series 2 total Project Partnership fixed assets. Inverness Club was placed in service in October 1991, is located on Florida's West Coast and operates as a low-income 72 unit apartment facility for the elderly. It also offers an optional congregate services package to all tenants. The property competes for tenants with six other apartment properties in the area. The market study estimated a demand for 100 elderly units.

Inverness Club's occupancy rate was 97% and its average effective annual rental per unit was \$5,343 (\$445 per month) on December 31, 2002. The land cost was \$205,500 and the building cost was \$3,291,324. The building is depreciated using the straight line method over 27.5 years. Management believes the property insurance coverage is adequate. For the year ended December 31, 2002 the real estate taxes were \$64,317.

### Item 4. Submission of Matters to a Vote of Security Holders

As of March 31, 2003, no matters were submitted to a vote of security holders, through the solicitation of proxies or otherwise.

## PART II

### Item 5. Market for the Registrant's Securities and Related Security Holder Matters

(a) Gateway's Limited Partnership interests (BACs) are not publicly traded. There is no market for Gateway's Limited Partnership interests and it is unlikely that any will develop. No transfers of Limited Partnership Interest or BAC Units are permitted without the prior written consent of the Managing General Partner. There have been several transfers from inception to date with most being from individuals to their trusts or heirs. The Managing General Partner is not aware of the price at which the units are transferred. The conditions under which investors may transfer units is found under ARTICLE XII - "Issuance of BAC'S" on pages A-29 and A-30 of the Limited Partnership Agreement within the Prospectus, which is incorporated herein by reference.

There have been no distributions to Assignees from inception to date.

## Item 7. Controls and Procedures

Within 90 days prior to the filing of this report, under the supervision and with the participation of the Partnership's management, including the Partnership's chief executive and chief financial officers, an evaluation of the effectiveness of the Partnership's disclosure controls and procedures (as defined in Rule 13a-14(c) under the Securities and Exchange Act of 1934) was performed. Based on this evaluation, such officers have concluded that the Partnership's disclosure controls and procedures were effective as of the date of that evaluation in alerting them in a timely manner to material information relating to the Partnership required to be included in this report and the Partnership's other reports that it files or submits under the Securities Exchange Act of 1934. There were no significant changes in the Partnership's internal controls or in other factors that could significantly affect these controls subsequent to the date of their evaluation.

## Item 8. Management's Discussion and Analysis of Financial Condition and Results of Operations

### Results of Operations, Liquidity and Capital Resources

In 2003, a General Partner of one Project Partnership in Series 3 and seven Project Partnerships in Series 4 plead guilty to fraud and conspiracy charges relating to these project partnerships and other partnerships not related to Gateway Tax Credit Fund II, LTD. The Partnership is in the process of substituting a new General Partner and does not feel that this situation will have a material impact on the financial statements.

Operations commenced on September 14, 1990, with the first admission of Assignees in Series 2. The proceeds from Assignees' capital contributions available for investment were used to acquire interests in Project Partnerships.

As disclosed on the statement of operations for each Series, except as described below, interest income is comparable for the years ended March 31, 2003, March 31, 2002 and March 31, 2001. The General and Administrative expenses - General Partner and General and Administrative expenses - Other for the year ended March 31, 2003 are comparable to March 31, 2002 and March 31, 2001.

The capital resources of each Series are used to pay General and Administrative operating costs including personnel, supplies, data processing, travel and legal and accounting associated with the administration and monitoring of Gateway and the Project Partnerships. The capital resources are also used to pay the Asset Management Fee due to the Managing General Partner, but only to the extent that Gateway's remaining resources are sufficient to fund Gateway's ongoing needs. (Payment of any Asset Management Fee unpaid at the time Gateway sells its interests in the Project Partnerships is subordinated to the return of the investors' original capital contributions).

The sources of funds to pay the operating costs of each Series are short-term investments and interest earned thereon, the maturity of U.S. Treasury Security Strips ("Zero Coupon Treasuries"), which were purchased with funds set aside for this purpose and cash distributed to the Series from the operations of the Project Partnerships.

From inception, no Series has paid distributions, and management does not anticipate distributions in the future.

Series 2 - Gateway closed this series on September 14, 1990 after receiving \$6,136,000 from 375 Assignees. As of March 31, 2003, the series had invested \$4,524,678 in 22 Project Partnerships located in 10 states containing 723 apartment units. Average occupancy of the Project Partnerships was 93% at December 31, 2002.

Equity in Losses of Project Partnerships decreased from \$76,493 for the year ended March 31, 2001 to \$43,931 for the year ended March 31, 2002 and to \$17,624 for the year ended March 31, 2003. As presented in Note 5, Gateway's share of net loss decreased from \$611,603 for the year ended March 31, 2001 to \$706,233 for the year ended March 31, 2002 and increased to \$696,894 for the year ended March 31, 2003. Suspended Losses decreased from \$535,110 for the year ended March 31, 2001 to \$662,302 for the year ended March 31, 2002 and increased to \$679,270 for the year ended March 31, 2003. These losses would reduce the investment in Project Partnerships below zero. In general, it is common in the real estate industry to

experience losses for financial and tax reporting purposes because of the non-cash expenses of depreciation and amortization. (These Project Partnerships reported depreciation and amortization of \$893,266, \$865,003 and \$864,473 for the years ended December 31, 2000, 2001, and 2002 respectively.) As a result, management expects that this Series, as well as those described below, will report its equity in Project Partnerships as a loss for tax and financial reporting purposes. Overall, management believes the Project Partnerships are operating as expected and are generating tax credits that meet projections.

At March 31, 2003, the Series had \$243,155 of short-term investments (Cash and Cash Equivalents). It also had \$222,258 in Zero Coupon Treasuries with annual maturities providing \$58,593 in fiscal year 2004 increasing to \$66,285 in fiscal year 2007. Management believes the sources of funds are sufficient to meet current and ongoing operating costs for the foreseeable future, and to pay part of the Asset Management Fee.

As disclosed on the statement of cash flows, the Series had a net loss of \$85,230 for the year ending March 31, 2003. However, after adjusting for Equity in Losses of Project Partnerships of \$17,624 and the changes in operating assets and liabilities, net cash used in operating activities was \$32,613, of which \$34,741 was the Asset Management Fee actually paid. Cash provided by investing activities totaled \$39,963, consisting of \$14,265 in cash distributions from the Project Partnerships and \$25,698 from matured Zero Coupon Treasuries. There were no unusual events or trends to describe.

Series 3 - Gateway closed this series on December 13, 1990 after receiving \$5,456,000 from 398 Assignees. As of March 31, 2003 the series had invested \$3,888,713 in 23 Project Partnerships located in 12 states containing 768 apartment units. Average occupancy of the Project Partnerships was 94% as of December 31, 2002.

Equity in Losses of Project Partnerships increased from \$26,094 for the year ended March 31, 2001 to \$34,441 for the year ended March 31, 2002 and decreased to \$25,505 for the year ended March 31, 2003. As presented in Note 5, Gateway's share of net loss decreased from \$735,412 for the year ended March 31, 2001 to \$710,345 for the year ended March 31, 2002 and to \$608,873 for the year ended March 31, 2003. Suspended Losses decreased from \$709,318 for the year ended March 31, 2001 to \$675,904 for the year ended March 31, 2002 and to \$583,368 for the year ended March 31, 2003. These losses would reduce the investment in Project Partnerships below zero. (These Project Partnerships reported depreciation and amortization of \$941,538, \$946,476 and \$961,550 for the years ended December 31, 2000, 2001 and 2002, respectively.) Overall, management believes these Project Partnerships are operating as expected and are generating tax credits which meet projections.

At March 31, 2003, the Series had \$201,450 of short-term investments (Cash and Cash Equivalents). It also had \$197,694 in Zero Coupon Treasuries with annual maturities providing \$52,100 in fiscal year 2004 increasing to \$58,940 in fiscal year 2007. Management believes these sources of funds are sufficient to meet the Series' current and ongoing operating costs for the foreseeable future, and to pay part of the Asset Management Fee.

As disclosed on the statement of cash flows, the Series had a net loss of \$82,729 for the year ended March 31, 2003. However, after adjusting for Equity in Losses of Project Partnerships of \$25,505 and the changes in operating assets and liabilities, net cash used in operating activities was \$42,551, of which \$39,573 was the Asset Management Fee actually paid. Cash provided by investing activities totaled \$45,973, consisting of \$23,114 in cash distributions received from the Project Partnerships and \$22,859 from matured Zero Coupon Treasuries. There were no unusual events or trends to describe.

Series 4 - Gateway closed this series on May 31, 1991 after receiving \$6,915,000 from 465 Assignees. As of March 31, 2003, the series had invested \$4,952,519 in 29 Project Partnerships located in 16 states containing 879 apartment units. Average occupancy of the Project Partnerships was 96% at December 31, 2002.

Equity in Losses of Project Partnerships decreased from \$254,163 for the year ended March 31, 2001 to \$118,314 for the year ended March 31, 2002 and decreased to \$77,657 for the year ended March 31, 2003. As presented in Note 5, Gateway's share of net loss decreased from \$847,148 for the year ended March 31, 2001 to \$766,057 for the year ended March 31, 2002 and decreased to \$695,800 for the year ended March 31, 2003. Suspended Losses increased from \$592,985 for the year ended

March 31, 2001 to \$647,743 for the year ended March 31, 2002 and decreased to \$618,144 for the year ended March 31, 2003. These losses would reduce the investment in Project Partnerships below zero. (These Project Partnerships reported depreciation and amortization of \$976,176, \$979,666 and \$1,044,807 for the years ended December 31, 2000, 2001 and 2002, respectively.) Overall, management believes these Project Partnerships are operating as expected and are generating tax credits which meet projections.

At March 31, 2003, the Series had \$273,896 of short-term investments (Cash and Cash Equivalents). It also had \$250,458 in Zero Coupon Treasuries with annual maturities providing \$66,032 in fiscal year 2004 increasing to \$74,700 in fiscal year 2007. Management believes these sources of funds are sufficient to meet the Series' current and ongoing operating costs for the foreseeable future, and to pay part of the Asset Management Fee.

As disclosed on the statement of cash flows, the Series had a net loss of \$160,313 for the year ended March 31, 2003. However, after adjusting for Equity in Losses of Project Partnerships of \$77,657 and the changes in operating assets and liabilities, net cash used in operating activities was \$46,928, of which \$44,046 was the Asset Management Fee actually paid. Cash provided by investing activities totaled \$48,645, consisting of \$19,685 in cash distributions from the Project Partnerships and \$28,960 from matured Zero Coupon Treasuries. There were no unusual events or trends to describe.

Series 5 - Gateway closed this series on October 11, 1991 after receiving \$8,616,000 from 535 Assignees. As of March 31, 2003, the series had invested \$6,164,472 in 36 Project Partnerships located in 13 states containing 1,106 apartment units. Average occupancy of the Project Partnerships was 94% as of December 31, 2002.

Equity in Losses of Project Partnerships were comparable for the years ended March 31, 2001, 2002, and 2003. (These Project Partnerships reported depreciation and amortization of \$1,283,498, \$1,294,116 and \$1,280,622 for the years ended December 31, 2000, 2001 and 2002, respectively.) Overall, management believes these Project Partnerships are operating as expected and are generating tax credits which meet projections.

At March 31, 2003, the Series had \$385,402 of short-term investments (Cash and Cash Equivalents). It also had \$312,163 in Zero Coupon Treasuries with annual maturities providing \$82,275 in fiscal year 2004 increasing to \$93,075 in fiscal year 2007. Management believes these sources of funds are sufficient to meet the Series' current and ongoing operating costs for the foreseeable future, and to pay part of the Asset Management Fee.

As disclosed on the statement of cash flows, the Series had a net loss of \$261,993 for the year ended March 31, 2003. However, after adjusting for Equity in Losses of Project Partnerships of \$159,492 and the changes in operating assets and liabilities, net cash used in operating activities was \$61,551, of which \$57,351 was the Asset Management Fee actually paid. Cash provided by investing activities totaled \$66,576 consisting of \$30,482 in cash distributions from the Project Partnerships and \$36,094 from matured Zero Coupon Treasuries. There were no unusual events or trends to describe.

Series 6 - Gateway closed this series on March 11, 1992 after receiving \$10,105,000 from 625 Assignees. As of March 31, 2003, the series had invested \$7,462,215 in 38 Project Partnerships located in 19 states containing 1,086 apartment units. Average occupancy of the Project Partnerships was 95% as of December 31, 2002.

Equity in Losses of Project Partnerships decreased from \$384,730 for the year ended March 31, 2001 to \$306,042 for the year ended March 31, 2002 and to \$209,950 for the year ended March 31, 2003. These decreases were due to additional suspended losses of \$523,064, \$609,347, and \$591,184 for the years ended March 31, 2001, 2002 and 2003 respectively, as these losses would reduce the investment in certain Project Partnerships below zero. (These Project Partnerships reported depreciation and amortization of \$1,337,714, \$1,347,661 and \$1,361,813 for the years ended December 31, 2000, 2001 and 2002, respectively.) Overall, management believes these Project Partnerships are operating as expected and are generating tax credits which meet projections.

At March 31, 2003, the Series had \$447,585 of short-term investments (Cash and Cash Equivalents). It also had \$259,667 in Zero Coupon Treasuries with annual maturities providing \$70,000 in fiscal year 2004 increasing to \$83,000 in fiscal year 2007. Management believes these sources of funds are sufficient to meet the Series' current and ongoing operating costs for the foreseeable future, and to pay part of the Asset Management Fee.

As disclosed on the statement of cash flows, the Series had a net loss of \$334,594 for the year ended March 31, 2003. However, after adjusting for Equity in Losses of Project Partnerships of \$209,950 and the changes in operating assets and liabilities, net cash used in operating activities was \$70,481, of which \$55,509 was the Asset Management Fee actually paid. Cash provided by investing activities totaled \$62,689 of which \$30,427 was received in cash distributions from the Project Partnerships and \$32,262 from matured Zero Coupon Treasuries. There were no unusual events or trends to describe.

Item 9. Financial Statements and Supplementary Data

# INDEPENDENT AUDITOR'S REPORT

To the Partners of Gateway Tax Credit Fund II Ltd.

We have audited the accompanying balance sheets of each of the five Series (Series 2 through 6) constituting Gateway Tax Credit Fund II Ltd. (a Florida Limited Partnership) as of March 31, 2003 and 2002 and the related statements of operations, partners' equity (deficit), and cash flows of each of the five Series for each of the three years in the period ended March 31, 2003. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits. We did not audit the financial statements of certain Project Partnerships for which cumulative equity in losses included on the balance sheets as of March 31, 2003 and 2002 and net losses included on the statements of operations for each of the three years in the period ended March 31, 2003 are:

	Cumulative Equity in Losses March 31, -----		Partnership Loss Year Ended March 31, -----		
	2003 ----	2002 ----	2003 ----	2002 ----	2001 ----
Series 2	\$3,763,016	\$3,763,013	\$ 0	\$ 29,397	\$ 57,696
Series 3	3,138,561	3,126,202	12,361	11,713	13,173
Series 4	3,431,461	3,360,237	71,223	57,051	176,447
Series 5	3,749,328	3,680,345	68,984	79,648	92,712
Series 6	4,549,163	4,418,917	130,246	181,311	242,250

Those statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for such underlying partnerships, is based solely on the reports of the other auditors.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits and the reports of other auditors provide a reasonable basis for our opinion.

In our opinion, based on our audits and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the financial position of each of the five Series (Series 2 through 6) constituting Gateway Tax Credit Fund II Ltd. as of March 31, 2003 and 2002, and the results of their operations and their cash flows for each of the three years in the period ended March 31, 2003, in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedules listed under Item 14(a)(2) in the index are presented for purposes of complying with the Securities and Exchange Commission's rules and are not part of the basic financial statements. These schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, based on our audits and the reports of other auditors, fairly state in all material respects the financial data required to be set forth therein in relation to the basic financial statements taken as a whole.

GATEWAY TAX CREDIT FUND II LTD.  
(A Florida Limited Partnership)

NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2003, 2002 AND 2001

NOTE 1 - ORGANIZATION:

Gateway Tax Credit Fund II Ltd. ("Gateway"), a Florida Limited Partnership, was formed September 12, 1989, under the laws of Florida. Operations commenced on September 14, 1990 for Series 2, September 28, 1990 for Series 3, February 1, 1991 for Series 4, July 1, 1991 for Series 5 and January 1, 1992 for Series 6. Gateway has invested, as a limited partner, in other limited partnerships ("Project Partnerships") each of which owns and operates one or more apartment complexes expected to qualify for Low-Income Housing Tax Credits. Gateway will terminate on December 31, 2040, or sooner, in accordance with the terms of the Limited Partnership Agreement. As of March 31, 2003, Gateway had received capital contributions of \$1,000 from the General Partners and \$37,228,000 from Beneficial Assignee Certificate investors (the "Assignees"). The fiscal year of Gateway for reporting purposes ends on March 31.

Pursuant to the Securities Act of 1933, Gateway filed a Form S-11 Registration Statement with the Securities and Exchange Commission, effective September 12, 1989, which covered the offering (the "Public Offering") of Gateway's Beneficial Assignee Certificates ("BACs") representing assignments of units for the beneficial interest of the limited partnership interest of the Assignor Limited Partner. The Assignor Limited Partner was formed for the purpose of serving in that capacity for the Fund and will not engage in any other business.

Raymond James Partners, Inc. and Raymond James Tax Credit Funds, Inc., wholly-owned subsidiaries of Raymond James Financial, Inc., are the General Partner and the Managing General Partner, respectively. The Managing General Partner manages and controls the business of Gateway.

Gateway offered BACs in five series. BACs in the amounts of \$6,136,000, \$5,456,000, \$6,915,000, \$8,616,000 and \$10,105,000 for Series 2, 3, 4, 5 and 6, respectively had been issued as of March 31, 2003. Each Series is treated as a separate partnership, investing in a separate and distinct pool of Project Partnerships. Net proceeds from each Series are used to acquire Project Partnerships which are specifically allocated to such Series. Income or loss and all tax items from the Project Partnerships acquired by each Series are specifically allocated among the Assignees of such Series.

Operating profits and losses, cash distributions from operations and tax credits are allocated 99% to the Assignees and 1% to the General Partners. Profit or loss and cash distributions from sales of properties will be allocated as formulated in the Limited Partnership Agreement.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

Gateway utilizes the accrual basis of accounting whereby revenues are recognized when earned and expenses are recognized when obligations are incurred.

Gateway accounts for its investments as the limited partner in Project Partnerships ("Investments in Project Partnerships"), using the equity method of accounting, because management believes that Gateway does not have a majority control of the major operating and financial policies of the Project Partnerships in which it invests, and reports the equity in losses of the Project Partnerships on a 3-month lag in the Statements of Operations. Under the equity method, the Investments in Project Partnerships initially include:

- 1) Gateway's capital contribution,
- 2) Acquisition fees paid to the General Partner for services rendered in selecting properties for acquisition, and
- 3) Acquisition expenses including legal fees, travel and other miscellaneous costs relating to acquiring properties.

Quarterly the Investments in Project Partnerships are increased or decreased as follows:

- 1) Increased for equity in income or decreased for equity in losses of the Project Partnerships,
- 2) Decreased for cash distributions received from the Project Partnerships, and
- 3) Decreased for the amortization of the acquisition fees and expenses.

Amortization is calculated on a straight-line basis over 35 years, as this is the average estimated useful life of the underlying assets. The amortization expense is shown on the Statements of Operations.

Pursuant to the limited partnership agreements for the Project Partnerships, cash losses generated by the Project Partnerships are allocated to the general partners of those partnerships. In subsequent years, cash profits, if any, are first allocated to the general partners to the extent of the allocation of prior years' cash losses.

Since Gateway invests as a limited partner, and therefore is not obligated to fund losses or make additional capital contributions, it does not recognize losses from individual Project Partnerships to the extent that these losses would reduce the investment in those Project Partnerships below zero. The suspended losses will be used to offset future income from the individual Project Partnerships. Distributions received from Project Partnerships whose investment has been reduced to zero are included in Other Income.

Gateway reviews its investments in Project Partnerships to determine if there has been any permanent impairment whenever events or changes in circumstances indicate that the carrying amount of the investment may not be recoverable. If the sum of the expected future cash flows is less than the carrying amount of the investment, Gateway recognizes an impairment loss. No impairment loss has been recognized in the accompanying financial statements.

Gateway, as a limited partner in the Project Partnerships, is subject to risks inherent in the ownership of property which are beyond its control, such as fluctuations in occupancy rates and operating expenses, variations in rental schedules, proper maintenance and continued eligibility of tax credits. If the cost of operating a property exceeds the rental income earned thereon, Gateway may deem it in its best interest to voluntarily provide funds in order to protect its investment.

#### Cash and Cash Equivalents

It is Gateway's policy to include short-term investments with an original maturity of three months or less in Cash and Cash Equivalents. Short-term investments are comprised of money market mutual funds.

#### Concentration of Credit Risk

Financial instruments which potentially subject Gateway to concentrations of credit risk consist of cash investments in a money market mutual fund that is a wholly-owned subsidiary of Raymond James Financial, Inc.

#### Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates that affect certain reported amounts and disclosures. These estimates are based on management's knowledge and experience. Accordingly, actual results could differ from these estimates.

### Investment in Securities

Effective April 1, 1995, Gateway adopted Statement of Financial Accounting Standards No. 115, Accounting for Certain Investments in Debt and Equity Securities ("FAS 115"). Under FAS 115, Gateway is required to categorize its debt securities as held-to-maturity, available-for-sale or trading securities, dependent upon Gateway's intent in holding the securities. Gateway's intent is to hold all of its debt securities (U. S. Government Security Strips) until maturity and to use these reserves to fund Gateway's ongoing operations. Interest income is recognized ratably on the U. S. Government Strips using the effective yield to maturity.

### Offering and Commission Costs

Offering and commission costs were charged against Assignees' Equity upon the admission of Limited Partners.

### Income Taxes

No provision for income taxes has been made in these financial statements, as income taxes are a liability of the partners rather than of Gateway.

### Reclassifications

For comparability, the 2002 and 2001 figures have been reclassified, where appropriate, to conform with the financial statement presentation used in 2003.

### Recent Accounting Pronouncements

In August 2001, the Financial Accounting Standards Board issued SFAS No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets". SFAS No 144 provides accounting guidance for financial accounting and reporting for the impairment or disposal of long-lived assets. SFAS No. 144 supersedes SFAS No. 121, "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to be Disposed Of". SFAS No. 144 is effective for fiscal years beginning after December 15, 2001. The Partnership adopted SFAS No. 144 effective January 1, 2002. The adoption did not have an effect on the financial position or results of operations of the Partnership.

In January 2003, the FASB issued FASB Interpretation No. 46 ("FIN46"), "Consolidation of Variable Interest Entities, an Interpretation of ARB No. 51." FIN46 requires certain variable interest entities to be consolidated by the primary beneficiary of the entity if the equity investors in the entity do not have the characteristics of a controlling financial interest or do not have sufficient equity at risk for the entity to finance its activities without additional subordinated financial support from other parties. FIN46 is effective for all new variable interest entities created or acquired after January 31, 2003. For variable interest entities created or acquired prior to February 1, 2003, the provisions of FIN46 must be applied for the first interim or annual period beginning after June 15, 2003. The Partnership is currently evaluating the effect, if any, that the adoption of FIN46 will have on its results of operations and financial condition.

NOTE 4 - RELATED PARTY TRANSACTIONS:

The Payable to General Partners primarily represents the asset management fees owed to the General Partners at the end of the period. It is unsecured, due on demand and, in accordance with the limited partnership agreement, non-interest bearing. Within the next 12 months, the Managing General Partner does not intend to demand payment on the portion of Asset Management Fees payable classified as long-term on the Balance Sheet.

For the years ended March 31, 2003, 2002 and 2001 the General Partners and affiliates are entitled to compensation and reimbursement for costs and expenses incurred by Gateway as follows:

Asset Management Fee - The Managing General Partner is entitled to be paid an annual asset management fee equal to 0.25% of the aggregate cost of Gateway's interest in the projects owned by the Project Partnerships. The asset management fee will be paid only after all other expenses of Gateway have been paid. These fees are included in the Statements of Operations.

INDEPENDENT AUDITORS' REPORT

---

To the Partners  
Springwood Apartments Limited Partnership  
Westfield, New York

We have audited the accompanying balance sheets of Springwood Apartments Limited Partnership as of December 31, 2002 and 2001 and the related statements of operations, partners' deficit and cash flows for the years then ended. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Springwood Apartments Limited Partnership as of December 31, 2002 and 2001 and the results of its operations and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

In accordance with Government Auditing Standards, we have also issued our report dated January 21, 2003 on our consideration of Springwood Apartments Limited Partnership internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audits.

An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of MANCHESTER HOUSING, LTD., L.L.L.P., as of December 31, 2002 and 2001, and the results of its operations, its changes in partners' equity (deficit), and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, issued by the Comptroller General of the United States, we have also issued our report dated January 31, 2003, on our consideration of MANCHESTER HOUSING, LTD., L.L.L.P.'s internal control and a report dated January 31, 2003, on its compliance with laws and regulations applicable to the financial statements. Those reports are an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audits.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information on pages 12-15 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SONORA SENIORS APARTMENTS

We have audited the accompanying balance sheets of SONORA SENIORS APARTMENTS, RHS PROJECT NO. 51-018-721125480 as of December 31, 2002 and 2001 and the related statements of operations, changes in partners' equity (deficit) and cash flows for the years then ended. These financial statements are the responsibility of the partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of SONORA SENIORS APARTMENTS as of December 31, 2002 and 2001 and the results of its operations, changes in partners' equity and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information presented on pages 16 through 26, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued a report dated March 2, 2003 on our consideration of SONORA SENIORS APARTMENT's internal control and a report dated March 2, 2003 on its compliance with laws and regulations applicable to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Westville Properties, A Limited Partnership, D/B/A Greystone Place Apartments as of December 31, 2002 and 2001, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 5, 2003, on our consideration of the Partnership's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Managing General Partner  
Haines Associates Limited Partnership  
Boise, Idaho

We have audited the accompanying balance sheets of Haines Associates Limited Partnership, as of December 31, 2002 and 2001, and the related statements of operations, partners' capital (deficit), and cash flows for the years then ended. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the USDA, Rural Housing Service Audit Program issued in December, 1989. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Haines Associates Limited Partnership as of December 31, 2002 and 2001, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued reports dated January 17, 2003 on our consideration of Haines Associates Limited Partnership's internal control and on its compliance with laws and regulations. Those reports are an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

The partnership has filed tax returns with the Internal Revenue Service which allow the partners to receive the benefit of a low income housing tax credit. Because the qualifying standards of the low income housing tax credit are different than the requirements of the loan agreement and the interest credit agreements, and due to the fact that the low income housing tax credit relates to income taxes which are the responsibility of the individual partners, the scope of these audits were not designed or intended to audit the compliance with the various low income housing tax credit laws. Therefore, these audits can not be relied on to give assurances with regard to compliance with any low income housing tax credit laws.

INDEPENDENT AUDITORS' REPORT

TO THE PARTNERS  
SMITHFIELD GREENBRIAR LIMITED PARTNERSHIP

We have audited the accompanying balance sheets of Smithfield Greenbriar Limited Partnership, as of December 31, 2002 and 2001 and the related statements of income, changes in partners' capital and cash flows for the years then ended. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and the U.S. Department of Agriculture, Farmers Home Administration *Audit Program*. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly in all material respects, the financial position of Smithfield Greenbriar Limited Partnership, as of December 31, 2002 and 2001 and the results of its operations, changes in partners' capital, and cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our reports dated January 23, 2003 on our consideration of Smithfield Greenbriar Limited Partnership's internal control, and on our tests of its compliance with certain provisions of laws, regulations, contracts and grants. Those reports are an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplementary information shown on pages 13 through 15 is presented for purposes of additional analysis and is not a required part of the basic financial statements of Smithfield Greenbriar Limited Partnership. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

To the Partners  
Mountain Crest Limited Partnership  
Boise, Idaho

We have audited the accompanying balance sheets of Mountain Crest Limited Partnership as of December 31, 2002 and 2001, and the related statements of operations, partners' equity and cash flows for the years then ended. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Mountain Crest Limited Partnership as of December 31, 2002 and 2001, and the results of its operations, and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued reports dated February 6, 2003, on our consideration of Mountain Crest Limited Partnership's internal controls and compliance with laws and regulations. Those reports are an integral part of an audit performed in accordance with the *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

The partnership's tax returns have been filed allowing the partners to claim a benefit of a low income housing tax credit. Because the compliance and qualification standards of the low income tax housing tax credit are not related to the interest credit agreement and loan agreement, and because the low income housing tax credit related to income taxes which are the responsibility of each individual partner, the scope of our audit was not designed or intended to audit the partnerships compliance with the low income housing tax credit laws. Accordingly, our audit cannot be relied upon to give assurance with regard to the partnerships compliance with any of the low income housing tax credit laws.

These financial statements are the responsibility of the partnership's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audits in accordance with auditing standards generally accepted in the United States of America and Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audits provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hazlehurst Manor, L.P. as of December 31, 2002 and 2001 and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, I have also issued my report dated February 3, 2003 on my consideration of Hazlehurst Manor, L.P.'s internal control and on my tests of its compliance with certain provisions of laws, regulations, contracts and grants. This report is an integral part of the audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of my audit.

My audits were made for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental information is presented for the purposes of additional analysis and is not a required part of the financial statements of Hazlehurst Manor, L.P. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in my opinion, is fairly presented in all material respects in relation to the financial statements taken as a whole.

The annual budgets of Hazlehurst Manor, L.P. included in the accompanying prescribed form RD 1930-7 (Rev 7-00) have not been compiled or examined by me, and I do not express any form of assurance on them. INDEPENDENT AUDITORS' REPORT

---

To the Partners  
Wildwood Apartments Ltd.  
Pineville, Louisiana

We have audited the accompanying balance sheets of Wildwood Apartments, Ltd., a limited partnership, RHS Project No.: 22-040-630954515 as of December 31, 2002 and 2001, and the related statements of operations, partners' deficit and cash flows for the years then ended. These financial statements are the responsibility of the partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted the audits in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States, and the U.S. Department of Agriculture, Farmers Home Administration Audit Program. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that the audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wildwood Apartments, Ltd., RHS Project No.: 22-040-630954515 as of December 31, 2002 and 2001, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

The audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information on pages 10 through 13 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplemental information presented in the Multiple Family Housing Borrower Balance Sheet (Form FmHA 1930-8) Parts I and II for the year ended December 31, 2002 and 2001, is presented for purposes of complying with the requirements of the Rural Housing Services and is also not a required part of the basic financial statements. Such information has been subjected to the audit procedures applied in the audit of the basic financial statements and, in our opinion is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued a report dated February 26, 2003 on our consideration of Wildwood Apartments, Ltd.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws and regulations.

These financial statements are the responsibility of The Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards of the United States and **Government Auditing Standards** issued by the Comptroller General of the United States. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of BROOKS HILL APARTMENTS, L.P., as of December 31, 2002 and 2001, and the results of its operations and its cash flows for the years then ended in conformity with generally accepted accounting principles of the United States.

In accordance with **Government Auditing Standards**, we have also issued our report dated February 10, 2003, on our consideration of BROOKS HILL APARTMENTS, L.P.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with **Government Auditing Standards** and should be read in conjunction with this report in considering the results of our audit.

Our audit was made for the purpose of forming an opinion on the basic financial statements of BROOKS HILL APARTMENTS, L.P., taken as a whole. The supplemental information on pages 9 through 12 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

To the Partners of  
Village Apartments of Seymour II, L.P.  
(A Limited Partnership)

We have audited the balance sheets of Village Apartments of Seymour II, L.P. (a limited partnership) as of December 31, 2002 and 2001, and the related statements of operations, changes in partnership capital (deficit) and cash flows for the years then ended. These financial statements are the responsibility of the partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, and the U.S. Department of Agriculture, Rural Development Audit Program. Those standards and the audit program require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Village Apartments of Seymour II, L.P. at December 31, 2002 and 2001, and the results of its operations, changes in partnership capital (deficit), and cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued a report dated January 7, 2003 on our consideration of the partnership's internal control over financial reporting and our tests of its compliance with laws and regulations. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

To the Partners  
Flagler Beach Villas RRH, Ltd.

We have audited the accompanying basic financial statements of Flagler Beach Villas RRH, Ltd., as of and for the years ended December 31, 2002 and 2001, as listed in the table of contents. These basic financial statements are the responsibility of the partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of Flagler Beach Villas RRH, Ltd. as of December 31, 2002 and 2001 and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated January 29, 2003 on our consideration of Flagler Beach Villas RRH, Ltd.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The additional information presented on pages 10 to 15 is presented for the purposes of additional analysis and is not a required part of the basic financial statements. The information on pages 10 to 14 has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole. The information on page 15, which is of a nonaccounting nature, has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and we express no opinion on it.

These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and Government Auditing Standards as issued by the Comptroller General of the United States and the U.S. Department of Agriculture, Farmers Home Administration Audit Program. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above presents fairly, in all material respects, the financial position of Frankston Retirement, Ltd.-(A Texas Limited Partnership) as of December 31, 2002 and 2001, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued a report dated February 11, 2003, on our consideration of the internal control structure of Frankston Retirement, Ltd.-(A Texas Limited Partnership) and a report dated February 11, 2003, on its compliance with laws and regulations.

Item 10. Disagreements on Accounting and Financial Disclosures

None.

PART III

Item 11. Directors and Executive Officers of Gateway

Gateway has no directors or executive officers. Gateway's affairs are managed and controlled by the Managing General Partner. Certain information concerning the directors and officers of the Managing General Partner are set forth below.

Raymond James Tax Credit Funds, Inc. - Managing General Partner

Raymond James Tax Credit Funds, Inc. is the Managing General Partner and is responsible for decisions pertaining to the acquisition and sale of Gateway's interests in the Project Partnerships and other matters related to the business operations of Gateway. The officers and directors of the Managing General Partner are as follows:

Ronald M. Diner, age 59, is President and a Director. He is a Senior Vice President of Raymond James & Associates, Inc., with whom he has been employed since June 1983. Mr. Diner received an MBA degree from Columbia University (1968) and a BS degree from Trinity College (1966). Prior to joining Raymond James & Associates, Inc., he managed the broker-dealer activities of Pittway Real Estate, Inc., a real estate development firm. He was previously a loan officer at Marine Midland Realty Credit Corp., and spent three years with Common, Dann & Co., a New York regional investment firm. He has served as a member of the Board of Directors of the Council for Rural Housing and Development, a national organization of developers, managers and syndicators of properties developed under the RECD Section 515 program, and is a member of the Board of Directors of the Florida Council for Rural Housing and Development. Mr. Diner has been a speaker and panel member at state and national seminars relating to the low-income housing credit.

J. Davenport Mosby, age 47, is a Vice President and a Director. He is a Senior Vice President of Raymond James & Associates, Inc. which he joined in 1982. Mr. Mosby received an MBA from the Harvard Business School (1982). He graduated magna cum laude with a BA from Vanderbilt University where he was elected to Phi Beta Kappa.

Sandra L. Furey, age 41, is Secretary, Treasurer. Ms. Furey has been employed by Raymond James & Associates, Inc. since 1980 and currently serves as Closing Administrator for the Gateway Tax Credit Funds.

Raymond James Partners, Inc. -

Raymond James Partners, Inc. has been formed to act as the general partner, with affiliated corporations, in limited partnerships sponsored by Raymond James Financial, Inc. Raymond James Partners, Inc. is a general partner for purposes of assuring that Gateway and other partnerships sponsored by affiliates have sufficient net worth to meet the minimum net worth requirements of state securities administrators.

Information regarding the officers and directors of Raymond James Partners, Inc. is included on pages 58 and 59 of the Prospectus under the section captioned "Management" (consisting of pages 56 through 59 of the Prospectus) which is incorporated herein by reference.

Item 12. Executive Compensation

Gateway has no directors or officers.

Item 13. Security Ownership of Certain Beneficial Owners and Management

Neither of the General Partners nor their directors and officers own any units of the outstanding securities of Gateway as of March 31, 2003.

Gateway is a Limited Partnership and therefore does not have voting shares of stock. To the knowledge of Gateway, no person owns of record or beneficially, more than 5% of Gateway's outstanding units.

Item 14. Certain Relationships and Related Transactions

Gateway has no officers or directors. However, various kinds of compensation and fees are payable to the General Partners and their affiliates during the organization and operations of Gateway. Additionally, the General Partners will receive distributions from Gateway if there is cash available for distribution or residual proceeds as defined in the Partnership Agreement. The amounts and kinds of compensation and fees are described on pages 15 to 18 of the Prospectus under the caption "Management Compensation", which is incorporated herein by reference.

The Payable to General Partners primarily represents the asset management fees owed to the General Partners at the end of the period. It is unsecured, due on demand and, in accordance with the limited partnership agreement, non-interest bearing. Within the next 12 months, the Managing General Partner does not intend to demand payment on the portion of Asset Management Fees payable classified as long-term on the Balance Sheet.

The Payable to Project Partnerships represents unpaid capital contributions to the Project Partnerships and will be paid after certain performance criteria are met. Such contributions are in turn payable to the general partner of the Project Partnerships.

For the years ended March 31, 2003, 2002 and 2001 the General Partners and affiliates are entitled to compensation and reimbursement for costs and expenses incurred by Gateway as follows:

Asset Management Fee - The Managing General Partner is entitled to be paid an annual asset management fee equal to 0.25% of the aggregate cost of Gateway's interest in the projects owned by the Project Partnerships. The asset management fee will be paid only after all other expenses of Gateway have been paid. These fees are included in the Statements of Operations.
