REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholders of Farina & Associates, Inc.:

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Farina & Associates, Inc (the "Company"), as of March 31, 2022, and the related notes (collectively referred to as the financial statement). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of March 31, 2022, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

We have served as the Company's auditor since 2020.

FARINA & ASSOCIATES, INC.

NOTES TO FINANCIAL STATEMENT

MARCH 31, 2022

NOTE 1 – ORGANIZATION AND DESCRIPTION OF BUSINESS:

Farina & Associates, Inc. (The "Company") is a New York corporation formed in 1989, for the purpose of conducting business on the floor of the New York Stock Exchange ("NYSE"). The Company is registered as a broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of both the Financial Industry Regulatory Authority, Inc. ("FINRA") and the Securities Investors Protection Corporation ("SIPC").

The Company earns commissions as an introducing broker of securities transactions. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Accounts Receivable

The Company carries its accounts receivable at cost less an allowance for doubtful accounts. On a periodic basis, the Company evaluates its accounts receivable and establishes an allowance for doubtful accounts based on history of past write-offs and collections and current credit conditions. No allowance for doubtful accounts was required at March 31, 2022.

Revenue Recognition

Securities transactions (and the recognition of related income and expenses) are recorded on a trade date basis. During May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, "Revenue from Contracts with Customers (Topic 606)." ASU No. 2014-09 establishes principles for recognizing revenue upon the transfer of promised goods or services to customers, in an amount that reflects the expected consideration received in exchange for those goods or services. During 2015 and 2016, the FASB also issued ASU No. 2015-14, which defers the effective date of ASU No. 2014-09; ASU No. 2016-08, "Principal versus Agent Considerations (Reporting Revenue Gross versus Net)", which clarifies the implementation guidance on principal versus agent considerations in Topic 606; ASU No. 2016-10, "Identifying Performance Obligations and Licensing", which clarifies the identification of performance obligations and the licensing implementation guidance; ASU No. 2016-12, "Narrow-Scope Improvements and Practical Expedients" and ASU No. 2016-20, "Technical Corrections and Improvements to Topic 606", which both affect narrow aspects of Topic 606. Topic 606 (as amended) is effective for fiscal years, and interim periods within those years, beginning after December 15, 2017. The company may elect to apply the guidance earlier, but no earlier than fiscal years beginning after December 15, 2016. The amendments may be applied retrospectively to each prior period presented or retrospectively with the cumulative effect recognized as of the date of initial application. The Company has assessed the effect that Topic 606 (as amended) has on its results of operations, financial position and cash flows and has determined that all revenues have been fully earned as of March 31, 2022. The Company's execution transactions generally settle T+2, upon which no performance obligations remain to fulfill the Company's obligations to its customers.

During the twelve months ended March 31, 2022, two customers accounted for 30.97%, and 17.01, respectively for a total of 47.98% of total revenue excluding the PPP loan forgiveness, New York State Covid Relief Grant and Employee Retention Credit.

Income Taxes

The Company has elected to be treated as an "S" Corporation under the provisions of the Internal Revenue Code and New York State tax regulations. Under the provisions, the Company does not pay federal or state corporate income taxes on its taxable income. Instead the stockholders are liable for individual income taxes on their respective shares of the Company's taxable income. The Company continues to pay New York City general corporation taxes.

FARINA & ASSOCIATES, INC.

NOTES TO FINANCIAL STATEMENT

MARCH 31, 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Use of Estimates

The preparation of financial statements and related disclosures in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting period. Accordingly, actual results could differ from those estimates and such differences could be material.

NOTE 3 - CONCENTRATIONS OF CREDIT RISK:

Cash

The Company maintains principally all cash balances in one financial institution which, at times, may exceed the amount insured by the Federal Deposit Insurance Corporation. The exposure to the Company is solely dependent upon daily bank balances and the strength of the financial institution. The Company has not incurred any losses on these accounts. At March 31, 2021, the amount in excess of insured limits was \$0.

NOTE 4 - FINANCIAL STATEMENTS WITH OFF BALANCE SHEET CREDIT RISK:

As a securities broker, the Company is engaged in buying and selling securities for a diverse group of institutional and individual investors. The Company introduces these transactions for clearance to another broker-dealer on a fully disclosed basis.

The Company's exposure to credit risk associated with non-performance of customers in fulfilling their contractual obligations pursuant to securities transactions can be directly impacted by volatile trading markets which may impair customers' ability to their obligations to the Company and the Company's ability to liquidate the collateral at an amount equal to the original contracted amount. The agreement between the Company and its clearing broker provides that the Company is obligated to assume any exposure related to such non-performance by its customers.

The Company seeks to control the aforementioned risks by requiring customers to maintain margin collateral in compliance with various regulatory requirements and the clearing broker's internal guidelines. The Company monitors its customer activity by reviewing information it receives from its clearing broker on a daily basis, and requiring customers to deposit additional collateral, or reduce positions, when necessary.

NOTE 5 - NET CAPITAL REQUIREMENTS:

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash distributions paid if the resulting net capital ratio would exceed 10 to 1. At March 31, 2021, the Company had net capital of \$229,589, which was \$224,589 in excess of its required net capital of \$5,000. The Company's percentage of aggregate indebtedness to net capital was 28.03%.

FARINA & ASSOCIATES, INC.

NOTES TO FINANCIAL STATEMENT
MARCH 31, 2022

NOTE 6 - RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS:

The Financial Accounting Standards Board (the "FASB") has established the Accounting Standards Codification ("Codification" or "ASC") as the authoritative source of generally accepted accounting principles ("GAAP") recognized by the FASB. The principles embodied in the Codification are to be applied by non governmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates ("ASUs").

For the year ending March 31, 2022, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year that ended. The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

Note 7 – Notes Payable

PPP Loans

The Company received two loans from Signature Bank in the amounts of \$83,333 each under the Paycheck Protection Program established by the Coronavirus Aid, Relief, and Economic Security (CARES) Act and Economic Aid Act. The loans were subject to a notes dated April 29, 2020 and January 27, 2021. The first loan was forgiven by Signature Bank once authorization was received by the US Small Business Administration on March 16, 2021 and the second loan was forgiven on June 17, 2021.

NOTE 8 - SUBSEQUENT EVENTS:

The company has evaluated events and transactions that occurred through May 28, 2022, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements

- A coronavirus (COVID-19) was first reported in China. In January 2020, the World Health Organization declared it a Public Health Emergency of International Concern. This contagious disease outbreak, which has continued to spread to additional countries, and any related adverse public health developments, could adversely affect the Company's customers, service providers and suppliers as a result of quarantines, facility closures, and travel and logistics restrictions in connection with the outbreak. More broadly, the outbreak could affect workforces, economies and financial markets globally, potentially leading to an economic downturn. The ultimate impact of the COVID-19 is uncertain. Management continues to monitor the outbreak, however, as of the date of these consolidated financial statements the potential impact of such on the Company's business and operations cannot be reasonably estimated.
- The U.S. enacted the CARES Act which is an economic stimulus package to assist eligible small businesses to cover certain operational costs due to the adverse impact of COVID-19. In addition, the CARES Act includes temporary tax law changes to provide additional relief to U.S. businesses and individual taxpayers.
